**LEE COUNTY PUBLIC WORKS
DEPARTMENT OF TRANSPORTATION
LEE COUNTY, FLORIDA
TRAFFIC REGULATION ORDER**

Date Advertised

Date Issued

05/04/2026

Location: North side of Sanibel Boulevard, prior to and after, the intersection with Cypress Drive S and on Cypress Drive S approaching and departing from the intersection.

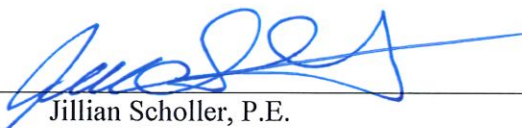

I hereby direct that A “No Parking” restriction be established within the right-of-way at the above-named location in accordance with the attached detail (WO 26-34). This regulation shall be effective upon posting of the signs.

Recommended by: Bruce Littleton, PTOE; County Traffic Engineering Manager (LCDOT)

Study: The San Carlos Park MSTU requested that NO PARKING signs be added at the intersection due the substantial use of the right-of-way at the intersection being used as a storage area for vehicles being serviced at the property on the northeast corner of the intersection. The area being used restricts the sight distance for vehicles exiting from the stop condition on Cypress Drive S. As both sides of the Cypress Drive right-of-way is being used in the vicinity of the intersection, traffic flow on Cypress Drive is being restricted. As there is a safety benefit and the business is required to have adequate on-site parking, it was recommended that the No Parking restriction is justified.
