

**LEE COUNTY PUBLIC WORKS  
DEPARTMENT OF TRANSPORTATION  
LEE COUNTY, FLORIDA  
TRAFFIC REGULATION ORDER**

**Date Advertised**

08/18/2025

**Date Issued**

08/08/2025

**Location:** 27908 Hickory Blvd, Bonita Springs, FL. 34134

**I hereby direct that:** Left turns shall be restricted into the above-named location, in accordance with LCDOT Work Order 25-17. This regulation shall be effective 09/01/2025.

**Initiated by:** Lee County Sheriff's Office

**Recommended by:** Lee County Department of Transportation

**Studies on file:** Repeated Lee County Sheriff's Office (LCSO) observations and ongoing safety concerns at this location. This address has limited on-site parking facilities, which routinely results in vehicles attempting to access the business while the parking lot is at capacity making abrupt U-turns, backing into traffic, or stopping unexpectedly in the travel lanes. These behaviors have led to the following safety and operational concerns:

- Erratic Driver Behavior: Numerous instances of drivers executing unsafe maneuvers—including U-turns in close proximity to intersections and driveways as well as reversing into oncoming traffic—have been documented by both LCDOT staff and LCSO personnel.
- Obstruction of Turn Lanes: Vehicles attempting to turn left into the establishment have been observed blocking the designated left-turn lane intended for the public beach access #1, thereby disrupting the intended traffic flow at the intersection.
- Preservation of Public Safety: The closely spaced driveways create additional conflict points and confusion for drivers which creates a compounding safety issue, especially during peak hours and on weekends. The restriction is intended to reduce conflict points, prevent turning-related collisions, and ensure safer operation of Hickory Boulevard.
