LEE COUNTY, FLORIDA
TRAFFIC REGULATION ORDER**

Date Advertised

06/03/2025

Date Issued

06/03/2025

Location: Tortuga St. (North of Barrancas Ave.)

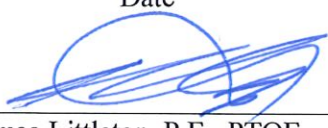

I hereby direct that a "No Parking" restriction be established within the right of way on the west-side of the roadway at the above-named locations, in accordance with the attached detail (WO 25-32). This regulation shall be effective upon posting of the signs.

Initiated by: Chris Kettler (Lee County Citizen – Request 188587)

Recommended by: Lee County Department of Transportation

Studies on file: Due to the congestion that parking in the Lee County right of way is causing the residents from what appears to be overflow parking from Jugg Creek Marina. This parking is creating significant challenges for residents, particularly given the narrowness of the roadway. Vehicles obstructing the r/w are restricting residents' ability to safely enter and exit their property. The no parking restriction will help alleviate these issues and improve accessibility.
