Location: Eastbound Left Turn (Left turn from Gladiolus Rd onto A&W Bulb Rd).

I hereby direct that A "No U-Turn" restriction be established within the Gladiolus Rd right-of-way at the intersection of A&W Bulb Rd & Gladiolus Rd in accordance with the attached detail (WO 26-64). This regulation shall be effective upon posting of the signs.

Recommended by: Tim Brooks, P.E.; Assistant County Traffic Engineer

Study: The existing southbound right turn movement has a green arrow indication that is on during the protected eastbound left turn phase. As a result, eastbound left U-turns must be restricted to avoid two conflicting green indications. Due to the surrounding conditions, the volume of eastbound U-turns is minimal. Therefore, restricting eastbound U-turns at this intersection is appropriate.
