Lee County Community Development plans North Olga visioning workshop

Fort Myers, FL, March 4, 2019 – Lee County Department of Community Development staff will hold a visioning workshop for residents and businesses of the North Olga community from 6 to 8 p.m. Tuesday, March 26. The visioning workshop will be held at the Bayshore Fire Department Station 131, which is located at 17350 Nalle Road, Fort Myers, FL 33917.

The visioning workshop is to define and update the community planning goals for North Olga within the Lee Plan. Lee County Community Development staff will begin by providing an overview of basic background information relevant to the Lee Plan, the community plans and the visioning event. After the short informational segment, guided group discussions will help to identify future opportunities and constraints within the North Olga community. The workshop is scheduled to last until 8 p.m. Interested individuals are encouraged to arrive at 6 p.m. and stay until the workshop concludes.

A community plan is a goal in the Lee Plan specific to a defined area of the county where long-term objectives of the community, and policies to meet these objectives, are identified. There are 17 distinct community planning areas identified in the Lee Plan.

The Lee Plan requires certain day-to-day public and private activities within each jurisdiction and must be consistent with the goals, objectives and policies in the adopted plan. It is a source of authority for the local government's land development regulations and for an array of official discretionary actions including, but not limited to, the capital improvement program. The Lee Plan represents the community's vision of what it will or should look like by the end of the planning horizon.

The purpose of community plans is to address specific conditions unique to a defined area of the county. Conditions may be physical, historical, environmental, or economic in nature. All amendments will move through the normal process required to amend the Lee Plan with opportunities for public input – one hearing with the Local Planning Agency and two hearings with the Board of County Commissioners (transmittal and adoption).

For more information visit the website at <http://www.leegov.com/dcd/planning/cp/northolga> or contact PODPlanning@leegov.com.

In accordance with the Americans with Disabilities Act, Lee County will not discriminate against qualified individuals with disabilities in its services, programs, or activities. To request an auxiliary aid or service for effective communication or a reasonable modification to participate in this meeting, contact David Wagley, 239-533-8502, Florida Relay Service 711, or DWagley@leegov.com. Accommodation will be provided at no cost to the requestor. Requests should be made at least five business days in advance.
