Compensation Benefits

VA disability compensation is a tax free monetary benefit paid to the veteran with disabilities that are the result of a disease or injury incurred or aggravated during active military service.

Compensation may also be paid for post-service disabilities that are considered related or secondary to disabilities occurring in service & for disabilities presumed to be related to circumstances of military service, even though they may rise after service.

The Claim process in average takes 3 to 6 months

Pension Benefits

Veterans or Surviving spouses who are eligible for VA pension and require the aid & attendance of another person.

- Veterans must have served 90 consecutive days on active duty including one day during a war time period.
- Both veteran and spouse income count; unreimbursed medical expenses for both veteran and spouse are used to reduce countable income.

Assets & Net Worth should not exceed **\$138,489.00** dollars.
