AMENDED ROADWATCH UPDATE

October 19, 2023 to October 25, 2023

1. Road Work/Maintenance/Improvement

US 41/Cleveland Avenue from Winkler Avenue to SR 82/Dr. Martin Luther King Jr. Boulevard: Crews will be installing and relocating utilities and constructing.

- **Expect Victoria Avenue closed on the west side of US 41 / Cleveland Avenue.**
- **Expect Edison Avenue closed on the west side of US 41 / Cleveland Avenue.**
- **Motorists should expect side road closures from Winkler Avenue to Victoria Avenue throughout the duration of the project.**
- **Motorists should expect intermittent northbound and southbound lane closures and detours on US 41/Cleveland Avenue during daytime and nighttime/overnight hours Monday through Friday throughout the duration of the project.**

Additional work includes installing drainage structures, pedestrian signals, upgrading signals and lighting, and resurfacing existing highway. The project will be constructed in three segments. Each segment will have most of the construction completed prior to moving to the next segment. Crews will work on the west side of the road initially and when that work is completed, they will shift to the east side of Cleveland Avenue/US 41. **The expected project completion is late 2023.**

US 41 over Caloosahatchee River Bridge Pedestrian Improvements: Design-Build Project: Crews will construct a sidewalk along the west side of US 41 from First Street in Fort Myers to North Key Drive in North Fort Myers. This project is intended to improve pedestrian safety by modifying the existing bridges to accommodate a sidewalk on the west side of the southbound bridge. This will be accomplished by installing new outside traffic railings, connecting the two bridge decks in the center, and restriping the lanes. A new single median barrier will separate the northbound and southbound traffic.

- **Beginning late October, motorists should expect intermittent nighttime lane closures for guardrail installation.**

Crystal Drive (Plantation Road to US 41) Water Main Improvements (ROW 2022-00020): Beginning April 4, 2022, contractors for Lee County will install new water main beginning on the west side of Plantation Road just south of the roundabout with Crystal Drive. Then install the water main on the south side of Crystal Drive from Plantation Road to US 41 to tie into a connection point on the east side of US 41 just south of Crystal Drive. Crews will also install water main from a connection point on the east side of US 41 near 12499 Cleveland Avenue (PDQ). Then continue east to Austin Street and west under US 41 to the north side of Brantley Road and tie into a connection point between Pine Grove and Brantley Pines driveways. Crews are expected to work **7:00 AM to 7:00 PM**. This project is expected to be completed in fall 2023. Drivers, pedestrians and bicyclists should use caution and be aware of construction equipment and vehicles entering/exiting streets in the project area.

Sidewalk closure along Crystal Drive between 12255 S Cleveland Ave and 2378 Crystal Drive: Beginning 7:00 AM through 5:00 PM, Monday, October 23, 2023, through Saturday, October 28, 2023, crews will close sidewalks and driveways for water main crossing.

Sidewalk closure along Crystal Drive between 12270 Metro Parkway and 12290 Crystal Commerce Loop: Beginning 7:00 AM through 5:00 PM, Monday, October 23, 2023, through Saturday, October 28, 2023, crews will close sidewalks and driveways for water main crossing.

Sidewalk closure along Brantley Road between Brantley Pines and Cleveland Avenue: Beginning 7:00 AM through 5:00 PM, Monday, October 23, 2023, through Saturday, October 28, 2023, crews will close sidewalks and driveways for water main crossing.

This schedule may be subject to change due to inclement weather and unforeseen underground conditions. For more project information please contact the City's public information consultant, Cella Molnar & Associates, Inc. at 239-337-1071 or via e-mail to thayden@cella.cc. MOT Contacts: Robert Fuentes (239) 633-3131; Luis Galdamez (239) 633-4300

Corkscrew Road Widening Project – Phase I Construction Project: The project widens Corkscrew Road to six lanes from Ben Hill Griffin Parkway to Fire House Lane, and to four lanes from Fire House Lane to Bella Terra Boulevard. The project includes adding on-road bike lanes, some sidewalk, installing new drainage, and constructing a wildlife crossing approximately 1000 feet west of the entrance to Cypress Shadows Boulevard. This crossing will coincide with a regional flow-way that crosses Corkscrew Road at that location. The Village of Estero will be installing shared use paths, lighting, and landscaping as

phasing allows. **Drivers, pedestrians, and bicyclists are urged to use extra caution when traveling through the work zone. Please be aware of shifts in travel lanes and bike lanes, sidewalk detours, miscellaneous turn lane closures, and uneven pavement throughout the project.**

Please use caution and drive with courtesy and patience throughout the project area. Residents are entering and exiting communities on both sides of Corkscrew Road.

FOR EVERYONE'S SAFETY, PLEASE STAY OUT OF THE ACTIVE WORK ZONE.

- **During the nighttime/overnight hours of 7:00 PM to 5:00 AM on Sunday, October 22, through Monday, October 23, motorists should expect lane closures at the intersection of Corkscrew Road and Stoneybrook Golf Drive for crews to remove old signal poles.**
- **During the nighttime/overnight hours of 7:00 PM to 5:00 AM on Sunday, October 22, through Monday, October 23, motorists should expect lane closures at the intersection of Corkscrew Road and Ben Hill Griffin Parkway for crews to remove old signal poles.**
- **Crews are reconstructing the entrance of the River Creek Community at Corkscrew Road.** Motorists should expect an uneven surface until paving, which is scheduled in early November. Please watch for trucks entering and leaving the roadway.
- **Crews continue reconstructing the intersection of Midnight Blue Boulevard at Corkscrew Road.** Motorists should expect an uneven surface until paving, which is scheduled in early November. Please watch for trucks entering and leaving the roadway.
- The sidewalk on the south side of the road from Ben Hill Griffin Parkway to Stoneybrook Golf Drive has been opened to pedestrians. Please be aware that some areas are a temporary surface. The Village of Estero is constructing the shared use path.
- The contractor continues installing drainage, performing concrete work and earthwork, clearing & grubbing, and prepping for/installing sod. Motorists should expect construction vehicles and concrete trucks entering and exiting the roadway.
- Crews continue to construct the wildlife crossing/bridge. Crews are working on the bridge deck foundation. This work will be outside of the travel lanes.
- Left turn lanes from Corkscrew Road are unavailable into Wild Blue Boulevard, Cypress Shadows Boulevard (The Preserve at Corkscrew), Midnight Blue Boulevard, and Bella Terra Boulevard. Left turns are still permitted, however they will be made from the travel lane. Where possible, barrels and other devices have been shifted to allow for as much room as possible for vehicles.

The work activities above are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule.

WORK PERFORMED BY OTHERS:

- GL Homes is actively working in the River Creek Community site across from Wild Blue Boulevard. Motorists should expect delays and use caution as construction vehicles enter/exit the roadway. On heavy haul days, GL Homes will be providing flaggers to reduce backups on Corkscrew Road.
- The Village of Estero is constructing the shared use path on the south side of the road from Ben Hill Griffin Parkway to Stoneybrook Golf Drive. The Village is currently designing the path to extend to the east property line of Bella Terra and on the north side of the road to east of Grandezza.

MOTORISTS ARE REMINDED TO OBEY THE POSTED SPEED LIMIT. Please use caution and watch for workers and construction vehicles entering and leaving the roadway. **Estimated completion is early 2024.** Project cost is approximately \$23 M. The contractor is Cougar Contracting, LLC. For further questions, please visit the project website at <http://corkscrewroadwidening.com> or contact Jennifer Dorning by email at Jennifer.Dorning@atkinsrealis.com or by phone at (239) 338-7723.

Sanibel Causeway Emergency Restoration: As a part of the Florida Department of Transportation's (FDOT) Emergency Restoration of the Sanibel Causeway, crews continue work on McGregor Boulevard and the Sanibel Causeway from Port Comfort Road to Sanibel Island. **The causeway islands surrounding the temporary roadway are an active work zone and are currently closed for public access, including from the water.**

- Motorists should expect flagging operations on the Causeway during the nighttime/overnight hours of Thursday, October 19, through Wednesday, October 25.
- Beginning no earlier than 10:00 AM, motorists traveling westbound to Sanibel on McGregor Boulevard should expect segments of the outside through lane from Port Comfort Road to the toll plaza to be closed for crews to install guardrail.
- Beginning at 7:00 AM, motorists traveling westbound to Sanibel on McGregor Boulevard should expect segments of the turn lane to Punta Rassa to be closed to traffic for crews to install guardrail. Motorists can continue to turn right to Punta Rassa.
- Motorists should be aware that through October and November, portions of the travel lanes near the bridges on the Causeway will be narrowed to 10 feet with a one-foot shoulder and barrier wall on each side. Oversized loads will only be permitted during the nighttime/overnight hours with this restriction.
- During the hours of 6:30 – 11:00 AM, motorists leaving Sanibel should expect eastbound McGregor Boulevard to be reduced to one lane from just east of the toll plaza to Port Comfort Road. This closed lane will be used as a dedicated lane for concrete delivery trucks arriving to the project. Concrete trucks will be escorted by FHP when using this lane. **During this time, motorists**

traveling to Sanibel should expect FHP to intermittently stop traffic to allow concrete trucks to cross westbound travel lanes to reach the staging area.

- On weekdays, beginning no earlier than 10:00 AM, motorists traveling westbound to Sanibel on McGregor Boulevard should expect portions of the outside travel lane and/or turn lane to Punta Rassa closed to traffic for crews to install guardrail from Port Comfort Road to the toll plaza.
- Motorists should expect isolated flagging operations on the Causeway. Crews anticipate opening all lanes between the hours of 7:00 – 9:00 AM and 3:00 – 5:00 PM.
- Motorists should expect uneven road surface on the causeway through the end of the year. The contractor continuously monitors road conditions and is prepared to make repairs as needed.
- Crews are relocating utilities along McGregor Boulevard. Motorists are asked to use caution as work activities may be close to the roadway.
- Crews continue driving sheet pile on the causeway islands.
- Motorists should expect numerous dump trucks entering and exiting Punta Rassa. They are delivering armor stone to be used throughout the project.
- Motorists should expect periodic daytime delays for delivery/removal of materials, transfer of equipment, and for crews to remove trash from the roadway.

Many oversized vehicles are crossing the causeway to assist with recovery efforts on the island. Please be patient as travel may be slower than usual. Bicyclists are encouraged to utilize another mode of transportation to travel the causeway and pedestrians are not permitted on the Sanibel Causeway. Expect shoulder closures throughout the project.

MOTORISTS ARE REMINDED TO OBEY THE POSTED SPEED LIMIT OF 20 MPH. Please use caution and watch for workers and construction vehicles entering and leaving the roadway. For further questions, please contact Jennifer Dorning by email at Jennifer.Dorning@dot.state.fl.us or by phone at (239) 338-7723. Please visit www.swflroads.com/SanibelCauseway for additional information.

Striping Maintenance: Lee County DOT will be performing a moving operation with traffic delays on **October 19, 2023, to October 25, 2023**, between the hours of **9:00 AM to 4:00 PM** (weather permitting) on the following roadways:

McGregor Boulevard Frontage Road (McGregor Boulevard – Travers Avenue)	
Winkler Road	
Lakewood Boulevard	
South Pointe Boulevard	
Learning Court	
Island Circle	
Riverside Drive	
Summerlin Road	
Cypress Lake Drive	

Intersection Markings: Intermittent Lane closures and delays are possible **October 19, 2023, to October 25, 2023**, between the hours of **9:00 AM to 4:00 PM** (weather permitting) on the following roadways:

Corkscrew Road (Excludes Ben Hill Griffin Parkway – Alico Road)	Planation Road @ Colonial Boulevard
Veterans Parkway (Includes Pine Island Road – Skyline Boulevard & Santa Barbra Boulevard – Del Prado Boulevard)	

Bonita Beach Road West of US 41 to Kings Kew Road Bonita Springs – Fort Myers (B220294DWJ - Countywide Sidewalk Repair Project): Scott Commercial Contracting LLC will be performing sidewalk repair improvements **beginning Monday, May 1, 2023, and continuing through December 31, 2023 (except for on holidays)**. Removal of and repair of damaged concrete sidewalk will be performed under county contract B220294DWJ on both the north and south sides of Bonita Beach Road west of US 41 to Kings Kew Road in Bonita Springs as directed by Lee County personnel. The outside (right) lane of westbound traffic on Bonita Beach Road just after US 41 will be the first area subject to lane closures utilizing FDOT indexes 102-615 & 102-613. Also, the sidewalk north of Bonita Beach Road will be closed and detoured as needed as outlined in FDOT Index FDOT 102-660. Periodic lane closures for westbound and eastbound lanes of Bonita Beach Road will occur between the hours of **9:00 AM and 3:30 PM** on weekdays. For further information, please contact Shaine Green at (239) 340-8695 or shaine@team-scott.com. Scott Safety LLC will provide maintenance of traffic services (239) 340-8695.

Leonard Boulevard S from Lee Boulevard to Hampstead Court (Permit ROW2022-00958): Pike Electric will be working on the overhead power lines. The projected start date is **April 17, 2023**. The said section of road will be subject to lane closures of the southeast bound right lane, between **9:00 AM and 3:30 PM**. The projected end date is **November 10, 2023**. Area Wide Protective will be providing MOT services. For further information, please contact Brian Williams with Pike at 239-225-8037 bwilliams@pike.com. For further information on MOT, related inquiries please contact Sam Bell at 239-240-9410, sambell@awptraffic.com.

Gateway Boulevard at Griffin Drive/Fairway Lakes Drive: Lee County is constructing a roundabout at Gateway Boulevard and Griffin Drive/Fairway Lakes Drive. Work continues to install utilities and construct the roundabout. Motorists should expect traffic shifts and lane closures through the duration of the project. Motorists should expect the following conditions at the intersection of Gateway Boulevard and Griffin Drive/Fairway Lakes Drive:

- **Gateway Boulevard will remain reconfigured to have one northbound and one southbound lane in each direction.**
- **The current configuration at Griffin Drive will remain as right turn only. Motorists who want to travel southbound on Gateway Boulevard from Griffin Drive, will need to turn right heading northbound and U-turn to head southbound.**
- **There will be no left turn from Gateway Boulevard to Griffin Drive. Motorists who want to travel eastbound on Griffin Drive, will need to travel southbound through the intersection and make a U-turn at Timber Ridge Drive.**
- **Fairway Lakes Drive will remain closed at the intersection.**
- **The posted speed limit has been reduced to 25MPH through the work zone. The existing posted speed limit of 35MPH will remain the same outside of the work zone.**

Expect large construction vehicles in the area and watch for contractors in the field. The contractors will use Variable Message Boards (VMB) to notify the public about any traffic pattern changes during construction. The contractor is Wright Construction Group. The project is expected to be complete in one year. **Work is estimated to be complete spring of 2024.** Work is expected to occur **Monday through Friday from 7:00 AM to 5:00 PM**; however, some night and weekend work may be necessary. If you would like to receive updated or have questions about the project, please visit the website www.GatewayRoundabouts.com, or contact: Kris Cella, Cella Molnar & Associates, Inc., public outreach consultant at 239-337-1071 or email: KCella@cella.cc.

Colonial Boulevard on ramp, from Cleveland Avenue to Hill Drive (ROW2022-01033): Pike Electric will be working on the overhead power lines. The projected start date is **May 1, 2023**. The said section of road will be subject to a lane shift from **9:00 AM to 3:30 PM**. The projected end date is **November 10, 2023**. Area Wide Protective will be providing MOT services. For further information, please contact Brian Williams with Pike at 239-225-8037 bwilliams@pike.com. For further information on MOT, related inquiries please contact Sam Bell at 239-240-9410, sambell@awptraffic.com.

Estero Boulevard, Crescent Street traffic signal installation: Horsepower Electric will be constructing a new traffic signal at the intersection of Estero Boulevard and Crescent Street for Lee County DOT in the Town of Fort Myers Beach beginning **Monday, June 12, 2023, with completion by Thursday, November 30, 2023**. Estero Boulevard will be subject to daytime lane closures while maintaining two-way traffic from **8:00 AM to 4:00 PM** and nighttime lane closures between **7:00 PM and 6:00 AM**. For further information, please contact Robert Phelan rphelan@leegov.com. Acme Barricades will be providing all maintenance of traffic service for this project 239-479-5266.

Estero Boulevard, Crescent Street: Crews will pave the intersection of Estero Boulevard and Crescent Street **beginning 7:30 PM through 6:00 AM, November 18, 2023**. Roadways will be re-open before 6:00 AM. One-way alternating traffic patterns will be implemented, or motorists will be redirected to adjacent streets. Flaggers will direct motorists.

Big Carlos Pass Bridge Project –Construction Project: The project builds a new bridge over Big Carlos Pass, from Estrellita Drive on Fort Myers Beach to the Lovers Key State Park bayside entrance on Lovers Key. The new bridge will replace the existing moveable bridge over Big Carlos Pass with a fixed span bridge that will provide a vertical navigation clearance of 60 feet. The new bridge will be constructed on the Gulf side of the existing bridge, and will include one travel lane in each direction, bicycle lanes, a six-foot-wide sidewalk along the north side of Estero Boulevard, and a 10-foot-wide shared use path along the south side of Estero Boulevard. A parking area with access to the Lovers Key State Park will be included on the southeast side of the bridge. The project also includes relocation of existing infrastructure for Lee County Utilities and Bonita Springs Utilities.

Boaters are reminded to avoid the construction equipment and the temporary trestle that is in the water. Please use the channel when traveling through Big Carlos Pass. To contact the bridge tender, please call: 239-955-3973.

FOR EVERYONE'S SAFETY, PLEASE STAY OUT OF THE ACTIVE WORK ZONE.

- **Motorists should expect shoulder closures on the southwest side of the roadway from 9:00 AM to 4:00 PM on Wednesday, October 25, and Thursday, October 26, to allow crews to remove the guardrail.**
- **Crews continue driving and installing pile as a part of the construction of the trestle.** The contractor will be building the bridge from this temporary trestle. Pile driving will continue through the majority of the project.
- Crews will continue clearing vegetation and performing earthwork throughout the project area.
- Motorists should expect reduced speeds throughout the project area. Please follow the posted speed limit signs and plan for slowed traffic in the project area. Draw bridge will remain in operation during construction and motorists should be prepared to stop.
- Pedestrians will be directed to use sidewalk on one side of the roadway through the construction area.
- Fishing from the Big Carlos Pass Bridge is restricted due to construction activities.

Drivers, pedestrians, and bicyclists are urged to use extra caution when traveling through the work zone as workers and construction vehicles are entering and leaving the roadway. Estimated completion is summer 2026. Project cost is approximately \$90.8 M. The contractor is Superior Construction. For further questions, please visit the project website at <https://bigcarlosbridgeproject.com/> or contact Jennifer Dorning by email at Jennifer.Dorning@atkinsrealis.com or by phone at (239) 338-7723.

Lee Boulevard from Sixth Court to Edwinstone Boulevard (ROW2022-01150): Pike Electric will be working on the overhead power lines. The projected start date is **July 13, 2023**. The Westbound far right lane, 500 feet at a time, will be subject to a lane shift from **9:00 AM and 3:30 PM**. The projected end date is **October 31, 2023**. Area Wide Protective will be providing MOT services. For further information, please contact Brian Williams with Pike at 239-225-8037 bwilliams@pike.com. For further information on MOT, related inquiries please contact Sam Bell at 239-240-9410, sambell@awptraffic.com.

North Lee County Wellfield Expansion Phase IIIA Project – Fort Myers (ROW2022-00030): Nalle Grade Road between Slater Road to Nalle Road - RPU will be commencing the Raw Water Main tie-ins via open cut and testing of the Raw Water Main from **July 17, 2023, through November 30, 2023**. Work will be performed along Nalle Grade Road from Slater Road heading east towards Nalle Road. Eastbound lane along Nalle Grade Road from Slater Road to Nalle Road will be subject to

temporary daily lane closures. Traffic will be maintained with flagmen and opened up daily. Working hours shall be from **7:00 AM to 7:00 PM**. Any questions, please contact Victor Menocal at vmenocal@rpucorp.com; or (305) 776-8181.

North Lee County Wellfield Expansion Phase IIIA Project – Fort Myers (ROW2022-00030): Nalle Road between Sedgefield Road to Nalle Grade Road - RPU will be commencing the Raw Water Main tie-ins via open cut and testing of the Raw Water Main from **October 15, 2023, through November 30, 2023**. Work will be performed along Nalle Grade Road from Sedgefield Road heading south towards Sedgefield Road. Northbound lane along Nalle Grade Road from Sedgefield Road to Nalle Road will be subject to temporary daily lane closures. Traffic will be maintained with flagmen and opened up daily. Working hours shall be from **7:00 AM to 7:00 PM**. Any questions, please contact Victor Menocal at vmenocal@rpucorp.com; or (305) 776-8181.

Winkler Road from Cypress Lake Drive to E College Pointe Drive (Permit ROW2022-01283): Pike Electric will be working on the overhead power lines. The projected start date is **July 24, 2023**. The northbound right lane, 500 feet at a time, will be subject to a lane shift from **9:00 AM and 3:30 PM**. The projected end date is **November 7, 2023**. Area Wide Protective will be providing MOT services. For further information, please contact Brian Williams with Pike at 239-225-8037; bwilliams@pike.com. For further information on MOT, related inquiries please contact Sam Bell at 239-240-9410; sambell@awptraffic.com.

Winkler Road from Villmoor Lane to Myerlee Country Club Boulevard (Permit ROW2022-01107): Pike Electric will be working on the overhead power lines. The projected start date is **July 31, 2023**. This section of Winkler Road will be subject to lane closures with flaggers, 300 feet at a time, from **9:00 AM to 3:30 PM**. The projected end date is **November 17, 2023**. Area Wide Protective will be providing MOT services. For further information, please contact Brian Williams with Pike at 239-225-8037 bwilliams@pike.com. For further information on MOT, related inquiries please contact Sam Bell at 239-240-9410, sambell@awptraffic.com.

Pritchett Parkway Turn Lanes (ROW 2023-00468): Mancini will be performing roadway improvements beginning **Monday, August 14, 2023**, and continuing through **November 22, 2023**. Improvements will include new base and sub grade work and storm work in the ROW, with additional Accel/ Decal turn lane with new stripping as needed. Mancini will be using Bob's Barricade for MOT. Pritchett Parkway will be subject to lanes closure between the hours of **9:00 AM and 3:30 PM**.

Lehigh Acres Mast Arm Replacements & Intersection Improvements Project: Lee County DOT and its contractor American Infrastructure Services (AIS) will begin improvements to three separate intersections in Lehigh Acres, Florida. The Intersections are as follows: **1. Homestead Road N and Beth Stacey Boulevard, 2. Homestead Road N and Plaza Drive, and 3. Joel Boulevard and Bell Boulevard.** The improvements include mast arm and signal replacement, asphalt milling and resurfacing, ADA improvements, drainage improvements, sod, and road striping. The project began on **Monday, August 14, 2023**, and is estimated to be complete in **May 2024**. Motorists and Pedestrians are urged to use extra caution when traveling through the work zones. For further information, please contact Ryan Kirsch at LCDOTProjects@leegov.com [Doug Padgett](#)

Oriole Road & San Carlos Boulevard, Fort Myers (ROW2022-00627): Irby Construction will be replacing poles down Oriole Rd and San Carlos Boulevard for Florida Power & Light beginning **August 14, 2023, through November 3, 2023**. The northbound lane of Oriole Road from Matanzas Road to Frank Road and the eastbound lane of San Carlos Boulevard from Oriole Road to Winter Haven Road will be subject to intermittent lanes closures from **9:00 AM – 3:30 PM**. For further information, please contact Cole Bryan at 863-268-3941; Jbryan@irbyconstruction.com. Scotts Safety will be providing all maintenance of traffic services for this project. Call (844)417-2688 with any questions.

Milling and Resurfacing **College Parkway from Cleveland Avenue to Summerlin Road:** Lee County DOT along with their Contractor, Preferred Materials, will begin milling and paving operations in the specified location. Paving will **start the night of Sunday, October 29, 2023, and is scheduled to be complete on Wednesday, November 8**. Working hours are from **7:00 PM to 5:00 AM**. Motorists should use caution as this area will have lane closures and uneven pavement. Please be aware of the advanced warning signs in these areas. Weather may affect start times and dates. For further information contact paving@leegov.com.

Milling and Resurfacing **Plantation Boulevard from 6 Mile Cypress Parkway to Daniels Parkway:** Lee County DOT along with their Contractor, Preferred Materials, will begin milling and paving operations in the specified location. Paving will **start the night of Tuesday, October 10, 2023, and is scheduled to be complete on Wednesday, November 8, 2023**. Working hours are from **7:00 PM to 5:00 AM**. Motorists should use caution as this area will have lane closures and uneven pavement. Please be aware of the advanced warning signs in these areas. Weather may affect start times and dates. For further information contact paving@leegov.com.

Three Oaks & Gladiolus Resurfacing 3 FY23 B: Gladiolus from San Carlos Boulevard to Pine Ridge Road: Lee County DOT, along with their contractor Community Asphalt and Community Asphalts sub-CMS concrete, will be working in the specified location. Concrete removal and placement will start the day of **Thursday, October 26, 2023, through November 8, 2023**. Work times will be from **7:00 AM to 5:00 PM**. Pedestrians and motorists should use caution, as this area will have sidewalk closures and heavy equipment within the work areas. Travel lanes will not be affected by any lane closures as this work is outside the travel way. Please be aware of the advanced warning signs in these areas. The weather may affect start times and dates. For further information, please contact paving@leegov.com.

Three Oaks & Gladiolus Resurfacing 3 FY23 B: Three Oaks Parkway from Corkscrew to Coconut Road: Lee County DOT, along with their contractor Community Asphalt and Community Asphalts sub-CMS concrete, will be working in the specified location. Concrete removal and placement will start the day of **Monday, October 23, 2023, through Wednesday, October 25, 2023**. Work times will be from **7:00 AM to 5:00 PM**. Pedestrians and motorists should use caution, as this area will have sidewalk closures and heavy equipment within the work areas. Travel lanes will not be affected by any lane closures as this work is outside the travel way. Please be aware of the advanced warning signs in these areas. The weather may affect start times and dates. For further information, please contact paving@leegov.com.

Three Oaks & Gladiolus Resurfacing 3 FY23 B : Three Oaks Parkway from Corkscrew to Coconut Road: Lee County DOT, along with their contractor Community Asphalt, will be paving in the specified location. Paving will start the **night of Sunday, October 29, 2023, through Monday night, October 30, 2023**. Work times will be from **7:00 PM to 5:00 AM**. Motorists should use caution, as this area will have lane closures and uneven pavement. Please be aware of the advanced warning signs in these areas. The weather may affect start times and dates. For further information, please contact paving@leegov.com.

Lehigh Acres Arterials and Collectors: Joel Boulevard from Palm Beach Boulevard to Edwards Drive: Lee County DOT, along with their contractor Community Asphalt, will be paving corrections in the specified location. Paving will start the **night of Tuesday, October 31, 2023, through Wednesday night, November 1, 2023**. Work times will be from **7:00 PM to 5:00 AM**. Motorists should use caution, as this area will have lane closures and uneven pavement. Please be aware of the advanced warning signs in these areas. The weather may affect start times and dates. For further information, please contact paving@leegov.com.

Lehigh Acres Arterials and Collectors: Parkdale Boulevard from SR 82 to Mirror Lakes: Lee County DOT, along with their contractor Community Asphalt, will be milling and paving correction areas in the specified location starting the **night of Thursday, November 2, 2023, through the morning of Friday,**

November 3, 2023. Work times will be from **7:00 PM to 5:00 AM**. Motorists should use caution, as this area will have lane closures and uneven pavement. Please be aware of the signage in this area. The weather may affect start times and dates. For further information please contact Paving@leegov.com.

Miami Boulevard Fort Myers (ROW2022-00410): Irby Construction will be replacing poles down Miami Boulevard for Florida Power & Light beginning **October 21, 2023, through November 22, 2023**. The southbound lane of Miami Boulevard from San Carlos Boulevard to Tangelo Boulevard will be subject to intermittent lane closures with flagging **from 9:00 AM – 3:30 PM**. For further information, please contact Cole Bryan at 863-268-3941; or lbryan@irbyconstruction.com. Scotts Safety will be providing all maintenance of traffic services for this project. Call (844) 417-2688 with any questions.

Bradford Road/McGregor Boulevard Forcemain Replacement Project (ROW2023-00740): Beginning August 2023, contractors for the City of Fort Myers will replace sanitary sewer forcemain pipe along Bradford Road and connecting to the McGregor Boulevard corridor within the west road right-of-way from San Marcos to Bradford Road. Drivers, pedestrians and bicyclists should use caution and be aware of construction equipment and vehicles entering/exiting streets in the project area. Crews are expected to work **7:00 AM to 7:00 PM**. This project is expected to be **completed in January 2024**.

McGregor Boulevard “riverside” sidewalk closure from San Marcos to Bradford Road: Pedestrians should expect crews to close McGregor Boulevard riverside sidewalk from San Marcos to Bradford Road. Pedestrians will be directed to cross McGregor Boulevard at the following crosswalks:

- Royal Palm Square Boulevard south of the closure
- Winkler Avenue north of the closure

This schedule may be subject to change due to inclement weather and unforeseen underground conditions. For more project information please contact the City’s public information consultant, Cella Molnar & Associates, Inc. at 239-337-1071 or via e-mail to thayden@cella.cc.
