Initiated by: North Star Yacht Club Property Manager (Request # 6638)

Recommended by: Bryan Miller, Senior Project Manager

Studies on file: Request made in January 2018 by the North Star Yacht Club management to prohibit roadside parking on the west side of Beau Drive along their frontage, which is occurring due to overflow parking from the marina. Field survey of existing conditions on February 26, 2018 revealed a sidewalk in place along the west side of Beau Drive between Hancock Bridge Parkway and North Key Drive, and a posted No Parking zone to the north of the Yacht Club property. There are no areas on the west side of the road designed for and/or suitable for roadside parking. Current State Law prohibits parking on sidewalk whether posted or not.
