LEE COUNTY, FLORIDA
TRAFFIC REGULATION ORDER

Date Advertised

~~06/23/2026~~ N/A

Date Issued

06/23/2026

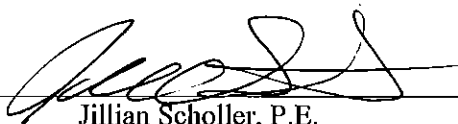

Location: North and South sides of Prescott St from San Carlos Blvd to 952 Prescott St.

I hereby direct that A "No Parking" restriction be established within the right-of-way at the above-named location in accordance with the attached detail (WO 26-60). This regulation shall be effective upon posting of the signs.

Recommended by: Tim Brooks, P.E.; Assistant County Traffic Engineer

Study: Peter Koikas, the owner and resident of 950 Prescott St. expressed that boat owners that do not live nor own property along Prescott St. have been trespassing through undeveloped property to access their boats. They have been parking within the Prescott St. ROW. There are existing "no parking" signs already along the north side of Prescott going about 1/3 of the way down the street. The road width is 16-18 ft and the shoulder does not provide much space for parking. Therefore, it is recommended that parking be prohibited within the Prescott St. ROW from San Carlos Blvd to 952 Prescott St.
