Location: Golfview Blvd & Kenneth Ave/Berkley Way, Lehigh Acres

I hereby direct that An all-way stop condition be imposed on Golfview Blvd (both directions) at the intersection of Golfview Blvd & Kenneth Ave/Berkley Way in accordance with the attached detail (WO 26-67 & WO 26-68).

Recommended by: Tim Brooks, P.E.; Assistant County Traffic Engineer

Study: Approved Engineering Report dated July 10, 2026, recommending the existing Two-Way Stop Control be converted to an All-Way Stop Control. The traffic volumes indicate that Kenneth Ave and Golfview Blvd have approximately equal volumes. Under such conditions, the appropriate intersection control should be an "all-way" stop condition to more equably distribute the intersection traffic delays.
