1. Road Work/Maintenance/Improvements:

Burnt Store Road from Diplomat Parkway to Van Buren Parkway: Construction Project: This project consists of the initial widening of Burnt Store Road to four lanes (ultimately the future design is for six lanes with a two-lane frontage road). The project also includes installation of conduits under the road for the City of Cape Coral. Motorists should expect intermittent southbound lane closures during nighttime/overnight hours, weather permitting. Motorists should follow detour signs.

- On Wednesday, October 25, the northbound Burnt Store Road lane will be shifted to the newly constructed roadway. The southbound lane will remain in the current configuration. Burnt Store Road will function as a divided highway. Motorists should use caution, follow signs to access Diplomat Parkway and Van Buren Parkway. Northbound and Southbound motorists will need to use marked turnouts to reverse course and to access side roads.
- The speed limit is reduced to 45 miles per hour. Motorists should use caution as construction vehicles enter and exit the roadway.
- Van Buren Parkway at the intersection of Burnt Store Road: Northbound and southbound Burnt Store Road motorists must use the new connecting ramp just north of Van Buren Parkway to access Van Buren Parkway.

Westbound Van Buren Parkway motorists must also use this ramp to access Burnt Store Road. Motorists should follow detour signs and use extreme caution while driving in this area.

- Diplomat Parkway at the intersection of Burnt Store Road: Northbound and southbound Burnt Store Road motorists must use the new connecting ramp at NW 12th Terrace to access Diplomat Parkway. Westbound Diplomat Parkway motorists must also use this ramp to access Burnt Store Road. Motorists should follow detour signs and use extreme caution while driving in this area.
- NW 12th Terrace at the intersection of Burnt Store Road: This intersection will close TEMPORARILY. This road closure will remain in effect for the duration of the project. Motorists should access NW 31st Place via NW 9TH Terrace. Local area residents will have access at all times during construction.
- NW 14th Terrace at the intersection of Burnt Store Road: This intersection will CLOSE PERMANENTLY. Motorists should access NW 14th Terrace via NW 16th Street. Local area residents will have access at all times during construction.
- NW 17th Lane at the intersection of Burnt Store Road: This intersection will CLOSE PERMANENTLY. Motorists should now use NW 16th Street to access the neighborhood. Local area residents will have access at all times during construction.
- NW 19th Terrace from Burnt Store Road to NW 31st Place will CLOSE PERMANENTLY. Motorists should now use NW 18th Terrace to access the neighborhood. Local area residents will have access at all times during construction.

This north segment from Diplomat Parkway to Van Buren Parkway costs \$15.3 million and the City of Cape Coral's utility conduits are \$550,000. The contractor is Quality Enterprises, USA, Inc. The project is expected to be completed fall 2017. For further questions, please contact Kris Cella or Lisa Macias at 239-337-1071.

College Pointe Ct & College Parkway: Lee County DOT will close the intersection of College Pointe Ct and College Parkway for pipe repair work. DOT will close the right turn lane coming off College Parkway turning north onto College Pointe Ct. This project will begin November 15 and be completed by November 17, 2017. For further questions, please call Steve Fort at 239-839-2839.

Homestead Road from south of Sunrise Boulevard to north of Alabama Road:

Construction Project: This project consists of widening Homestead Road to four lanes. This work will also improve drainage and install new underground utilities. A six-foot sidewalk will be constructed on both sides of the roadway. Motorists should expect lane closures during daytime hours. Project cost is \$14.4 million. The contractor is Stevens and Layton, Inc. The project is expected to be complete by the end of 2019. For further questions, contact Lisa Macias, Cella Molnar & Associates at 239-337-1071.

New Pass, Bridge # 12022: Lee County DOT will be performing bridge maintenance on the New Pass Bridge at Lovers Key on November 13^h. Motorists should use caution, as there will be a lane closure controlled by a flagging operation. Work will begin at 9 a.m. and should be completed by November 16th. For further information, please call Carlos Hernandez at 239-533-9400.

Page Park Water Main Improvements:

Lee County Utilities – Page Park Neighborhood from Danley Drive south to IDD Canal, and from Danley Drive/Airport Road east to 6th Street. Contractors for Lee County Utilities are replacing water mains throughout Page Park. This project will also replace some fire hydrants. Residents can expect detours during construction. The contractor will be restoring sidewalk and driveway aprons throughout the project. **These activities are subject to change due to inclement weather and unforeseen underground conditions.** Some driveways will be temporarily closed but businesses and residences will have access throughout the project. Some sidewalks may be closed during the project. Crews are working near the roadway. Drivers and pedestrians should use caution. Project completion is expected early 2018. For more information about this project, contact Cella Molnar & Associates, Inc. at 239-337-1071.
