

Regulation Number: 1,118

**LEE COUNTY PUBLIC WORKS
DEPARTMENT OF TRANSPORTATION
LEE COUNTY, FLORIDA
TRAFFIC REGULATION ORDER**

Date Advertised

10/30/2024

Date Issued

10/15/2024

Location: 52nd Street SW between Meadow Road and Alabama Road S

I hereby direct that This existing Two-Way Stop Control at Gene Ave S and 52nd St SW, with 52nd St SW designated as the preferential street shall be converted to an All-Way Stop Control, at the above-named location, in accordance with the attached details (WO 24-51 & WO 24-52). This regulation shall be effective upon posting.

Initiated by: Krystal Velazquez; Lee County Citizen (REQUEST 163753)

Recommended by: Bruce Littleton, P.E., PTOE; Chief Traffic Engineer (LCDOT)

Studies on file: An Approved Engineering Report dated October 4th, 2024, recommending the existing Two-Way Stop Control be converted to an All-Way Stop Control to encourage traffic to traverse away from the center of the neighborhood outward to leave by the shortest path. This change would provide better access to the neighborhood, yet not create a pass-through street that has no traffic control on it.
