ROADWATCH UPDATE
June 8, 2023 – June 14, 2023

1. Road Work/Maintenance/Improvement

US 41/Cleveland Avenue from Winkler Avenue to SR 82/Dr. Martin Luther King Jr. Boulevard. Construction project: Crews will be installing and relocating utilities and constructing medians on US 41/Cleveland Avenue from Winkler Avenue to SR 82.

- **Expect Crawford Street closed on the east side of US 41 / Cleveland Avenue.**
- **Expect Lafayette Street closed on the east side of US 41 / Cleveland Avenue.**
- **Expect Johnson Street closed on the west side of US 41 / Cleveland Avenue.**
- **Motorists should expect side road closures from Winkler Avenue to Victoria Avenue throughout the duration of the project.**
- **Motorists should expect intermittent northbound and southbound lane closures and detours on US 41/Cleveland Avenue during daytime and nighttime/overnight hours Monday through Friday throughout the duration of the project.**

Additional work includes installing drainage structures, pedestrian signals, upgrading signals and lighting, and resurfacing existing highway. The project will be constructed in three segments. Each segment will have most of the construction completed prior to moving to the next segment. Crews will work on the west side of the road initially and when that work is completed, they will shift to the east side of Cleveland Avenue/US 41. The expected project completion is late 2023.

Burnt Store Road from Tropicana Parkway to Pine Island Road: Motorists should expect temporary southbound traffic diversions from **7:00 AM to 7:00 PM**. This project consists of widening Burnt Store Road to four lanes. The project also includes construction of a new bridge over Shadroe Canal, drainage installation, and lighting. Motorists should expect **intermittent Northbound and Southbound Lane**

closures during nighttime/overnight hours, weather permitting. Motorists should use caution while driving in the area. This south segment from Tropicana Parkway to Pine Island Road costs \$13.6 million. The contractor is Wright Construction. The project is expected to be completed by spring 2023. For questions, please contact Kris Cella at (239) 337-1071.

Crystal Drive (Plantation Road to US 41) Water Main Improvements (ROW 2022-00020): Beginning April 4, 2022, contractors for Lee County will install new water main beginning on the west side of Planation Road just south of the roundabout with Crystal Drive. Then install the water main on the south side of Crystal Drive from Plantation Road to US 41 to tie into a connection point on the east side of US 41 just south of Crystal Drive. Crews will also install water main from a connection point on the east side of US 41 near 12499 Cleveland Avenue (PDQ). Then continue east to Austin Street and west under US 41 to the north side of Brantley Road and tie into a connection point between Pine Grove and Brantley Pines driveways. Crews are expected to work **7:00 AM to 7:00 PM**. This project is expected to be completed in summer 2023. Drivers, pedestrians and bicyclists should use caution and be aware of construction equipment and vehicles entering/exiting streets in the project area.

Sidewalk and Driveway closure along Crystal Drive between 12255 S Cleveland Ave and 2378 Crystal Drive: Beginning 7:00 AM to 5:00 PM, Monday, June 12, 2023 through Saturday, June 17, 2023, crews will close sidewalks and driveways for water main crossing.

Sidewalk closure along Crystal Drive between 12270 Metro Parkway and 12290 Crystal Commerce Loop: Beginning 7:00 AM to 5:00 PM, Monday, June 12, 2023 through Saturday, June 17, 2023, crews will close sidewalks and driveways for water main crossing.

Sidewalk closure along Brantley Road between Brantley Pines and Cleveland Avenue: Beginning 7:00 AM to 5:00 PM, Monday, June 12, 2023 through Saturday, June 17, 2023, crews will close sidewalks for water main crossing.

This schedule may be subject to change due to inclement weather and unforeseen underground conditions. For more project information please contact the City's public information consultant, Cella Molnar & Associates, Inc. at 239-337-1071 or via e-mail to thayden@cella.cc.

MOT Contacts: Robert Fuentes (239) 633-3131; Luis Galdamez (239) 633-4300.

Corkscrew Road Widening Project – Phase I Construction Project: The project widens Corkscrew Road to six lanes from Ben Hill Griffin Parkway to Fire House Lane, and to four lanes from Fire House Lane to Bella Terra Boulevard. The project includes adding on-road bike lanes, some sidewalk, installing new drainage, and constructing a wildlife crossing approximately 1000 feet west of the entrance to Cypress Shadows Boulevard. This crossing will coincide with a regional flow-way that crosses Corkscrew Road

at that location. The Village of Estero will be installing shared use paths, lighting, and landscaping as phasing allows. **Drivers, pedestrians, and bicyclists are urged to use extra caution when traveling through the work zone. Please be aware of shifts in travel lanes and bike lanes, sidewalk detours, miscellaneous turn lane closures, and uneven pavement throughout the project.**

Please use caution and drive with courtesy and patience throughout the project area. Residents are entering and exiting communities on both sides of Corkscrew Road.

FOR EVERYONE'S SAFETY, PLEASE STAY OUT OF THE ACTIVE WORK ZONE.

- **During the NIGHTTIME/OVERNIGHT hours this week, the contractor is scheduled to mill and resurface from the Ben Hill Griffin Pkwy intersection to east of Wildcat Run. One lane is expected to remain open in each direction during this work. Motorists should expect lane shifts and flagging around the operation. This work is scheduled, weather permitting. PLEASE PAY ATTENTION WHILE DRIVING.**
- The contractor continues installing drainage, performing concrete work and earthwork, clearing & grubbing, and prepping for/installing sod. Motorists should expect construction vehicles and concrete trucks entering and exiting the roadway.
- Crews continue work on walls of the wildlife crossing/bridge. This work will be outside of the travel lanes.
- Pedestrians should expect the sidewalk on the south side of the road closed from Ben Hill Griffin Parkway to Stoneybrook Golf Drive while the Village of Estero constructs the shared use path.
- Left turn lanes from Corkscrew Road are unavailable into Wild Blue Boulevard, Cypress Shadows Boulevard (The Preserve at Corkscrew), Midnight Blue Boulevard, and Bella Terra Boulevard. Left turns are still permitted, however they will be made from the travel lane. Where possible, barrels and other devices have been shifted to allow for as much room as possible for vehicles.

The work activities above are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule.

WORK PERFORMED BY OTHERS:

- GL Homes is actively working in their development site across from Wild Blue Boulevard. Motorists should expect delays and use caution as construction vehicles enter/exit the roadway. On heavy haul days, GL Homes will be providing flaggers to reduce backups on Corkscrew Road.
- The Village of Estero is constructing the shared use path on the south side of the road from Ben Hill Griffin Parkway to Stoneybrook Golf Drive. The Village is currently designing the path to extend to the east property line of Bella Terra and on the north side of the road to east of Grandezza.

MOTORISTS ARE REMINDED TO OBEY THE POSTED SPEED LIMIT. Please use caution and watch for workers and construction vehicles entering and leaving the roadway. **Estimated completion is late 2023.** Project cost is approximately \$23 M. The contractor is Cougar Contracting, LLC. For further questions, please visit the project website at <http://corkscrewroadwidening.com> or contact Jennifer Droning by email at Jennifer.Dorning@atkinsglobal.com or by phone at (239) 338-7723.

Sanibel Causeway Emergency Restoration: As a part of the Florida Department of Transportation's (FDOT) Emergency Restoration of the Sanibel Causeway, crews continue work on McGregor Boulevard and the Sanibel Causeway from Port Comfort Road to Sanibel Island. **The causeway islands surrounding the temporary roadway are an active work zone and are currently closed for public access, including from the water.**

- **As work progresses, motorists should expect isolated flagging operations on the Causeway during the nighttime/overnight hours of 8:00 PM to 5:00 AM.**
- Motorists should expect periodic daytime delays for delivery/removal of materials and equipment, and for crews to remove trash from the roadway.
- Crews continue earthwork on the causeway islands.

Many oversized vehicles are crossing the causeway to assist with recovery efforts on the island. Please be patient as travel may be slower than usual. Bicyclists are encouraged to utilize another mode of transportation to travel the causeway and pedestrians are not permitted on the Sanibel Causeway. Expect shoulder closures throughout the project. **MOTORISTS ARE REMINDED TO OBEY THE POSTED SPEED LIMIT OF 20 MPH.** Please use caution and watch for workers and construction vehicles entering and leaving the roadway. For further questions, please contact Jennifer Dorning by email at Jennifer.Dorning@dot.state.fl.us or by phone at (239) 338-7723. Please visit www.swflroads.com/SanibelCauseway for additional information.

Imperial Shores Boulevard– Bonita Springs (ROW 2022-00816): Starting July 26, 2022, Andrew Sitework LLC. Will be performing construction on Imperial Shores Boulevard from Bonita Beach Road to Tarpon Avenue. Work currently being performed consists of drainage installation and adjustments, pouring new concrete sidewalks and driveway aprons, installing curb & gutter, roadway rebuilding and resurfacing, grading and grassing swales within the ROW and installing new street signage. **Beginning 7:30 AM, Tuesday, May 30, 2023, through 4:00 PM, Friday, June 23, 2023, Imperial Shores Boulevard will be closed northbound and limited to southbound traffic only between Tarpon Avenue and Bonita Beach Road. A detour will be provided Northbound using Imperial River Road from Bonita Beach Road to Tarpon Avenue.** Motorists are required to follow all traffic control devices and/or direction of on-site Flagmen. Motorists are advised to use caution for their safety and safety of the workers.

Construction is expected to continue through **July 15, 2023**. For further information, please contact Brian P. Brandfass at (239) 226-1606 Ext. 03 or brian@andrewssitework.com

Bonita Beach Road SW between Meadowlark Lane and Windsor Road – Bonita Springs, FL (ROW2022-00329): Bradanna, Inc. will be performing roadway and sidewalk improvements beginning **Monday, May 8, 2023, and continuing through Friday, June 9, 2023**. Asphalt pavement, concrete sidewalk, concrete curbing, and drainage improvements will be performed. The outside (right) lane of Eastbound traffic on Bonita Beach Road SW between Meadowlark Lane and Windsor Road will be subject to lane closures. Periodic lane closures for eastbound lanes will occur between the hours of **9:00 AM and 3:30 PM** on weekdays. For further information, please contact John Ditty at (239) 744-6503 or jditty@gcmcontracting.com. Bradanna, Inc. will provide maintenance of traffic services (239) 455-8891.

Iona Road from John Morris Road to Tahitian Drive (ROW2022-00937): Pike Electric will be working on the overhead power lines. The projected start date is **January 30, 2023**. The said section of road will be subject to a lane closures with flaggers between **7:00 PM and 6:00 AM**. The projected end date is **June 9, 2023**. Area Wide Protective will be providing MOT services. For further information, please contact Brian Williams with Pike at 239-225-8037 bwilliams@pike.com. For further information on MOT, related inquiries please contact Sam Bell at 239-240-9410, sambell@awptraffice.com.

John Morris Road from McGregor Boulevard, 867, to Iona Road (ROW2022-00927) Pike Electric will be working on the overhead power lines. The projected start date is **January 30, 2023**. The said section of road will be subject to a lane closures with flaggers between **7:00 PM and 6:00 AM**. The projected end date is **June 14, 2023**. Area Wide Protective will be providing MOT services. For further information, please contact Brian Williams with Pike at 239-225-8037 bwilliams@pike.com. For further information on MOT, related inquiries please contact Sam Bell at 239-240-9410, sambell@awptraffice.com.

Striping Maintenance: Lee County DOT will be performing a moving operation with traffic delays on **June 8, 2023 through June 14, 2023**, between the hours of **9:00 AM to 4:00 PM** (weather permitting) on the following roadways:

Loverock Way	Shell Point Blvd
Paul Schultz Way	McGregor Blvd (<i>Shell Point Blvd – San Carlos Blvd</i>)
Old McGregor Blvd	Gladiolus Dr
Iona Rd	

Thornton Rd	
Cook Rd	

Intersection Markings: Intermittent Lane closures and delays are possible on **June 8, 2023 through June 14, 2023, between** the hours of **9:00 A.M. to 4:00 PM** (weather permitting) on the following roadways:

Alico Rd	Bonita Beach Rd (<i>excludes US 41 – Hickory Blvd</i>)
Corkscrew Rd (<i>Excludes Ben Hill Griffin Pkwy – Alico Rd</i>)	25 th St W @ Sunniland Blvd

Bonita Beach Road West of US 41 TO Kings Kew Road Bonita Springs – Fort Myers (B220294DWJ - Countywide Sidewalk Repair Project): Scott Commercial Contracting LLC will be performing sidewalk repair improvements **beginning Monday, May 1, 2023, and continue through December 31, 2023 (except for on holidays)**. Removal of and repair of damaged concrete sidewalk will be performed under county contract B220294DWJ on both the north and south sides of Bonita Beach Road West of US 41 to Kings Kew Road in Bonita Springs as directed by Lee County personnel. The outside (right) lane of westbound traffic on Bonita Beach Road just after US 41 will be the first area subject to lane closures utilizing FDOT indexes 102-615 & 102-613. Also, the sidewalk north of Bonita Beach Road will be closed and detoured as needed as outline in FDOT Index FDOT 102-660. Periodic lane closures for westbound and eastbound lanes of Bonita Beach Road will occur between the hours of **9:00 AM and 3:30 PM** on weekdays. For further information, please contact Shaine Green at (239) 340-8695 or shaine@team-scott.com. Scott Safety LLC will provide maintenance of traffic services (239) 340-8695.

2499 Lee Boulevard at the LCEC Substation ending at 1110 Lee Boulevard just before Williams Road along with sections of sidewalk in our work zone (ROW2022-00733): One of LCEC's contractors Mas Tec will be changing out concrete poles and reconductoring a primary double circuit feeder running down Lee Boulevard beginning **Thursday June 1, 2023** and ending around **August 31, 2023**. We will be intermittently blocking the westbound north lane of travel between the hours of **8:00 AM and 4:00 PM** for approximately 3 months in various locations. Along with sections of sidewalk. For any additional information, please contact Robert Osborne (239) 823-6319 or robert.osborne@lcec.net. Traffic control will be provided by 1st Response Traffic Control, please contact Lloyd Jones (239) 470 7853 for MOT questions.

Cypress Lake Drive from Summerlin Road to Winkler Road (ROW2022-01412): Pike Electric will be working on the overhead power lines. The projected start date is **April 10, 2023**. The said section of road will be subject to a lane closure of the Westbound right lane between **9:00 AM and 3:30 PM**. The projected end date is **June 30, 2023**. Area Wide Protective will be providing MOT services. For further information, please contact Brian Williams with Pike at 239-225-8037 bwilliams@pike.com. For further information on MOT, related inquiries please contact Sam Bell at 239-240-9410, sambell@awptraffic.com.

Leonard Boulevard S from Lee Boulevard to Hampstead Court (Permit ROW2022-00958): Pike Electric will be working on the overhead power lines. The projected start date is **April 17, 2023**. The said section of road will be subject to a lane closures of the Southeast bound right lane between **9:00 AM and 3:30 PM**. The projected end date is **July 14, 2023**. Area Wide Protective will be providing MOT services. For further information, please contact Brian Williams with Pike at 239-225-8037 bwilliams@pike.com. For further information on MOT, related inquiries please contact Sam Bell at 239-240-9410, sambell@awptraffic.com.

College Parkway between Winkler Road and Southpoint Boulevard (ROW2022-01348): Essian Construction LCC will be performing sidewalk and roadway improvements from **June 5, 2023, through August 7, 2023**. Asphalt pavement, concrete sidewalk, concrete curbing, and drainage improvements will be performed. The right lane heading westbound on College Parkway, and possibly the middle lane, for short periods of time to tap the water service will be subject to lane closures. The lane closures will be between **9:00 AM and 3:30 PM** on weekdays. Back Bay Construction will be providing maintenance of traffic services. For Further Information please contact Robert Hearn at 239-994-4561 or rhearn@essianconstruction.com.

Gateway Boulevard at Griffin Drive/Fairway Lakes Drive: Lee County is constructing a roundabout at Gateway Boulevard and Griffin Drive/Fairway Lakes Drive. This week, work includes clearing vegetation on Gateway Boulevard and Griffin Drive. Motorists should expect traffic shifts and lanes closures through the duration of the project. Motorists should expect the following conditions at the intersection of Gateway Boulevard and Griffin Drive/Fairway Lakes Drive:

- **Gateway Boulevard will be reconfigured to have one northbound and one southbound lane in each direction and lanes will be shifted to the center of the intersection.**
- **There will be no left turn or through lane movements from Griffin Drive. Griffin Drive will be right turn only. Motorists who want to travel southbound on Gateway Boulevard from Griffin Drive, will need to turn right heading northbound and U-turn to head southbound.**
- **There will be no left turn from Gateway Boulevard to Griffin Drive. Motorists who want to travel eastbound on Griffin Drive, will need to travel southbound through the intersection and make a U-turn at Timber Ridge Drive.**

- Fairway Lakes Drive will be closed at the intersection.
- The posted speed limit has been reduced to 25MPH through the work zone. The existing posted speed limit of 35MPH will remain the same outside of the work zone.

Expect large construction vehicles in the area and watch for contractors in the field. The contractors will use Variable Message Boards (VMB) to notify the public about any traffic pattern changes during construction. The contractor is Wright Construction Group. The project is expected to be complete in one year. **Work began April 17, 2023, and is estimated to be completed Spring of 2024.** Work is expected to occur **Monday through Friday from 7:00 AM to 5:00 PM**; however, some night and weekend work may be necessary. If you would like to receive updates or have questions about the project, please visit the website www.GatewayRoundabouts.com. or contact: Kris Cella, Cella Molnar & Associates, Inc., public outreach consultant at 239-337-1071 or email: KCella@cella.cc.

Colonial Boulevard on ramp, from Cleveland Avenue to Hill Drive (ROW2022-01033): Pike Electric will be working on the overhead power lines. The projected start date is **May 1, 2023**. The said section of road will be subject to a lane shift from **9:00 AM and 3:30 PM**. The projected end date is **June 15, 2023**. Area Wide Protective will be providing MOT services. For further information, please contact Brian Williams with Pike at 239-225-8037 bwilliams@pike.com. For further information on MOT, related inquiries please contact Sam Bell at 239-240-9410, sambell@awptraffic.com.

Sanibel Toll Facility off Island Eastbound ongoing maintenance work **Beginning Monday, May 15, 2023, and continue through June 15, 2023 (except for on holidays)**. The outside lane of eastbound traffic coming off Sanibel Island will experience periodic lane shifts for ongoing needed building and lane repairs. Work will be between the hours of **8:00 AM and 3:30 PM**. For further information, please contact Rob Radford at (239) 533-0110 or rradford@leegov.com.

Lee Road from Caloosa Road south to just south of Cypress Drive N, Fort Myers (ROW2023-00159): Next Level drilling will be performing directional drill to install underground power in the ROW of Lee Ro **beginning June 6, 2023, and continuing through June 14, 2023**. The north and south bound lanes of Lee Road from Caloosa Road south to approximately 200 ft south of Cypress Road N. will be subject to periodic lane closures. Lane closures will occur between the hours of **9:00 AM and 3:30 PM** on weekdays. For further information Please contact Lester Holland at (239) 919-6460 or lholland@irbyconstruction.com. Wright of Florida will provide maintenance of traffic services, contact is Stacy Quillen at (863) 657-5567.

Lee County Department of Transportation along with Ajax Paving Industries of FL (contractor) will be milling and resurfacing 2 +/- miles of **N. River Road in North Fort Myers from Terrell Drive to Brenfield Lane. Starting June 7, 2023**, there will be intermittent lane closures with traffic pattern changes. Please pay attention to all signage and flaggers. **Please note the work hours will be from 7:00 PM to 6:00 AM, Monday through Friday. Work shall be completed by July 7, 2023.** Stay alert and no texting in the work zone! For more information, please call Lee Strauss at 239-936-9444.

Lee Road from Sanibel Boulevard south to San Carlos Boulevard also Sanibel Boulevard from Zinnia Road to Lee Road, Fort Myers (ROW2023-00121): Desoto Drilling will be performing directional drilling to install underground power in the ROW of Lee Road **beginning June 15, 2023, and continuing through June 21, 2023.** The north and south bound lanes of Lee Road from Sanibel Boulevard south to approximately 300 ft North of San Carlos Boulevard will be subject to periodic lane closures. Also, Sanibel Boulevard from Zinnia Road to Lee Road will be subject to periodic lane closures. Lane closures will occur between the hours of **9:00 AM – 3:30 PM** on weekdays. For further information, please contact Justin Cole at (941)-275-7417 or jmcole@irbyconstruction.com. Wright of Florida will provide maintenance of traffic services, contact is Stacy Quillen at (863-657-5567).

On **June 12, 2023**, Danley Drive will be closed between 1st and 2nd Street for a utility repair. Work for Lee County Utilities will be performed by Russ Berner Construction. The operation will begin at **9:00 AM and will be completed by 4:00 PM.** A signed detour will be provided for the duration of work. Motorists and pedestrians should use extra caution during the referenced times. Please contact Doug Padgett with additional questions and concerns at doug@russbernerconstruction.com; or 239-222-8964.

Irby Construction will be working in Fort Myers (ROW2022-01078): Irby Construction will be replacing poles for the power lines for FPL beginning **Monday, June 12, 2023, and continue through August 4, 2023.** They will be working between the hours of **9:00 AM and 3:30 PM.** Scotts will be providing the maintenance of traffic services and can be contacted at (844) 417-2688. **The work will be performed at the following locations: 1. San Carlos Boulevard will have intermittent eastbound lane closures with flagging from Winter Haven Road to Riccardo Road; 2. San Carlos Boulevard will have intermittent westbound lane closures with flagging from Three Oaks Parkway to Eastshore Drive; 3. Three Oaks Parkway southbound right hand turn lane headed onto San Carlos Boulevard will have intermittent closures; 4. Three Oaks Parkway southbound outside intermittent lane closures from San Carlos Boulevard down to Pine Chase Drive.** The supervisor Jonathan Bryan can be reached at (863)268-3941 or by email jbryan@irbyconstruction.com.

Lee Road from Caloosa Road south to the intersection of Sanibel Boulevard and Lee Road, Fort Myers (ROW2023-00157): Cruz Cable will be performing a directional drill to install underground power in the ROW of Lee Road **beginning June 22, 2023, and continuing through June 29, 2023.** The northbound lanes of Lee Road from Caloosa Road south to the southwest side of the intersection Sanibel Boulevard and Lee Road will be subject to periodic lane closures. Lane closures will occur between the hours of **9:00 AM – 3:30 PM on weekdays.** For further information, please contact Justin Cole at (941)-275-7417 or jmcole@irbyconstruction.com. Wright of Florida will provide maintenance of traffic services, contact is Stacy Quillen at (863-657-5567).

Lee Road from Sanibel Boulevard south to San Carlos Boulevard - Fort Myers (ROW2023-00157): Cruz Cable will be performing directional drill to install underground power in the ROW of Lee Road beginning **June 29, 2023, and continuing through July 7, 2023.** The north and south bound lanes of Lee Road from Sanibel Boulevard south to San Carlos Boulevard will be subject to periodic lane closures. Lane closures will occur between the hours of **9:00 AM – 3:30 PM on weekdays.** For further information Please contact Justin Cole at (941)-275-7417 or jmcole@irbyconstruction.com. Wright of Florida will provide maintenance of traffic services, contact is Stacy Quillen at (863-657-5567).

Russ Berner Construction will be working for LCDOT to restore the roadway on **Shoreview Drive.** Work is expected to **begin on Tuesday, June 20, 2023, and be completed by Friday, June 30, 2023.** Work will be performed during **daytime hours.** A flagging operation will be utilized to allow traffic to flow on and off of Shoreview Drive during the referenced times/dates. Motorists and pedestrians should use extra caution during working hours. If you have questions or concerns, please contact Doug Padgett w/ Russ Berner Construction at 239-222-8964.

Estero Boulevard, Crescent Street traffic signal installation: Horsepower Electric will be constructing a new traffic signal at the intersection of Estero Boulevard and Crescent Street for Lee County DOT in the Town of Fort Myers Beach beginning **Monday, June 12, 2023, with completion by Friday, September 29, 2023.** Estero Boulevard will be subject to daytime lane closures while maintaining two-way traffic from **8:00 AM to 4:00 PM** and nighttime lane closures between **7:00 PM and 6:00 AM.** On **Wednesday, June 14, 2023 and Thursday, June 15, 2023,** nightly northbound off island Estero Boulevard traffic will be detoured to Crescent Street starting at **7:00 PM through 5:00 AM.** for the installation of the traffic signal foundations. For further information, please contact Robert Phelan rphelan@leegov.com. Acme Barricades will be providing all maintenance of traffic service for this project 239-479-5266

2. Bridge Maintenance

Lee County Operations will perform bridge deck maintenance **on Burnt Store Road over the Shadroe Canal, between Ember Parkway and Ceitus Parkway**. Weather permitting, repairs are scheduled to start on **May 29, 2023, and end on March 15, 2024**. Southbound single-lane closure from **9:00 AM to 3:00 PM**. If any questions, please contact Carlos Hernandez (239) 533-9400.

New Pass Bridge: Lee County DOT and its contractor Villa-Fuerte Construction will perform maintenance activities on the New Pass Bridge. This project includes deck repairs and sidewalk crack repairs. During the project duration, sporadic lane closures will be necessary. Therefore, motorists and pedestrians are urged to use extra caution in this area. The activities will **begin on June 5, 2023**, and are estimated to be **completed by September 3, 2023**. Please contact Avelino Cancel at (239) 533-9400 or email acancel@leegov.com for further information.

3. Street Lighting Maintenance

4. Landscaping – Tree Trimming

County wide stump removal: Lee County DOT will be performing stump removal operations on roadways including but not exclusively Gunnery Road, Daniels Parkway, Cypress Lake Drive, Summerlin Road, US 41, Gladiolus Drive, and others. Work will begin on **April 17, 2023**, and be continuous until completed. Lane closures may occur between **9:00 AM and 4:00 PM** and motorists should use caution as workers, flagmen and equipment will be present. For further information, please call Bob DeBrock at (239) 533-9425.

Trash/horticulture cleanup - Bonita Beach Road: Lee County DOT will be cleaning up trash and horticulture debris along Estero Boulevard between Big Hickory Pass and Hickory Boulevard. Lane closures may occur between **9:00 AM and 4:00 PM**, and motorists should use caution as workers, flagmen and equipment will be present. Work is scheduled for the week beginning **Monday, June 5, 2023, and should be completed by Friday, June 16, 2023**. For further information, please call Fred Vocaturo, (239) 810-7318.

5. Traffic Signal Maintenance
