

**LEE COUNTY PUBLIC WORKS
DEPARTMENT OF TRANSPORTATION
LEE COUNTY, FLORIDA
TRAFFIC REGULATION ORDER**

Date Advertised

N/A

Date Issued

November 28, 2018

Location: Colin Avenue N. @ 9th Street W.

I hereby direct that the Stop controls on Colin Avenue N. be reversed with Colin Avenue N. designated as the preferential street

at the above named location, in accordance with the attached detail.

This regulation shall be effective upon posting.

Initiated by: Bryan Miller, Senior Project Manager, LCDOT

Recommended by: Bryan Miller, Senior Project Manager, LCDOT

Studies on file: In the field investigation for Request # 13044, pertaining to a run-off-road crash on 9th Street W. west of Colin Avenue, it was observed that the existing Stop controls on Colin at 9th Street W were not consistent with the street network and functional operation of Colin Avenue as a residential collector road. 9th Street W. dead-ends east and west of Colin Avenue. It is recommended that the Stop controls be reversed, consistent with the "Manual on Uniform Traffic Control Devices" guidelines, to stop the minor side-street approaches with Colin Avenue designated as the preferential street. An all-way stop is located to the north of the intersection at 12th Street W. and Colin stops at 7th Street W to the south due to a north/south approach offset condition.
