**Recommended by:** Stephen M. Jansen, P.E., P.T.O.E.

**Studies on file:** Treeline Avenue Speed Limit Report dated December 8, 2016. The original posted speed on this curvilinear section of road was 45 miles per hour and was raised to 50 miles per hour circa 2007 when volumes were lower and development was less dense. Based on the safety record in the curvilinear section of Treeline Avenue a reduction in speed is appropriate and consistent with the FDOT Speed Zoning Manual. Treeline Avenue from north of Integrity Trail to Colonial Boulevard, a curvilinear segment, is currently posted at 45 miles per hour.
