**Roadwatch Update
June 10 – June 16, 2021**

Sunshine Boulevard and 8th Street SW, Lehigh: Lee County DOT, along with their contractor Cougar Construction, LLC, will begin reconstruction of the Sunshine Boulevard and 8th Street SW intersection. During construction, motorists should expect delays when work is active.

Daytime lane closures will occur on Friday, June 11, at 8:00 a.m. through 5:00 p.m. and nighttime lane closures on Friday, June 18, at 7:00 p.m. through 5:00 a.m. Drivers and pedestrians should use extra caution in this area. This project includes roadway construction, drainage, utilities, signing and pavement markings, improved signalization, and lighting. The project began on Monday, November 2, 2020 and is estimated to be **completed by August 2021**. For further questions, please call Dustin Spears, HighSpans Engineering, at (239) 433-3000.

Alico Road, from Jean Street to US 41, Fort Myers (ROW2020-00412): Pike Electric will be replacing utility poles **beginning Wednesday, June 23, 2021, and continuing through Friday, July 30, 2021**. Work will include pulling out old utility poles and replacing them with new poles, wires and transformers. Motorists are urged to use caution in the work area. There will be periodic lane closures in the westbound and eastbound lanes of Alico Road between the hours of 7 p.m. and 6 a.m. on weekdays. Area Wide Protective of Fort Myers will provide maintenance of traffic services. For further information, please contact Samuel Bell at (239) 240-9410 or sambell@awptraffic.com; or 1-800-343-2650 Area Wide Protective call center.

Bonita Beach Road, from US 41 to Spanish Wells, Bonita Springs: A contractor will be performing a milling and paving operation on Bonita Beach Road, from US 41 to Spanish Wells, starting **Sunday, June 6 through Thursday, June 10, 2021**. There will be nighttime lane closures from 7 p.m. to 6 a.m. Motorists are urged to use caution and watch out for workers

and equipment. Expect uneven pavement. For further information, please call Dirk Danley, Lee County DOT, at (239) 533-9305.

Bonita Grande Drive (27865), Bonita Springs (ROW2021-00236): Utility Lines Construction will be changing out a power pole for FPL on **Tuesday, June 22, 2021**. The northbound lane near 27865 Bonita Grande Drive will be subject to lane closure from 8 a.m. until 3 p.m.; all work will be completed the same day. Scott's Safety, (239) 340-8697, will provide flaggers to assist with traffic control. For further information, please contact Nathan Harrison at nharrison1@utilservllc.com.

Lee Blvd at Gunnery Road, Fort Myers: Stevens & Layton and Russ Berner Construction will be making intersection improvements on Lee Blvd at Gunnery Road. Work will include extending the length of left turns onto Gunnery Road from Lee Blvd. The project is expected to begin on **Sunday, June 20, 2021, and be completed by September 17, 2021**. This project will include intermittent nighttime lane closures for east and westbound Lee Blvd from 7 p.m. to 5 a.m. Motorists should use extra caution in this area during the referenced times and dates. For further information, please call Lou Seroo, Lee County DOT, at (239) 533-9300.

Lee Boulevard and Lee Street: Lee County DOT, along with their contractor Highway Safety Devices, will be installing a new traffic signal at Lee Boulevard and Lee Street. This project includes widening the northbound approach of Lee Street, sidewalk improvements, improved signalization, lighting, and signing and pavement markings. **There will be intermittent nighttime lane closures on Lee Boulevard on Thursday, June 10, through Wednesday, June 16, 2021 from 7:00 PM to 6:00 AM.** The project began on Monday, January 11, 2021 and is estimated to be completed by August 2021. Motorists and pedestrians are urged to use extra caution in this area. For further information, please contact Ryan Kirsch at (239) 896-8074.

Matlacha Park / Boat Ramp: Lee County will have a contractor milling and paving the entrance to Matlacha Park / Boat Ramp on **Sunday, June 13, 2021**, from 9:00 p.m. to 5:00 a.m. During this time, the park will be closed. Motorists should use caution in this area and be aware of signage. Weather may effect start times and dates. For further information, please contact Dirk Danley at (239) 533-9305.

Pine Island Road, between Matlacha and Pine Island: A contractor will be milling and paving Pine Island Road between Matlacha and Pine Island starting **Monday, June 21, 2021 thru Sunday, June 27, 2021** from 7:00 pm to 6:00 am. Motorists should use caution, as there will be lane closures and uneven pavement in this area. Please be aware of signage in this area. Weather may affect start times and dates. For further information, please contact Dirk Danley (239) 533-9305.

San Carlos Blvd, Fort Myers (ROW2020-00780): A+ Environmental Restoration, LLC will be performing shoulder work, installing utility light poles beginning **Tuesday, June 8, 2021 and continuing through Monday, June 14, 2021 (weekdays only)** at the following locations:

- Loc. 1: south lane of San Carlos Blvd between the intersections of San Carlos Blvd & Hawthorne Road and San Carlos Blvd & Oriole Road.
- Loc. 2: south lane of San Carlos Blvd between the intersections of San Carlos Blvd & Birch Road and San Carlos Blvd & Pine Drive.
- Loc. 3: north lane of San Carlos Blvd at the intersection of San Carlos Blvd & Orlando Road
- Loc. 4: west lane at the intersections of Robin Road & Spruce Drive East.

Periodic lane closures for all locations will occur between the hours of 9:00 a.m. and 3:30 p.m. on weekdays. For further information, please contact Bryant Hall at (863) 444-6270 or bryant@aperllc.com. A+ Environmental Restoration, LLC will provide maintenance of traffic services - (863) 444-6270.

Striping Maintenance: Lee County DOT will be performing a moving operation with traffic delays on **6-10-21 through 6-16-21** between the hours of 9:00 a.m. to 4:00 p.m. (weather permitting) on the following roadways:

Daniels Parkway	Plantation Road
-----------------	-----------------

Intersection Markings: Intermittent lane closures and delays are possible on **6-10-21 through 6-16-21** between the hours of 9:00 a.m. to 4:00 p.m. (weather permitting) on the following roadways:

Cypress Lake Drive	Lee Boulevard
--------------------	---------------

For further information, please call Randy Hart at (239) 533-9500.

Summerlin Road, between San Carlos Blvd overpass to John Morris Road: A contractor will be milling and paving Summerlin Road between the San Carlos Blvd overpass to John Morris Road. Work will begin on **Sunday, June 13, 2021, and continue through Thursday, June 17, 2021**. There will be nightly lane closures from 7 p.m. to 6 a.m. Motorists are urged to use caution in the work area. For further information, please contact Dirk Danley at (239) 533-9305.

Summerlin Road, from Kelly Road to McGregor Blvd: A contractor will be milling and paving Summerlin Road, from Kelly Road to McGregor Blvd. Work will begin on **Sunday,**

June 13, 2021, and continue through Thursday, June 17, 2021. There will be nightly lane closures from 7 p.m. to 6 a.m. Motorists are urged to use caution in the work area. For further information, please contact Dirk Danley at (239) 533-9305.

Sunshine Boulevard and 8th Street SW, Lehigh: Lee County DOT, along with their contractor Cougar Construction, LLC, will begin reconstruction of the Sunshine Boulevard and 8th Street SW intersection. During construction, motorists should expect delays when work is active. Drivers and pedestrians should use extra caution in this area. This project includes roadway construction, drainage, utilities, signing and pavement markings, improved signalization, and lighting. **Daytime and nighttime lane closures will occur beginning Friday, June 11, at 8 a.m. through Sunday, June 12, at 5 p.m.** The project began on Monday, November 2, 2020 and is estimated to be **completed by August 2021.** For further questions, please call Dustin Spears, HighSpans Engineering, at (239) 433-3000.

Treeline Avenue South, Fort Myers: A contractor will begin milling and paving Treeline Avenue South between Terminal Access Road and Daniels Parkway starting **Sunday, June 6, through Friday, June 18, 2021,** from 7 p.m. to 6 a.m. Motorists should use caution as there will be lane closures and uneven pavement in this area. Please be aware of signage in this area. Weather may affect start times and dates. For further information, please contact Dirk Danley at (239) 533-9305.

Wildcat Run Drive, to Corkscrew Road, Fort Myers (ROW2019-00214): Pike Electric will be pulling out old utility poles for Florida Power & Light (FPL) and replacing them with new poles, wiring, and transformers. Work will **begin on Friday, June 18, and continue through Friday, August 27, 2021.** There will be lane closures from 9 a.m. to 4 p.m. weekdays on Wildcat Run Drive. Area Wide Protective will provide maintenance of traffic services. Flaggers will be on site to assist with traffic control. For further information, please contact Samuel Bell at (239) 240-9410, or sambell@awptraffic.com, or 1-800-343-2650 Area Wide Protective call center

1. Road Work/Maintenance/Improvements:

Alico Road Widening from Ben Hill Griffin Parkway to west of Airport Haul Road - Construction Project: This project consists of widening Alico Road to four lanes. The project also includes medians and multi-use paths.

- Expect westbound outside lane closures on **Friday, June 18.**
- Expect large vehicles entering and exiting Alico Road. Motorists should use caution in the area.
- Expect intermittent lane closures on Alico Road.

The contractor is Tomahawk Construction. The project cost is \$18 million. The project is expected to be completed by **late spring 2021**. For further questions, please contact Kris Cella at (239) 337-1071 or KCella@cella.cc.

Arroyal Road and Bonita Beach Road (ROW2019-00160): Pike Electric will be pulling out old utility poles and replacing them with new poles, wiring and transformers, beginning Monday, May 10, and **continuing through June 28, 2021**. Periodic lane closures of the westbound lanes of Bonita Beach Road will occur between the hours of 9:00 p.m. and 6:00 a.m. on weekdays. Area Wide Protective of Fort Myers will provide maintenance of traffic services. For further information, please contact Samuel Bell at (239) 240-9410 or sambell@awptraffic.com; or 1-800-343-2650 Area Wide Protective call center.

Burnt Store Road from Tropicana Parkway to Pine Island Road: Construction Project: This project consists of widening Burnt Store Road to four lanes. The project also includes construction of a new bridge over Shadroge Canal, drainage installation, and lighting. Motorists should expect intermittent northbound and southbound lane closures during nighttime/overnight hours, weather permitting. Motorists should use caution while driving in the area. This south segment from Tropicana Parkway to Pine Island Road costs \$13.6 million. The contractor is Wright Construction. The project is expected to be completed by late fall 2023. For further questions, please contact Lisa Macias at (239) 337-1071.

- Motorists should expect intermittent side road closures throughout the duration of the project.
- Motorists should expect intermittent traffic shifts through early June 2021.

Caloosa Road and Oriole Road, Fort Myers (ROW2021-00016): Irby Construction will be replacing poles on Caloosa Road, between Phlox Drive and Oriole Road, and on Oriole Road, between San Carlos Blvd and Pennsylvania Blvd, for Florida Power & Light (FPL) beginning Monday, April 19, and **continuing through July 30, 2021**. The westbound lane of Caloosa Road and northbound lane of Oriole Road will be subject to periodic lane closures between 9:00 a.m. and 4:00 p.m. weekdays. For further questions, please contact Earl Gaskins at (863) 781-8215 or Hgaskins@irbyconstruction.com. Scotts Safety will be providing all maintenance of traffic service for this project; call (844) 417-2688 with any questions.

Corkscrew Road at Alico Road to 6L's farm road, Estero (ROW2019-00807): Utility Line Construction Services will be replacing old FPL utility poles with new poles and wiring. Work will begin on Monday, May 31 and **continue through Friday, June 18, 2021**. There will be lane closures in the eastbound lane of Corkscrew Road during the hours of 9 a.m. to 3:30 p.m. Scott's Safety will have flaggers on site to assist with traffic control. Motorists are urged to use

caution in the work area. For further information, please contact Marcos Cardona at mcardona@UtilServLLC.com or call Clint Scott, Scott's Safety, at (239) 340-8697.

Corkscrew Road Widening Project – Phase I Construction Project: The project widens Corkscrew Road to six lanes from Ben Hill Griffin Parkway to Fire House Lane, and to four lanes from Fire House Lane to Bella Terra Boulevard. The project includes adding on-road bike lanes, some sidewalk, and new drainage. A wildlife crossing will be incorporated with the construction of the roadway, just west of Bella Terra Boulevard. Once the project is completed, the Village of Estero will be installing shared use paths, lighting, and landscaping. **Currently crews are working in the median between Ben Hill Griffin Parkway and Wildcat Run. Traffic is shifted in the intersection, and to the outside of Corkscrew Road. Drivers are urged to use caution and be aware of a new traffic pattern.**

- **On Friday, June 11, motorists should continue to expect a portion of the westbound to northbound turn lane on Corkscrew Road to Ben Hill Griffin Parkway closed during daytime hours. Drivers will still be able to make the turn to northbound Ben Hill Griffin Parkway during this work, but the majority of the turn lane will be closed.**

Crews will also continue installing curb and drainage, and relocating utilities. Please use caution and watch for workers and construction vehicles entering and leaving the roadway. **Estimated completion is fall 2023.** Project cost is approximately \$23 M. The contractor is Cougar Contracting, LLC. For further questions, please visit the project website at www.corkscrewroadwidening.com or contact Jennifer Dorning by email at Jennifer.Dorning@atkinsglobal.com or by phone at (239) 338-7723.

Lee County RWA – June 2, 2021

Estero Boulevard Construction – reFRESH Estero Boulevard/Waterlines – Strandview Avenue to the south end of the island.

Contractors for Fort Myers Beach and Lee County are installing new water main, and sanitary sewer force main, storm drainage, sidewalk, and rebuilding roadway on Estero Boulevard from Strandview Avenue to the south end of the Island. **Motorists may experience daytime and nighttime intermittent one-lane traffic on Estero Boulevard. Flaggers will alternate traffic frequently, but motorists should expect delays.** Motorists may experience momentary delays while crews move materials for the construction activities. Crews are expected to work Monday through Friday and most Saturdays.

Albatross Street to south of Santini Plaza – North and southbound traffic is shifted to the bay side while crews work on the beach side.

South of Santini Plaza to the south end of the island - North and southbound traffic is shifted to the beach side while crews work on the bay side.

This schedule may be subject to change due to inclement weather and unforeseen underground conditions. For further questions, please contact Cella Molnar & Associates at (239) 337-1071.

Gateway Boulevard/Commerce Lakes Drive, Fort Myers: Lee County DOT, along with their contractor Wright Construction Group, are working on reconstruction of the Gateway Boulevard and Commerce Lakes Drive intersection. **The west leg of Commerce Lakes Drive, from Westlinks Drive to Gateway Boulevard, will be closed to thru traffic from Monday, May 24 to Monday, June 21, 2021. Please seek an alternate route.** This project includes roadway construction, drainage, utilities, signing and pavement markings, and lighting. The project began on Tuesday, November 10, 2020 and **is expected to be completed by November 2021.** During construction, motorists should expect delays when work is active. Drivers and pedestrians should use extra caution in this area. If you would like more information about the project, please visit www.GatewayRoundabouts.com or contact Kris Cella at (239) 337-1071 or KCella@cella.cc.

Hancock Bridge Parkway Improvements (Moody Road to US41), N. Fort Myers: Lee County DOT, along with their contractor Wright Construction Group, are working on improvements along Hancock Bridge Parkway. This project includes roadway construction, drainage, utilities, and signing and pavement markings. The project began on January 6, 2021 and is **expected to be completed by September 2021.** During construction, motorists should expect delays when work is active. Drivers and pedestrians should use extra caution in this area. For further information, please call Eli Enders, HighSpans Engineering, at (239) 292-6865.

Hancock Bridge Parkway Improvements (NE 16th Place to SE 24th Avenue), Cape Coral: Lee County DOT, along with their contractor Andrew Site Work, are working on improvements along Hancock Bridge Parkway. This project includes roadway construction, drainage, utilities, and signing and pavement markings. The project began on Tuesday, January 19, 2021 and **is expected to be completed by September 2021.** During construction, motorists should expect delays when work is active. Drivers and pedestrians should use extra caution in this area. For further questions, please call Steve Fort at (239) 533-9300.

Island Park Road, from Lake Front Drive to US 41, Fort Myers (ROW2020-00852): Pike Electric will be pulling out old utility poles for Florida Power & Light (FPL) and replacing them with new poles, wiring, and transformers. Work began on Monday, June 7, and **will continue through Friday, August 13, 2021.** There will be lane closures from 9 a.m. to 3:30 p.m. weekdays on Island Park Road and Lake Front Drive. Area Wide Protective will provide maintenance of traffic services. Flaggers will be on site to assist with traffic control. For further information, please contact Samuel Bell at (239) 240-9410, or sambell@awptraffic.com, or 1-800-343-2650 Area Wide Protective call center.

McGregor Blvd (SR-867), Fort Myers (ROW2021-00006): Pike Electric will be pulling out old utility poles and replacing them with new poles, wiring and transformers, and setting anchors, beginning Monday, May 3, 2021 and **continuing through Sunday, July 11, 2021.** Periodic lane closures for southbound and northbound traffic lanes on Pine Ridge Road and McGregor Blvd will occur between the hours of 9:00 a.m. and 4:00 p.m. on weekdays. Motorists are urged to use caution in the work area. Area Wide Protective of Fort Myers Florida will provide maintenance of traffic services. For further information, please contact Samuel Bell at (239) 240-9410 or sambell@awptraffic.com; or 1-800-343-2650 Area Wide Protective call center.

McGregor Blvd and Griffin Blvd, Fort Myers (ROW2020-00554): Pike Electric will be pulling out old utility poles and replacing them with new poles, wiring and transformers, and setting anchors, beginning Friday, May 7, 2021 and **continuing through June 25, 2021.** Griffin Blvd and McGregor Blvd will be subject to periodic lane closures between the hours of 8:00 a.m. and 4:00 p.m. on weekdays. Motorists are urged to use caution in the work area. Area Wide Protective of Fort Myers Florida will provide maintenance of traffic services. For further information, please contact Samuel Bell at (239) 240-9410 or sambell@awptraffic.com; or 1-800-343-2650 Area Wide Protective call center.

Lee County RWA – June 9, 2021

McGregor - Tanglewood Force Main Replacement

Contractors for Lee County will be installing new sanitary sewer force main along the east side of McGregor Boulevard beginning just south of Whiskey Creek Drive. Crews will continue north on McGregor Boulevard to the north side of Whiskey Creek Drive and north on the west side of Greenbriar Drive, then east along the north side of Tanglewood Parkway/Manchester Boulevard until reaching the Tanglewood Elementary School. This project is expected to be completed in summer 2021.

Tuesday, June 15 through Friday, June 18, crews will be mobilizing, milling, and paving in the following locations:

Roadwatch Report

June 10 – June 16, 2021

Motorists - Please use caution when traveling in work zone areas

- Whiskey Creek Drive at the McGregor Boulevard intersection and to Greenbriar Drive
- Greenbriar Drive from Whiskey Creek Drive to 5263 Greenbriar Dr.
- Tanglewood Parkway at the Greenbriar Drive intersection
- Fairfield Drive at the Tanglewood Parkway intersection
- Westminster Drive at the Tanglewood Parkway intersection
- Tanglewood Parkway/Manchester Boulevard at Covington Circle W.

Motorists should expect lane closures, detours, and the use of flagging operations during these activities. Residents may need to access your property from a different direction and may experience short-term delays as crews perform the work accordingly. Drivers, pedestrians and bicyclists should use caution and be aware of construction equipment and vehicles entering/exiting streets in the project area.

This schedule may be subject to change due to inclement weather and unforeseen underground conditions. For more project information or assistance with alternate routes, please contact the City's public information consultant, Cella Molnar & Associates, Inc. at (239) 337-1071 or via e-mail to thayden@cella.cc.

Orange River Boulevard, Fort Myers (ROW2020-00661): Irby Construction will be replacing power poles on the north side of Orange River Boulevard between Staley Road and Sabal Lane for Florida Power & Light (FPL). Work began on Wednesday, April 14, and **will continue through Monday, June 14, 2021**. The westbound lane will be subject to periodic lane closures between 9:00 a.m. and 4:00 p.m. weekdays. For further questions, please contact Earl Gaskins at (863) 781-8215 or Hgaskins@irbyconstruction.com. Scotts Safety will provide all traffic control for this project, call (844) 417-2688 with any questions.

Phlox Drive, Wingfoot Drive, Missouri Road, New Jersey Blvd, Fort Myers (ROW2020-00494): Irby Construction will be replacing poles for Florida Power & Light (FPL) at the following locations: Phlox Drive (between Alico Road and Winged Foot Drive), Wingfoot Drive (between Phlox Drive and Missouri Road), Missouri Road (between Wingfoot Drive and New Jersey Boulevard), and New Jersey Blvd (between Missouri Road and Phlox Drive.) Work will begin Monday, April 19, and **continue through July 30, 2021**. The southbound lane of Phlox Drive, westbound lane of Winged Foot Road, and southbound lane of Missouri Road will be subject to periodic lane closures between 9:00 a.m. and 4:00 p.m. weekdays. For further information, please contact Earl Gaskins at Hgaskins@irbyconstruction.com or (863) 781-8215. Scotts Safety will be providing all maintenance of traffic services for this project; call (844) 417-2688 with any questions.

Pine Island Road (5100), Bokeelia (ROW2021-00121): Cougar Contracting LLC, will be performing utility and roadway improvements beginning Tuesday, April 27, and continuing **through Friday, August 6, 2021.** Work will include adding a turn lane, utility and drainage improvements, asphalt pavement, concrete sidewalk, and concrete curbing improvements. The north (westbound) lane and south (eastbound) lane of traffic on Pine Island Road, starting from 300 ft. east of Betsy Pkwy, to 1,200 ft. east of Betsy Pkwy (total of 900 ft.) will be subject to lane closures. Periodic lane closures for eastbound and westbound lanes will occur between the hours of 9:00 a.m. and 3:00 p.m. on weekdays. For further information, please contact Brent Harrison, General Utility Superintendent at (239) 565-7752, brent@cougarcontractingllc.com or Project Manager, Tony Weiler at (239) 410-3899, tony@cougarcontractingllc.com. Traffic control and maintenance of traffic services will be provided by Bob's Barricades, (239) 656-1183.

Pine Ridge Road, Fort Myers (ROW2020-00415): Pike Electric will be performing maintenance on the power line running down the eastside of Pine Ridge Road from San Carlos Blvd to Gulf Reflections Drive. There will be periodic lane closures on Pine Ridge Road starting at 9 a.m. and ending at 3 p.m. Work will **begin on Friday, May 21, 2021** and continue for two months (weather permitting). FPL will have flaggers and will be using AWP to handle all required MOT for traffic control. For further information, please call Brian Williams, Pike Electric, at (239) 225-8037.

Plantation Road between Colonial Blvd & Idlewild Street, Fort Myers (ROW2021-00076): Mitchell & Stark will be performing roadway improvements, including installing a driveway access to the cell tower on Metro Parkway. Work will begin Monday, May 24, 2021 and continue **through Friday, June 11, 2021,** to put down base rock and pave the new access road/driveway. The outside through-lane for southbound traffic on Plantation Road will be subject to periodic lane closures between the hours of 9:30 a.m. and 3:00 p.m. on weekdays. For further information, please contact Chris Anderson at (239) 597-2165 or via e-mail at Canderson@mitchellstark.com. Mitchell & Stark Construction Co. Inc. will provide maintenance of traffic services.

Stringfellow Road Shared Use Path, Pine Island: Construction Project: The project constructs a ten-foot wide asphalt pathway along the east side of Stringfellow Road, from 8th Avenue to York Road. The project also includes adding drainage improvements along the roadway, and repairing sidewalk on the bridge south of York Road. **The contractor has placed asphalt for the pathway and asphalt driveways. Over the next week, crews are scheduled to complete concrete driveways and continue to work on the bridge just south of York Road.** Motorists should expect slight delays for a flagging operation to allow crews to work in the travel lanes when necessary. Please use caution and watch for construction vehicles entering

and leaving the roadway. **Estimated completion is fall 2021.** Project cost is approximately \$1.05 M. The contractor is Cougar Contracting, LLC. For further questions, please contact Jennifer Dorning by email at Jennifer.Dorning@atkinsglobal.com or by phone at (239) 338-7723.

Treeline Avenue: Lee County Department of Transportation will be conducting a sidewalk repair project starting on Wednesday, May 19, and **continuing through July 31, 2021.** Work will be conducted in daylight hours from 8:30 a.m. to 5:00 p.m. There will be intermittent lane closures throughout the day. Any questions or concerns with this project, please contact Joey Wilson at (239) 533-9400.

US 41/Cleveland Avenue from Winkler Avenue to SR 82/Dr. Martin Luther King Jr. Boulevard: Construction project: Crews will be installing and relocating utilities and constructing medians on US 41/Cleveland Avenue from Winkler Avenue to SR 82.

- **Motorists should expect Hanson Street as a right-in/right-out only travel pattern on the west side of US 41/Cleveland Avenue.**
- **Motorists should expect Hanson Street as a right-in/right-out only travel pattern on the east side of US 41/Cleveland Avenue.**
- **Motorists should expect Linhart Avenue closed on the west side of US 41/Cleveland Avenue.**
- **Motorists should expect side road closures from Winkler Avenue to Victoria Avenue throughout the duration of the project.**
- **Motorists should expect intermittent northbound and southbound lane closures and detours on US 41/Cleveland Avenue during daytime and nighttime/overnight hours Monday through Friday throughout the duration of the project, weather permitting.**

Additional work includes installing drainage structures, pedestrian signals, upgrading signals and lighting, and resurfacing existing highway. The project will be constructed in three segments. Each segment will have the majority of construction completed prior to moving to the next segment. Construction will begin on the first segment from Winkler Avenue to Carrell Road. Crews will work on the west side of the road initially and when that work is completed, they will shift to the east side of Cleveland Avenue/US 41. The expected project completion date is the summer 2022. The Contractor is Ajax Paving Industries of Florida, LLC.

For further questions, contact Kris Cella, Cella Molnar & Associates, at (239) 337-1071.

2. Landscaping

Del Prado Blvd.: Lee County DOT will be trimming trees on the west ROW of Del Prado Blvd., southbound between Everest Parkway and SE 27th Street, mostly in front of St. Andrew's Church. Lane closures will occur and motorists should use caution as workers, and equipment will be present. Work is scheduled for the week beginning **Monday, June 7, and should be completed by June 17, 2021**. For further information, please call Bob DeBrock at (239) 533-9425.

Harper Road: Lee County DOT will be trimming trees on Harper Road between US 41 and Halifax Avenue. Lane closures will occur and motorists should use caution as workers, and equipment will be present. Work is scheduled for the week beginning **Monday, June 14, and should be completed by Thursday, June 17, 2021**. For further information, please call Bob DeBrock at (239) 533-9425.

3. Bridge Repairs

Matlacha Boat Ramp Bridge #124083: Lee County DOT will be making deck repairs to bridge #124083 at the Matlacha boat ramp. The job is scheduled for **Monday, June 7, to Thursday, June 10, 2021**. There will be lane closures controlled by a flagging operation from 8:00 a.m. to 4:00 p.m. If you have any questions, please contact Carlos Hernandez at (239) 533-9429.
