Roadwatch Update
October 21 – October 27, 2021

5th Street West, Lehigh: Stevens and Layton, Inc. will be installing storm drainage and connecting the two sections of 5th St W over the Cobia Canal off Sunshine Blvd in Lehigh Acres. The work will begin on **Wednesday, October 20, 2021 and will be completed in 60 days.** There will be no impacts to current traffic patterns, business or residential access during this work. For further information, please contact Keith Dean at (239) 693-1400.

Alico Road near Centerplace Boulevard, Fort Myers (ROW2021-00127): Haskins, Inc. will be adding a left turn lane on Alico Road heading west. Work will begin on **Wednesday, October 20, 2021 and continue through Wednesday, November 3, 2021.** The inside left lane of westbound traffic on Alico Road near the intersection of Centerplace Blvd will be subject to lane closures between the hours of 9:00 am and 3:30 pm on weekdays. For further information, please call Greg Collier at (239) 300-8818. Nelson Traffic Control will provide MOT (Maintenance of Traffic), (239) 224-3567.

Ben Hill Griffin Parkway, Fort Myers: Lee County Department of Transportation will be conducting a sidewalk repair project starting on **Monday, October 18, 2021 through February 15, 2022** on Ben Hill Griffin Pkwy between Alico Road and Corkscrew Road. Work will be conducted in daylight hours from 8:30 am - 5:00 pm. There will be intermittent lane closures throughout the day. For further information, please contact Joey Wilson at (239) 533-9400.

Ben Hill Griffen Parkway and FGCU Boulevard, Miromar lakes (ROW2021-00412): Traffic Control Devices will be performing traffic signal work beginning **Monday, November 1, continuing through Thursday, November 24, 2021.** There will be intermittent shoulder and

lane closures in all directions at the above mentioned intersection between the hours of 9 am and 3:30 pm. Maintenance of traffic services will be provided by Traffic Control Devices. For further information, please contact Jason Ownbey at (941) 833-9346 or TCD onsite superintendent Keith Lightner at (678) 614-7617.

Corkscrew Road and Puente Lane: Lee County DOT, along with their contractor Ajax Paving, will be installing a new traffic signal at Corkscrew Road and Puente Lane. This project includes a new westbound left turn lane, sidewalk improvements, improved signalization, lighting, and signing and pavement markings. On **Thursday, October 21, through Friday, October 29, 2021** from 9:00 AM to 3:30 PM, there may be eastbound and westbound lane closures on Corkscrew Road. In addition, the southbound inside left turn lane at Three Oaks Parkway and Corkscrew Road may be closed due to the eastbound lane closure on Corkscrew Road. Motorists and pedestrians are urged to use extra caution in this area. The project began on Monday, July 26, 2021 and is estimated to be completed by March 2022. For further information, please contact Ryan Kirsch at (239) 896-8074.

Corkscrew Road and Verdana Village Boulevard, Verdana Village, Estero (ROW2021-00548): American Infrastructure Services (AIS) will be installing a new traffic signal at Corkscrew Road and Verdana Village Boulevard. This project includes improved signalization and lighting. The project began on Monday, September 20, 2021 and is estimated to be **completed by January 2022**. For further information, please contact Ryan Kirsch at (239) 896-8074 or email LCDOTProjects@leegov.com.

Del Prado Blvd at SE 10th Terrace, Cape Coral (ROW2021-00225): CenturyLink will be placing fiber optic cable **Thursday, October 21, 2021 or Friday, October 22, 2021**. Fiber optic cable will be hung on LCEC power poles along the east side of Del Prado Blvd. The outside (right) lane of northbound traffic on Del Prado just after SE 10th Terrace heading north to SE 10th Street will be subject to lane closure. Lane closure for northbound lane will occur between the hours of 8:30 a.m. and 3:30 p.m. on weekdays. For further information, please contact David Diestro at (828) 228-0883 or diestrod@corning.com.

Del Prado Blvd at SE 36th Street, Cape Coral (ROW2021-00953): Centurylink will be placing fiber optic cable **Thursday, October 21, to Friday October 29, 2021**. Fiber optic cable will be hung on LCEC power poles along the east side of Del Prado Blvd. The outside (right) lane of northbound traffic on Del Prado just after SE 36th Street heading north to Palaco Grande Pkwy will be subject to lane closure. Lane closure for northbound lane will occur between the hours of 8:30 a.m. and 3:30 p.m. on weekdays. For further information, please contact David Diestro at (828) 228-0883 or diestrod@corning.com.

Del Prado Boulevard & SE 47th Terrace, Cape Coral: Lee County DOT, along with their contractor American Infrastructure Services (AIS), will be installing a new traffic signal mast arm at Del Prado Boulevard & Southeast 47th Terrace. This project includes a new mast arm and removing two of the existing mast arms. On **Sunday, October 24, 2021 through Tuesday, October 26, 2021**, there will be nighttime lane closures on Del Prado Boulevard and on Southeast 47th Terrace from 7:00 PM to 6:00 AM, as crews will be installing the drilled shaft for the new mast arm. Motorists and pedestrians are urged to use extra caution in this area. The project began July 2021 and is estimated to be **completed by April 2022**. For further information, please contact Ryan Kirsch at (239) 896-8074 or email LCDOTProjects@leegov.com

Hickory Boulevard & Harmony Lane, Bonita Springs: Mastec Utility Services will be installing an aerial transformer just west of Harmony Lane, starting **Thursday, October 21 through Friday October 29, 2021**. There will be a lane closure in the southbound lane on Hickory Boulevard from 9 a.m. to 3:30 p.m. Motorists should use caution and expect delays when work is active. Acme Barricades will provide maintenance of traffic services. For further information, please contact Henry Meredith at (239) 317-4944.

Imperial Parkway from Butler Drive to Via De Vasari Drive, Bonita Springs: Lee County Department of Transportation will be doing sidewalk work on Imperial Parkway from Butler Drive to Via De Vasari Drive. Work will begin on **Monday, October 18 and continue through Friday, October 22, 2021**. Work will start around 9:00 am and conclude by 4 p.m. The road will be open to traffic but there will be a flagging operation for traffic control for the duration of the project. For further information, please contact JD Geisler at (239) 533-9400.

Joel Boulevard, Lehigh: Lee County DOT, along with their contractor Ajax Paving, will be milling, paving, and striping Joel Boulevard. Beginning **Monday, October 25, 2021 through Friday, October 29, 2021**, there will be nighttime lane closures from 7:00 PM to 6:00 AM on Joel Boulevard, as crews will be milling, paving, and striping Joel Boulevard from East 12th Street to East 4th Street. Motorists should use caution, as there will be lane closures and uneven pavement in this area. Please be aware of signage in this area. Weather may affect start times and dates. For further information, please contact Ryan Kirsch at (239) 896-8074 or email LCDOTProjects@leegov.com

ittyhawk Drive at Higgins Avenue, Lehigh (ROW2021-00243): Pike Electric will be installing new power poles and will have a lane closure with flaggers at the above location. The work will begin **Wednesday, October 13, through Friday, October 22, 2021**. Daily lane closures will be needed from 9 am to 3 pm. Maintenance of traffic services will be provided by Area Wide

Protective. Contact Sam Bell for AWP concerns at (239) 240-9410. Contact Brian Williams for Pike Electric concerns, (239) 225-8037.

Laurel Drive from US 41 to Garden Street and Garden Street from Laurel Drive to Suncoast Lane, North Fort Myers (ROW2021-00839): Knight Broadband will be performing a direction drill operation beginning **Monday, November 1, through Wednesday, November 24, 2021**. There will be lane closures of the westbound lane of Laurel Street between US 41 and Garden Street and the southbound lane of Garden Street from Laurel Drive to Suncoast Lane in 500' intervals from 9:00 am to 3:30 pm. Maintenance of traffic services will be handled by a flagging operation. For further information, please contact Daniel Carson at (239) 940-4710 or daniel.carson@knight-broadband.com.

Marsh Avenue, Fort Myers (ROW2021-00645): Irby Construction will be replacing poles for Florida Power & Light (FPL) on Marsh Avenue, from Glenwood Avenue to New York Avenue. Work will start on **Monday, October 25, and continue through December 17, 2021**. There will be temporary road closures with detours from 9:00 pm – 6:00 am, Sunday through Friday, for a crane operation. For further information, please contact Cole Bryan at (863) 268-3941 or jbryan@irbyconstruction.com. Scott's Safety will be providing all maintenance of traffic (MOT) services for this project. Call (844) 417-2688 with any questions.

Midpoint Memorial Bridge #124096: Lee County DOT will be closing the Midpoint Bridge for the Midpoint Madness Veteran's Day 5k Run/Walk on **Thursday, November 11, 2021**, starting at 6:00 pm and reopening no later than 9:00 pm. Variable message boards will be placed to alert drivers about the bridge closure. If you have any questions regarding this bridge closure, contact Bill Juhl at (239) 533-9415.

Moody Road, North Fort Myers (ROW2021-00825): Knight Broadband will be performing a directional drill operation on Moody Road from Pondella Road to Skyline Drive. Work will begin on **Monday, October 25, through Wednesday, November 24, 2021**. There will be a lane closure in the southbound lane of Moody Road in 500' intervals from 9 a.m. to 3:30 p.m. Maintenance of traffic services will be handled by a flagging operation. For further information, please contact Daniel Carson at (239) 940-4710 or Daniel.Carson@knight-broadband.com.

Royal Palm Avenue from Thompson Street to Richmond Street, Fort Myers (CFM-FPL-21-32): Pike Electric will be working on the overhead power lines starting **Monday, November 1** and will continue **through Friday, November 19, 2021**. Royal Palm Avenue will be subject to lane closures between 9:00 am and 3:30 pm on weekdays. For further information please contact Brian Williams at (239) 225-8037 or bwilliams@pike.com. Area Wide Protective will

provide maintenance of traffic (MOT) services. For MOT related information, contact Sam Bell at (239) 240-9410 or sambell@awptraffic.com.

Sanibel Causeway Bridge: A Florida Department of Transportation (FDOT) consultant will be performing inspections on the Sanibel Causeway Bridge **Structure A** over San Carlos Bay on **Wednesday, November 10, 2021**, from 10:00 AM until 3:00 PM. All the work will be conducted over the bridge on a snooper truck. During this period, FDOT will do several lane shifts to accommodate the snooper truck and the bridge inspection equipment at the required locations. As a result, traffic will be slowed down. For further information, please contact Avelino Cancel at (239) 533-9400.

Sanibel Toll Facility: Lee County DOT will be performing maintenance on the tolling equipment at the Sanibel Toll Facility on **Monday, November 1, 2021 through Tuesday November 2, 2021**. Work will start at 7:30 am and be completed by midnight on November 2. Motorists are urged to use caution as there will be intermittent lane closures in the work areas. For further information, please contact Rob Radford at (239) 533-0110.

Street Lighting Maintenance:

Business 41/North Tamiami Trail: The week of **Monday, October 25, 2021 through Friday, October 29, 2021**, Lee County DOT Traffic will be performing street lighting maintenance on Business 41/North Tamiami Trail from the foot of the Edison Bridge to North Fork Drive. Motorists should use caution, as there will be intermittent lane closures in the Northbound and Southbound outside lanes from 9:00 AM to 4:00 PM.

College Parkway/Cape Coral Bridge: The week of **Monday, November 1, 2021 through Thursday, November 4, 2021**, Lee County DOT Traffic will be performing street lighting maintenance on College Parkway/Cape Coral Bridge from FSW Parkway/Whiskey Creek Drive to Del Prado Boulevard. Motorists are urged to use extra, as there will be intermittent lane closures in the eastbound and westbound lanes from 9:00 AM to 4:00 PM.

Gladiolus Drive overpass at Summerlin Road: On **Friday November 5, 2021 and Saturday, November 6, 2021**, Lee County DOT Traffic will be performing street lighting maintenance on the Eastbound and Westbound Gladiolus Drive overpasses at Summerlin Road. Motorists are urged to use extra caution in this area, as there will be shoulder closures from 9:00 AM to 4:00 PM.

For further information, please contact Ryan Kirsch at (239) 896-8074.

Sunshine Boulevard N at 59th Street W, Lehigh (ROW2021-00243): Pike Electric will be installing new power poles and will have a lane closure with flaggers at the above location. The work will begin **Wednesday, October 13, through Friday, October 22, 2021**. Daily lane closures will be needed from 9 am to 3 pm. Maintenance of traffic services will be provided by Area Wide Protective. Contact Sam Bell for AWP concerns at (239) 240-9410. Contact Brian Williams for Pike Electric concerns, (239) 225-8037.

Traffic Signal Maintenance:

College Parkway and South Pointe Boulevard: Lee County DOT-Traffic will be replacing the traffic signal cabinet at College Parkway and South Pointe Boulevard on **Friday, October 29, 2021** from 9:00 AM to 4:00 PM. The signal will be dark and Lee County Sheriff will be directing traffic. Motorists and pedestrians are urged to use extra caution in this area. For further information, please contact John Dalton at (239) 898-7853.

Winkler Avenue & Evans Avenue, Fort Myers (CFM-FPL-20-58): Mastec Utility Services will be installing power poles just east of Evans Avenue starting **Thursday, October 14 through Friday, October 22, 2021**. There will be a daytime lane closure in the eastbound right lane on Winkler Avenue from 9 a.m. to 3:30 p.m. Motorists should use caution and expect delays when work is active. Acme Barricades will provide maintenance of traffic. For further information, please contact Henry Meredith at (239) 317-4944.

RPM Replacement Project (raised pavement markers) - Contractors for Lee County, AKCA Inc., will be performing a slow moving operation with traffic delays (*weather permitting*) beginning **Thursday, September 9, through Monday, November 1, 2021, during daytime & nighttime hours** on the following roadways:

Street Lighting Maintenance:

College Parkway/Cape Coral Bridge: The week of **Monday, October 18, 2021 through Friday, October 22, 2021**, Lee County DOT Traffic will be performing street lighting maintenance on College Parkway/Cape Coral Bridge from FSW Parkway/Whiskey Creek Drive to Del Prado Boulevard. Motorists are urged to use extra, as there will be intermittent lane closures in the eastbound and westbound lanes from 9:00 AM to 4:00 PM.

Business 41/North Tamiami Trail: The week of **Monday, October 25, 2021 through Friday, October 29, 2021**, Lee County DOT Traffic will be performing street lighting maintenance on Business 41/North Tamiami Trail from the foot of the Edison Bridge to North Fork Drive. Motorists should use caution, as there will be intermittent lane closures in the Northbound and Southbound outside lanes from 9:00 AM to 4:00 PM.

Gladiolus Drive overpass at Summerlin Road: On **Friday November 5, 2021 and Saturday, November 6, 2021**, Lee County DOT Traffic will be performing street lighting maintenance on the Eastbound and Westbound Gladiolus Drive overpasses at Summerlin Road. Motorists are urged to use extra caution in this area, as there will be shoulder closures from 9:00 AM to 4:00 PM.

For further information, please contact Ryan Kirsch at (239) 896-8074.

Striping Maintenance: Lee County DOT will be performing a moving operation with traffic delays on **10-21-21 through 10-27-21** between the hours of 9:00 a.m. to 4:00 p.m. (weather permitting) on the following roadways:

Cypress Lake Drive	Veterans Parkway
Del Prado Boulevard	

Intersection Markings: Intermittent lane closures and delays are possible on **10-21-21 through 10-27-21** between the hours of 9:00 a.m. to 4:00 p.m. (weather permitting) on the following roadways:

Bayside Drive @ San Carlos Boulevard	San Carlos Blvd @ Buttonwood Dr <i>(Replacing damaged mega markers)</i>
Bonita Beach Road	Three Oaks Parkway

Night work Scheduled for Thursday, October 21, 2021: Intermittent lane closures and delays are expected between the hours of 8:00 p.m. to 4:00 a.m. (weather permitting) at the following locations:

- Veterans Pkwy @ Chiquita Blvd
- Veterans Pkwy @ Skyline Blvd

For further information, please call Randy Hart at (239) 533-9500.

Lehigh Road Improvements Project:

A contractor will be milling, paving, performing shoulder restoration, and installing pipe on roads in Lehigh Acres starting **Monday, July 12, through December 20, 2021** from 7:00 a.m. to 5:00 p.m. Motorists should use caution, as there will be lane closures and uneven pavement in this area. Please be aware of signage in this area. Weather may affect start times and dates. For further information, please contact Jeremy Norvell at (239) 533-9305 or 533-9300, or email paving@leegov.com.

1. Road Work/Maintenance/Improvements:

Arroyal Road and Bonita Beach Road (ROW2019-00160): Pike Electric will be removing existing overhead lines, and picking up old utility poles and any other debris in those locations beginning **Wednesday, October 13, and continuing through Friday, October 29, 2021.** Periodic lane closures of the westbound lanes of Bonita Beach Road will occur between the hours of 9:00 a.m. and 4:00 p.m. on weekdays. Area Wide Protective of Fort Myers will provide maintenance of traffic services. For further information, please contact Samuel Bell at (239) 240-9410 or sambell@awptraffic.com; or 1-800-343-2650 Area Wide Protective call center.

Ben Hill Griffin Boulevard at FGCU Boulevard, Fort Myers (ROW2021-00531): Lee Mar Building and Construction Corporation will be performing drainage mods, and underground utility relocation, and intersection improvements beginning **Tuesday, September 7, 2021 and continuing through Friday, November 19, 2021.** Asphalt pavement, concrete sidewalk, concrete curbing, and drainage and water line modifications will be performed. The first two weeks will only require a shoulder closure for drainage and water improvements. After that the outside right southbound lane and the inside left northbound lane, both on Ben Hill Griffin Boulevard, will be subject to daytime lane closures as new turn lanes are added. Periodic lane closures for southbound and northbound lanes will occur between the hours of 9:00 am and 3:30 pm weekdays. For further information, please contact Jimmy Thompson at (239) 209-1725 or jimmy@leemar.us. Bob's Barricades will provide maintenance of traffic devices.

Burnt Store Road from Tropicana Parkway to Pine Island Road: Construction Project: This project consists of widening Burnt Store Road to four lanes. The project also includes construction of a new bridge over Shadroe Canal, drainage installation, and lighting. Motorists should expect intermittent northbound and southbound lane closures during nighttime/overnight hours, weather permitting. Motorists should use caution while driving in

the area. This south segment from Tropicana Parkway to Pine Island Road costs \$13.6 million. The contractor is Wright Construction. The project is expected to be **completed by fall 2022**. For further questions, please contact Kris Cella at (239) 337-1071.

- Motorists should expect intermittent side road closures throughout the duration of the project.
- Motorists should expect intermittent traffic shifts.

Corkscrew Road and Verdana Village Boulevard, Verdana Village, Estero (ROW2021-00548): American Infrastructure Services (AIS) will be installing a new traffic signal at Corkscrew Road and Verdana Village Boulevard. This project includes improved signalization and lighting. The project began on Monday, September 20, 2021 and is estimated to be **completed by January 2022**. For further information, please contact Ryan Kirsch at (239) 896-8074 or email LCDOTProjects@leegov.com.

Corkscrew Road Widening Project – Phase I Construction Project: The project widens Corkscrew Road to six lanes from Ben Hill Griffin Parkway to Fire House Lane, and to four lanes from Fire House Lane to Bella Terra Boulevard. The project includes adding on-road bike lanes, some sidewalk, and new drainage. Work begins this fall to construct a wildlife crossing approximately 1000 feet west of the entrance to Cypress Shadows Boulevard, which coincides with a regional flow-way that crosses Corkscrew Road at that location. Once the project is completed, the Village of Estero will be installing shared use paths, lighting, and landscaping. **Drivers, pedestrians, and bicyclists are urged to use extra caution when traveling through the work zone. Please be aware of shifts in travel lanes and bike lanes, sidewalk detours, miscellaneous turn lane closures, and uneven pavement throughout the project.**

The following work activities are scheduled to occur, weather permitting:

- **Motorists should expect westbound Corkscrew Road from east of Grande Oak Way to Ben Hill Griffin Parkway to be reduced to one travel lane on Monday, October 25 and Tuesday, October 26.**
- Pedestrians must use the temporary walkway on the south side of Corkscrew Road from Ben Hill Griffin Parkway to Stoneybrook Golf Drive.
- Currently in the area between Wild Blue Boulevard and Cypress Shadows Boulevard (The Preserve at Corkscrew) vehicles are using temporary lanes on the north side of the road to allow crews to work on the south side of Corkscrew Road.

- Turn lanes are currently unavailable at Wild Blue Boulevard and Cypress Shadows Boulevard (The Preserve at Corkscrew).

Crews are installing curb and drainage, performing earthwork, and relocating utilities. **MOTORISTS ARE REMINDED TO OBEY THE POSTED SPEED LIMIT.** Please use caution and watch for workers and construction vehicles entering and leaving the roadway. **Estimated completion is fall 2023.** Project cost is approximately \$23 M. The contractor is Cougar Contracting, LLC. For further questions, please visit the project website at www.corkscrewroadwidening.com or contact Jennifer Dorning by email at Jennifer.Dorning@atkinsglobal.com or by phone at (239) 338-7723.

Del Prado Blvd N, Cape Coral: Lee County Department of Transportation will be conducting a sidewalk repair project starting on **Monday, September 27 through Wednesday, October 27, 2021** on Del Prado Blvd N, between SE 32nd Street and Cornwallis Parkway, in Cape Coral. Work will be conducted in daylight hours from 8:30 am - 5:00 pm. There will be intermittent lane closures throughout the day. Any questions or concerns with this project, please contact Joey Wilson at (239) 533-9400.

Lee County RWA – September 22, 2021

Estero Boulevard Construction – reFRESH Estero Boulevard/Waterlines – Strandview Avenue to the south end of the island.

Contractors for Fort Myers Beach and Lee County are installing new water main, and sanitary sewer force main, storm drainage, sidewalk, and rebuilding roadway on Estero Boulevard from Strandview Avenue to the south end of the Island. **Motorists may experience daytime and nighttime intermittent one-lane traffic on Estero Boulevard. Flaggers will alternate traffic frequently, but motorists should expect delays.** Motorists may experience momentary delays while crews move materials for the construction activities. Crews are expected to work Monday through Friday and most Saturdays.

Albatross Street to the south end of the island - North and southbound traffic is shifted to the bay side while crews work on the beach side.

Motorists may experience daytime intermittent one-lane traffic in the following locations:

- Estero Boulevard from Albatross Street to Estrelita Drive
- Flaggers will alternate traffic frequently, but motorists should expect delays

This schedule may be subject to change due to inclement weather and unforeseen underground conditions. For further questions, please contact Cella Molnar & Associates at 239-337-1071.

Hancock Bridge Parkway Improvements (Moody Road to US 41), N. Fort Myers: Lee County DOT, along with their contractor Wright Construction Group, are working on improvements along Hancock Bridge Parkway. This project includes roadway construction, drainage, utilities, and signing and pavement markings. During construction, motorists should expect delays when work is active.

- Drivers should expect lane closures throughout the project beginning Sunday afternoon and extending through the night on **Sunday, 10/24/2021**.

Drivers and pedestrians should use extra caution in this area. For further information, please call Eli Enders, HighSpans Engineering, at (239) 292-6865. The project began on January 6, 2021 and is expected **to be completed in November 2021**.

Island Park Road (17571), Fort Myers (ROW2020-00512): Pike Electric will be pulling out old utility poles for Florida Power & Light (FPL) and replacing them with new poles, wiring, and transformers. Work will **begin on Tuesday, August 17, and continue through Friday, October 29, 2021**. There will be lane closures from 9 a.m. to 3:30 p.m. weekdays on Island Park Road to Old Harmony Drive. Area Wide Protective will provide maintenance of traffic services. Flaggers will be on site to assist with traffic control. For further information, please contact Samuel Bell at (239) 240-9410, or sambell@awptraffic.com, or 1-800-343-2650 Area Wide Protective call center.

Joel Boulevard and East 6th Street, Lehigh: Lee County DOT, along with their contractor Ajax Paving, will be installing a mast arm, paving, and turning on a new traffic signal at Joel Boulevard and East 6th Street.

- On **Tuesday, October 19, 2021 through Friday, October 29, 2021**, the Northbound and Southbound inside lanes on Joel Boulevard at East 6th Street will be closed, as crews install a new traffic separator.
- On **Thursday, October 21, 2021**, there will be a temporary road closure with detours on Joel Boulevard from 7:00 PM to 5:30 AM, as crews install the mast arm for the traffic signal.
- On **Monday, October 25, 2021 through Friday, October 29, 2021**, there will be nighttime lane closures from 7:00 PM to 6:00 AM on Joel Boulevard, as crews will be milling, paving, and striping Joel Boulevard from East 12th Street to East 4th Street.

- On **Thursday, October 28, 2021**, the traffic signal will be put into flash operation.
- On **Thursday, November 4, 2021**, the traffic signal will be put into full operation.

This project includes paving, sidewalk improvements, improved signalization, lighting, and signing and pavement markings. Motorists and pedestrians are urged to use extra caution in this area. The project began on Monday, August 2, 2021 and is estimated to be **completed by December 2021**. For further information, please contact Ryan Kirsch at (239) 896-8074 or email LCDOTProjects@leegov.com

Richmond Avenue North, Lehigh: Lee County Department of Transportation will be conducting a sidewalk repair project starting on **Monday, September 27 and continuing through December, 2021** on Richmond Ave N, between E Penn Road and Bear Street, in Lehigh Acres. Work will be conducted in daylight hours from 8:30 am - 5:00 pm. There will be intermittent lane closures throughout the day. Any questions or concerns with this project, please contact Joey Wilson at (239) 533-9400.

San Carlos Blvd at Prescott Street, Fort Myers Beach (ROW2021-00381): Andrew Sitework, LLC will be performing a utility improvement project beginning Wednesday, August 4, 2021 **and will continue through October 29, 2021**. The outside (right lane) of southbound traffic on San Carlos Blvd just before Prescott Street will be subject to lane closures. Periodic lane closures for southbound traffic will occur between the hours of 7:00 PM & 6:00 AM on week days. For further information, please contact Chad Baker at (239) 226-1606 or chad@andrewsitework.com.

Sanibel Causeway: Lee County DOT Operations will be making repairs to the Sanibel Causeway Bridge structures spans B and C over San Carlos Bay. Work will start Monday, July 26 and **finish by November 24, 2021**. All the work will be performed over the bridge on a snooper truck from 9 a.m. to 4 p.m. There will be several lane shifts, with no lane closers. For further information, contact Carlos Hernandez at (239) 533-9400.

Sanibel Causeway Island “B” Shoreline Stabilization Project: Lee County’s contractor, Spectrum Contracting, Inc., is providing services to stabilize the shoreline on Island “B”. The project consists of clearing exotic vegetation along the shoreline, excavating some existing stone, which will be reused, placement of new beach sand, and construction of “T-Groins”. Expect large vehicles entering and exiting the roadway. Drivers and pedestrians should use extra caution in this area. The project is expected to be complete in **spring 2022**. For further information, please call Kris Cella, public information at (239) 337-1071

South of Old US 41 & Youngquist Road to the dead end; and US 41 Service Road south to the dead end, Fort Myers (ROW2020-00423): Pike Electric, Inc. will be performing improvements to FPL power line structures beginning **Thursday, October 14, and continuing through Tuesday, December 14, 2021**. Road shoulders and travel ways will be intermittently closed to remove and set new power poles. The outside (right) lane of southbound traffic on Old US 41 just after Youngquist Road will be subject to lane closures, as will the outside (right) lane of southbound traffic on US 41 Service Road south to the dead end. Periodic lane closures for northbound and southbound lanes on US 41 near the intersection of Old US 41 may also occur to work on the lines crossing US 41. All lane closures will be between the hours of 9:00 a.m. and 3:30 p.m. on weekdays. For further information, please contact Kevin Davis at (239) 478-4529 or KSDavis@pike.com. Scott Safety LLC will provide maintenance of traffic services (239) 340-8695.

Stringfellow Road Shared Use Path, Pine Island: Construction Project: The project constructs a ten-foot wide asphalt pathway along the east side of Stringfellow Road, from 8th Avenue to York Road. The project also includes adding drainage improvements along the roadway, and repairing sidewalk on the bridge south of York Road. **The path is scheduled to open to pedestrians and bicyclists the week of October 18, 2021. Golf carts are not permitted on the path.** Crews will continue working on punch list items throughout the project, and restoring areas used during construction. Please use caution and watch for construction vehicles entering and leaving the roadway. **Estimated completion is October 2021.** Project cost is approximately \$1.05 M. The contractor is Cougar Contracting, LLC. For further questions, please contact Jennifer Dorning by email at Jennifer.Dorning@atkinsglobal.com or by phone at (239) 338-7723.

US 41/Cleveland Avenue from Winkler Avenue to SR 82/Dr. Martin Luther King Jr. Boulevard: Construction project: Crews will be installing and relocating utilities and constructing medians on US 41/Cleveland Avenue from Winkler Avenue to SR 82.

- **Motorists should expect Hanson Street as a right-in/right-out only travel pattern on the west side of US 41/Cleveland Avenue.**

- **Motorists should expect Hanson Street as a right-in/right-out only travel pattern on the east side of US 41/Cleveland Avenue.**
- **Motorists should expect Linhart Avenue closed on the west side of US 41/Cleveland Avenue.**
- **Motorists should expect Earl Road closed on the east side of US 41/Cleveland Avenue.**
- **Motorists should expect side road closures from Winkler Avenue to Victoria Avenue throughout the duration of the project.**
- **Motorists should expect intermittent northbound and southbound lane closures and detours on US 41/Cleveland Avenue during daytime and nighttime/overnight hours Monday through Friday throughout the duration of the project, weather permitting.**

Additional work includes installing drainage structures, pedestrian signals, upgrading signals and lighting, and resurfacing existing highway. The project will be constructed in three segments. Each segment will have the majority of construction completed prior to moving to the next segment. Construction will begin on the first segment from Winkler Avenue to Carrell Road. Crews will work on the west side of the road initially and when that work is completed, they will shift to the east side of Cleveland Avenue/US 41. The expected **project completion date is the Fall 2022**. The Contractor is Ajax Paving Industries of Florida, LLC. For further questions, contact Kris Cella, Cella Molnar & Associates, at (239) 337-1071.
