Addendum Number One (1)

Request for Application - RFA#071626 - FY 2026 Continuum of Care Competition

Addendum Number One (1) Explanation:

This addendum is to add the following (all additions/changes will be in red):

- Added Native American Tribal Governments (both Federally recognized and other than Federally recognized) to the list of eligible entity types.
- Added up to 5 bonus points for PSH projects that prioritize elderly individuals or persons with a physical or developmental disability to the Project Ranking Tool
- Added language regarding HUD's reservation of at least \$430 million for permanent housing projects serving families with children, applied during HUD's selection process beginning with Tier 1 projects.
- Added Opportunity Zone bonus points (up to 5 points) for all project types to the Project Ranking Tool. Applicants must propose to utilize 50% or more of the award within a designated Opportunity Zone and submit Form HUD-2996, Certification for Opportunity Zone.
