ROADWATCH UPDATE

October 16, 2025 to October 22, 2025

1. Road Work/Maintenance/Improvement

Corkscrew Road Widening Project – Phase 2 Construction Project: The project constructs four, 11-foot-wide travel lanes from Bella Terra Boulevard to just east of Alico Road, and a new traffic signal at the Alico Road intersection. Also included are on-road bike lanes in each direction, a 10-foot-wide shared-use path on the south side of the road, a 6-foot sidewalk on the north side of the road, and street lighting. The 22-foot wide (varies) median includes various hardwood and palm trees as well as shrubs.

**Drivers, pedestrians, and bicyclists are urged to use extra caution
when traveling through the work zone.**

- Crews will be installing curb on the south side of Corkscrew Road between Corkscrew Shores and Alico Road.
- Crews are installing sewer force main near Alico Road and at the west end of the project, as well as new water main east of Alico Road on the north side of Corkscrew Road.
- Motorists should drive with caution and expect intermittent daytime flagging as road crews are performing earthwork up to the shoulders of the road on Corkscrew Road and Alico Road, within the project limits. Please be aware that trucks may be entering and leaving the roadway.
- Crews will be installing drainage throughout the project area on the south side of Corkscrew Road. Motorists should expect trucks and equipment to be moving materials throughout the project.
- Crews will be installing utility conduits, light pole bases and light poles on the south side of Corkscrew Road from Wayside Lane to Alico Road.
- Sidewalks are closed in areas throughout the project as the contractor performs underground work.

The work activities above are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule.

Please use caution and watch for workers and construction vehicles entering and leaving the roadway. Due to additional work required by Lee County Utilities, as well as delays in utility relocations by FPL and Lumen, the project completion is expected end of 2026. Project cost is approximately \$27 M. The contractor is Bergeron Land Development, Inc. For further questions, please visit the project website at <https://corkscrewroadwidening.com> or contact Jennifer Dorning by email at Jennifer.Dorning@atkinsrealis.com or by phone at (239) 338-7723.

Village of Estero Corkscrew Road Shared Use Path Project: This Village of Estero project constructs a 10-foot-wide asphalt pathway on the north side of Corkscrew Road from Ben Hill Griffin Parkway to Palermo Lake Court (eastern entrance of Grandezza), and 6-foot wide concrete sidewalk from east of Palermo Lake Court that connects to the sidewalk that runs to Midnight Blue Court (Wild Blue Vista) built by Lee County's previous widening project. The 10-foot-wide asphalt pathway will also be constructed on the south side of Corkscrew Road from Ben Hill Griffin Parkway to Bella Terra Boulevard. Roadway and pathway lighting similar to those on Estero Parkway will be installed to complement the new facilities, along with a substantial amount of landscaping and irrigation which will add to the beautification of the Corkscrew Road corridor.

**Drivers, pedestrians, and bicyclists are urged to use extra caution
when traveling through the work zone.**

- Motorists should expect daytime lane closures on eastbound Corkscrew Road from Estero Crossing Boulevard (River Creek) to Cypress Shadows Boulevard (The Preserve at Corkscrew) for lighting installation.
- Crews are removing sidewalk on the south side of Corkscrew Road from Stoneybrook Golf Drive to the west. Pedestrians must use the sidewalk on the north side of the road.
- Crews are constructing the 10-foot pathway and installing irrigation on the south side of Corkscrew Road from Firehouse Lane to Wildcat Run.
- Motorists should expect daytime lane closures from 9:00 AM to 3:30 PM (both directions) for crews to install irrigation in the median and continue lighting installation.
- On the north side of Corkscrew Road from Wild Blue to the west crews are scheduled to install sod behind the newly constructed sidewalk.
- On the north side of Corkscrew Road between Palermo Lake Court and Wild Blue Boulevard crews continue earthwork in preparation for the concrete sidewalk.

- *WORK BY UTILITY COMPANIES: Various utilities are performing work that requires daytime lane closures within the project area.*

The work activities above are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule.

Please use caution and watch for workers and construction vehicles entering and leaving the roadway. Estimated completion is Fall 2026. Project cost is approximately \$23 million, including \$4.6 million for landscaping and irrigation and \$4 million for lighting. For further questions, please contact Jennifer Dorning by email at Jennifer.Dorning@atkinsrealis.com or by phone at (239) 338-7723.

Sanibel Causeway Emergency Restoration: *The following work activities are scheduled to occur; however unforeseen underground conditions and weather may affect this schedule.*

- The contractor continues installing signage and lighting east of the toll plaza. Motorists should expect periodic shoulder closures to perform this work.
- **The Punta Rassa Boat Ramp is now open to the public with limited amenities**, including the ramp, partial docks, parking and restrooms. Lighting installation and landscaping continues at the toll plaza. Crews must utilize the Punta Rassa parking area, reducing the number of boat parking spaces. Please use caution as construction vehicles and crews are present.

All users are urged to be courteous and pay attention as bicyclists share the road on the Causeway and vehicles are entering and existing at public beach access points of the Causeway Islands Park. Pedestrians are not permitted on the causeway. Visitors may check www.leegov.com/parks for updates on amenities.

For further questions regarding FDOT's Sanibel Causeway Roadway Restoration, please contact Jennifer Dorning by email at Jennifer.Dorning@dot.state.fl.us or by phone at (239) 338-7723. Please visit www.swflroads.com/SanibelCauseway for additional roadway restoration information.

Big Carlos Pass Bridge Project – Construction Project: The project builds a new bridge over Big Carlos Pass, from Estrellita Drive on Fort Myers Beach to the Lovers Key State Park bayside entrance on Lovers Key. The new bridge will replace the existing moveable bridge over Big Carlos Pass with a fixed span bridge that will provide a vertical navigation clearance of 60 feet. The new bridge will be constructed

on the Gulf side of the existing bridge, and will include one travel lane in each direction, bicycle lanes, a six-foot-wide sidewalk along the north side of Estero Boulevard, and a 10-foot-wide shared use path along the south side of Estero Boulevard. A parking area with access to the Lovers Key State Park will be included on the southeast side of the bridge. The project also includes relocation of existing infrastructure for Lee County Utilities and Bonita Springs Utilities.

Boaters are reminded to avoid the construction equipment and the temporary trestle that is in the water.

Please use the channel when traveling through Big Carlos Pass.

To contact the bridge tender, please call: 239-955-3973.

FISHING IS NOT PERMITTED FROM THE BIG CARLOS PASS BRIDGE

***Oversize loads be aware that vertical clearance on
Estero Boulevard is limited to 16 feet.***

- During the nighttime/overnight hours of 8:00 PM to 6:00 AM on Thursday, October 23 , 2025 through Saturday morning, October 25, 2025, motorists should expect intermittent flagging for paving the new bridge.
- Islands End Access:
 - West driveway - During the nighttime/overnight hours of 8:00 PM on Friday, October 23, 2025 to 6:00 AM on Saturday, October 25, 2025, crews will be reconstructing the west driveway of Islands End. Flaggers will be onsite and access will be maintained.
 - East driveway - Crews continue construction on the Fort Myers Beach side of the new bridge. Due to this work, the east entrance of Islands End is closed for crews to work on the roadway. Residents/guests must use the west driveway.
- Motorists should continue to expect intermittent daytime lane closures with flagging for crews to perform utility and bridge work.
- The contractor is removing the temporary trestle from the water.
- The contractor is performing concrete work throughout the job including installing curb, pedestrian railing, and sidewalk. Delivery is occurring during times that are favorable for successful pours and within permit requirements.
- Pedestrians should follow signs to use the sidewalk on the north side of the bridge. Crews will continue performing earthwork and drainage work throughout the project.
- Trolley stops are available at the south entrance to Black Island (Lovers Key Resort) for those traveling to Fort Myers Beach and across the street from Black Island (Lovers Key Resort) for those traveling to Lovers Key and Bonita Springs. Travelers are asked to wait behind the concrete barrier until ready to board the trolley.

TRESPASSING INTO THE CONSTRUCTION SITE IS DANGEROUS AND ILLEGAL. THIS INCLUDES THE BEACH AREA UNDER THE BRIDGE.

Pedestrians and boaters are reminded to please stay out of the work zone.

Drivers, pedestrians, and bicyclists are urged to use extra caution when traveling through the work zone as workers and construction vehicles are entering and leaving the roadway. Motorists should expect reduced speeds throughout the project area. Draw bridge will remain in operation during construction and motorists should be prepared to stop. **Fishing from the Big Carlos Pass Bridge is restricted due to construction activities.**

Estimated completion is summer 2026. Project cost is approximately \$90.8 M. The contractor is Superior Construction. For further questions, please visit the project website at <https://bigcarlosbridgeproject.com/> or contact Jennifer Dorning by email at Jennifer.Dorning@atkinsrealis.com or by phone at (239) 338-7723.

Littleton Road Widening Project from Corbett Road to US 41: The project widens Littleton Road from the Corbett Road roundabout east to US 41. The new road segment will include an 11-foot-wide travel lane in each direction and a 12-foot-wide center turn lane with landscaped planting islands. The project began in January 2024 with estimated completion in fall 2025. Project cost is approximately \$20 million. The contractor is Wright Construction Group, Inc.

- During the week of Monday, October 13, 2025, motorists should anticipate lane closures from 9:00 AM to 4:00 PM for crews to work on various roadway construction activities.
- Motorists entering and exiting communities and businesses on Littleton Road should expect brief driveway impacts as crews pave the road. Please pay attention to signs and flaggers and expect delays.
- Crews are currently working on roadway cleanup, paver installation and landscaping. Crews may be working close to the roadway. Motorists are asked to drive with caution.
- Motorists are advised that traffic may be heavy on weekdays from 8:00 AM to 9:30 AM and from 2:30 PM to 4:00 PM due to Littleton Elementary School traffic. Expect delays. Please choose an alternative route if possible. **Do not pass illegally or drive into oncoming traffic under any circumstances.**
- Two eastbound LeeTran bus stops on Littleton Road near Horizon Boulevard and Serendipity Boulevard are temporarily out of service. The bus stop on the corner of Littleton Road and US-41/North Cleveland Avenue near 7-Eleven is still in service.

The work activities above are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule.

MOTORISTS ARE ADVISED THAT LITTLETON ROAD IS AN ACTIVE CONSTRUCTION ZONE. THE SPEED LIMIT IS 30 MPH THROUGHOUT THE WORK ZONE. SPEEDING FINES ARE DOUBLED WHEN WORKERS ARE PRESENT.

Drivers should also be aware of construction vehicles entering and leaving the roadway. For further questions, please visit www.LittletonRoadWidening.com or contact Michaela Zawodny by email at Michaela.Zawodny@atkinsrealis.com or by phone at 239-410-8174.

Ortiz Avenue Widening from SR 884 (Colonial Boulevard) to SR 82 (Martin Luther King, Jr. Boulevard): This project consists of widening of Ortiz Avenue from 2 lanes to 4 lanes and constructs a six-foot sidewalk on the east side of the road and a 10-foot paved trail on the west side of the road. An on-road bike lane on both sides of the road will also be included. New street lighting will be installed, and a grass median will separate traffic. No improvements will be made at the roundabout intersection with Hanson Street. The contractor will reconstruct the roadway with drainage improvements and stormwater management facilities. Work also includes installation of new water main and installation of new reclaimed water and sewer facilities for Lee County and the City of Fort Myers.

**Drivers, pedestrians, and bicyclists are urged to use extra caution
when traveling through the work zone.**

- Motorists should expect the northbound turn lane into Edison Apartments partially closed/shortened for drainage installation. Drivers can continue to turn right during this work.
- Motorists should expect the driveway to the Fort Myers Work Camp to be reduced to one lane for crews to remove existing drainage pipes. Motorists are advised to use extra caution and follow directions from flaggers.
- Crews are working on the new sidewalk and roadway on the east side of Ortiz Avenue. Pedestrians are advised that this area an active construction zone and will remain closed until work has been completed.
- Motorists should expect heavy truck traffic entering and exiting the project area north of the roundabout.
- The contractor is identifying existing utility locations throughout the project.
- Crews will be installing fiber optic cable throughout the project limits.
- LeeTran has installed a new temporary northbound bus stop just south of the Lee County Jail driveway. The northbound stops just north of the Lee County Jail driveway and near RaceTrac are temporarily out of service.

- The contractor is scheduled to survey the project during daytime hours.

The work activities above are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule.

Motorists are asked to drive with caution and watch for workers and construction vehicles entering and leaving the work zone. **Estimated completion is Fall 2026.** Project cost is approximately \$31 M. The contractor is OHLA USA. For further questions, please visit www.ortizavewidening.com or contact Jennifer Dorning by email at Jennifer.Dorning@atkinsrealis.com or by phone at (239) 338-7723.

Three Oaks Parkway Extension Project Phase 2 from Indian Paint Lane to and including Daniels Parkway: This project consists of extending Three Oaks Parkway north in the vicinity of Indian Paint Lane to Daniels Parkway and constructs 4 lanes with a 5-foot-wide bicycle lane. Phase 2 includes 6-foot-wide sidewalks on both sides of the roadway. The project also includes the widening of Daniels Parkway to eight lanes from Danport Boulevard to west of Powers Court/Apaloosa Lane.

- The median opening at Cody Lee Lane/9300 Daniels Parkway at Fiddlesticks Boulevard is closed permanently.
- The median opening at Jobe Road/Kings Crossing Road at Palomino Lane is closed permanently.
- Daniels Parkway lanes are shifted to the outside of the roadway from Danport Boulevard to Powers Court/Apaloosa Lane for construction of new inside travel lanes. The traffic lane widths and the speed limit are reduced to 35 mph. Bike lanes are temporarily eliminated, and bicyclists are detoured to the adjacent multi-use paths. This configuration will remain in place for approximately one year while the inside lanes are under construction.
- The contractor is building the new roadway extension in the vicinity of Indian Paint Lane and adjacent to Fiddlesticks Boulevard to Daniels Parkway.

Motorists are asked to drive with caution and watch for workers and construction vehicles entering and leaving the work zone.

Estimated completion is mid-2028. Project cost is approximately \$39.7 M. The contractor is ECH Construction. For further questions, please visit www.ThreeOaksExtension.com or contact Kris Cella by email at Kcella@cella.cc or by phone at (239) 337-1071.

Buckingham Road and Gunnery Road Roundabout Project Phase 2: Currently working in the second phase, Buckingham Road will be closed from Gunnery Road to Sunset Road. The second phase is anticipated to be completed Fall 2025.

**Drivers, pedestrians, and bicyclists are urged to use extra caution
when traveling through the work zone.**

- **Starting October 22, Gunnery Road will be reduced to one lane for northbound traffic only between Sunset Road and Buckingham Road. Southbound Gunnery Road traffic will be redirected via a detour to Buckingham Road, then turn left at Sunset Road, then right back onto Gunnery Road to continue south.**
- Motorists should expect intermittent flagging operations at the intersection of Homestead Road and Buckingham Road between 9:00 AM – 3:00 PM.
- **Southbound Buckingham Road traffic is redirected via a detour to Gunnery Road then turn right at Sunset Road then left back onto Buckingham Road to continue south.**
- **Northbound Buckingham Road traffic is redirected via a detour to turn right onto Sunset Road, then left onto Gunnery Road to continue north onto Buckingham Road north.**
- Additionally, temporary traffic signals have been installed at both the intersections of Buckingham Road and Sunset Road, as well as Gunnery Road and Sunset Road.
- Sidewalks will remain closed during this phase. Second Phase is anticipated to be completed Fall 2025.
- Crews will be relocating utilities along the East side of Gunnery Road.
- Crews are actively working on roadway construction along Buckingham Rd.
- As part of the construction activities for this project, sidewalk closures will be necessary. Pedestrians are encouraged to anticipate detours and make appropriate arrangements to ensure safe and efficient travel through the project site.

The work activities above are scheduled to occur; however, unforeseen underground conditions and weather may affect this schedule.

Expect large construction vehicles in the area and watch for contractors in the field. The contractors will use Variable Message Boards (VMB) to notify the public about any traffic pattern changes during construction. The contractor is V & H Construction, Inc. The project is expected to be completed in one year. **Work is estimated to be completed by the spring of 2026.** Work is expected to occur **Monday through Friday from 7:00 AM to 5:30 PM;** however, some night and weekend work may be necessary. If you would like to receive updates or have questions about the project, please visit the website www.BuckinghamGunneryRoundabout.com or contact: Mallory Briggs, CMA Outreach Inc., public outreach consultant at 239-337-1071 or email: info@BuckinghamGunneryRoundabout.com.

Please note changes to the road watch are shown above in Orange.

Orange River Boulevard Sidewalk and Utility Improvements Project: The project includes water main replacement, installation of new stormwater drainage systems, addition of a new 6-foot sidewalk and curbs and upgrading lighting and pedestrian signalization near SR 80 and Orange River Boulevard. These improvements will enhance water reliability and improve pedestrian and traffic safety.

Drivers, pedestrians, and bicyclists are urged to use extra caution when traveling through the work zone.

- The right turn lane onto Boatways Road adjacent to the Starbucks will be closed for Utility work. Motorists should anticipate using the turn lane farther south on Orange River Boulevard to access Boatways Road.
- The contractor is scheduled to survey the project during daytime hours.

The work activities above are scheduled to occur; however, unforeseen underground conditions and weather may affect this schedule.

Please use caution and watch for workers and construction vehicles entering and leaving the roadway. Estimated completion is Fall 2026. Project cost is approximately \$3 M. The contractor is Thompkins Contracting Inc. Work is expected to occur Monday through Friday from 7:00 AM to 7:00 PM; however, some night and weekend work may be necessary. For further questions, please contact Mallory Briggs by email info@OrangeRiverBlvdImprovementsProject.com or by phone at (239) 337-1071.

Please note changes to the road watch are shown above in Orange.

Able Canal Pathway Project: The project constructs a new 12-foot-wide, 6-mile shared use pathway along the north side of Able Canal starting at the Harns Marsh access point next to 35th Street West and the Sailfish Canal and extending east to Joel Boulevard in Lehigh Acres. The purpose of the project is to facilitate accessible, non-motorized travel options for commuters and recreational users in the Able Canal corridor and within the Lehigh Acres community. Work includes an asphalt path with a pedestrian bridge, pavilions, landscaping and other amenities.

TRESPASSING INTO THE CONSTRUCTION SITE IS DANGEROUS AND ILLEGAL.

*Please be aware that the Lee County Sheriff's Office
is authorized to charge trespassers if found in the work zone.*

- Crews are working on embankment, earthwork and storm drain installation at the west end of the project.
- Motorists should anticipate brief closures of Sunshine Boulevard, just north of Able Canal, for crews to move equipment across the road. Please pay attention to signs and flaggers and expect delays.
- Crews are installing erosion control throughout the project.
- Flagging and staging activity should be expected at Lehigh Acres Park, but there will be no impact to park users during construction.

*The work activities above are scheduled to occur, however unforeseen underground conditions
and weather may affect this schedule.*

Please use caution and watch for workers and construction vehicles entering and leaving the roadway. The project began in August 2025 with estimated completion in Fall 2027. Project cost is approximately \$10.2 M. The contractor is Pavement Maintenance, LLC. For further questions, please visit <https://www.leegov.com/parks> or contact Jennifer Dorning by email at Jennifer.Dorning@atkinsrealis.com or by phone at (239) 338-7723.

Striping Maintenance: Lee County DOT Traffic will be performing a moving operation with traffic delays on **October 16, 2025 to October 22, 2025 between the hours of 9:00 AM to 4:00 PM** (weather permitting) on the following roadways:

Imperial Parkway	Hickory Boulevard
Bonita Grande	Estero Boulevard (<i>Hickory Boulevard – Little Carlos Pass only</i>)
Bonita Beach Road	Main Street

Intersection Markings Maintenance: Intermittent Lane closures and delays are possible **October 16, 2025 to October 22, 2025 between the hours of 9:00 AM to 4:00 PM** (weather permitting) on the following roadways:

Del Prado Boulevard	Daniels Parkway
Orange Grove Boulevard	

Night Work Scheduled for Thursday, October 16, 2025: LCDOT traffic will be refreshing the pavement at various locations on Treeline Avenue on **Thursday, October 16, 2025 between the hours of 8:00 PM and 4:00 AM** (weather permitting). Motorist are advised to use caution while traveling through the area as workers will be present on the roadway.

For additional information, please contact Randy Hart at DOTMarkings@leegov.com.

Colonial Boulevard from Summerlin Road to McGregor Boulevard: Beginning May 12, 2025, and continuing through Winter of 2025, road construction and traffic signal improvements will be continuing along Colonial Boulevard at Summerlin Road and McGregor Boulevard. Construction crews will be replacing the sidewalks and pedestrian access in the areas, and detours will be in place. Expect nighttime lane closures starting **September 24, 2025, to October 25, 2025**, with lighted work zones between the hours of **7:00 PM to 5:00 AM**. The weather may affect start times and dates. Please be aware of the advanced warning signs in these areas. Use caution when driving through this area. For further information, please contact paving@leegov.com.

Westlinks Drive at Commerce Lakes Drive, Commerce Lakes Drive at Gateway Boulevard, Westlinks Drive N at Daniels Parkway, Gateway Greens Drive, Devonshire Lakes Drive, Fairway Lakes Drive, Girl Scout Lane - Fort Myers (ROW 2024-00255): L & S Enterprises, contracted through FPL, will be performing the rest of the electrical work on the existing poles as well as installing new poles **beginning May 27, 2025, and continuing through November 15, 2025**. New poles installation, removal of old poles, resetting poles, and energize circuits for poles will be performed. Periodic lane closures on Gateway Boulevard, shoulder work/ flagging and sidewalk closures on Westlinks Drive just south of Commerce Lakes Drive, and shoulder work/flagging on Commonwealth Drive across from the elementary school will take place. Periodic lane closures/ flagging, shoulder closures and/or shoulder closures will occur from **7:00 AM to 6:00 PM**. AWP will be conducting the traffic control services. Please contact Tamera Dolan at (239) 469-2725 with any questions or concerns. The contractor from L & S Enterprises will be conducting the work. If you have any questions, please contact Jake Marshall with L & S Enterprises at (315) 264-2006.

Estero Boulevard from Crescent Street to Big Carlos Pass: Lee County is installing street lighting by all the crosswalks, replacing sidewalks that are damaged, and installing conduit systems to power the streetlights at various locations. Motorists should expect intermittent sidewalk closures and lane closures (Flagging Operation). Work will be during the day from **7:00 AM to 8 PM** for crews to install light bases and conduit / pull boxes.

*Drivers, pedestrians, and bicyclists are urged to use extra caution when traveling through the work zone.
Pedestrians should expect intermittent sidewalk closures and should follow detour signs.*

Crews will be working in the following areas over the next several weeks:

- Estero Boulevard from Estrellita Drive to Buccaneer Drive
- Estero Boulevard from Lenell Road to Egret Street
- Estero Boulevard from Egret Street to Lanark Avenue
- Estero Boulevard from Lanark Avenue to Madera Road
- Estero Boulevard from Madera Road to Hercules Drive

The work activities above are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule.

Please use caution and watch for crews and construction vehicles entering and leaving the roadway. Estimated completion is end of 2025. Project cost is approximately \$3.1 million. For further questions, please contact Brianna Smith by email at bsmith@cella.cc or by phone at (239) 337-1071.

Plato Canal Crossing MH Improvements – Cape Coral (ROW2025-00862): Quality Enterprises USA, Inc. will be performing Roadway and Force main utilities improvements.

- **September 16 through October 30, 2025:** Milling- Paving- Striping works to be done both in northbound and southbound lanes of Del Prado Boulevard between SE 40th Street and SE Terrace Street. One lane will remain open at all times between **7:00 PM- 5:00AM**.

For further information regarding the project, please contact Byron Taylor at (239) 573-3039. For MOT maintenance purposes please contact QE USA, Inc. (239) 435-7200.

5019 Lee Boulevard – Lehigh (RES2025-02426): ONX Lehigh Acres LLC will be performing roadway and sidewalk improvements beginning **October 10, 2025, and continuing through December 19, 2025**. Asphalt pavement, concrete sidewalk, concrete curbing, and drainage improvements will be performed. The outside (right) lane of eastbound traffic on Lee Boulevard just after Main Street will be

subject to lane closures, as will one of two left turn lanes from the westbound portion of Main Street turning south onto Lee Boulevard. Periodic lane closures for eastbound and westbound lanes will occur between the hours of **7:00 PM and 6:00 AM** on weekdays. For further information, please contact Arjun Kannan at (407) 520-9846 or arjun.kannan@ONXHomes.com. Traffic Control Products of Florida will provide maintenance of traffic services (239) 334-8888.

6-Mile Cypress Parkway between Heritage Palms Boulevard to Daniels Parkway - Fort Myers (ROW2025-01114): Blue Streak LLC. will be performing directional boring, handhole placement, fiber pulling, rodding and proofing, and aerial pole attachments from **July 23, 2025, through October 24, 2025**. The outside (right) lane of southbound traffic and any right turning lanes on 6-Mile Cypress will be subjected to lane closures starting at Heritage Palms Boulevard to Daniels Parkway in a periodic moving MOT. Sidewalk closures will be required with the lane closure in the moving MOT; such closures will be submitted appropriately through our vendor SOUTHEASTERN TRAFFIC SUPPLY. Working hours will be from **9:00 AM to 3:30 PM on weekdays**. For further information, please contact Nicholas Novo at (305) 915-9127 or nnovo@bluestreakllc.com.

Daniels Parkway, between 6-Mile Cypress and International Drive - Fort Myers (ROW2025-01114): Blue Streak LLC. will be performing directional boring, handhole placement, fiber pulling, rodding and proofing, soft digging (VAC Truck), and aerial pole attachments from **July 28, 2025, through October 24, 2025**. The outside (right) lane of westbound traffic and sidewalk on Daniels Parkway will be subjected to lane closures starting at 6-Mile Cypress to International Drive. The right-turning lane on 6-Mile Cypress turning onto the westbound traffic to Daniels Parkway will be subjected to a lane closure. In addition to this closure, the eastbound outside (right) lane of traffic and sidewalk on Daniels Parkway will be subjected to lane closures starting at International Drive to 6-Mile Cypress. Sidewalk closures will be required with the lane closure in the moving MOT; such closures will be submitted appropriately through our vendor SOUTHEASTERN TRAFFIC SUPPLY. Working hours will be from **9:00 AM to 3:30 PM on weekdays**. For further information, please contact Nicholas Novo at (305) 915-9127 or nnovo@bluestreakllc.com.

Ortiz Avenue: Lee County Department of Transportation is conducting a sidewalk repair project which started on **July 31, 2025, and will continue through October 29, 2025**. Work will be on the Northbound side from Dean Street to SR 80. Work will be conducted in daylight hours from **9:00 AM to 4:00 PM**. There will be intermittent lane closures throughout the day. If there are any questions or concerns with this project, please contact Fabio Visintin – V&H Construction, at 239-766-0230.

Daniels Parkway (B240431SSL) between the 10-Mile Canal and US 41: Daytime electrical work for the new traffic signal control loops will continue from **September 7, 2025, to October 25, 2025**, within the ROW along Daniels Parkway. In addition, there will be landscape crews grading the edges of the roadway and placing sod throughout the project. Expect daily work from **7:00 AM to 4:00 PM**. The weather may affect start times and dates. Motorists should use caution and follow the restrictions while in the work zones. Please be aware of the advanced warning signs in these areas. For further information, please contact paving@leegov.com.

Imperial Parkway/Three Oaks Parkway from Amalfi Coast Road North to Williams (ROW2025-00502): Sidewalk reconstruction to include milling existing asphalt sidewalk using heavy equipment and replacing with concrete. The project will begin on **September 2, 2025, with an estimated completion date of November 2025**. There will be daytime lane closures between the hours of **9:00 AM and 4:00PM**. MOT will be in place and advanced MOT signs will be present in the work area. No nighttime lane closures. Expect heavy equipment traffic and noise from construction equipment. Bike lane will be affected. Watch for shoulder closures and workers near the roadway. Motorists are asked to exercise caution and reduce their speed while driving through the work zone. For additional information, please contact Brianne Korneff at (239) 597-6221 ext. 219 orbkorneff@bonnessinc.com.

Richmond Avenue over Able Canal, Lehigh Acres: Beginning October 1, 2025, Lee County and its contractor, Thomas Marine Construction, will begin reconstruction of the Richmond pedestrian bridge over Able Canal in Lehigh Acres. **The project is expected to be completed by early 2026.** This project, funded through the Community Development Block Grant-Disaster Recovery (CDBG-DR) program, will provide a safer and more reliable connection for the community, particularly for students using the Lehigh Elementary Sidewalk. Construction activities will take place primarily outside of the roadway; however, pedestrians and motorists are encouraged to exercise caution when traveling in the area. For further information, please get in touch with Avelino Cancel at (239) 533-9400 or email: acancel@leegov.com.

Greenbriar Boulevard – Lehigh Acres: The Lee County Department of Transportation (DOT) is advising Lehigh Acres motorists to use caution and follow a posted detour on Greenbriar Boulevard. The road is closed from Redmont Avenue to Richmond Avenue due to an impacted culvert under the road. DOT maintains the road; the Lehigh Acres – Municipal Services Improvement District maintains the infrastructure under the road and will conduct the repair. DOT signage and barricades are in place.

Joel Boulevard between Bell Boulevard to 5th Street: Work has begun on some new improvements along Joel Boulevard. This work consists of asphalt pavement, sidewalk, ADA ramps, and new guardrail. **Asphalt paving is set to commence on or about October 17, through October 24, 2025, with lane closures, from 7:00 PM to 5:00 AM.** Weather could affect the dates. For additional information, please contact Harry Grieme at Harry.Grieme@ohla-usa.com or (720) 292-0169.

Corkscrew Road at Stoneybrook Drive Eastbound – Estero (ROW2025-00125): Clary's Site Development, Inc. and MAJ Underground will be performing roadway and sidewalk improvements **beginning Monday, October 13th and continuing through November 21st, 2025.** Asphalt pavement, concrete sidewalk, concrete curbing, and drainage and LCU watermain improvements will be performed. The outside (right) lane of eastbound traffic on Corkscrew Road just after Stoneybrook will be subject to lane closures.
