

Regulation Number: 1,114

**LEE COUNTY PUBLIC WORKS
DEPARTMENT OF TRANSPORTATION
LEE COUNTY, FLORIDA
TRAFFIC REGULATION ORDER**

Date Advertised

07/31/2024

Date Issued

07/19/2024

Location: Floyd Ave S and 27th ST SW

I hereby direct that This existing One-Way Stop Control on 27th St SW, with Floyd Ave S designated as the preferential street shall be converted to an All-Way Stop Control at the above-named location, in accordance with the attached detail (WO 24-31 & WO 24-32).

This regulation shall be effective upon posting.

Initiated by: Shakira Valdez (Lee County Citizen)

Recommended by: Bruce Littleton, P.E., PTOE; Chief Traffic Engineer (LCDOT)

Studies on file: Approved Engineering Report dated July 03rd, 2024, recommending the existing One-Way Stop Control be converted to an All-Way Stop Control. Over the course of the full day, the volumes on all three approaches to this "T" intersection are virtually identical. Under such conditions, the appropriate intersection control should be an "all way" stop condition considering equal approach volumes.
