Roadwatch Update
August 18, 2022 – August 24, 2022

1. Road Work/Maintenance/Improvement

Striping Maintenance: Lee County DOT will be performing a moving operation with traffic delays on **8-18-22 through 8-24-22** between the hours of **9:00 AM to 4:00 PM**. (weather permitting) on the following roadways:

Jaguar Blvd (SR 82 – Ferndale Ave S)	Archdale St
Eisenhower Blvd	1 st St SW
Milwaukee Blvd	8 th St SW
Charwood Ave S	Lee Blvd
Alabama Rd (Milwaukee Blvd – Homestead Rd N)	Gateway Blvd
Meadow Rd	Griffin Dr
40th St SW	Commerce Lakes Dr
Taylor Ln	Chana Ct
Delaware Rd	Vision Ln

Intersection Markings: Intermittent lane closures and delays are possible on **8-18-22 through 8-24-22** between the hours of **9:00 AM to 4:00 PM** (weather permitting) on the following roadways:

Buckingham Rd	Country Lakes Dr
Colonial Blvd (@ Shoppes at Pelican Preserve))	Alico Rd

Burnt Store Road from Tropicana Parkway to Pine Island Road: This project consists of widening Burnt Store Road to four lanes. The project also includes construction of a new bridge over Shadroge Canal, drainage installation, and lighting. Motorists should expect **intermittent Northbound and Southbound lane closures during nighttime/overnight hours**, weather permitting. Motorists should use caution while driving in the area. This south segment from Tropicana Parkway to Pine Island Road costs \$13.6 million. The contractor is Wright Construction. The project is expected to be **completed by late Fall 2022**. Beginning on **June 19, 2022**, motorists should expect a new traffic pattern where the northbound traffic will be shifted onto the newly constructed lanes. For questions, please contact Lisa Macias at (239) 337-1071.

reFRESH Estero Boulevard/Waterlines – Albatross Street to the south end of the Island:

Contractors for Fort Myers Beach and Lee County are installing new water main, and sanitary sewer force main, storm drainage, sidewalk, and rebuilding roadway on Estero Boulevard from Albatross Street to the south end of the Island. Motorists may experience daytime and nighttime intermittent one-lane traffic on Estero Boulevard. Flaggers will alternate traffic frequently, but motorists should expect delays. Motorists may experience momentary delays while crews move materials for the construction activities. Crews are expected to work **Monday through Friday and most Saturdays. Albatross Street to the south end of the island**. Motorists may experience daytime lane shifts on Estero Boulevard while crews complete punch list items. This schedule may be subject to change due to inclement weather. For further questions, please contact Cella Molnar & Associates at (239) 337-1071.

Corkscrew Road Widening Project – Phase I Construction Project: The project widens Corkscrew Road to six lanes from Ben Hill Griffin Parkway to Fire House Lane, and to four lanes from Fire House Lane to Bella Terra Boulevard. The project includes adding on-road bike lanes, some sidewalk, installing new drainage, and constructing a wildlife crossing approximately 1000 feet west of the entrance to Cypress Shadows Boulevard. This crossing will coincide with a regional flow-way that crosses Corkscrew Road at that location. Once the project is completed, the Village of Estero will be installing shared use paths, lighting, and landscaping. **Drivers, pedestrians, and bicyclists are urged to use extra caution when traveling through the work zone. Please be aware of shifts in travel lanes and bike lanes, sidewalk detours, miscellaneous turn lane closures, and uneven pavement throughout the project.** Corkscrew motorists should expect slower than usual traffic when approaching The Preserve as work is occurring in the community's entrance.

The following work activities are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule:

- This week crews continue concrete work in the Wildcat Run driveway. Access will be maintained.
- Crews continue **construction of the bridge/wildlife crossing** between Wild Blue Boulevard and The Preserve at Corkscrew that will allow animals to cross under Corkscrew Road, similar to the crossing just east of Alico Road. A 10-foot-high fence will be installed to funnel the wildlife to cross at this location. Currently crews are constructing box culverts near the bridge/crossing that convey water under the roadway, and forming the superstructure of the bridge. Motorists should be aware of vehicles entering/exiting the road in this area.
- Bicyclists should expect the bike lane from Stoneybrook Golf Drive to just east of Wildcat Run to be combined with the travel lane while crews work on the north side of the road.
- Pedestrians must use the temporary walkway on the south side of Corkscrew Road from Ben Hill Griffin Parkway to Stoneybrook Golf Drive.
- Currently in the area between Wild Blue Boulevard and Cypress Shadows Boulevard (The Preserve at Corkscrew) vehicles are using temporary lanes on the north side of the road to allow crews to work on the south side of Corkscrew Road.
- Turn lanes are currently unavailable at Wild Blue Boulevard, Cypress Shadows Boulevard (The Preserve at Corkscrew), Midnight Blue Boulevard, and Bella Terra Boulevard.
- **WORK PERFORMED BY OTHERS:** GL Homes is currently hauling material to their development site across from Wild Blue Boulevard. Motorists should expect delays and use caution as construction vehicles enter/exit the roadway. On heavy haul days, GL Homes will be providing flaggers to reduce backups on Corkscrew Road.

Crews are installing curb, drainage, and sod, as well as performing earthwork, and relocating utilities. **MOTORISTS ARE REMINDED TO OBEY THE POSTED SPEED LIMIT.** Please use caution and watch for workers and construction vehicles entering and leaving the roadway. **Estimated completion is late 2023.** Project cost is approximately \$23 M. The contractor is Cougar Contracting, LLC. For further questions, please visit the project website at <http://corkscrewroadwidening.com> or contact Jennifer Dorning by email at Jennifer.Dorning@atkinsglobal.com or by phone at (239) 338-7723.

US41/Cleveland Ave from Winkler Avenue to SR 82/Dr. Martin Luther King Jr. Boulevard: Construction project: Crews will be installing and relocating utilities and constructing medians on US 41/Cleveland Avenue from Winkler Avenue to SR 82.

- Expect Canal Street (both sides) closed at US 41/Cleveland Avenue.
- Expect Victoria Avenue closed on the east side of US 41/Cleveland Avenue.
- Expect Hopple Street closed on the east side of US 41/Cleveland Avenue.

Motorists should expect side road closures from Winkler Avenue to Victoria Avenue throughout the duration of the project. **Motorists should expect intermittent northbound and southbound**

lane closures and detours on US 41/Cleveland Avenue during daytime and nighttime/overnight hours Monday through Friday throughout the duration of the project.

Additional work includes installing drainage structures, pedestrian signals, upgrading signals and lighting, and resurfacing existing highway. The project will be constructed in three segments. Each segment will have most of the construction completed prior to moving to the next segment. Construction will begin on the **first segment from Winkler Avenue to Carrell Road**. Crews will work on the west side of the road initially and when that work is completed, they will shift to the **east side of Cleveland Avenue/US 41**. The expected project completion is **Spring 2023**.

North Lee County Wellfield Expansion Phase IIIA Project – Fort Myers (ROW2022-00030).

Nalle Grade Road between Slater Road to Nalle Road - RPU is installing a Raw Water Main and Fiber Optics Conduit via directional drill from **February 28, 2022 through September 30, 2022**. Directional Drill will be performed along Nalle Grade Road from Slater Road heading east towards Nalle Road. Eastbound lane along Nalle Grade Road from Slater Road to Nalle Road will be subject to temporary daily lane closures or permanent lane closures. Traffic will be maintained with either temporary traffic signals or flagmen depending on which MOT is used. Working hours shall be from **7:00 AM to 7:00 PM**.

Lee County RWA –Crystal Drive (Plantation Road to US 41) Water Main Improvements (ROW 2022-00020): Beginning April 4, 2022, contractors for Lee County will install new water main beginning on the west side of Planation Road just south of the roundabout with Crystal Drive. Then install the water main on the south side of Crystal Drive from Plantation Road to US 41 to tie into a connection point on the east side of US 41 just south of Crystal Drive. Crews will also install water main from a connection point on the east side of US 41 near 12499 Cleveland Avenue (PDQ). Then continue east to Austin Street and west under US 41 to the north side of Brantley Road and tie into a connection point between Pine Grove and Brantley Pines driveways. Crews are expected to work **7:00 AM to 7:00 PM**. This project is expected to be completed in **summer 2023**. Drivers, pedestrians and bicyclists should use caution and be aware of construction equipment and vehicles entering/exiting streets in the project area.

Sidewalk and Driveway closure between 2278 Crystal Drive and 2442 Crystal Drive - Beginning **7:00 AM through 5:00 PM on Monday, August 22, 2022 through Friday, August 26, 2022**, crews will close sidewalks and driveways for water main crossing.

Sidewalk closure at Crystal Drive and 12270 Metro Parkway - Continued sidewalk closure approximately 10', **August 22, 2022 through August 26, 2022**.

This schedule may be subject to change due to inclement weather and unforeseen underground conditions. For more project information, please contact the City's public information consultant, Cella Molnar & Associates, Inc. at 239-337-1071 or via e-mail to thayden@cella.cc.

North Lee County Wellfield Expansion Phase IIIA Project – Fort Myers (ROW2022-00030).

Nalle Road between Nalle Grade Road and Sedgfield Road - RPU is installing a Raw Water Main and Fiber Optics Conduit via directional drill from **September 8, 2022 through November 30, 2022**. Directional Drill will be performed along Nalle Grade from Nalle Grade Road heading south towards Sedgfield Road. SB lane will be permanently closed. NB lane will be open at all times. MOT will be set up to advise residents of the permanent SB lane closure. Working hours shall be from **7:00 AM to 7:00 PM**.

Fiesta Village WWTP RM Upgrade – Fort Myers (ROW2022-00175): Accurate Drilling Systems, Inc. will be performing a horizontal direction drill along the north R/W line of Summerlin Avenue from east of Bass Road to west of Winkler Road **beginning Monday, May 9, 2022 and continue through Thursday, September 1, 2022**. Reclaimed water main installation will be performed. No road, lane, sidewalk, bike lane, or shared path closures are expected. For further information, please contact Adam Schmidt at (772) 200-6943 or civil.pe.schmidt@gmail.com. ACME will provide maintenance of traffic services (305) 796-3587.

Little Pine Island Bridge: Lee County DOT and their contractor Walker Contracting Group will perform maintenance activities on the Little Pine Island Bridge. This project includes concrete repairs, scour control countermeasures, and minor asphalt crack repairs. During the project duration, sporadic lane closures will be necessary. Therefore, motorists and pedestrians are urged to use extra caution in this area. The activities will begin on **May 16, 2022**, and estimated to be completed by **September 30, 2022**. For further information, please contact Avelino Cancel at (239)533-9400 or email acancel@leegov.com.

Victoria Avenue from McGregor Boulevard to Broadway, and Euclid Avenue from Victoria Avenue to Marlyn Road, (CFM-FPL-22-010 WR 10329249): Pike Electric will be working on the overhead power lines. The projected start is **May 23, 2022** and the said sections of road will be subject to a lane closure with flaggers **between 9:00 AM and 4:30 PM**, with a projected end date of **September 12, 2022**. Area Wide Protective will be providing MOT services. For further information, please contact Brian Williams with Pike at 239-225-8037 bwilliams@pike.com. For further information, MOT related please contact Sam Bell at 239-240-9410, sambell@awptraffic.com.

Summerlin Road from Bass Road to John Morris Road in various areas and also on Pine Ridge Road from Frontage Road to Safety Street. Andrews Sitework LLC will be installing new underground utilities. Also, as part of the project will be sidewalk replacement and landscaping and irrigation improvements.

- **EB Summerlin – John Morris Rd. to San Carlos Blvd.** – Daily right lane closures will continue between **9:00 AM & 4:00 PM** starting **April 18, 2022** and continuing through **August 30, 2022**. Work will be occurring between the roadway and multiuse trail. However, pedestrians and bicyclists may encounter diversions via temporary paths around the work area and existing pathway.
- **Frontage Road** - starting **April 18, 2022** and continuing through **August 30, 2022**, Frontage Road will be reduced to one lane while crews install underground utilities along the roadway from **Safety Street to the Walgreens near Pine Ridge & Summerlin Rd.** As the work progresses west of Safety Street ultimately to Pine Ridge Road, the one lane operation will be extended all the way to Pine Ridge in phases.

Veterans Parkway Shared Use Path- Starting on Monday, June 6, 2022. Work is expected to occur **Monday through Friday from 7:00 AM to 5:00 PM** and will continue through **September 4, 2022**. Lee County DOT and Ajax Paving will be making improvements on the Veteran’s Pkwy Shared Use Path. Construction will begin on the West side of Skyline Blvd and continue to the East side of Skyline Blvd on the North side. Motorist and pedestrians should use caution in the areas where workers are present. Any questions or concerns with this project please contact Lou Serao at (239) 791-6042.

Richmond Avenue at Sunrise Boulevard – Lehigh Acres (ROW2022-00466): Owen-Ames-Kimball Company will be performing roadway improvements in front of a new school located at 641-651 Sunrise Blvd beginning the week of **June 20, 2022** with an expected completion date of the middle of **September 2022**. Asphalt, pavement, curbing, gutters and striping will be performed during the hours of **9:00 AM to 3:30 PM** and one lane at a time will be closed with flaggers. MOT sections 602 and 604 as provided by Pavement Maintenance Inc. (239) 334-6760. For further information, please contact Tim Harkins at (239) 340-2091 or tharkins@oakfl.com or Alesha Watchowski at (239) 561-4141 or awatchowski@oakfl.com.

Van Buren Street from Woodside Avenue to Edgewood Avenue (Permit CFM-FPL-22-008): Pike Electric will be working on the overhead power lines. The projected start date is **June 27, 2022**. The said

sections of road will be subject to a lane closures with flaggers between **9:00 AM and 4:30 PM**. The projected end date is **August 30, 2022**. Area Wide Protective will be providing MOT services. **The second section of this Storm Hardening project is Along Bessie Avenue from Prospect Avenue to New York Drive (ROW-2021-01076):** One pole to be replaced is located at 403 Johnson Avenue. For further information, please contact Brian Williams with Pike at 239-225-8037 bwilliams@pike.com. For further information on MOT, related inquiries please contact Sam Bell at 239-240-9410, sambell@awptraffic.com

Road Watch Advisory for the City of Fort Myers:

First Street and Second Street Two-Way Traffic Conversion Project - Contractors for the City of Fort Myers are scheduled to begin Phase I construction of the First Street and Second Street Two-Way Traffic Conversion Project. Phase I will convert First, Second and Seaboard streets from one-way to two-way traffic. Work is expected to occur **Monday through Friday from 7:00 AM to 7:00 PM**, however, some night and weekend work may be necessary. This project is expected to be completed in **Summer 2022**. For additional information, please view the City of Fort Myers website at www.CFM2way.com.

Irby Construction will be working in Fort Myers (ROW2019-00456): They will be replacing poles for the power lines for FPL beginning **Thursday, July 7, 2022 and continue through October 7, 2022**, working between the hours of **9:00 AM and 3:30 PM** with Scotts providing the maintenance of traffic services. They can be contacted at (844) 417-2688. The work will be performed at the following three locations:

- Westbound lane closure on Crystal Drive from Fordham Street to 2351 Crystal Drive, Fort Myers. Locations 46 – 67.
- Westbound lane of Chandler Avenue from Dartmouth Street to Chatham Street. Locations 87 – 97.
- Westbound lane of Chandler Avenue from Beacon Street to Austin Street. Locations 100 – 106. The supervisor in charge is one Jonathan Bryant he can be reached at (863) 268-3941 or his email jbryan@irbyconstruction.com.

Bonita Beach Road and Hunters Ridge Boulevard: Lee County DOT, along with their contractor Bonness Inc., will be working on the median installing new curb, milling and pavement. The project will begin on **Tuesday, July 5, 2022** and will be complete by **Friday, August 19, 2022**, during the hours of **9:00 AM and 3:30 PM**. Motorists are urged to use extra caution in this area. Please contact Jessy Bryan, General Superintendent at (239) 253-4573 or email JBryan@bonnessinc.com, or Juan Godinez, Concrete Superintendent at (239) 253-4353 or email jgodinez@bonnessinc.com.

Bonita Beach Road SW @ Imperial Shores – Bonita Springs (ROW 2022-00816): Andrew Sitework LLC will be performing construction on Imperial Shores Blvd **starting July 26, 2022** from Bonita Beach Road to Tarpon Avenue. Work will consist of new water main on the west side of Imperial Shores followed by new drainage pipe & structures, sidewalks, curb & gutter, roadway rebuilding on the east side of Imperial Shores. A detour will be in place that will turn Imperial Shores Boulevard into a one-lane road allowing southbound travel only. Traffic will utilize Imperial River Road to travel north, Tarpon Avenue west back to Imperial Shores to travel south. The initial detour closing the west side will be in place **from July 26, 2022 until approximately October 19, 2022**. SB traffic will then be shifted to allow closure of the east side of the road and will be in place from approximately **October 20, 2022 until approximately March 1, 2023**.

Coon Road at Donald Road - Fort Myers (ROW2021-00644): Mitchell & Stark Construction Co Inc. will be performing roadway and sidewalk improvements **beginning Wednesday, July 27, 2022 and continue through September 30, 2022**. Asphalt pavement, concrete sidewalk, and drainage improvements will be performed. Coon Road starting South of Donald Road will be subject to one lane road between the hours of **9:00 AM and 3:30 PM** on weekdays. Advanced warning signs and flaggers will be used. For further information, please contact Mitchell Penner at (239) 597-2165 or mpenner@mitchellstark.com. We will provide maintenance of traffic services.

Treeline Avenue-Fort Myers (ROW2022-00645): The proposed work will be done in the west ROW between Integrity Trail and Silver Ridge Boulevard. The work being performed will be directional boring. The start date will begin on **Monday, August 1, 2022 and continue through Wednesday, August 31, 2022**. The outside right lane of southbound traffic on Treeline Avenue will be subject to lane closures between the hours of **9:00 AM and 3:30 PM**. The sections of the road that are subject to closure will be a single short section each day, to impede traffic as minimal as possible. For further information, Please contact Josh Mobley at (863) 677-4748 or floridadrilling@gmail.com. Road Safe Traffic Systems will provide maintenance of traffic services (305) 633-3883.

Sunshine Blvd and 25th St W., North to Queen Drive (ROW2021-00683) FPL WR 9772938: Davco Electrical Contractors, will be installing 6" inch bore pipe and feeder cable for Florida Power & Light. Work will begin on **August 2, 2022 and completed by October 3, 2022**. The boring will take place in the evening from **9:00 PM- 6:00 AM** and once the bore in cable pulling during the daytime **9:00 AM- 3:30 PM**. There will be some **lane closures in parts of the west side of Sunshine Blvd**, and

W.D Wright Contracting will be providing all the needed MOT. The contact person will be Matt Prim- Foreman of the job and his contact number is (561) 402-2768.

Summerlin Road – Force Main & Reuse Main Improvements. (ROW2022-00185): Andrew Sitework LLC is performing underground utility installation and associated incidental work items along **Summerlin Road between Bass Road and John Morris Road** and surrounding areas as follows:

- Ditch grading and sod installation continues on the north side of Summerlin from Bass Road to approximately 1.5 miles east. Drivers can anticipate occasional right lane closures between **9:00AM and 4:00PM**. Work is anticipated to be complete in this area by **September 30, 2022**.
- Installation of force main and sidewalk replacement on the south side of Summerlin from San Carlos to Pine Ridge continues. Drivers can anticipate right lane closures between **9:00 AM and 4:00 PM**. Work is anticipated to be complete in this area by **September 30, 2022**.
- Starting **August 4, 2022** there will be a sidewalk closure on the south side of **Summerlin from Agua Lane to San Carlos** while crews complete installation of force main behind the sidewalk. In addition to the sidewalk closure, drivers can anticipate daily right lane closures between **9:00AM and 4:00 PM**.
- Starting **August 4, 2022 through September 30, 2022**, a detour will be in place on Frontage road from **Pine Ridge that will turn Frontage Road into a one way. This will include a 3-5 day closure of Pine Ridge at Summerlin Square Drive**. Drivers are advised to follow detour signs in this area and use caution.
- Installation of irrigation continues on the south side of **Summerlin from John Morris to Agua Lane**. Starting **August 4, 2022 through September 30, 2022**, drivers can anticipate right lane closures in this area from **9:00 AM to 4:00 PM** while crews reinstall the landscaping in this area.

Sunshine Boulevard from Queen Drive N. to Olive Avenue to the FPL Pole (ROW2021-00961) FPL WR 9773193: Davco Electrical Contractors, will be installing 6" Inch bore pipe and feeder cable for Florida Power & Light. Work will begin on **August 2, 2022 and completed by October 3, 2022**. The boring will take place in the evening from **9:00 PM- 6:00 AM** and once the bore in cable pulling during the daytime **9:00 AM- 3:30 PM**. There will be some lane closures in parts of the west side of Sunshine Blvd, and W.D Wright Contracting will be providing all the needed MOT. The contact person will be Matt Prim- Foreman of the job. Contact number is 561-402-2768.

Cemetery Road & Buckingham Road: Lee County DOT, along with their contractor Bonness Inc., will be working on building a turn lane. The project will begin on **Monday, July 25, 2022** and will be **complete by Thursday, August 25, 2022**, during the hours of **9:00 AM and 3:30 PM**. Motorists are urged to use extra caution in this area. Please contact Jessie Bryan, General Superintendent at (239) 253-

4573 or email JBryan@bonnessinc.com, or Juan Godinez, Concrete Superintendent at (239) 253-4353 or email jgodinez@bonnessinc.com.

Neighborhood CIPP Project Matlacha - Lee County DOT and their contractor Hinterland Group will begin pipe lining activities on **Island Avenue** and adjacent roads in that neighborhood and **Sapodilla Lane** in Saint James **August 1, 2022**. During the work processes, men and equipment may be in the roadway. Therefore, motorists and pedestrians are urged to use extra caution.
