ROADWATCH UPDATE
April 18, 2024 to April 24, 2024

1. Road Work/Maintenance/Improvement

Corkscrew Road Widening Project – Phase I Construction Project: The project widens Corkscrew Road to six lanes from Ben Hill Griffin Parkway to Fire House Lane, and to four lanes from Fire House Lane to Bella Terra Boulevard. The project includes adding on-road bike lanes, some sidewalk, installing new drainage, and constructing a wildlife crossing approximately 1000 feet west of the entrance to Cypress Shadows Boulevard. This crossing will coincide with a regional flow-way that crosses Corkscrew Road at that location. The Village of Estero will be installing shared use paths, lighting, and landscaping as phasing allows. **Drivers, pedestrians, and bicyclists are urged to use extra caution when traveling through the work zone. Please be aware of shifts in travel lanes and bike lanes, sidewalk detours, and miscellaneous turn lane closures.**

Please use caution and drive with courtesy and patience throughout the project area. Residents are entering and exiting communities on both sides of Corkscrew Road.

- **FPL Work in Corkscrew Road Widening Phase 2** - Motorists should expect delays from **8:00 AM to 5:00 PM, Monday through Friday through Wednesday, April 24, 2024** as FPL crews install new overhead primary power lines and power poles east of this project, from Wayside Lane west to Alico Road. Flaggers will be onsite to assist motorists, but traffic may backup through this project.

The following information is provided by Cougar Contracting, Inc.:

- Corkscrew Road is now in its final configuration from Ben Hill Griffin Parkway to Bella Terra Boulevard. Motorists should expect isolated flagging operations with periodic lane closures as the contractor works through the final project punch list. Motorists should also expect construction vehicles entering and leaving the roadway.
- Crews continue installing signage, sod, and fencing throughout the project. The sidewalk on the south side of the road from Ben Hill Griffin Parkway to Stoneybrook Golf Drive has been opened to pedestrians. Please be aware that some areas are a temporary surface. The Village of Estero is constructing the shared use path.

The work activities above are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule.

WORK PERFORMED BY OTHERS:

- GL Homes is actively working in the RiverCreek Community site across from Wild Blue Boulevard. Motorists should expect delays and use caution as construction vehicles enter/exit the roadway.
- The Village of Estero is constructing the shared use path on the south side of the road from Ben Hill Griffin Parkway to Stoneybrook Golf Drive. The Village is currently designing the path to extend to the east property line of Bella Terra and on the north side of the road to east of Grandezza.

**MOTORISTS ARE REMINDED TO OBEY THE POSTED SPEED LIMIT.
FOR EVERYONE'S SAFETY, PLEASE STAY OUT OF THE ACTIVE WORK ZONE.**

Please use caution and watch for workers and construction vehicles entering and leaving the roadway. **Estimated completion is early 2024.** Project cost is approximately \$23 M. The contractor is Cougar Contracting, LLC. For further questions, please visit the project website at <http://corkscrewroadwidening.com> or contact Jennifer Dorning by email at Jennifer.Dorning@atkinsrealis.com or by phone at (239) 338-7723.

Corkscrew Road Widening Project – Phase 2 Construction Project: The project constructs four, 11-foot-wide travel lanes from Bella Terra Boulevard to just east of Alico Road, and a new traffic signal at the Alico Road intersection. Also included are on-road bikes lanes in each direction, a 10-foot-wide shared

use path on the south side of the road, a 6-foot sidewalk on the north side of the road, and street lighting. The 22-foot wide (varies) median includes various hardwood and palm trees as well as shrubs.

Drivers, pedestrians, and bicyclists are urged to use extra caution when traveling through the work zone.

Work by FPL in project area:

- **From 8 a.m. to 5 p.m., Monday through Friday until April 24, motorists should expect Corkscrew Road to be open to one lane of travel from Wayside Lane west to Alico Road.** Flaggers will be onsite to assist motorists, alternating traffic. This closure is necessary for FPL crews to install new overhead primary power lines and power poles. Please use caution as crews work close to the roadway.

Corkscrew Phase 2 Work Activities:

- Crews are installing water main east of Corkscrew Shores and performing underground work at Corkscrew Woods Parkway.
- Crews are installing a force main on the north side of Corkscrew Road.
- The contractor continues earthwork to construct the pond east of Corkscrew Shores during daytime hours.
- Crews are installing erosion control and traffic control devices throughout the project.
- Crews may be working close to the roadway. Motorists are asked to drive with caution. Sidewalks may be closed in areas throughout the project as the contractor performs underground work.

Please use caution and watch for workers and construction vehicles entering and leaving the roadway. **Estimated completion is spring 2026.** Project cost is approximately \$27 M. The contractor is Bergeron Land Development, Inc. For further questions, please visit the project website at <http://corkscrewroadwidening.com> or contact Jennifer Dorning by email at Jennifer.Dorning@atkinsrealis.com or by phone at (239) 338-7723.

Sanibel Causeway Emergency Restoration: Crews have moved traffic to the permanent lanes on the Sanibel Causeway. **The causeway islands surrounding the temporary roadway are an active work zone and are currently closed for public access, including from the water.**

- Beginning on **Wednesday, April 24, 2024**, motorists should expect daytime lane closures at the intersection of Punta Rassa Road and McGregor Boulevard for Lee County to repair and install temporary traffic signals. **On island (westbound) lane closures are not anticipated before 10:00 AM and off island (eastbound) lane closures are not anticipated after 3:00 PM.** Flagging operations may be required. The work will last approximately 2 weeks. Drivers should be aware of overhead work and construction crews within the median and near the travel lanes.
- Motorists should expect one lane of eastbound travel to continue from the toll plaza to Shell Point Road on the south (beach) side of McGregor Boulevard. The shoulder (south/beach side) remains **FULLY CLOSED TO ACCESS**. This closure is necessary for crews to excavate and install underground devices (marine mattresses) to reinforce the shoreline. This closure is expected to be in place through May 2024. The contractor may intermittently use this lane for materials delivery.
- Motorists traveling westbound on McGregor Boulevard may experience short delays for FHP to stop vehicles to allow materials deliveries to access the staging area at Punta Rassa.
- Crews continue earthwork and debris removal along the causeway islands. Please expect construction equipment periodically entering/leaving the travel lanes when necessary. The contractor is limiting this interruption during peak hours.
- The westbound merge location is now west of the toll plaza. Motorists are urged to use caution and obey the 20 MPH speed limit. Construction vehicles and equipment continue to enter/exit the staging area near this location.

Many oversized vehicles are crossing the causeway to assist with recovery efforts on the island. Please be patient as travel may be slower than usual. Bicyclists are encouraged to utilize another mode of transportation to travel the causeway and pedestrians are not permitted on the Sanibel Causeway.

MOTORISTS ARE REMINDED TO OBEY THE POSTED SPEED LIMIT OF 20 MPH. Please use caution and watch for workers and construction vehicles entering and leaving the roadway. For further questions, please contact Jennifer Dorning by email at Jennifer.Dorning@dot.state.fl.us or by phone at (239) 338-7723. Please visit www.swflroads.com/SanibelCauseway for additional information.

Striping Maintenance: Lee County DOT will be performing a moving operation with traffic delays on **April 18, 2024 to April 24, 2024** between the hours of **9:00 AM to 4:00 PM** (weather permitting) on the following roadways:

Pondella Rd	Lavin Ln
McNeil Rd	Cardinal Dr
April Ln	Willis Rd
Barrett Rd	Evergreen Rd
Betmar Blvd	W Mariana Ave
Piney Rd	Many Rd
River Rd	Brown Rd
Brooks Rd	Stockton St
Harbor Dr	Littleton Rd (<i>excluding Corbett Rd – US 41</i>)

Intersection Markings: Intermittent Lane closures and delays are possible **April 18, 2024 to April 24, 2024** between the hours of **9:00 AM to 4:00 PM** (weather permitting) on the following roadways:

Gladiolus Dr	College Pkwy
Lehigh Acres (<i>various local & collector street locations</i>)	
Joel Blvd (<i>excluding Bell Blvd Intersection</i>)	

Night Work Scheduled for Thursday, April 18, 2024: LCDOT Traffic will be refreshing the pavement markings along Gladiolus Dr and Summerlin Rd during the hours of **8:00 PM to 4:00 AM** (weather permitting). Motorists are advised to use caution as intermittent lane closures and delays are expected.

Pavement Maintenance will be conducting paving operations on Pine Island starting **April 1, 2024, through April 30, 2024. Work will be conducted during the day, between the hours of 7:00 AM to 5:00 PM.** On April 1, 2024, we will start with the milling followed with an overlay of new asphalt:

Ann Arbor Dr from EOP to Oakland Dr	Meadowlark Ln from Wausau Ave to EOP
Linden Ln from Oakland Dr to Stringfellow Rd	Church St from Pine Island Rd NW to Wood Smoke St
Wood Smoke St from Sunset Ln to Church St	Short St from Sunset Ln to Wood Smoke St
Sunset Ln from Trotwood Av to Sunset Ln	Trotwood Ave from Sunset Ln to Church St
Frankie Lane Dr from EOP to Pine Island Rd NW	Pine Island Rd NW from EOP to Stringfellow Rd

Habitat Trl from Pine Island Rd NW to Habitat Cir	Habitat Cir from Habitat Trl to Habitat Trl
Curlew Dr – Parking area N side of Curlew Dr	Stringfellow Rd from Oleander St to York Dr
Oleander St from EOP to Stringfellow Rd	1 st Ave from Oleander St to EOP
6 th Ave from Bamboo St to Oleander St	7 th Ave from Bamboo St to Oleander St
Sanibel Blvd from Bayview Ave to Stringfellow Rd	York Rd from EOP to Stringfellow Rd

If you have any questions, please contact Paving@leegov.com

Winkler Road South of Cypress Lake Drive to Summerlin Road, Fort Myers (B220294DWJ - Countywide Sidewalk Repair Project): Scott Commercial Contracting LLC will be performing sidewalk repair improvements beginning **Monday, April 1, 2024, and continue through May 1, 2024 (excluding holidays)**. Removal of and repair of damaged concrete sidewalk will be performed under county contract B220294DWJ on both the west and east sides of Winkler Road South of Cypress Lake Drive to Summerlin Road in Fort Myers. The outside lanes of both southbound & northbound traffic on Winkler Road just south of Cypress Lake Drive will be the first area subject to lane closures utilizing FDOT indexes 102-602 & 102-613. Also, the sidewalks in both directions will be closed separately at different times and detoured as needed per Index FDOT 102-660. Periodic lane closures for southbound and northbound lanes of Winkler Road will occur between the hours of **9:00 AM and 3:00 PM on weekdays** as needed when equipment cannot avoid blocking the travel lanes. For any questions, please contact John Scott at John@team-scott.com or (239) 340-8695.

Big Carlos Pass Bridge Project – Construction Project: The project builds a new bridge over Big Carlos Pass, from Estrellita Drive on Fort Myers Beach to the Lovers Key State Park bayside entrance on Lovers Key. The new bridge will replace the existing moveable bridge over Big Carlos Pass with a fixed span bridge that will provide a vertical navigation clearance of 60 feet. The new bridge will be constructed on the Gulf side of the existing bridge, and will include one travel lane in each direction, bicycle lanes, a six-foot-wide sidewalk along the north side of Estero Boulevard, and a 10-foot-wide shared use path along the south side of Estero Boulevard. A parking area with access to the Lovers Key State Park will be included on the southeast side of the bridge. The project also includes relocation of existing infrastructure for Lee County Utilities and Bonita Springs Utilities.

Boaters are reminded to avoid the construction equipment and the temporary trestle that is in the water. Please use the channel when traveling through Big Carlos Pass.

To contact the bridge tender, please call: 239-955-3973.

TRESSPASSING INTO THE CONSTRUCTION SITE IS DANGEROUS AND ILLEGAL. THIS INCLUDES THE BEACH AREA UNDER THE BRIDGE.

Pedestrians and boaters are reminded to please stay out of the work zone.

- Crews continue driving and installing pile as a part of the construction of the trestle. The contractor will be building the bridge from this temporary trestle. Pile driving will continue through the duration of the project.
- Crews will continue performing earthwork throughout the project area.
- Trolley stops are available at the south entrance to Black Island (Lovers Key Resort) for those traveling to Fort Myers Beach and across the street from Black Island (Lovers Key Resort) for those traveling to Lovers Key and Bonita Springs. Travelers are asked to wait behind the concrete barrier until ready to board the trolley.
- Pedestrians will be directed to use sidewalk on one side of the roadway through the construction area.

Drivers, pedestrians, and bicyclists are urged to use extra caution when traveling through the work zone as workers and construction vehicles are entering and leaving the roadway. Motorists should expect reduced speeds throughout the project area. Draw bridge will remain in operation during construction and motorists should be prepared to stop. **Fishing from the Big Carlos Pass Bridge is restricted due to construction activities.**

Estimated completion is summer 2026. Project cost is approximately \$90.8 M. The contractor is Superior Construction. For further questions, please visit the project website at <https://bigcarlosbridgeproject.com/> or contact Jennifer Dorning by email at Jennifer.Dorning@atkinsrealis.com or by phone at (239) 338-7723.

North Lee County Wellfield Expansion Phase IIIA Project – Fort Myers (ROW2022-00030): Nalle Road between Nalle Grade Road to Sedgfield Road - RPU will be commencing the Raw Water Main tie-ins via open cut and testing of the Raw Water Main from **January 22, through April 30, 2024**. Work will be performed along Nalle Road from Nalle Grade Road to Sedgfield heading south towards Sedgfield Road. Southbound lane along Nalle Road from Nalle Grade Road to Sedgfield Road will be subject to temporary daily lane closures. Traffic will be maintained with flagmen and opened up daily. Working hours shall be from **9:00 AM to 4:00 PM**. Any questions, please contact Victor Menocal at

vmenocal@rpucorp.com; or (305) 776-8181.

Lehigh Acres Mast Arm Replacements & Intersection Improvements Project: Lee County DOT and its contractor American Infrastructure Services (AIS) will begin improvements to three separate intersections in Lehigh Acres, Florida. The Intersections are as follows: **1. Homestead Road N and Beth Stacey Boulevard, 2. Homestead Road N and Plaza Drive, and 3. Joel Boulevard and Bell Boulevard.** The improvements include mast arm and signal replacement, asphalt milling and resurfacing, ADA improvements, drainage improvements, sod, and road striping.

- **Homestead Road N & Plaza Drive; Homestead Road N & Beth Stacey Boulevard; Joel Boulevard & Bell Boulevard:**
 - **Friday, April 19, 2024 - Friday, April 26, 2024**, there may be intermittent lane closures from **9:00 AM to 4:00 PM** as crews will be performing curbing and sidewalk improvements.

The work activities above are scheduled to occur, however unforeseen conditions and weather may affect this schedule.

The project began on **Monday, August 14, 2023**, and is estimated to be complete in **Summer 2024**. Motorists and Pedestrians are urged to use extra caution when traveling through the work zones. For further information, please contact Ryan Kirsch at LCDOTProjects@leegov.com

Estero Boulevard between Crescent Street and Eucalyptus Court; as well as Aberdeen Avenue and Mound Road - Fort Myers Beach (ROW2023-00705): Blue Streak LLC. will be performing Directional Boring, Handhole placement, Fiber Pulling and restoration continuing from **March 20, 2024, through May 6, 2024**. Fiber facilities will be placed within the right of way. All work will be completed within the right of way, lane closure sidewalk closures will be required and a moving MOT plan for such closures will be submitted appropriately through our vendor SCOTTS Safety. **Working hours will be from 7:00 PM to 6:00 AM on weekdays.** For further information, please contact Nicholas Novo at [\(305\) 915-9127](tel:3059159127) or nnovo@bluestreakllc.com.

Leisure Lane to Del Prado Boulevard N along US 41 - North Fort Myers (FDOT Permit #2022-H-192-00135): Accurate Drilling Systems, Inc. will be performing utility improvements **beginning Monday, October 30, 2023, and will continue through July 19, 2024**. Asphalt pavement, concrete sidewalk, concrete curbing, and utility improvements will be performed. US 41 will not have any lane closures. For further

information, please contact Mario Acevedo at (863) 517-4124 or ace@accuratedrilling.com. Bob's Barricades will provide maintenance of traffic services 239-656-1183.

Littleton Road Widening Project from Corbett Road to US 41: The project widens Littleton Road from the Corbett Road roundabout east to US 41. The new road segment will include an 11-foot-wide travel lane in each direction and a 12-foot-wide center turn lane with landscaped planting islands. The project began in January 2024 with estimated completion in summer 2025. Project cost is approximately \$20 million. The contractor is Wright Construction Group, Inc.

- During the nighttime/overnight hours of **7:00 PM to 6:00 AM. on Wednesday, April 17, 2024 through Friday, April 19, 2024**, motorists should expect lane closures while crews work on the water main. Flaggers will be onsite to assist motorists.
- Crews continue to install drainage structures within the project limits. Motorists should expect to see flagging operations with minimal delays from **5:00 AM to 5:00 PM**.
- Motorists are advised that traffic has shifted to temporary asphalt on the north side of the existing Littleton Road from Janet Drive to Hutto Road.

MOTORISTS ARE ADVISED THAT LITTLETON ROAD IS AN ACTIVE CONSTRUCTION ZONE. THE SPEED LIMIT IS 30 MPH THROUGHOUT THE WORK ZONE. SPEEDING FINES ARE DOUBLED WHEN WORKERS ARE PRESENT.

Drivers should also be aware of construction vehicles entering and leaving the roadway. For further questions, please visit www.LittletonRoadWidening.com or contact Michaela Steakley by email at Michaela.Steakley@atkinsrealis.com or by phone at 239-410-8174.

Ortiz Avenue Widening from SR 884 (Colonial Boulevard) to SR 82 (Martin Luther King, Jr. Boulevard): This project consists of widening of Ortiz Avenue from 2 lanes to 4 lanes and constructs a six-foot sidewalk on the east side of the road and a 10-foot paved trail on the west side of the road. An on-road bike lane on both sides of the road will also be included. New street lighting will be installed, and a grass median will separate traffic. No improvements will be made at the roundabout intersection with Hanson Street. The contractor will reconstruct the roadway with drainage improvements and stormwater management facilities. Work also includes installation of new water main and installation of new reclaimed water and sewer facilities for Lee County and the City of Fort Myers.

**Drivers, pedestrians, and bicyclists are urged to use extra caution
when traveling through the work zone.**

- Crews will begin to mobilize equipment and materials to the project site.
- Crews will begin clearing and grubbing.
- The contractor is scheduled to survey the project during daytime hours.
- The contractor is identifying existing utility locations throughout the project. Crews may be working close to the roadway. Motorists are asked to drive with caution.

Please use caution and watch for workers and construction vehicles entering and leaving the roadway. **Estimated completion is Spring 2026.** Project cost is approximately \$31 M. The contractor is OHLA USA. For further questions, please visit www.leegov.com or contact Jennifer Dorning by email at Jennifer.Dorning@atkinsrealis.com or by phone at (239) 338-7723.

Ben Hill Griffin Parkway Force Main Improvements - Fort Myers (ROW2023-01519): Accurate Drilling Systems, LLC, will commence the installation of a 16-inch force main using the Horizontal Directional Drill method starting **Tuesday, February 6, 2024, and continuing through May 28, 2025.** Activities including potholing, HDPE pipe fusion, and Horizontal Directional Drilling will be conducted within the right-of-way (ROW). Please note that lane closures will not occur during daytime hours in peak season. Should you require additional information, reach out to Ismael Irigoyen at (863) 517-2838 or via email at ismael@accuratedrilling.com. For traffic maintenance services, Bob's Barricades can be contacted at (239) 656-1183.

Harlem Heights Neighborhood Sidewalk Repairs: Lee County DOT and their contractor, Pavement Maintenance Inc., will be repairing existing sidewalks in the specified neighborhood starting **Monday, February 19, 2024, through April 30, 2024.** Work times will be from **8:00 AM to 5:00 PM.** Motorists should use caution, as this area will have sporadic lane and sidewalk closures. Please be aware of the signage in this area. The weather may affect start times and dates. For further information, please contact acancel@leegov.com.

Lee County DOT, along with their contractor Russ Berner Construction will be paving in locations listed below. Work times will be from **7:00 AM to 5:00 PM.**

#	STREET	TO	FROM
7	DORA CIR	EOP	28TH ST W

13	36TH ST SW	EOP	JOAN AV S
14	32ND ST SW	EOP	CONNIE AVE S
15	DAKOTA WAY	LINCOLN BLVD	HARRISON DR
16	VIRGINIA WAY	LINCOLN BLVD	HARRISON DR
17	PARTRIDGE ST	PLATEAU AVE	PHILBERT AVE
18	RAND ST	RANCH AVE	RAWLINGS AVE
19	E 24TH ST	FITCH AV	FITCH AVE
20	E 25TH ST	FITCH AV	ABBOTT AVE
21	FITCH AVE	E 24TH ST	E 25TH ST

Clipping shoulders will start **March 11, 2024**, and paving will start **March 14, 2024**. This work is scheduled to be **completed by April 25, 2024**. Working hours are from **7:00 AM to 5:00 PM**. Motorist should use caution as this area will be constructed with lane closures and uneven pavement. Please be aware of the advanced warning signs in these areas. Weather may affect start times and dates. For further information contact paving@leegov.com.

Leeland Heights Boulevard - Mill and Resurface from Arkansas Road to North Road (Night Work): Lee County DOT, along with their contractor OHLA-USA **will continue paving through April 16, 2024**. Work times will be from **7:00 PM to 5:00 AM**.

- **March 26, 2024, through April 25, 2024** – Mill and Pave Leeland Heights Boulevard from Arkansas Road to North Avenue

Motorists should use caution, as this area will have lane closures and uneven pavement. Please be aware of the advanced warning signs in these areas. The weather may affect start times and dates. The plan is to start from the north and move to the south on Richmond Avenue. For further information, please contact paving@leegov.com.

Lehigh Acres Local Road Resurfacing (Day Work): Lee County DOT, along with their contractor OHLA-USA **will continue paving from April 18, 2024, through April 23, 2024**. Work times will be from **7:00 AM to 5:00 PM**.

The following streets will be affected:

Street	From	To
FLOYD AVE S	33RD ST SW	23RD ST SW
DOUGLAS AVE S	30TH ST SW	23RD ST SW
24TH ST SW	FLOYD AVE S	DOUGLAS AVE S
28TH ST SW	WEST END OFF OF DOUGLAS AVE S	EAST END OFF OF DOUGLAS AVE S
30TH ST SW	DOUGLAS AVE S	EAST END OFF OF DOUGLAS AVE S
32ND ST SW	FLOYD AVE S	EAST END OFF OF FLOYD AVE S
33RD ST SW	FLOYD AVE S	EAST END OFF OF FLOYD AVE S

Motorists should use caution, as this area will have lane closures and uneven pavement. Please be aware of the advanced warning signs in these areas. The weather may affect start times and dates. For further information, please contact paving@leegov.com.

Suncoast Neighborhood Sidewalk Repairs: Lee County DOT and their contractor, Pavement Maintenance Inc., will be repairing existing sidewalks in the specified neighborhood starting **Monday, March 11, 2024, through the end of April**. Work times will be from **8:00 AM to 5:00 PM**. Motorists should use caution, as this area will have sporadic lane and sidewalk closures. Please be aware of the signage in this area. The weather may affect start times and dates. For further information, please contact acancel@leegov.com.

Three Oaks Parkway from Alico Road to San Carlos Boulevard: Lee County DOT, along with Ajax Paving Industries of FL (contractor), will be milling and resurfacing Three Oaks Parkway from Alico Road to San Carlos Boulevard. Miscellaneous side streets, turn lanes, and turnouts will also be getting resurfaced. The project is tentatively scheduled to **start on April 7th**, weather permitting, **and should be completed by the end of May 2024**. There will be intermittent nightly lane closures with traffic pattern changes. Please pay attention to all signage and flaggers. Please note the work hours will be from **7:00 PM to 6:00 AM, Monday through Friday**. Stay alert and please no texting in the work zone! For more information, please call Ajax Paving at 239-936-9444.

Ben Hill Griffin Parkway Force Main Improvements - Fort Myers (ROW2023-01519): Accurate Drilling Systems, LLC. will be performing installation of 18" force main by Horizontal Directional Drill method, **beginning on Thursday, April 4th, 2024, and continuing through June 28th, 2024.** The outside (right) lane of northbound traffic on Ben Hill Griffin Parkway, between Garofalo Way and Corkscrew Road, will be subject to lane closures. The closures will be in sections as we advance with the drilling activities. The closure of the northbound right lane will occur between the hours of 9:00 AM to 3:30 PM on weekdays. For further information, please contact Ismael Irigoyen at (863) 517-2838 or ismael@accuratedrilling.com. Bob's Barricades will provide maintenance of traffic services (239) 656-1183.

Magnolia Pointe Court and College Parkway; and South Pointe Boulevard from College Parkway to Camelot Drive (WR# 12500310) (ROW2023-01218): ULCS will be installing new OH power poles along Magnolia Pointe Court and College Parkway, as well as South Pointe Boulevard from College Parkway to Camelot Drive starting **April 10, 2024, and continuing through to April 24, 2024, from 9:00 AM to 3:30 PM.** Magnolia Point Court and College Parkway, as well as South Pointe Boulevard from College Parkway to Camelot Drive will be subjected to temporary lane closure to accommodate the work needed. For any additional questions, please contact Chad Summeralls at (863) 826-8192 or at CSUMMERALLS@utilservllc.com. MOT will be provided by Scotts Safety. Any questions regarding MOT please contact Jason King (239) 898-2052.

Winkler Road Sidewalk Improvements - The following information was provided by V&H Construction, Inc.:

1. Sidewalk Removal and Installation

- **Winkler Road Sidewalk Improvements:** The Project Consists of sidewalk improvements along Winkler Road within Lee County, Florida. Starting north of Southwind Bay Circle, extending to Summerlin Road and Winkler Intersection Work shall include, but not be limited to, removing portions of existing sidewalk, realignment, new concrete, sidewalk installation with ADA upgrades, culvert installations, fill dirt, grading, final dress and sod.

Phase I Construction will begin on April 15, 2024. 184 LF south of Woodgate Drive on Winkler Road marks starting point of this phase.

This Project will be separated into two phases extending the length of Winkler road - Starting north of Southwind Bay Circle, extending to Summerlin Road and Winkler Intersection.

- Motorists and Pedestrians should expect Maintenance of Traffic Operations, as crews set up MOT and start construction progression.
- Motorists should expect isolated flagging operations with periodic lane closures as the contractor coordinates removal of existing Sidewalk, as well as, during various construction operations.
- Surveyors will be on site, the stretch of the project to obtain necessary imagery. Motorists are urged to use caution while surveyors work near the roadway.
- Motorists should expect construction vehicles entering and leaving the roadway.

MOTORISTS ARE REMINDED TO OBEY THE POSTED SPEED LIMIT. FOR EVERYONE'S SAFETY, PLEASE STAY OUT OF THE ACTIVE WORK ZONE.

Drivers, pedestrians, and bicyclists are urged to use extra caution when traveling through the work zone. Please be aware of shifts in travel lanes and bike lanes, sidewalk detours, miscellaneous turn lane closures, and uneven pavement throughout the project.

Please use caution and drive with courtesy and patience throughout the project area. Residents are entering and exiting communities on both sides of Winkler Road.

For additional information, please contact Lou Serao at LSerao@leegov.com or (239) 79-6042.

Whiskey Creek, Pernod Drove neighborhood Storm Drain Repairs: Lee County DOT and their contractor, HK-Solutions Group, will be repairing storm drains in the specified neighborhood starting **Monday, April 8, 2024, through the end of April**. Work times will be from **8:00 AM to 5:00 PM**. Residents should use caution in the work areas. Please be aware of the signage in this area. The weather may affect start times and dates. For further information, please contact RTillman@leegov.com.

Kelly Road: Lee County Department of Transportation will be cleaning ditches between San Carlos and Pine Ridge Road. We will have flaggers on site to help assist traffic to get around the work zone. The date for this project will be **April 16, 2024, to April 26, 2024**. Work will start around **9:00 AM and conclude by 4:00 PM**. Any question or concerns with this project, please contact Jason Hinman at (239) 533-9400 (Tuesday through Friday from 7:00am till 5:30pm).

Gunnery Road, Lehigh Acres (ROW2023-00814): Gunnery Road will have an intermittent northbound lane closure with flagging on Gunnery Road from Centennial Boulevard to Sunset Road. Also, an intermittent eastbound lane closure with flagging on Park Road from Sunset Road to Venice Avenue. All of this will take place from on **April 10, 2024, through May 31, 2024 from 9:00 AM – 3:30 PM**. All work being performed is for maintenance purposes for FPL. For further information, please contact Cole Bryan at (863) 268-3941 or jbryan@irbyconstruction.com. Irby Construction Company will also provide maintenance of traffic services.

Boca Grande S SC003 - Boca Grande (ROW2023-00835): Comfort Technology, Inc. will be installing a Verizon utility pole in the right of way beginning **Wednesday, April 24, 2024, and continuing through the end of day**. The southbound lane on Gulf Boulevard will be shut down from **9:00 AM - 3:30 PM**. For further information, please contact Kyle Kalwary at (813) 433-3659 or kyle@pullengc.com. Pullen Construction will provide maintenance of traffic services (813) 374-2225.

Gladiolus Drive (ROW2024-00232): Gladiolus Drive – 1 work location (P.053859 - Cable Pull/Splice within manhole): Lumen Technologies will be performing a cable pull/splice operation beginning on **Monday, April 22nd, 2024, for 1-2 nights**. The repairs will require to close the following: (1) the center through lane of eastbound traffic on Gladiolus Drive in the east side of the intersection of Bass Road (2) Closure of southbound and left turn lane of Bass Road north of Gladiolus Drive (3) northbound through lane of Bass Road on the south side of Gladiolus Drive. We plan to utilize FDOT Indexes 102-615 and 102-613 to complete this work. This short term, intermittent lane closure will occur at night **between the hours of 7:00 PM and 6:00 AM**. For further information, please contact Steve Mann, Project Manager for Lumen Technologies at 407-861-3533 or at stephen.l.mann@lumen.com. Scott Safety LLC will provide maintenance of traffic services (239) 340-8695.

Plantation Road: Lee County Department of Transportation will be doing sidewalk replacement on Plantation Road between Plantation Preserve Circle and Penzance Boulevard. We will have MOT set up for the duration of this project. The road will be shut down periodically during the day, from **9:00 AM until 4:00 PM**. The dates for this project will be **April 15th through April 19th, 2024**. If you have any questions or concerns with this project, please contact JD Geisler at 239-533-9400.

Palmona Park Sidewalk Repairs: Lee County DOT and their contractor, Pavement Maintenance Inc., will be repairing existing sidewalks in the specified neighborhood starting **Monday, April 22, 2024, through the end of May**. Work times will be from **8:00 AM to 5:00 PM**. Motorists should use caution, as this area will have sporadic lane and sidewalk closures. Please be aware of the signage in this area. The weather may affect start times and dates. For further information, please contact acancel@leegov.com.

Midpoint Bridge over the Caloosahatchee: Tierra Engineering will be conducting maintenance work on both the eastbound and westbound lanes of the Midpoint Bridge. The work is scheduled **for Monday, April 29, 2024, through Friday, May 3, 2024, and Monday, May 6, 2024, through Friday, May 10, 2024 from 9:00 PM to 5:30 AM**. Lane closures will be required one lane at a time. For more information, please get in touch with Tyler Jean at (813) 989-1354 or email tjean@tierraeng.com.

5220 Lee Boulevard WR 11362259 (ROW2022-01150): Ferreira Construction will be doing an underground riser transfer at loc 176 for FPL in front of 5220 Lee Boulevard from **May 6, 2024 through May 10, 2024, from 9:00 AM to 12:00 PM**. In order to complete the work, we will need to close the turning lane for approximately three (3) hours. We will have Scotts Safety for the onsite MOT (239) 898-2052. If you have any questions, please contact Bobby Skinner at (772) 321-9128 or BSkinner@ferreiraconstruction.com.
