ROADWATCH UPDATE
June 12, 2025 to June 18, 2025

1. Road Work/Maintenance/Improvement

Corkscrew Road Widening Project – Phase 2 Construction Project: The project constructs four, 11-foot-wide travel lanes from Bella Terra Boulevard to just east of Alico Road, and a new traffic signal at the Alico Road intersection. Also included are on-road bike lanes in each direction, a 10-foot-wide shared-use path on the south side of the road, a 6-foot sidewalk on the north side of the road, and street lighting. The 22-foot wide (varies) median includes various hardwood and palm trees as well as shrubs.

**Drivers, pedestrians, and bicyclists are urged to use extra caution
when traveling through the work zone.**

- Crews will be installing drainage throughout the project area on the south side of Corkscrew Road. Motorists should expect trucks and equipment to be moving materials throughout the project.
- Motorists should expect intermittent daytime flagging for crews to perform earthwork close to the roadway. The contractor is placing embankment for the new road on both the north and south sides of Corkscrew Road. Please be aware that trucks may be entering and leaving the roadway.
- A new traffic signal has been installed at the intersection of Corkscrew Road and Alico Road which became fully operational on Thursday, April 17, 2025. Motorists are urged to drive with caution.
- Crews will be installing utility conduits and light pole bases on the south side of Corkscrew Road from Wayside Lane to Alico Road.
- Crews will be performing earthwork and transporting dirt as part of the pond construction east of Corkscrew Shores. Motorists should expect heavy truck traffic entering and leaving Corkscrew Road in that area.
- Sidewalks may be closed in areas throughout the project as the contractor performs underground work.

The work activities above are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule.

Please use caution and watch for workers and construction vehicles entering and leaving the roadway. **Estimated completion is spring 2026.** Project cost is approximately \$27 M. The contractor is Bergeron Land Development, Inc. For further questions, please visit the project website at <https://corkscrewroadwidening.com> or contact Jennifer Dorning by email at Jennifer.Dorning@atkinsrealis.com or by phone at (239) 338-7723.

Village of Estero Corkscrew Road Shared Use Path Project: This Village of Estero project constructs a 10-foot-wide asphalt pathway on the north side of Corkscrew Road from Ben Hill Griffin Parkway to Palermo Lake Court (eastern entrance of Grandezza), and 6-foot wide concrete sidewalk from east of Palermo Lake Court that connects to the sidewalk that runs to Midnight Blue Court (Wild Blue Vista) built by Lee County's previous widening project. The 10-foot-wide asphalt pathway will also be constructed on the south side of Corkscrew Road from Ben Hill Griffin Parkway to Bella Terra Boulevard. Roadway and pathway lighting similar to those on Estero Parkway will be installed to complement the new facilities, along with a substantial amount of landscaping and irrigation which will add to the beautification of the Corkscrew Road corridor.

**Drivers, pedestrians, and bicyclists are urged to use extra caution
when traveling through the work zone.**

- Motorists should expect daytime lane closures from 9:00 AM to 3:30 PM for crews to install irrigation in the median and install lighting.
- Crews are scheduled to install utilities on the south side of Corkscrew Road from Wildcat Run to the wildlife crossing.
- Crews are currently performing earthwork along the south side of Corkscrew Road from the Preserve at Corkscrew to the wildlife crossing.
- Crews will be constructing sidewalk from Wild Blue to the west on the north side of Corkscrew Road.
- Crews will be conducting underground drainage work on the north side of Corkscrew Road between Grande Oak Boulevard and Grand Oak Way.

The work activities above are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule.

Please use caution and watch for workers and construction vehicles entering and leaving the roadway. Estimated completion is Fall 2025. Project cost is approximately \$23 million, including \$4.6 million for landscaping and irrigation and \$4 million for lighting. For further questions, please

contact Jennifer Dorning by email at Jennifer.Dorning@atkinsrealis.com or by phone at (239) 338-7723.

Village of Estero Corkscrew Road Pathway (ROW2024-01211): As part of the pathway improvements for the Corkscrew Road corridor which begins at the intersection with Ben Hill Griffin Parkway and covers a quarter of a mile east of Bella Terra Boulevard, Wright Construction will be periodically conducting lane closures on the eastbound lanes between the hours of **8:00 AM and 3:30 PM** and westbound lanes between the hours of **9:00 AM and 3:30 PM on weekdays, beginning on Wednesday, May 7, 2025, and anticipated through Tuesday, August 5, 2025.** As part of our coordinated efforts to notify and raise awareness of the upcoming lane closures, Wright has placed Variable Message Boards at each end of the project limits to ensure the residents can begin planning their daily commute accordingly. Wright Construction and its subcontractors will be performing the following activities during this period, all of which will be mainly condensed to the areas between the ROW and the back of the existing curb or edge of pavement: drainage improvements, 10' pathway and swale grading, pathway and concrete sidewalk installation, lighting, landscape and irrigation. For further information, please contact Yandy Fuentes, Project Manager, 239-318-4430, yandy.fuentes@wcgfl.com; or Ivan Blanco, Project Superintendent, 239-738-5856, ivan.blanco@wcgfl.com.

Sanibel Causeway Emergency Restoration: Crews are completing final items west of the toll plaza. The 35 MPH speed limit has been restored west of the toll plaza. Reduced speed limits remain enforced east of the toll plaza. Pedestrians are not permitted on the Sanibel Causeway.

The following work activities above are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule.

- Motorists should use extreme caution as crews complete final work activities very close to traffic in the shoulder of the Causeway travel lanes.
- The contractor continues work to restore the staging area at Punta Rassa in preparation for handing the area back over to Lee County later this summer.
- Motorists are advised that when traveling on island Bay 3 remains closed for Lee County to continue work on toll equipment.
- The contractor is installing signage east of the toll plaza.
- *Work by others: Sanibel-Captiva Conservation Foundation continues to monitor Least Tern nesting on the Causeway and continues work on the north side of McGregor Boulevard for mangrove restoration. For more information visit: www.sccf.org.*

All users are urged to be courteous and pay attention as bicyclists share the road on the Causeway

and vehicles are entering and existing at public beach access points of the Causeway Islands Park. Visitors may check www.leegov.com/parks for updated park and Punta Rassa boat ramp information.

For further questions regarding FDOT's Sanibel Causeway Roadway Restoration, please contact Jennifer Dorning by email at Jennifer.Dorning@dot.state.fl.us or by phone at (239) 338-7723. Please visit www.swflroads.com/SanibelCauseway for additional roadway restoration information.

Big Carlos Pass Bridge Project – Construction Project: The project builds a new bridge over Big Carlos Pass, from Estrellita Drive on Fort Myers Beach to the Lovers Key State Park bayside entrance on Lovers Key. The new bridge will replace the existing moveable bridge over Big Carlos Pass with a fixed span bridge that will provide a vertical navigation clearance of 60 feet. The new bridge will be constructed on the Gulf side of the existing bridge, and will include one travel lane in each direction, bicycle lanes, a six-foot-wide sidewalk along the north side of Estero Boulevard, and a 10-foot-wide shared use path along the south side of Estero Boulevard. A parking area with access to the Lovers Key State Park will be included on the southeast side of the bridge. The project also includes relocation of existing infrastructure for Lee County Utilities and Bonita Springs Utilities.

*Boaters are reminded to avoid the construction equipment and the temporary trestle that is in the water. Please use the channel when traveling through Big Carlos Pass.
To contact the bridge tender, please call: 239-955-3973.*

**FISHING IS NOT PERMITTED FROM
THE BIG CARLOS PASS BRIDGE**

***Oversize loads be aware that vertical clearance on
Estero Boulevard is limited to 16 feet.***

- During the early afternoon hours on Monday, June 16, 2025 and Wednesday, June 18, 2025, motorists should expect a short bridge closure (with a duration similar to bridge opening for marine traffic) for bridge I-Beams to be delivered. These deliveries are expected again on June 20, 2025 and June 24, 2025.
- Motorists should expect intermittent daytime lane closures with flagging for crews to perform overhead bridge work.
- The contractor is scheduled to continue setting bridge deck for the new bridge.
- Suppliers are delivering concrete to the project during times that are favorable for successful pours and within permit requirements.
- Pedestrians should follow signs to use the sidewalk on the north side of the bridge.
- Crews will continue performing earthwork and drainage work throughout the project.

- Trolley stops are available at the south entrance to Black Island (Lovers Key Resort) for those traveling to Fort Myers Beach and across the street from Black Island (Lovers Key Resort) for those traveling to Lovers Key and Bonita Springs. Travelers are asked to wait behind the concrete barrier until ready to board the trolley.

***TRESSPASSING INTO THE CONSTRUCTION SITE IS DANGEROUS AND ILLEGAL.
THIS INCLUDES THE BEACH AREA UNDER THE BRIDGE.***

Pedestrians and boaters are reminded to please stay out of the work zone.

Drivers, pedestrians, and bicyclists are urged to use extra caution when traveling through the work zone as workers and construction vehicles are entering and leaving the roadway. Motorists should expect reduced speeds throughout the project area. Draw bridge will remain in operation during construction and motorists should be prepared to stop. Fishing from the Big Carlos Pass Bridge is restricted due to construction activities.

Estimated completion is summer 2026. Project cost is approximately \$90.8 M. The contractor is Superior Construction. For further questions, please visit the project website at <https://bigcarlosbridgeproject.com/> or contact Jennifer Dorning by email at Jennifer.Dorning@atkinsrealis.com or by phone at (239) 338-7723.

Littleton Road Widening Project from Corbett Road to US 41: The project widens Littleton Road from the Corbett Road roundabout east to US 41. The new road segment will include an 11-foot-wide travel lane in each direction and a 12-foot-wide center turn lane with landscaped planting islands. The project began in January 2024 with estimated completion in summer 2025. Project cost is approximately \$20 million. The contractor is Wright Construction Group, Inc.

- During the week of Monday, June 16, 2025, motorists should expect driveway closures for the 7-Eleven gas station on Littleton Road for crews to install drainage. Flaggers will be on site to assist motorists and access to the business will be maintained.
- The Windmill Village driveway on Littleton Road has reopened to traffic. Please pay close attention to the new signage and stop locations before proceeding into the live lanes.
- Motorists are advised that eastbound and westbound traffic has shifted to the north side of the corridor throughout the length of the project to allow crews to work on the south side. Motorists entering the corridor should pay close attention to the new stop locations before proceeding into the live lanes.
- Two eastbound LeeTran bus stops on Littleton Road near Horizon Boulevard and Serendipity Boulevard are temporarily out of service. The bus stop on the corner of Littleton Road and US-41/North Cleveland Avenue near 7-Eleven is still in service.

The work activities above are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule.

MOTORISTS ARE ADVISED THAT LITTLETON ROAD IS AN ACTIVE CONSTRUCTION ZONE. THE SPEED LIMIT IS 30 MPH THROUGHOUT THE WORK ZONE. SPEEDING FINES ARE DOUBLED WHEN WORKERS ARE PRESENT.

Drivers should also be aware of construction vehicles entering and leaving the roadway. For further questions, please visit www.LittletonRoadWidening.com or contact Michaela Zawodny by email at Michaela.Zawodny@atkinsrealis.com or by phone at 239-410-8174.

Ortiz Avenue Widening from SR 884 (Colonial Boulevard) to SR 82 (Martin Luther King, Jr. Boulevard): This project consists of widening of Ortiz Avenue from 2 lanes to 4 lanes and constructs a six-foot sidewalk on the east side of the road and a 10-foot paved trail on the west side of the road. An on-road bike lane on both sides of the road will also be included. New street lighting will be installed, and a grass median will separate traffic. No improvements will be made at the roundabout intersection with Hanson Street. The contractor will reconstruct the roadway with drainage improvements and stormwater management facilities. Work also includes installation of new water main and installation of new reclaimed water and sewer facilities for Lee County and the City of Fort Myers.

**Drivers, pedestrians, and bicyclists are urged to use extra caution
when traveling through the work zone.**

- During daytime hours the week of June 16, the entrance to the Lee County Emergency Operations Center will be reduced to one lane for utility installations. Flaggers will be onsite to assist motorists.
- Utility crews will be working near the shared use paths just north of the Calusa Nature Center and just south of Dr. Martin Luther King Jr. Boulevard. Pedestrians are advised to exercise caution when traveling through the work zone and follow any pedestrian detours and/or directions from flaggers.
- LeeTran has installed a new temporary northbound bus stop just south of the Lee County Jail driveway. The northbound stops just north of the Lee County Jail driveway and near RaceTrac are temporarily out of service.
- Crews will continue earthwork activities.
- The contractor is scheduled to survey the project during daytime hours.
- Crews will be installing drainage, force main and water main north and south of the roundabout.
- The contractor is identifying existing utility locations throughout the project.

The work activities above are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule.

Motorists are asked to drive with caution and watch for workers and construction vehicles entering and leaving the work zone. **Estimated completion is Spring 2026.** Project cost is approximately \$31 M. The contractor is OHLA USA. For further questions, please visit www.ortizavewidening.com or contact Jennifer Dorning by email at Jennifer.Dorning@atkinsrealis.com or by phone at (239) 338-7723.

Three Oaks Parkway Extension Project Phase 1 from Fiddlesticks Canal to Indian Paint Lane: This project consists of extending Three Oaks Parkway north of the Fiddlesticks Canal and constructs 4 lanes with a 5-foot-wide bicycle lane. In Phase 1, there is an 8-foot-wide sidewalk on the west side of the roadway and a 6-foot-wide sidewalk on the east side of the roadway.

Motorists are asked to drive with caution and watch for workers and construction vehicles entering and leaving the work zone. **Estimated completion is late 2025.** Project cost is approximately \$26.8 M. The contractor is Wright Construction Group. For further questions, please visit www.ThreeOaksExtension.com or contact Kris Cella by email at Kcella@cella.cc or by phone at (239) 337-1071.

Three Oaks Parkway Extension Project Phase 2 from Indian Paint Lane to Daniels Parkway: This project consists of extending Three Oaks Parkway north in the vicinity of Indian Paint Lane to Daniels Parkway and constructs 4 lanes with a 5-foot-wide bicycle lane. Phase 2 includes 6-foot-wide sidewalks on both sides of the roadway.

- The contractor will be clearing the new roadway extension in the vicinity of Indian Paint Lane and adjacent to Fiddlesticks Boulevard.

Motorists are asked to drive with caution and watch for workers and construction vehicles entering and leaving the work zone. **Estimated completion is mid-2028.** Project cost is approximately \$39.7 M. The contractor is ECH Construction. For further questions, please visit www.ThreeOaksExtension.com or contact Kris Cella by email at Kcella@cella.cc or by phone at (239) 337-1071.

Buckingham Road and Gunnery Road Roundabout Project Phase 2: Currently working in the second phase, Buckingham Road will be closed from Gunnery Road to Sunset Road beginning June 16, 2025,

and is anticipated to be completed Fall 2025.

**Drivers, pedestrians, and bicyclists are urged to use extra caution
when traveling through the work zone.**

- Southbound Buckingham Road traffic will be redirected via a detour to Gunnery Road then turn right at Sunset Road then left back onto Buckingham Road to continue south.
- Northbound Buckingham Road traffic will be redirected via a detour to turn right onto Sunset Road, then left onto Gunnery Road to continue north onto Buckingham Road north.
- Additionally, temporary traffic signals will be installed at both the intersections of Buckingham Road and Sunset Road, as well as Gunnery Road and Sunset Road.
- Sidewalks will remain closed during this phase. Second Phase is anticipated to be completed Fall 2025.
- Crews are actively working on roadway construction along Buckingham Rd.
- Crews will be installing new drainage along Gunnery Road.
- As part of the construction activities for this project, sidewalk closures will be necessary. Pedestrians are encouraged to anticipate detours and make appropriate arrangements to ensure safe and efficient travel through the project site.

Expect large construction vehicles in the area and watch for contractors in the field. The contractors will use Variable Message Boards (VMB) to notify the public about any traffic pattern changes during construction. The contractor is V & H Construction, Inc. The project is expected to be completed in one year. Work is estimated to be complete spring of 2026. **Work is expected to occur Monday through Friday from 7:00 AM to 5:30 PM;** however, some night and weekend work may be necessary. If you would like to receive updates or have questions about the project, please visit the website www.BuckinghamGunneryRoundabout.com or contact: Mallory Briggs, CMA Outreach Inc., public outreach consultant at 239-337-1071 or email: info@BuckinghamGunneryRoundabout.com.

Please note changes to the road watch are shown above in Orange.

Striping Maintenance: Lee County DOT Traffic will be performing a moving operation with traffic delays on **June 12, 2025 to June 18, 2024 between the hours of 9:00 AM to 4:00 PM** (weather permitting) on the following roadways:

Gateway Boulevard	Daniels 9300
Griffin Drive	American Colony Boulevard
Commerce Lakes Drive	Eagle Ridge Drive
Intercom Drive	De Moya Drive

Palomino Lane	S. Olga Drive
Penzance Boulevard (<i>Palomino Lane – EOP</i>)	Burnt Store Road (<i>Caloosa Parkway – Durden Parkway</i>)

Intersection Markings Maintenance: Intermittent Lane closures and delays are possible **June 12, 2025 to June 18, 2024 between the hours of 9:00 AM to 4:00 PM** (weather permitting) on the following roadways:

Treeline Avenue	Del Prado Boulevard
Stringfellow Road	

Night work scheduled for Thursday June 12, 2025: LCDOT Traffic will be working on Del Prado Boulevard at various intersections between the hours of **8:00 PM to 4:00 AM** (weather permitting). Delays are expected and motorist are advised to use caution while traveling through the area as workers will be present on the roadway.

For additional information, please contact Randy Hart at DOTMarkings@leegov.com.

Bell Boulevard Sidewalk from SR 82 to Sunrise Boulevard: Lee County is constructing a new 6-foot-wide concrete sidewalk on the east side of Bell Boulevard from SR 82 approximately 4.2 miles north to Sunrise Boulevard. Work includes concrete driveway replacements, minor roadway reconstruction and paving, minor drainage improvements, and signing and pavement markings. The project began in late October 2024 with estimated completion in summer 2025. Project cost is approximately \$3.2 M. The contractor is V&H Construction.

**Drivers, pedestrians, and bicyclists are urged to use extra caution
when traveling through the work zone.**

- Motorists should expect periodic flagging throughout the project.
- Crews are completing final sod installation and hydroseeding.
- Crews are maintaining traffic control devices throughout the project.
- Crews may be working close to the roadway. Motorists are asked to drive with caution.

The work activities above are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule.

Please use caution as crews are working close to the roadway. Be aware of construction vehicles

entering and leaving the roadway. For further questions, please visit www.leegov.com or contact Jennifer Dorning by email at Jennifer.Dorning@atkinsrealis.com or by phone at (239) 338-7723.

Alico Road starting at Cam Court – Fort Myers (ROW2024-01000): MAJ Contracting & Clary's Site Work, Inc. will be performing roadway and sidewalk improvements **beginning Monday, February 10, 2025, and continuing through July 31, 2025.** Water main & Force main relocation, asphalt pavement, concrete sidewalk, concrete curbing and drainage improvements will be performed. The outside (right) lane road shoulder of the eastbound traffic on Alico Road just after Cam Court will be subject to lane closures. This work will occur between the hours of **7:00 PM and 6:00 AM** on weekdays. For further information, please contact Mark Nottingham @ 239-997-4004 or mark@clarysitework.com. ACME Barricades will provide maintenance of traffic services (239) 479-5266.

Six Mile Cypress at Daniels Parkway: Lee County DOT, along with their contractor Ajax Paving will be milling, resurfacing, widening, installing new drainage and signalization on Six Mile Cypress at Daniels Parkway. The project is tentatively scheduled to start on **March 31, 2025 (weather permitting) and should be completed by the end of July, 2025.** There will be intermittent nightly lane closures with traffic pattern changes. Please pay attention to all signage and flaggers. Please note nighttime work hours will be from **7:00 PM to 6:00 AM, Sunday through Friday.** For further information, please contact Zack Sheffield at zsheffield@ajaxpaving.com or (239) 989-1907.

Treeline Avenue S. approximately 150' to 200' north of Global Parkway on the west side of Treeline Avenue – Fort Myers (ROW2025-00138): Clary's Site Work Inc. will be Installing a Lee County Bus Stop. Removal of portion of existing sidewalk & replacement to be compliant with ADA requirements, **beginning May 14, 2025, and continuing through June 30, 2025.** We will be working off the turning lane in the county's ROW. The work will occur during normal off-season working hours. For further information, please contact Mark Nottingham @ 239-997-4004 or email @ mark@clarysitework.com ACME Barricades will be providing MOT services 239-479-5266.

Lee County will be dredging the **Whiskey Creek channel entrance between Whiskey Creek Drive and Robalo Drive** and anticipate increased construction traffic on McGregor Boulevard as a result. We expect to start the material removal on **June 4, 2025 with a completion date of August 5, 2025.** We do not anticipate any lane closures. We would ask drivers to use caution while crossing the Whiskey Creek bridge on McGregor Blvd., watching for dump trucks exiting and entering Old

Whiskey Creek Dr. For additional information, please contact Josh Malo at jmalo@leegov.com or (239) 533-2308.

Bonita Beach Road from Kings Kew to West of West Avenue: Daily single lane closures will take place between **7:00 AM and 4:00 PM** at the following intersections:

- Intersection of Bonita Beach Road at Barefoot Beach Blvd / Entrance to The Beach and Tennis Club.
- Intersection of Bonita Beach Road and Kings Kew.

This project will run from **May 19, 2025 to just before the July 4th holiday**. Advanced warning message boards are installed as well as advanced warning post mounts signs. For additional information, please contact Darin Brown at dbrown@ajaxpaving.com or (239) 299-6662.

Daniels Parkway (B240432SSL): Electrical work within the ROW will begin on **May 12, 2025, through June 13, 2025**. Work times will be from **7:00 AM to 5:00 PM**. Motorists should use caution, as this area may have lane closures and crews working outside of traffic. Please be aware of the advanced warning signs in these areas. The weather may affect start times and dates. For further information, please contact paving@leegov.com.

Colonial Boulevard from Summerlin Road to McGregor Boulevard: Beginning May 12, 2025, and continuing through Winter of 2025, road construction and traffic signal improvements will begin along Colonial Boulevard from Summerlin Road to McGregor Boulevard. Expect nighttime lane closures with lighted work zones between the hours of **7:00 PM to 5:00AM**. Pedestrian detours will also be in place. Use caution when driving through this area. For more information, please contact Todd Weaver with OHLA at (239) 841-0448.

Westlinks Drive at Commerce Lakes Drive, Commerce Lakes Drive at Gateway Boulevard, Westlinks Drive N at Daniels Parkway, Gateway Greens Drive, Devonshire Lakes Drive, Fairway Lakes Drive, Girl Scout Lane - Fort Myers (ROW 2024-00255): L & S Enterprises, contracted through FPL, will be performing the rest of the electrical work on the existing poles as well as installing new poles **beginning May 27, 2025, and continuing through July 20, 2025**. New poles installation, removal of old poles, resetting poles, and energize circuits for poles will be performed. Periodic lane closures on Gateway Boulevard, shoulder work/ flagging on Westlinks Drive just south of Commerce

Lakes Drive, and shoulder work/flagging on Commonwealth Drive across from the elementary school will take place. Periodic lane closures/ flagging or shoulder closures will occur from **7:00 AM to 6:00 PM**. AWP will be conducting the traffic control services. The contractor from L & S Enterprises will be conducting the work. If you have any questions, please contact Jake Marshall with L & S Enterprises at (315) 264-2006.

Magnolia Lane at Plantation Road - Fort Myers (ROW2025-00794): PMI will be performing roadway improvements on Magnolia Lane beginning **Monday, June 2, 2025, and continuing through June 24, 2025**. Milling and asphalt pavement improvements will be performed. No work is being performed directly on Plantation Road.

City of Cape Coral Milling and Paving operations of Major Roads will begin on May 21, 2025, through July 1, 2025. Work times will vary, most will be from **7:00 AM to 5:00 PM**. Some nights are possible. Motorists should use caution, as this area will have lane closures and uneven pavement. Please be aware of the advanced warning signs in these areas. The weather may affect start times and dates.

Daniels Parkway between Metro Parkway and US 41, Cleveland: OHLA will be continuing the roadway improvements to for automotive and pedestrian traffic. Repaving, electrical and sidewalk work will be ongoing through the month of **June 2025**. Subcontractors will be working within the Right of Way installing updated traffic electrical items and removing and replacing the damaged walkways. This work will be ongoing for several weeks. Work times will generally be from **7:00 AM to 4:00 PM, Monday through Friday**. Motorists should use caution, as this area may have lane closures and crews working outside of traffic. Please be aware of the advanced warning signs in these areas and sidewalk closure and detours. The weather may affect start times and dates. For further information, please contact paving@leegov.com

Lee County Utilities, along with their contractor Boyd Irrigation, will be making improvements on the water main on **Buckingham Road and Cemetery Road**. Crews will be working on the side of the roadway starting **June 10, 2025 and completing work by June 13, 2025**, weather permitting. Work will take place from **9:00 AM to 5:00 PM**. There will be NO lane closures for this work but expect slowdowns going Northbound on Buckingham Road as you approach the work area. Please contact Matt Stephens with Lee County Utilities @ 239-322-4333 for further information.

Slater Road at Bayshore Road- Fort Myers (ROW2024-00809): Hughey Construction Services LLC. will be performing a watermain bore along the east side of Slaters ROW. In order to do this safely, we are requesting a single lane closure FDOT Index Number 102-603 for north bound Slater Road. Along with the bore going on, in the same lane closure we will pave the turn lane going into Solena. We would like lane closure to be set up for the week of **Wednesday, June 11th through June 18th**, between the hours of **9:00 AM and 3:30 PM**. For further information, please contact Brian LaNinfa at (941) 525-8085 or BrianL@hugheyservices.com. Hughey Construction will be providing the lane closure for this job.

Estero Boulevard from Crescent Street to Big Carlos Pass: Lee County will be installing street lighting by all the crosswalks, replace sidewalks that are damaged, and install conduit systems to power the streetlights at various locations. Motorists should expect intermittent sidewalk closures and lane closures (Flagging Operation). Work will be during the day from **7:00 AM to 5:00 PM** for crews to install light bases and conduit / pull boxes.

*Drivers, pedestrians, and bicyclists are urged to use extra caution
when traveling through the work zone.*

Crews will be working in the following areas over the next three weeks:

- Estero Boulevard from Palmero Circle to Miramar Street
- Estero Boulevard from Miramar Street to Tropical Shores Way
- Estero Boulevard from Tropical Shores way to Gulf View Colony
- Estero Boulevard from Gulf View Colony to Jefferson Street

The work activities above are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule.

Please use caution and watch for crews and construction vehicles entering and leaving the roadway. **Estimated completion is end of 2025.** Project cost is approximately \$3.1 million. For further questions, please contact Brianna Smith by email at bsmith@cella.cc or by phone at (239) 337-1071.

Lee County DOT, along with their contractor Ajax Paving, will begin milling and paving Pine Island Road from Tipton Drive, West of Matlacha & Stringfellow Road from No Name Drive to Bomar Lane. This schedule is for night work beginning **June 8, 2025, through July 13, 2025, from 7:00 PM to 5:00 AM**. Please use caution in the area as the road surface may be partially milled and provides an uneven surface. If you have any questions, please reach out to Ajax Paving at (239) 936-9444.

Alico Road. (Between Cemex Entrance & Wildblue Boulevard) – Fort Myers (ROW2024-01823- - LDO2024-00584-A01): Pike Gas Services, will be performing a gas main installation for TECO Peoples Gas beginning **Thursday, June 26, 2025**. Pike will be performing the work along the north shoulder of Alico Road. The outside (right) lane of westbound traffic on Alico Rd. beginning at the east side of the Cemex entrance ending east of Wildblue Boulevard along north shoulder of Alico Road will be subject to intermittent lane closures, as well as the right turn lane on Alico Road going southbound into Wildblue Boulevard, and the right lane northbound portion of Wildblue Boulevard turning east onto Alico Road. Periodic lane closures for the westbound lane will occur between the hours of **9:00 AM and 3:30 PM** on weekdays. For further information, please contact Nick Foster at (239) 898-9230, James M. Briscoe at (239) 338-8534 or David Dutton at (800) 424-Pike & djdutton@pike.com & Zac Brown at zbrown@pike.com.

Buckingham Road, Riverdale Highschool (ROW2024-00318): Bateman Contracting will be installing the final pavement on Buckingham Road in front of Riverdale Highschool from Drawdy Court to S.R.80 for the new school entrance traffic signal. Flagging operation will accrue making Buckingham Road 1 lane with a flagging operation between Drawdy Court and S.R. 80. Buckingham Road will be back to normal operation at 6:00 AM each morning. The duration of this work will take place from **Sunday, June 15, 2025, through Tuesday, June 17, 2025**. The work hours will be from **6:30 PM to 6:00 AM**. MOT will be provided by Acme barricaders. The site contractor is Bateman Contracting. For questions, please contact Jay at (239) 229-5141.

Plato Canal Crossing MH Improvements – Cape Coral (ROW2025-00862): Quality Enterprises USA, Inc. will be performing Roadway and Force main utilities improvements.
