Studies on file: Survey of existing conditions on May 20, 2021 revealed that the Galt Preserve entrance is located 500 feet north of the 45 Miles Per Hour Speed Zone in a 55 Mile Per Hour posted zone. A pedestrian/bicycle unmarked crossing has been provided to the Parks and Recreation facility just south of the preserve entrance. Given this pedestrian/bicycle generator it would be appropriate to extend the 45 Miles Per Hour speed zone which begins at St. Jude Boulevard to a point north of the Galt Preserve and Laratonda Road. The extension of the existing 1,000 foot transitional 45 Mile Per Hour Zone an additional ¼ mile is consistent with the roadside conditions and transitional character of this area. A posted speed limit of 35 Miles Per Hour is posted south of St. Jude Boulevard in the St. James community.
