

Regulation Number: 1,122

**LEE COUNTY PUBLIC WORKS  
DEPARTMENT OF TRANSPORTATION  
LEE COUNTY, FLORIDA  
TRAFFIC REGULATION ORDER**

**Date Advertised**

06/18/2025

**Date Issued**

06/04/2025

**Location:** Bonita Beach Rd and Duck Lake Loop

**I hereby direct that** a "No U-Turn" restriction be implemented at the above-named location in accordance with the attached detail (WO 25-36). This regulation shall be effective upon posting of signage.

**Initiated by:** Sheila Wojpowicz (Lee County Citizen- Request 182891)

**Recommended by:** Lee County Department of Transportation

**Studies on file:** Based on recent observations and traffic analysis during peak rush hour periods, we have identified significant congestion and safety concerns daily caused by travelling motorists trying to avoid the WB to SB turning queues at the Bonita Beach Rd and Imperial Pkwy intersection by bypassing it WB and going to the Duck Lake Loop WB to SB turn lane to perform U-Turns. This movement is causing extreme backups on WB Bonita Beach Rd when the queue for the SB turn lane exceeds the length of the turn lane capacity. This causes difficulty and undue safety issues for the residents trying to enter and exit the Palm Lake RV Resort. This is the only ingress and egress for this community.
