ROAD WATCH UPDATE
June 21 – June 27, 2018

Bridge Maintenance - Matlacha Bridge #124134 - Lee County DOT will be perform bridge maintenance at the Matlacha Bridge on June 21, 2018, weather permitting from 8 a.m. to 4 p.m. Motorists should use caution, as there will be crews working with a lane closure. For further information, please call Carlos Hernandez at 239-533-9400.

Lee Boulevard: Lee County DOT along with a contractor will begin concrete sidewalk repairs starting June 21, 2018 on Lee Boulevard between Aim Avenue and S.R. 82. This project will impact westbound traffic on Lee Boulevard and will include daytime lane closures from 9 a.m. to 4 p.m. Drivers as well as pedestrians are encouraged to use extra caution in this area. The project is expected to be complete by August 10, 2018. For further information, please call D.J. Padgett at 239-533-9500.

Striping Maintenance: Lee County DOT will be performing a moving operation with traffic delays on **6-21-18 through 6-27-18** between the hours of 9:00 a.m. to 4:00 p.m. (weather permitting) on the following roadways:

Alabama Road	Leeland Heights Boulevard
Bonita Beach Road	North River Road
Homestead Road	Pine Island Road (<i>likely to be completed by 6-21</i>)
Joel Boulevard (<i>excluding E 18th Street to E 10th Street</i>)	Six Mile Cypress Parkway @ <ul style="list-style-type: none"> ➤ <i>Bernwood Place Dr/Dani Drive</i> ➤ <i>Bernwood Place Dr/Via Colombia Circle</i> ➤ <i>Winkler Avenue</i> ➤ <i>Heritage Palms Boulevard</i>

Intersection Markings: Intermittent lane closures and delays are possible on **6-21-18 through 6-27-18** between the hours of 9:00 a.m. to 4:00 p.m. (weather permitting) on the following roadways:

Alico Road (<i>refreshing yellow gore areas at select turn lanes only</i>)	Hancock Bridge Parkway
Corkscrew Road (<i>refreshing yellow gore areas at select turn lanes only</i>)	Pondella Rd. (<i>Moody Rd – Pine Island Rd</i>)
Gladiolus Drive	

Installing two turn lanes for the Magnolia Landing Subdivision:

FDOT along with the contractor will be installing turn lanes for the Magnolia Landing Subdivision in North Fort Myers. One turn lane is on the median side of the NB lanes, and the other is on the median side of the SB lane. For the SB turn lane work area, the lane closure will be from Magnolia Landing Lane to the North for 1,000 ft. For the NB turn lane work area, the lane closure will be from Magnolia Landing Lane to the South for 600 ft. This project will include intermittent lane closures from Tuesday 06/19/18 thru Thursday 06/21/18 from 7 p.m. to 6 a.m. Motorists are urged to use extra caution in this area. The project is expected to be completed by June 22, 2018, weather permitting.

For further information regarding the above work, please call Ben Elwell at 239-289-3629.

1. Road Work/Maintenance/Improvements:

ATMS Phase 2 Project – Advanced Traffic Management System State Road 80/Palm Beach Boulevard: SICE/Y-COM/C&E (Systems Integration Technology Company) is currently installing infrastructure by trenching directional bores for the ATMS System along the north and south side of SR 80 (Palm Beach Boulevard) at various locations from *West of Buckingham Road to Seaboard Street. Simultaneously, directional bores will commence in the NW area starting at Pondella Road and Moody Road, heading west along Moody Road.* Crews will be working from 7:30 a.m. to 5 p.m. This project will be ongoing through the end of June, 2018. For further information, please call Keith Lightner at 786-682-2999.

Lee County RWA – Week of June 25, 2018

Estero Boulevard Construction – reFRESH Estero Boulevard/Waterlines – Lovers Lane to Albatross Street.

Contractors for Fort Myers Beach and Lee County are installing new water main, and sanitary sewer force main, storm drainage, sidewalk and rebuilding roadway on Estero Boulevard from Lovers Lane to Albatross Street. **Motorists may experience daytime and nighttime intermittent one-lane traffic on Estero Boulevard. Flaggers will alternate traffic frequently, but motorists should expect delays.** Crews are expected to work Monday through Friday and most Saturdays.

Segment 2 - Lovers Lane to Albatross Street:

Lovers Lane to just south of Donora Boulevard - Northbound traffic is shifted to the center lane.

South of Donora Boulevard to Bay Mar Drive

Northbound traffic has been shifted to the bay side from south of Donora Boulevard to Bay Mar Drive. The barrier wall has been installed in the center lane while crews mill, excavate, and install the center lane drainage system.

Barrier wall separates the northbound and southbound lanes. Motorists should expect to make U-turns when accessing properties on the opposite side of the road from the travel lane. Motorists exiting side streets between Voorhis Street and Bay Mar Drive must make right turns onto Estero Boulevard and then make a U-turn.

Bay Mar Drive to Strandview Avenue - Northbound traffic is shifted to the center lane.

Segment 3 and 4 – Strandview Avenue to Albatross Street:

Strandview Avenue to Madera Road – Northbound traffic is shifted to the center lane.

Madera Road to Williams Drive

Wednesday, June 27 and Thursday, June 28, weather permitting, the southbound lane will close and crews will shift southbound traffic to the center lane and northbound traffic to the bay side from Madera Road to Williams Drive.

Williams Drive to Flamingo Street – Northbound traffic is shifted to the center lane while crews install sanitary sewer force main on the bay side of Estero Boulevard.

For further questions, please contact Cella Molnar & Associates at 239-337-1071.

Fort Myers – Villas: Lee County DOT will be performing drainage improvement work in Fort Myers Villas beginning April 30, 2018. This project will be ongoing for many months. During the process, there may be traffic inconveniences. Lee County will provide the required MOT and will have personnel on hand to help control traffic. The starting point for this project will be on Woodland Boulevard at the intersection of Austin Street, and work will continue to the north in sections to Crystal Drive. If you have any questions, please contact Lee County DOT at 239-533-9400 or visit <https://www.leegov.com/irma/flood/villas> for a map, project information and updates, as they are available.

Frontage Road near the intersection of Cypress Lake Drive and Furman Blvd - Construction Project: As part of Lee County Utilities' Capital Improvement Projects, crews are installing a new water main across the frontage road near Furman Blvd, which will require a total closure of approximately 50' of frontage road. **Access will remain open via Principia Drive during the work for local traffic only.**

For further questions, please contact Charlie Duverge 239-533-8164.

Homestead Road from south of Sunrise Boulevard to north of Alabama Road: Construction Project: This project consists of widening Homestead Road to four lanes. This work will also improve drainage and install new underground utilities. A six-foot sidewalk will be constructed on both sides of the roadway. Motorists should expect lane closures during daytime hours. Project cost is \$14.4 million. The contractor is Stevens and Layton, Inc. The project is expected to be **complete by the end of 2019.**

- Sidewalk access in front of Veterans Park is closed to pedestrians and bicyclists.

For further questions, contact Lisa Macias, Cella Molnar & Associates at 239-337-1071.

Landscaping Work – US 41: Lee County DOT will be removing tree stumps on U.S. 41 from Alico Road to the Charlotte County line (except in the City of Fort Myers) as a moving operation. This work will occur on Fridays through July or on days equipment is available. Motorists should use caution as equipment and workers will be present in the work zone. For further information, please call Bob DeBrock at 239-533-9425.

Page Park Water Main Replacement – Phase 1 Road Watch Report

Lee County Utilities – Page Park Water Main Replacement Phase I from Danley Drive/Airport Road at 6th Street east to Metro Parkway and north to Idlewild Street.

Contractors for Lee County Utilities continue water main improvements for the Page Park neighborhood. Some driveways will be temporarily closed but businesses and residences will have access throughout the project. Some sidewalks may be closed during the project. This schedule may be subject to change due to inclement weather and unforeseen underground conditions. Crews are working near the roadway. Drivers and pedestrians should use caution. For more information about this project, contact Cella Molnar & Associates, Inc. at 239-337-1071. Project completion is expected in fall 2018.
