Roadwatch Update

December 15, 2022 – December 21, 2022

1. Road Work/Maintenance/Improvement

Burnt Store Road from Tropicana Parkway to Pine Island Road: Beginning on **Monday, December 12, 2022**, motorists should expect temporary southbound traffic diversions from **9:00 PM to 12:00 AM** to allow crews to finalize coring work. This project consists of widening Burnt Store Road to four lanes. The project also includes construction of a new bridge over Shadroe Canal, drainage installation, and lighting. Motorists should expect **intermittent Northbound and Southbound lane closures during nighttime/overnight hours**, weather permitting. Motorists should use caution while driving in the area. This south segment from Tropicana Parkway to Pine Island Road costs \$13.6 million. The contractor is Wright Construction. The project is expected to be completed by **early 2023**. For questions, please contact Lisa Macias at (239) 337-1071.

Lee County RWA – Dec 14, 2022 Crystal Drive (Plantation Road to US 41) Water Main Improvements (ROW 2022-00020): Beginning **April 4, 2022**, contractors for Lee County will install new water main beginning on the west side of Plantation Road just south of the roundabout with Crystal Drive. Then install the water main on the south side of Crystal Drive from Plantation Road to US 41 to tie into a connection point on the east side of US 41 just south of Crystal Drive. Crews will also install water main from a connection point on the east side of US 41 near 12499 Cleveland Avenue (PDQ). Then continue east to Austin Street and west under US 41 to the north side of Brantley Road and tie into a connection point between Pine Grove and Brantley Pines driveways. Crews are expected to work **7:00 AM to 7:00 PM**. This project is expected to be completed in **summer 2023**. Drivers, pedestrians and bicyclists should use caution and be aware of construction equipment and vehicles entering/exiting streets in the project area.

Sidewalk and Driveway closure along Crystal Drive between 8500 Beacon Street and 2378 Crystal Drive: Beginning 7:00 AM through 5:00 PM. Monday December 19, 2022 through Friday, December 23, 2022, crews will close sidewalks and driveways for water main crossing.

Sidewalk closure at Crystal Drive and 12270 Metro Parkway: Continued sidewalk closure approximately 100', December 19, 2022 through December 23, 2022.

Roadway closures on Chatham St intersection at Crystal Dr.

Beginning 7:00 AM through 5:00 PM., December 19, 2022 through December 23, 2022, crews will close Chatham St at Crystal Drive for water main crossing.

- Dartmouth St will be re-open each night.
- Motorist will be redirected to adjacent streets.

This schedule may be subject to change due to inclement weather and unforeseen underground conditions. For more project information please contact the City's public information consultant, Cella Molnar & Associates, Inc. at 239-337-1071 or via e-mail to thayden@cella.cc.

US 41/Cleveland Avenue from Winkler Avenue to SR 82/Dr. Martin Luther King Jr.

Boulevard. Construction project: Crews will be installing and relocating utilities and constructing medians on US 41/Cleveland Avenue from Winkler Avenue to SR 82.

- Expect Crawford Street closed on US 41/Cleveland Avenue.
- Expect Hoople Street closed on US 41/Cleveland Avenue.
- Motorists should expect side road closures from Winkler Avenue to Victoria Avenue throughout the duration of the project.
- Motorists should expect intermittent northbound and southbound lane closures and detours on US 41/Cleveland Avenue during daytime and nighttime/overnight hours Monday through Friday throughout the duration of the project.

Additional work includes installing drainage structures, pedestrian signals, upgrading signals and lighting, and resurfacing existing highway. The project will be constructed in three segments. Each segment will have most of the construction completed prior to moving to the next segment. Crews will work on the west side of the road initially and when that work is completed, they will shift to the east side of Cleveland Avenue/US 41. The expected project completion is **late 2023**.

Corkscrew Road Widening Project – Phase I Construction Project: The project widens Corkscrew Road to six lanes from Ben Hill Griffin Parkway to Fire House Lane, and to four lanes from Fire House Lane to Bella Terra Boulevard. The project includes adding on-road bike lanes, some sidewalk, installing new drainage, and constructing a wildlife crossing approximately 1000 feet west of the entrance to Cypress Shadows Boulevard. This crossing will coincide with a regional flow-way that crosses Corkscrew Road at that location. The Village of Estero will be installing shared use paths,

lighting, and landscaping as phasing allows. **Drivers, pedestrians, and bicyclists are urged to use extra caution when traveling through the work zone. Please be aware of shifts in travel lanes and bike lanes, sidewalk detours, miscellaneous turn lane closures, and uneven pavement throughout the project.**

The following work activities are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule.

- Motorists should expect dump trucks pulling in and out of traffic near the driveways of The Preserve at Corkscrew and Bella Terra. Motorists will be guided to stop short of the stop bars when leaving these communities to provide space for the trucks to back in along the roadway and deliver lime rock to build the road. Flaggers will assist motorists when necessary.
- Through most of the project, crews are working on the south side (eastbound) roadway; however, motorists should be aware of traffic shifts throughout the corridor. The contractor anticipates shifting traffic to the newly constructed lanes in early 2023 to allow for the construction of the bridge (animal crossing), box culverts, and roadway on the north side (westbound) of the project.
- Crews continue **construction of the bridge/wildlife crossing** between Wild Blue Boulevard and The Preserve at Corkscrew that will allow animals to cross under Corkscrew Road, similar to the crossing just east of Alico Road. The box culverts are completed on the south side. Before completion of the crossing, a 10-foot-high fence will be installed to funnel the wildlife to cross at this location. Motorists should be aware of vehicles entering/exiting the road in this area.
- Bicyclists should expect the bike lane from Stoneybrook Golf Drive to just east of Wildcat Run to be combined with the travel lane while crews work on the north side of the road.
- Pedestrians should expect the sidewalk on the south side of the road closed from Ben Hill Griffin Parkway to Stoneybrook Golf Drive while the Village of Estero constructs the shared use path.
- Currently in the area between Wild Blue Boulevard and Cypress Shadows Boulevard (The Preserve at Corkscrew), vehicles are using temporary lanes on the north side of the road to allow crews to work on the south side of Corkscrew Road.
- Turn lanes are currently unavailable at Wild Blue Boulevard, Cypress Shadows Boulevard (The Preserve at Corkscrew), Midnight Blue Boulevard, and Bella Terra Boulevard (eastbound right-turn lane).

WORK PERFORMED BY OTHERS:

- GL Homes is actively working in their development site across from Wild Blue Boulevard. Motorists should expect delays and use caution as construction vehicles enter/exit the roadway. On heavy haul days, GL Homes will be providing flaggers to reduce backups on Corkscrew Road.
- The Village of Estero has begun construction on the shared use path on the south side of the road from Ben Hill Griffin Parkway to Stoneybrook Golf Drive. The Village is currently

designing the path to extend to the east property line of Bella Terra and on the north side of the road to east of Grandezza.

Crews are installing curb, drainage, and sod, as well as performing earthwork, road base construction, and relocating utilities. **MOTORISTS ARE REMINDED TO OBEY THE POSTED SPEED LIMIT.** Please use caution and watch for workers and construction vehicles entering and leaving the roadway. **Estimated completion is late 2023.** Project cost is approximately \$23 M. The contractor is Cougar Contracting, LLC. For further questions, please visit the project website at <http://corkscrewroadwidening.com> or contact Jennifer Dorning by email at Jennifer.Dorning@atkinsglobal.com or by phone at (239) 338-7723.

Victoria Avenue from McGregor Boulevard to Broadway, and Euclid Avenue from Victoria Avenue to Marlyn Road, (CFM-FPL-22-010 WR 10329249): Pike Electric will be working on the overhead power lines. The projected start is **May 23, 2022** and the said sections of road will be subject to a lane closure with flaggers **between 9:00 AM and 4:30 PM**, with a projected end date of **December 24, 2022**. Area Wide Protective will be providing MOT services. For further information, please contact Brian Williams with Pike at 239-225-8037 bwilliams@pike.com. For further information, MOT related please contact Sam Bell at 239-240-9410, sambell@awptraffic.com.

Summerlin Road from Bass Road to John Morris Road in various areas and on Pine Ridge Road from Frontage Road to Safety Street (ROW2022-00185): Andrews Sitework LLC will be installing new underground utilities. Also, as part of the project will be sidewalk replacement and landscaping and irrigation improvements.

- **EB Summerlin – John Morris Rd. to San Carlos Blvd.** – Daily right lane closures will continue between **9:00 AM & 4:00 PM** starting **April 18, 2022** and continuing through **December 28, 2022**. Work will be occurring between the roadway and multiuse trail. However, pedestrians and bicyclists may encounter diversions via temporary paths around the work area and existing pathway.
- **Frontage Road** - starting **April 18, 2022** and continuing through **December 28, 2022**, Frontage Road will be reduced to one lane while crews install underground utilities along the roadway from **Safety Street to the Walgreens near Pine Ridge & Summerlin Rd.** As the work progresses west of Safety Street ultimately to Pine Ridge Road, the one lane operation will be extended all the way to Pine Ridge in phases.

Van Buren Street from Woodside Avenue to Edgewood Avenue (Permit CFM-FPL-22-008): Pike Electric will be working on the overhead power lines. The projected start date is **June 27, 2022**. The said sections of road will be subject to a lane closures with flaggers between **9:00 AM and 4:30 PM**. The projected end date is **December 21, 2022**. Area Wide Protective will be providing MOT services. **The second section of this Storm Hardening project is Along Bessie Avenue from Prospect Avenue to New York Drive (ROW-2021-01076):** One pole to be replaced is located at 403 Johnson Avenue. For further information, please contact Brian Williams with Pike at 239-225-8037 bwilliams@pike.com. For further information on MOT, related inquiries please contact Sam Bell at 239-240-9410, sambell@awptraffic.com

Bonita Beach Rd West of US 41 TO Kings Kew Rd Bonita Springs – Fort Myers (B220294DWJ - Countywide Sidewalk Repair Project): Scott Commercial Contracting LLC along with Lee County DOT will be performing sidewalk repair improvements **beginning Monday, October 3, 2022 and continue through December 31, 2022 (except for on holidays)**. Removal of and repair of damaged concrete sidewalk will be performed under county contract B220294DWJ on both the north and south sides of Bonita Beach Rd West of US 41 TO Kings Kew Rd in Bonita Springs. The outside (right) lane of westbound traffic on Bonita Beach Road just after US 41 will be the first area subject to lane closures utilizing FDOT indexes 102-615 & 102-613. In addition, the sidewalk north of Bonita Beach Rd will be closed and detoured as needed as outline in FDOT Index FDOT 102-660. Periodic lane closures for westbound and eastbound lanes of Bonita Beach Rd will occur between the hours of **9:00 AM and 3:30 PM** on weekdays. For further information, please contact Shaine Green at (239) 340-8695 or shaine@team-scott.com. Scott Safety LLC will provide maintenance of traffic services (239) 340-8695.

Bonita Beach Road SW @ Imperial Shores – Bonita Springs (ROW 2022-00816): Andrew Sitework LLC will be performing construction on Imperial Shores Blvd **starting July 26, 2022** from Bonita Beach Road to Tarpon Avenue. Work will consist of new water main on the west side of Imperial Shores followed by new drainage pipe & structures, sidewalks, curb & gutter, roadway rebuilding on the east side of Imperial Shores. The detour and one-way road on Imperial Shores Blvd. that was in place prior to hurricane Ian will be re-implemented within the next 2 weeks to allow construction to resume. Motorists wishing to access NB Imperial Shores should follow the detour to Imperial River N, to Tarpon Ave. W and travel South on Imperial Shores Blvd. It is estimated that **this detour will remain in place until the end of December 2022** until the new underground drainage is installed up to Pine Lake Rd. At that point, work will be performed using “One Lane Road” operations in shorter sections as crews work their way north. Flaggers will be on the roadway directing traffic and motorist are advised to use caution for their safety and safety of the workers. The one-lane road operations are estimated to continue through the end of **March 2023**. For further information, please contact Neil Monkman at 239-226-1601 Ext 12 or 239-462-7371 cell.

Summerlin Road – Force Main & Reuse Main Improvements. (ROW2022-00185): Andrew Sitework LLC is performing underground utility installation and associated incidental work items along **Summerlin Road between Bass Road and John Morris Road** and surrounding areas as follows:

- Ditch grading and sod installation continues on the north side of Summerlin from Bass Road to approximately 1.5 miles east. Drivers can anticipate occasional right lane closures between **9:00AM and 4:00PM**. Work is anticipated to be complete in this area by **December 28, 2022**.
- Installation of force main and sidewalk replacement on the south side of Summerlin from San Carlos to Pine Ridge continues. Drivers can anticipate right lane closures between **9:00 AM and 4:00 PM**. Work is anticipated to be complete in this area by **December 28, 2022**.
- Starting **August 4, 2022** there will be a sidewalk closure on the south side of **Summerlin from Agua Lane to San Carlos** while crews complete installation of force main behind the sidewalk. In addition to the sidewalk closure, drivers can anticipate daily right lane closures between **9:00AM and 4:00 PM**.
- Starting **August 4, 2022 through December 28, 2022**, a detour will be in place on Frontage road from **Pine Ridge that will turn Frontage Road into a one way. This will include a 3-5 day closure of Pine Ridge at Summerlin Square Drive**. Drivers are advised to follow detour signs in this area and use caution.
- Installation of irrigation continues on the south side of **Summerlin from John Morris to Agua Lane**.

Starting **August 4, 2022 through December 28, 2022**, drivers can anticipate right lane closures in this area from **9:00 AM to 4:00 PM** while crews reinstall the landscaping in this area. The contact person is Neil Monkman, Project Manager for this job and he can be reached at neil@andrewsitework.com or (239) 226-1601.

Cemetery Road & Buckingham Road: Lee County DOT, along with their contractor Bonness Inc., will be working on building a turn lane. The project will begin on **Monday, July 25, 2022** and will be **complete by Friday, December 16, 2022**, during the hours of **9:00 AM and 3:30 PM**. Motorists are urged to use extra caution in this area. Please contact Jessie Bryan, General Superintendent at (239) 253-4573 or email JBryan@bonnessinc.com, or Juan Godinez, Concrete Superintendent at (239) 253-4353 or email Jgodinez@bonnessinc.com.

Bonita Beach Road SW between Meadowlark Lane and Windsor Road – Bonita Springs, FL (ROW2022-00329): Bradanna, Inc. will be performing roadway and sidewalk improvements beginning **Monday, September 12, 2022 and continuing through Friday, December 30, 2022.** Asphalt pavement, concrete sidewalk, concrete curbing and drainage improvements will be performed. The outside (right) lane of Eastbound traffic on Bonita Beach Road SW between Meadowlark Lane and Windsor Road will be subject to lane closures. Periodic lane closures for eastbound lanes will occur between the hours of **9:00 AM and 3:30 PM** on weekdays. For further information, please contact John Ditty at (239) 744-6503 or jditty@gcmcontracting.com. Bradanna, Inc. will provide maintenance of traffic services (239) 455-8891.

Alico Road Lighting and Landscaping – Fort Myers (Lee County #9269): Bentley Lighting and P&T landscaping crews will be on site throughout the project along Alico Road from Ben Hill Griffin Parkway to just east of ITEC, **beginning July 26, 2022 until Wednesday, February 24, 2023.** Crews will be working **Monday through Saturday from 8:00 AM until 5:00 PM.** Crews will be installing light poles along the north and south side the road as well as landscaping and irrigation improvements in the median. Lane closures are not anticipated at this time, but motorists should expect construction vehicles and minor traffic disruptions while construction activities are being performed. For further information, please contact Eli Enders at (239) 433-3000. Scott Safety, LLC will provide maintenance of traffic services (833) 723-3499.

A & W Bulb Rd from Gladiolus DR to McGregor SR 867 (Permit ROW2022-00038): Pike Electric will be working on the overhead power lines. The projected start date is **September 19, 2022.** The said section of road will be subject to a lane closures with flaggers between **9:00 AM and 3:30 PM.** The projected end date is **December 30, 2022.** Area Wide Protective will be providing MOT services. For further information, please contact Brian Williams with Pike at 239-225-8037 bwilliams@pike.com. For further information on MOT, related inquiries please contact Sam Bell at 239-240-9410, sambell@awptraffic.com.

Gladiolus Drive from A + W Bulb Road to Bass Road; Bass Road from Gladiolus Road to Park Royal Drive (Permit ROW2022-00230): Pike Electric will be working on the overhead power lines. The projected start date is **October 1, 2022.** The said section of road will be subject to a lane closures with flaggers between **9:00 AM and 4:00 PM.** The projected end date for **9:00AM to 4:00PM** is **November 24, 2022.** The crew will then begin working **November 28, 2022 through December 30, 2022** from **6:00PM through 5:00AM.** Area Wide Protective will be providing MOT services. For further information, please contact Brian Williams with Pike at (239) 225-8037 or at bwilliams@pike.com. For

further information on MOT, related inquiries please contact Sam Bell at (239)240-9410, sambell@awptraffic.com.

North Lee County Wellfield Expansion Phase IIIA Project – Fort Myers (ROW2022-00030).

Durrance Road between Nalle Grade Road and Sedgefield Road - RPU will be installing a Raw Water Main and Fiber Optics Conduit via directional drill from **November 7, 2022 thru December 16, 2022**. Directional Drill will be performed along Durrance Road from Deal Road to the North Lee County Water Treatment Plant. Northbound lane will be subject to temporary daily lane closures. Southbound lane will be open at all times. Traffic will be maintained with flagmen by RPU, contact Yuniel Moriyon (786) 379-9758 if there are any questions. Working hours shall be from **7:00 AM to 7:00 PM**.

North Lee County Wellfield Expansion Phase IIIA Project – Fort Myers (ROW2022-00030).

Nalle Road between Nalle Grade Road and Sedgefield Road - RPU is installing a Raw Water Main and Fiber Optics Conduit via directional drill from **November 28, 2022 thru December 23, 2022**. Directional Drill will be performed along Nalle Grade from Nalle Grade Road heading south towards Sedgefield Road. SB lane will be permanently closed for duration of the work. NB lane will be open at all times. MOT will be set up to advise residents of the permanent SB lane closure, please contact Yuniel Moriyon (786) 379-9758. Working hours shall be from **7:00 AM to 7:00 PM**.

Bonita Beach Road, Bonita Springs (ROW2021-00508): Irby Construction will be replacing poles down Bonita Beach Rd for Florida Power and Light beginning **November 28, 2022 through January 27, 2023**. The outside westbound lane from Oakland Drive to Imperial Pkwy and the outside eastbound lane from Saradrienne Ln to Bonita Grande Drive on Bonita Beach Rd will be subject to intermittent lane closures from **7:00 PM to 6:00 AM**. For further information, please contact Cole Bryan – 863-268-3941 Jbryan@irbyconstruction.com. Scotts Safety will be providing all maintenance of traffic services for this project. Call (844) 417-2688 with any questions.

Lehigh Acres Resurfacing FY22A: Lee County DOT, along with their contractor Community Asphalt will be milling and paving on various roads in Lehigh Acres. Milling and paving will start **Monday, November 28, 2022 and will tentatively go through Thursday December 22, 2022**. Work times will be from **7:00 AM to 5:00 PM**. Motorists should use caution, as there will be lane closures and uneven pavement in this area. Please be aware of the advanced warning signs in these areas. Weather may affect start times and dates. For further information, please contact paving@leegov.com.

Winkler Road from College Parkway to McGregor Boulevard – Fort Myers (ROW2022-01357):

Tierra, Inc. will be performing 12 soil test borings along the Winkler Road alignment from College Pkwy to McGregor Blvd in Fort Myers. The testing will **begin on Monday 12/19/2022 and continue through Friday 12/23/2022**. Lane closures will be required to perform the work in the northbound and southbound directions. Flagging operations requiring Stop and Go traffic will be ongoing at some of the test locations **between the hours of 9:00 AM and 3:30 PM**. For further information, please contact Tom Musgrave at (813) 989-1354 or tmusgrave@tierraeng.com. ACME Barricades, Inc. will be performing maintenance of traffic operations (239) 479-5266.

Roadwatch Report

December 15, 2022 – December 21, 2022

Motorists - Please use caution when traveling in work zone areas

Temporary Construction Entrance Removal at Bonavie Cove – Fort Myers (ROW2022-01006):

Clary's Site Development, Inc. will be removing the temporary construction entrance off Plantation Road at the Bonavie Cove Subdivision and replacing with permanent curbs and sidewalks **beginning Monday, Dec 19, 2022 and completing Tuesday, Dec 20, 2022**. Improvements will be carried out on the South side of Plantation Road (Southwest of the main entrance to Bonavie Cove). Periodic closure of the Southernmost Northeast bound lane will occur between the hours of **7:00 AM and 4:00 PM**. MOT will be provided by Clary's (contact Todd Deney at (239) 898-0931 or todd@clarysitework.com).

Alico Road Curb Cut - Amazon RSW5 (ROW2022-00853): Plateau Excavation, Inc. will be performing the roadway improvements, indicated as **19 ROW Alico Road** on the permit, **beginning Monday, January 09, 2023 and continue through Friday, March 17, 2023**. Accel/Decel Lane, Catch Basin/Culvert Pipe, Curb & Gutter, Sidewalk, Single Entrance, Turn Lane, and Asphalt Pavement improvements will be performed between Lee Road and Domestic Avenue. Storm water work outside of sidewalk/travel lanes will be ongoing from **Wednesday, January 11, 2023 through Friday, February 24, 2023**. The median demo/install will occur between **Monday, January 16, 2023** and will affect the inside lanes travelling east and west between Lee Road and Domestic Avenue on Alico Road. The curb/sidewalk demo for the entrance to Logistics Drive, between Lee Road and Domestic Avenue off Alico Road will occur between **Monday, February 6, 2023 and Tuesday, February 28, 2023** and affect the outside travel lane traveling westbound on Alico Road. Completion of SOD & Striping/Signage will occur between **Wednesday, March 1, 2023 and Friday, March 17, 2023** for all improvements. Periodic lane closures will occur during the dates provided and as described for travel lanes between **9:00 PM to 6:00 AM nightly, Monday through Sunday**. MOT will be provided through Tyler Neubert with Neubert Construction, 239-633-6434 tyler@neubertconstruction.com. For additional information, please contact Sean Whitaker @ 678-247-4933 swhitaker@plateauexcavation.com

Bike Lane Markings: Alico Rd & Ben Hill Griffin Pkwy - Intermittent lanes closures & delays are possible on **Monday, December 19, 2022** between the hours of **8:00 PM & 6:00 AM** while a contractor upgrades the existing bike lanes. The eastbound bike lane on Alico Rd west of Ben Hill Griffin Pkwy & the southbound bike lane on Ben Hill Griffin Pkwy north of Alico Rd will be upgraded to increase the visibility of bicyclist. For questions about the project, contact Dan Vasiloff LCDOT Traffic at (239) 533-9500.

2. Bridge Maintenance

Matlacha Bridge intermittent lane closures expected overnight: Lee County Department of Transportation (DOT) asks motorists to use caution on the Matlacha Bridge from **9:00 PM to 4:00 AM on Thursday, December 15, 2022** due to intermittent lane closures necessary for electrical work. Only westbound traffic will be affected. Flaggers will be on site. Traffic lanes will reopen prior to the morning commute. The work is weather-dependent. If dates change, Lee County will update www.leegov.com/dot.

Neighborhood CIPP Project Matlacha - Lee County DOT and their contractor Hinterland Group will begin pipe lining activities on **Island Avenue** and adjacent roads in that neighborhood and **Sapodilla Lane** in Saint James **January 9, 2023**. During the work processes, men and equipment may be in the roadway. Therefore, motorists and pedestrians are urged to use extra caution. The activities will begin on **January 9, 2023 and expected to continue until February 3, 2023**, work hours will be from **8:00 AM to 4:00 PM**. For additional information, please contact Rhett Tillman at (239) 533-9400 or email at rtillman@leegov.com.

Hancock Bridge Pkwy CIPP Project, Cape Coral - Lee County DOT and their contractor Shenandoah General Construction will begin pipe-lining activities on **Hancock Bridge Pkwy January 3, 2023**. During the work processes, men and equipment may be temporarily in the roadway. Lane closures will be limited to between the hours of 9:00pm to 5:00am. Therefore, motorists and pedestrians are urged to use extra caution in the area. The activities will begin on **January 3, 2023 and continue until February 17, 2023**. For additional information, please contact Rhett Tillman at (239) 533-9400 or email at rtillman@leegov.com.

3. Street Lighting Maintenance:

Estero Parkway from Three Oaks Parkway to Ben Hill Griffin Parkway: On **Tuesday, December 13, 2022**, Lee County DOT Traffic will be replacing a street light pole on Estero Parkway. Motorists and Pedestrians are urged to use extra caution, as the eastbound outside lane will be closed from **9:00 AM to 12:00 PM**. For further information, please contact Ryan Kirsch at (239) 896-8074.

Burnt Store Rd N from Delilah Drive to NW 5th Terrace: On **Wednesday, December 14, 2022 and Thursday, December 15, 2022**, Lee County DOT Traffic will be performing Street lighting maintenance. Motorists and Pedestrians are urged to use extra caution, as there will be intermittent lane closures in the southbound inside lane from **9:00 AM to 4:00 PM**. For further information, please contact Ryan Kirsch at (239) 896-8074.

4. Landscaping – Tree Trimming

5. Traffic Signal Maintenance:
