ROADWATCH UPDATE
August 7, 2025 to August 13, 2025

1. Road Work/Maintenance/Improvement

Corkscrew Road Widening Project – Phase 2 Construction Project: The project constructs four, 11-foot-wide travel lanes from Bella Terra Boulevard to just east of Alico Road, and a new traffic signal at the Alico Road intersection. Also included are on-road bike lanes in each direction, a 10-foot-wide shared-use path on the south side of the road, a 6-foot sidewalk on the north side of the road, and street lighting. The 22-foot wide (varies) median includes various hardwood and palm trees as well as shrubs.

**Drivers, pedestrians, and bicyclists are urged to use extra caution
when traveling through the work zone.**

- Motorists should expect lane closures during the nighttime/overnight hours of 8 p.m. to 5 a.m. for crews to work on storm sewer and force main crossings. Flaggers will be onsite to assist motorists.
- Motorists should drive with caution as crews are performing earthwork in the shoulders near the intersection of Corkscrew Road and Alico Road.
- Crews will be installing drainage throughout the project area on the south side of Corkscrew Road. Motorists should expect trucks and equipment to be moving materials throughout the project.
- Motorists should expect intermittent daytime flagging for crews to perform earthwork close to the roadway. The contractor is placing embankment for the new road on both the north and south sides of Corkscrew Road. Please be aware that trucks may be entering and leaving the roadway.

- A new traffic signal has been installed at the intersection of Corkscrew Road and Alico Road which became fully operational on Thursday, April 17. Motorists are urged to drive with caution.
- Crews will be installing utility conduits and light pole bases on the south side of Corkscrew Road from Wayside Lane to Alico Road.
- Crews will be performing earthwork and transporting dirt as part of the pond construction east of Corkscrew Shores. Motorists should expect heavy truck traffic entering and leaving Corkscrew Road in that area.
- Sidewalks are closed in areas throughout the project as the contractor performs underground work.

The work activities above are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule.

Please use caution and watch for workers and construction vehicles entering and leaving the roadway. **Estimated completion is spring 2026.** Project cost is approximately \$27 M. The contractor is Bergeron Land Development, Inc. For further questions, please visit the project website at <https://corkscrewroadwidening.com> or contact Jennifer Dorning by email at Jennifer.Dorning@atkinsrealis.com or by phone at (239) 338-7723.

Village of Estero Corkscrew Road Shared Use Path Project: This Village of Estero project constructs a 10-foot-wide asphalt pathway on the north side of Corkscrew Road from Ben Hill Griffin Parkway to Palermo Lake Court (eastern entrance of Grandezza), and 6-foot wide concrete sidewalk from east of Palermo Lake Court that connects to the sidewalk that runs to Midnight Blue Court (Wild Blue Vista) built by Lee County's previous widening project. The 10-foot-wide asphalt pathway will also be constructed on the south side of Corkscrew Road from Ben Hill Griffin Parkway to Bella Terra Boulevard. Roadway and pathway lighting similar to those on Estero Parkway will be installed to complement the new facilities, along with a substantial amount of landscaping and irrigation which will add to the beautification of the Corkscrew Road corridor.

**Drivers, pedestrians, and bicyclists are urged to use extra caution
when traveling through the work zone.**

- Motorists should expect daytime lane closures from 9 a.m. to 3:30 p.m. (westbound) and 8 a.m. – 3:30 p.m. (eastbound) for crews to install irrigation in the median and continue lighting installation.
- On the north side of Corkscrew Road from Wild Blue to the west crews are scheduled to construct sidewalk.

- On the north side of Corkscrew Road between Palermo Lake Court and Wild Blue Boulevard crews are scheduled to continue earthwork in preparation for the concrete sidewalk.

The work activities above are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule.

Please use caution and watch for workers and construction vehicles entering and leaving the roadway. Estimated completion is Fall 2026. Project cost is approximately \$23 million, including \$4.6 million for landscaping and irrigation and \$4 million for lighting. For further questions, please contact Jennifer Dorning by email at Jennifer.Dorning@atkinsrealis.com or by phone at (239) 338-7723.

Sanibel Causeway Emergency Restoration: The 35 MPH speed limit has been restored west of the toll plaza. Reduced speed limits remain enforced east of the toll plaza. Pedestrians are not permitted on the Sanibel Causeway.

The following work activities are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule.

- **The Punta Rassa Boat Ramp remains closed to the public.** The contractor continues work to restore the staging area at Punta Rassa in preparation for handing the area back over to Lee County later this summer.
- The contractor is installing signage and lighting east of the toll plaza.
- *Work by others: Motorists are advised that when traveling on island, Bay 3 remains closed for Lee County to continue work on toll equipment.*
- *Work by others: Sanibel-Captiva Conservation Foundation continues to monitor Least Tern nesting on the Causeway and continues work on the north side of McGregor Boulevard for mangrove restoration. For more information visit: www.sccf.org.*

All users are urged to be courteous and pay attention as bicyclists share the road on the Causeway and vehicles are entering and exiting at public beach access points of the Causeway Islands Park. Visitors may check www.leegov.com/parks for updated park and Punta Rassa boat ramp information. For further questions regarding FDOT's Sanibel Causeway Roadway Restoration, please contact Jennifer Dorning by email at Jennifer.Dorning@dot.state.fl.us or by phone at (239) 338-7723. Please visit www.swflroads.com/SanibelCauseway for additional roadway restoration information.

Big Carlos Pass Bridge Project – Construction Project: The project builds a new bridge over Big Carlos Pass, from Estrellita Drive on Fort Myers Beach to the Lovers Key State Park bayside entrance on Lovers Key. The new bridge will replace the existing moveable bridge over Big Carlos Pass with a fixed span bridge that will provide a vertical navigation clearance of 60 feet. The new bridge will be constructed on the Gulf side of the existing bridge, and will include one travel lane in each direction, bicycle lanes, a six-foot-wide sidewalk along the north side of Estero Boulevard, and a 10-foot-wide shared use path along the south side of Estero Boulevard. A parking area with access to the Lovers Key State Park will be included on the southeast side of the bridge. The project also includes relocation of existing infrastructure for Lee County Utilities and Bonita Springs Utilities.

Boaters are reminded to avoid the construction equipment and the temporary trestle that is in the water.

Please use the channel when traveling through Big Carlos Pass.

To contact the bridge tender, please call: 239-955-3973.

FISHING IS NOT PERMITTED FROM THE BIG CARLOS PASS BRIDGE

*Oversize loads be aware that vertical clearance on
Estero Boulevard is limited to 16 feet.*

- **On Tuesday, August 19 during the nighttime/overnight hours of 8 p.m. to 6 a.m., Big Carlos Pass Bridge will close intermittently to vehicles to allow crews to set bridge beams, connecting the new bridge to Estero Island. The contractor expects multiple closures during this time, lasting approximately 30 minutes each.** Motorists should anticipate delays and are encouraged to seek alternative routes and avoid the area when possible. If required due to weather, the closure will be rescheduled to 8 p.m. to 6 a.m. on Wednesday, August 20.
- Boaters should expect brief stoppages in the channel as crews are painting bridge piers. The channel will remain open, but please anticipate delays when traveling through the channel.
- The east entrance of Islands End is closed for crews to work on the roadway. Access will be maintained for the west entrance.
- Motorists should continue to expect intermittent daytime lane closures with flagging for crews to perform overhead bridge work.
- The contractor is scheduled to continue setting bridge deck for the new bridge.
- Suppliers are delivering concrete to the project during times that are favorable for successful pours and within permit requirements.
- Pedestrians should follow signs to use the sidewalk on the north side of the bridge.
- Crews will continue performing earthwork and drainage work throughout the project.
- Trolley stops are available at the south entrance to Black Island (Lovers Key Resort) for those traveling to Fort Myers Beach and across the street from Black Island (Lovers Key Resort) for those traveling to Lovers Key and Bonita Springs. Travelers are asked to wait behind the concrete barrier until ready to board the trolley.

TRESPASSING INTO THE CONSTRUCTION SITE IS DANGEROUS AND ILLEGAL. THIS INCLUDES THE BEACH AREA UNDER THE BRIDGE.

Pedestrians and boaters are reminded to please stay out of the work zone.

Drivers, pedestrians, and bicyclists are urged to use extra caution when traveling through the work zone as workers and construction vehicles are entering and leaving the roadway. Motorists should expect reduced speeds throughout the project area. Draw bridge will remain in operation during construction and motorists should be prepared to stop. **Fishing from the Big Carlos Pass Bridge is restricted due to construction activities.**

Estimated completion is summer 2026. Project cost is approximately \$90.8 M. The contractor is Superior Construction. For further questions, please visit the project website at <https://bigcarlosbridgeproject.com/> or contact Jennifer Dorning by email at Jennifer.Dorning@atkinsrealis.com or by phone at (239) 338-7723.

Littleton Road Widening Project from Corbett Road to US 41: The project widens Littleton Road from the Corbett Road roundabout east to US 41. The new road segment will include an 11-foot-wide travel lane in each direction and a 12-foot-wide center turn lane with landscaped planting islands. The project began in January 2024 with estimated completion in fall 2025. Project cost is approximately \$20 million. The contractor is Wright Construction Group, Inc.

- Motorists are advised that on Monday, August 11, eastbound traffic will shift to the newly paved road on the south side of Littleton Road from the roundabout to just west of Horizon Boulevard. From West of Horizon Boulevard to US 41, both eastbound and westbound traffic will remain on the north side of the corridor. Please use extra caution and pay attention to all signs and pavement markings.
- After traffic has shifted on August 11, motorists entering Littleton Road from the south, between the roundabout and Horizon Boulevard, should **pay close attention to the new stop locations** before proceeding into the live lanes.
- Starting on Monday, August 11, motorists are advised that traffic may be heavy on weekdays from 8 to 9:30 a.m. and from 2:30 to 4 p.m. due to Littleton Elementary School traffic. Expect delays. Please choose an alternative route if possible.
- Motorists should anticipate lane closures from 9 a.m. to 3 p.m. for crews to work on roadway construction.
- Crews are currently working on roadway construction and pouring sidewalk. Crews may be working close to the roadway. Motorists are asked to drive with caution.

- Intermittent impacts to the Six Lakes and Serendipity driveways are possible as crews work on the new roadway. Please use extra caution while workers are present and pay attention to signage and flaggers.
- Two eastbound LeeTran bus stops on Littleton Road near Horizon Boulevard and Serendipity Boulevard are temporarily out of service. The bus stop on the corner of Littleton Road and US-41/North Cleveland Avenue near 7-Eleven is still in service.

The work activities above are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule.

MOTORISTS ARE ADVISED THAT LITTLETON ROAD IS AN ACTIVE CONSTRUCTION ZONE. THE SPEED LIMIT IS 30 MPH THROUGHOUT THE WORK ZONE. SPEEDING FINES ARE DOUBLED WHEN WORKERS ARE PRESENT.

Drivers should also be aware of construction vehicles entering and leaving the roadway. For further questions, please visit www.LittletonRoadWidening.com or contact Michaela Zawodny by email at Michaela.Zawodny@atkinsrealis.com or by phone at 239-410-8174.

Ortiz Avenue Widening from SR 884 (Colonial Boulevard) to SR 82 (Martin Luther King, Jr. Boulevard): This project consists of widening of Ortiz Avenue from 2 lanes to 4 lanes and constructs a six-foot sidewalk on the east side of the road and a 10-foot paved trail on the west side of the road. An on-road bike lane on both sides of the road will also be included. New street lighting will be installed, and a grass median will separate traffic. No improvements will be made at the roundabout intersection with Hanson Street. The contractor will reconstruct the roadway with drainage improvements and stormwater management facilities. Work also includes installation of new water main and installation of new reclaimed water and sewer facilities for Lee County and the City of Fort Myers.

Drivers, pedestrians, and bicyclists are urged to use extra caution when traveling through the work zone.

- Crews are working on the new sidewalk on the east side of Ortiz Avenue. Pedestrians are advised that the new sidewalk is in an active construction zone and will remain closed until work has been completed.
- LeeTran has installed a new temporary northbound bus stop just south of the Lee County Jail driveway. The northbound stops just north of the Lee County Jail driveway and near RaceTrac are temporarily out of service.
- Crews will continue earthwork activities.
- The contractor is scheduled to survey the project during daytime hours.

- Crews will be installing drainage, force main and water main north and south of the roundabout.
- The contractor is identifying existing utility locations throughout the project.

The work activities above are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule.

Motorists are asked to drive with caution and watch for workers and construction vehicles entering and leaving the work zone. **Estimated completion is Fall 2026.** Project cost is approximately \$31 M. The contractor is OHLA USA. For further questions, please visit www.ortizavewidening.com or contact Jennifer Dorning by email at Jennifer.Dorning@atkinsrealis.com or by phone at (239) 338-7723.

Three Oaks Parkway Extension Project Phase 1 from Fiddlesticks Canal to Indian Paint Lane: This project consists of extending Three Oaks Parkway north of the Fiddlesticks Canal and constructs 4 lanes with a 5-foot-wide bicycle lane. In Phase 1, there is an 8-foot-wide sidewalk on the west side of the roadway and a 6-foot-wide sidewalk on the east side of the roadway.

Motorists are asked to drive with caution and watch for workers and construction vehicles entering and leaving the work zone. **Estimated completion is late 2025.** Project cost is approximately \$26.8 M. The contractor is Wright Construction Group. For further questions, please visit www.ThreeOaksExtension.com or contact Kris Cella by email at Kcella@cella.cc or by phone at (239) 337-1071.

Three Oaks Parkway Extension Project Phase 2 from Indian Paint Lane to and including Daniels Parkway: This project consists of extending Three Oaks Parkway north in the vicinity of Indian Paint Lane to Daniels Parkway and constructs 4 lanes with a 5-foot-wide bicycle lane. Phase 2 includes 6-foot-wide sidewalks on both sides of the roadway. The project also includes the widening of Daniels Parkway to eight lanes from Danport Avenue to west of Powers Court.

- The contractor will be clearing the new roadway extension in the vicinity of Indian Paint Lane and adjacent to Fiddlesticks Boulevard.
- Expect intermittent lane closures of the outside eastbound lanes nighttime/overnight from 9:00 PM to 5:00 AM.

Motorists are asked to drive with caution and watch for workers and construction vehicles entering and leaving the work zone. **Estimated completion is mid-2028.** Project cost is approximately \$39.7 M. The contractor is ECH Construction. For further questions, please visit www.ThreeOaksExtension.com or contact Kris Cella by email at Kcella@cella.cc or by phone at (239) 337-1071.

Buckingham Road and Gunnery Road Roundabout Project Phase 2: Currently working in the second phase, Buckingham Road will be closed from Gunnery Road to Sunset Road beginning June 16, 2025, and is anticipated to be completed Fall 2025.

**Drivers, pedestrians, and bicyclists are urged to use extra caution
when traveling through the work zone.**

- **Motorists should expect intermittent flagging operations at the intersection of Homestead Road and Buckingham Road.**
- Southbound Buckingham Road traffic is redirected via a detour to Gunnery Road then turn right at Sunset Road then left back onto Buckingham Road to continue south.
- Northbound Buckingham Road traffic is redirected via a detour to turn right onto Sunset Road, then left onto Gunnery Road to continue north onto Buckingham Road north.
- Additionally, temporary traffic signals have been installed at both the intersections of Buckingham Road and Sunset Road, as well as Gunnery Road and Sunset Road.
- Sidewalks will remain closed during this phase. Second Phase is anticipated to be completed Fall 2025.
- Crews will be relocating utilities along the East side of Gunnery Road.
- Crews are actively working on roadway construction along Buckingham Rd.
- As part of the construction activities for this project, sidewalk closures will be necessary. Pedestrians are encouraged to anticipate detours and make appropriate arrangements to ensure safe and efficient travel through the project site.

The work activities above are scheduled to occur; however, unforeseen underground conditions and weather may affect this schedule.

Expect large construction vehicles in the area and watch for contractors in the field. The contractors will use Variable Message Boards (VMB) to notify the public about any traffic pattern changes during construction. The contractor is V & H Construction, Inc. The project is expected to be completed in one year. **Work is estimated to be complete spring of 2026.** Work is expected to occur **Monday through Friday from 7:00 AM to 5:30 PM;** however, some night and weekend work may be necessary. If you would like to receive updates or have questions about the project, please visit the website www.BuckinghamGunneryRoundabout.com or contact: Mallory Briggs, CMA Outreach Inc., public outreach consultant at 239-337-1071 or email: info@BuckinghamGunneryRoundabout.com.

Please note changes to the road watch are shown above in Orange.

Striping Maintenance: Lee County DOT Traffic will be performing a moving operation with traffic delays on **August 7, 2025, to August 13, 2025**, between the hours of **9:00 AM to 4:00 PM** (weather permitting) on the following roadways:

Alico Road	Cypress Point Road
Quaker Lane	Pebble Beach Road
Sea Island Road	Phlox Drive
Cypress Point Road	Winged Foot Drive
Pebble Beach Road	Lee Road
Pine Island Road (<i>Burnt Store Road – Matlacha</i>)	Sanibel Boulevard (<i>San Carlos Park</i>)
Stringfellow Road/Oleander Street (<i>York Road – First Avenue</i>)	San Carlos Boulevard (<i>San Carlos Park</i>)

Intersection markings maintenance: Intermittent Lane closures and delays are possible **August 7, 2025, to August 13, 2025**, between the hours of **9:00 AM to 4:00 PM** (weather permitting) on the following roadways:

Treeline Avenue	Page Park area
Del Prado Boulevard	Villas area

Night work scheduled for Thursday, August 7, 2025: LCDOT Traffic will be refreshing the pavement markings on the following roads between the hours of **8:00 PM to 4:00 AM** (weather permitting). Delays are expected and motorists are advised to use caution while traveling through the area as workers will be present on the roadway:

- Sunshine Boulevard N @ 12th Street W
- Sunshine Boulevard N @ 25th Street W

For additional information, please contact Randy Hart at DOTMarkings@leegov.com.

Lee County will be dredging the **Whiskey Creek channel entrance between Whiskey Creek Drive and Robalo Drive** and anticipates increased construction traffic on McGregor Boulevard as a result. We expect to start the material removal on **June 4, 2025, with a completion date of September 25, 2025**. We do not anticipate any lane closures. We would ask drivers to use caution while crossing the Whiskey Creek bridge on McGregor Boulevard, watching for dump trucks exiting and entering Old Whiskey Creek Drive. For additional information, please contact Josh Malo at jmalo@leegov.com or (239) 533-2308.

Daniels Parkway (B240431SSL) between the 10-Mile Canal and US 41: Electrical work for new pedestrian signal crosswalks and new traffic loops will continue within the ROW along Daniels Parkway. Expect daily work from 7:00 AM to 4:00 PM. **Starting Sunday night from 7:00 PM to 5:00 AM on July 27, 2025 and continuing through August 7, 2025,** expect nighttime lane closures for the milling and resurfacing of Daniel's Parkway. This work will have multiple lanes closed and heavy equipment in the roadway. The weather may affect start times and dates. Motorists should use caution and follow the restrictions while in the work zones. Please be aware of the advanced warning signs in these areas. For further information, please contact paving@leegov.com.

Colonial Boulevard from Summerlin Road to McGregor Boulevard: Beginning May 12, 2025, and continuing through Winter of 2025, road construction and traffic signal improvements are continuing along Colonial Boulevard from Summerlin Road to McGregor Boulevard. Construction crews will be replacing the sidewalks in the areas, and detours will be in place. Expect nighttime lane closures starting **July 7, 2025 through August 15, 2025,** with lighted work zones between the hours of 7:00 PM to 5:00 AM. The weather may affect start times and dates. Please be aware of the advanced warning signs in these areas. Use caution when driving through this area. For further information, please contact paving@leegov.com.

Westlinks Drive at Commerce Lakes Drive, Commerce Lakes Drive at Gateway Boulevard, Westlinks Drive N at Daniels Parkway, Gateway Greens Drive, Devonshire Lakes Drive, Fairway Lakes Drive, Girl Scout Lane - Fort Myers (ROW 2024-00255): L & S Enterprises, contracted through FPL, will be performing the rest of the electrical work on the existing poles as well as installing new poles **beginning May 27, 2025, and continuing through August 8, 2025.** New poles installation, removal of old poles, resetting poles, and energize circuits for poles will be performed. Periodic lane closures on Gateway Boulevard, shoulder work/ flagging and sidewalk closures on Westlinks Drive just south of Commerce Lakes Drive, and shoulder work/flagging on Commonwealth Drive across from the elementary school will take place. Periodic lane closures/ flagging, shoulder closures and/or shoulder closures will occur from **7:00 AM to 6:00 PM.** AWP will be conducting the traffic control services. Please contact Tamera Dolan at (239) 469-2725 with any questions or concerns. The contractor from L & S Enterprises will be conducting the work. If you have any questions, please contact Jake Marshall with L & S Enterprises at (315) 264-2006.

Estero Boulevard from Crescent Street to Big Carlos Pass: Lee County is installing street lighting by all the crosswalks, replacing sidewalk that are damaged, and installing conduit systems to power the street lights at various locations. Motorists should expect intermittent sidewalk closures and lane closures (Flagging Operation). Work will be during the day from 7:00 AM to 8 PM for crews to install light bases and conduit / pull boxes.

Drivers, pedestrians, and bicyclists are urged to use extra caution when traveling through the work zone. Pedestrians should expect intermittent sidewalk closures and should follow detour signs.

Crews will be working in the following areas over the next several weeks:

- **Estero Boulevard from Estrellita Drive to Buccaneer Drive**

The work activities above are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule.

Please use caution and watch for crews and construction vehicles entering and leaving the roadway. Estimated completion is end of 2025. Project cost is approximately \$3.1 million. For further questions, please contact Brianna Smith by email at bsmith@cella.cc or by phone at (239) 337-1071.

Alico Road (Between Cemex Entrance & Wildblue Boulevard) – Fort Myers (ROW2024-01823- - LDO2024-00584-A01): Pike Gas Services, will be performing a gas main installation for TECO Peoples Gas beginning **Thursday, June 26, 2025**. Pike will be performing the work along the north shoulder of Alico Road. The outside (right) lane of westbound traffic on Alico Rd. beginning at the east side of the Cemex entrance ending east of Wildblue Boulevard along north shoulder of Alico Road will be subject to intermittent lane closures, as well as the right turn lane on Alico Road going southbound into Wildblue Boulevard, and the right lane northbound portion of Wildblue Boulevard turning east onto Alico Road. Periodic lane closures for the westbound lane will occur between the hours of **9:00 AM and 3:30 PM** on weekdays. For further information, please contact Nick Foster at (239) 898-9230, James M. Briscoe at (239) 338-8534 or David Dutton at (800) 424-Pike & djdutton@pike.com & Zac Brown at zbrown@pike.com.

Plato Canal Crossing MH Improvements – Cape Coral (ROW2025-00862): Quality Enterprises USA, Inc. will be performing Roadway and Force main utilities improvements.

- **Phase 1 (June 15, 2025 – August 18, 2025)** - Manhole Doghouse Structure installation - northbound and southbound inside lanes of Del Prado Boulevard between SE 40th Street and SE 40th Terrace will remain closed from **7:00 PM to 6:00 AM**.
- **Phase 2 (June 30, 2025 - August 18, 2025)** - Utility Piping - QE request closing the inside northbound lane of Del Prado Boulevard from **7:00 AM to 3:00 PM** and the southbound lane from **3:00 PM to 5:00 PM**. This stage is limited to the Sewer line installation and Concrete median.

Due to safety concerns with the daytime vehicle traffic, both Northbound and Southbound inside travel lanes will be closed for the duration of the project. All other lanes will be open to traffic full-time. For further information regarding the project, please contact Byron Taylor at (239) 573-3039. For MOT maintenance purposes please contact QE USA, Inc. (239) 435-7200.

5019 Lee Boulevard – Lehigh (RES2025-02426): ONX Lehigh Acres LLC will be performing roadway and sidewalk improvements beginning **Monday, July 25, 2025, and continuing through October 10, 2025**. Asphalt pavement, concrete sidewalk, concrete curbing, and drainage improvements will be performed. The outside (right) lane of eastbound traffic on Lee Boulevard just after Main Street will be subject to lane closures, as will one of two left turn lanes from the westbound portion of Main Street turning south onto Lee Boulevard. Periodic lane closures for eastbound and westbound lanes will occur between the hours of **7:00 PM and 6:00 AM** on weekdays. For further information, please contact Arjun Kannan at (407) 520-9846 or arjun.kannan@ONXHomes.com. Traffic Control Products of Florida will provide maintenance of traffic services (239) 334-8888.

Alico Road starting at Cam Court – Fort Myers (ROW2024-01000): MAJ Contracting & Clary's Site Work, Inc. will be performing roadway and sidewalk improvements **beginning on July 8, 2025, and continue through September 8, 2025**. Water main & Force main relocation Asphalt pavement, concrete sidewalk, concrete curbing and drainage improvements will be performed. The outside (right) lane road shoulder of the eastbound traffic on Alico Road just after Cam Court will be subject to lane closures. This work will occur between the hours of **9:00 AM and 3:00 PM** on weekdays. For further information, please contact Mark Nottingham @ 239-997-4004 or mark@clarysitework.com ACME Barricades will provide maintenance of traffic services 239-479-5266.

6-Mile Cypress Parkway and Penzance Boulevard - Fort Myers (ROW2022-00910): Scott Commercial Contracting will be performing directional drilling on the north side of Penzance Boulevard beginning **July 7, 2025, and continuing through September 8, 2025.** The north side of Penzance Boulevard will be subject to lane closures between 6-Mile Cypress and Ranchette Road. Work hours will be between **9:00 AM and 4:00 PM on weekdays.** Scott Safety will be providing MOT. For further information, please contact Dustin Green at (239) 478-7763, or email at dustin@team-scott.com.

Summerlin Road - Between Bass Road and Pine Ridge Road (ROW2025-00391): Russ Berner Construction will be constructing a new right-turn lane on westbound Summerlin Road (between Bass Road and Pine Ridge Road). **Work is expected to begin on Monday, June 30, 2025, and be completed by Friday, August 29, 2025.** Working hours will be 8:00 AM to 4:00 PM (Monday through Friday). The work will require closing the shoulder along Summerlin Road within the project limits. Drivers should use extra caution in the area during referenced dates / hours. Contact Doug Padgett (Russ Berner Construction) at (239) 222-8964.

Imperial Parkway - Lee County Department of Transportation will be doing sidewalk repairs on Imperial Parkway in the north bound lanes. The project will start at Bull Shark Drive and go north approximately 2 miles to the north. We will have temporary lane closers on the inside lane throughout the project. The dates for this project will be **July 8, 2025, through August 8, 2025.** Work will **start around 9:00 AM and conclude by 4:00 PM.** If you have any questions or concerns about this project, please contact James Geisler at (239) 533-9400.

17450 Ben Hill Griffin Pkwy - Fort Myers (ROW2025 - 00185): Jones Covey Group and Team (American Asphalt, Stripe It Rite & American Infrastructure) will be performing signal upgrades and adding a lefthand turn lane at the intersection of Ben Hill Griffin Parkway and Gulf Center Drive beginning **Sunday, July, 13, 2025, and continuing through Monday, August 15, 2025 (all overnight work).** Traffic signal upgrades, asphalt mill & overlay and striping will be performed. The northbound gorge lane and (inside) left turn lane heading west to Gulf Center Drive (through the intersection) will be subject to lane closures, as will single drive lines heading north bound through the same intersection on Ben Hill Griffin Parkway. Periodic lane closures for northbound, southbound and westbound lanes closures will occur between the hours of **10:00 PM and 6:00 AM.** For further information, please contact Sean Campbell at (843) 222-7640 or sean.campbell@jfpetrogroup.com. For a secondary contact, please reach Robert Fiscalini (408) 763-1763 or Robert.fiscalini@jfpetrogroup.com. American Infrastructure and Strip-It-Right will be providing maintenance of traffic services for their scopes of work.

6-Mile Cypress Parkway between Heritage Palms Boulevard to Daniels Parkway - Fort Myers (ROW2025-01114): Blue Streak LLC. will be performing directional boring, handhole placement, fiber pulling, rodding and proofing, and aerial pole attachments from **July 23, 2025, through September 12, 2025**. The outside (right) lane of southbound traffic and any right turning lanes on 6-Mile Cypress will be subjected to lane closures starting at Heritage Palms Boulevard to Daniels Parkway in a periodic moving MOT. Sidewalk closures will be required with the lane closure in the moving MOT; such closures will be submitted appropriately through our vendor SOUTHEASTERN TRAFFIC SUPPLY. Working hours will be from **9:00 AM to 3:30 PM on weekdays**. For further information, please contact Nicholas Novo at (305) 915-9127 or nnovo@bluestreakllc.com.

Daniels Parkway, between 6-Mile Cypress and International Drive - Fort Myers (ROW2025-01114): Blue Streak LLC. will be performing directional boring, handhole placement, fiber pulling, rodding and proofing, soft digging (VAC Truck), and aerial pole attachments from **July 28, 2025, through September 12, 2025**. The outside (right) lane of westbound traffic and sidewalk on Daniels Parkway will be subjected to lane closures starting at 6-Mile Cypress to International Drive. The right turning lane on 6-Mile Cypress turning onto the westbound traffic to Daniels Parkway will be subjected to a lane closure. In addition to this closure, the eastbound outside (right) lane of traffic and side walk on Daniels Parkway will be subjected to lane closures starting at International Drive to 6-Mile Cypress. Sidewalk closures will be required with the lane closure in the moving MOT; such closures will be submitted appropriately through our vendor SOUTHEASTERN TRAFFIC SUPPLY. Working hours will be from **9:00 AM to 3:30 PM on weekdays**. For further information, please contact Nicholas Novo at (305) 915-9127 or nnovo@bluestreakllc.com.
