Roadwatch Update
May 19, 2022 – May 25, 2022

1. Road Work/Maintenance/Improvement

Striping Maintenance: Lee County DOT will be performing a moving operation with traffic delays on **5-19-22 through 5-25-22** between the hours of 9:00 a.m. to 4:00 p.m. (weather permitting) on the following roadways:

Nalle Grade Rd	Park Rd
Enterprise Pkwy	Unice Ave N
Corporation Cir	12 th St W
Nuna Ave	Sara Ave N
Buckingham Rd	Sunniland Blvd
Alvin Ave	Sunshine Blvd
Abrams Blvd	W 17 th St
Centennial Blvd	E 17 th St
Gunnery Rd	E 14 th St
Sunset Rd	W 14 th St

Intersection Markings: Intermittent lane closures and delays are possible on **5-19-22 through 5-25-22** between the hours of 9:00 a.m. to 4:00 p.m. (weather permitting) on the following roadways:

College Pkwy	Burnt Store Rd @ Tropicana Pkwy W
Estero Blvd	

Night Work Scheduled for Thursday 5-19-22: LCDOT Traffic will be refreshing the pavement markings along Boy Scout Dr on Thursday 5-19-22 between the hours of 8:00 p.m. to 4:00 a.m. (weather permitting). Intermittent lane closures and delays are expected.

Winkler Road, Fort Myers (ROW2020-00484): Mastec Utility Services will be working for FPL installing new poles and transferring underground lines from old poles to new poles beginning on **Monday, November 29, 2021 and continuing through June 2022.** Work will take place from **9:00 AM to 3:00 PM** and some nighttime work may be included. There will be no lane closures; however, Mastec will be setting down mats to get bucket trucks to the poles. For further information, please contact Joelle Hammesfahr at (813) 415-8589.

Burnt Store Road from Tropicana Parkway to Pine Island Road: Construction Project: This project consists of widening Burnt Store Road to four lanes. The project also includes construction of a new bridge over Shadroe Canal, drainage installation, and lighting. Motorists should expect intermittent northbound and southbound lane closures during nighttime/overnight hours, weather permitting. Motorists should use caution while driving in the area. This south segment from Tropicana Parkway to Pine Island Road costs \$13.6 million. The contractor is Wright Construction. Crews will be conducting a 24-hour maintenance burn-in period for the lighting through the end of **April 2022.** Motorists should expect intermittent side road closures throughout the duration of the project as well as intermittent traffic shifts. The project is expected to be **completed by Fall 2022.** For further questions, please contact Kris Cella at (239) 337-1071.

Corkscrew Road Widening Project – Phase I Construction Project: The project widens Corkscrew Road to six lanes from Ben Hill Griffin Parkway to Fire House Lane, and to four lanes from Fire House Lane to Bella Terra Boulevard. The project includes adding on-road bike lanes, some sidewalk, installing new drainage, and constructing a wildlife crossing approximately 1000 feet west of the entrance to Cypress Shadows Boulevard. This crossing will coincide with a regional flow-way that crosses Corkscrew Road at that location. Once the project is completed, the Village of Estero will be installing shared use paths, lighting, and landscaping. **Drivers, pedestrians, and bicyclists are urged**

to use extra caution when traveling through the work zone. Please be aware of shifts in travel lanes and bike lanes, sidewalk detours, miscellaneous turn lane closures, and uneven pavement throughout the project.

Corkscrew motorists should expect slower than usual traffic when approaching The Preserve and Wild Blue as work is occurring in the communities' entrances.

The following work activities are scheduled to occur, weather permitting.

- **Beginning Monday, May 23**, the contractor will begin underground work in the driveway of **The Preserve at Corkscrew (Cypress Shadows Boulevard)**. Crews will first work in the entrance and the exit will be open to two-way travel. Once this work is complete, the contractor will move to work in the exit and both directions of travel will use the entrance. **This work is expected to be completed Friday, June 3**. The detour will remain in place through the Memorial Day holiday.
- Motorists using **Wild Blue Boulevard** should expect crews working underground in the entrance to Wild Blue. **Currently crews have the inbound driveway closed and the exit is open to two-way travel**. Once the contractor completes this work in the entrance, they will switch traffic to the entrance and move to work in the exit. This work is anticipated to be completed the week of May 23.
- From **Thursday, May 19 through Thursday, May 26**, from 9 a.m. to 5 p.m., motorists should expect **the outside westbound through lane from Grande Oak Way to just east of the driveway to Grande Oak Shoppes closed** for crews to place limerock. This closure includes the westbound bike lane.
- On **Friday, May 20** during daytime hours, motorists should expect a **temporary, moving turn lane closures at the Ben Hill Griffin Parkway intersection** for signal work. Motorists should expect the westbound to northbound right turn lane closed first. Once work is completed in this area, crews will move work areas and close the southbound to westbound turn lane. Motorists will still be able to make right turns while this work occurs, however delays should be expected at this intersection during the closures.
- Crews continue **construction of the bridge/wildlife crossing** between Wild Blue Boulevard and The Preserve at Corkscrew that will allow animals to cross under Corkscrew Road, similar to the crossing just east of Alico Road. A 10-foot-high fence will be installed to funnel the wildlife to cross at this location. Currently crews are constructing box culverts near the bridge/crossing that convey water under the roadway. Motorists should be aware of vehicles entering/exiting the road in this area.
- Bicyclists should expect the bike lane from Stoneybrook Golf Drive to just east of Wildcat Run to be combined with the travel lane while crews work on the north side of the road.
- Crews continue work on the southern side of the Ben Hill Griffin Parkway/Corkscrew Road intersection. Please use caution as crews work near the roadway.

- Pedestrians must use the temporary walkway on the south side of Corkscrew Road from Ben Hill Griffin Parkway to Stoneybrook Golf Drive.
- Currently in the area between Wild Blue Boulevard and Cypress Shadows Boulevard (The Preserve at Corkscrew) vehicles are using temporary lanes on the north side of the road to allow crews to work on the south side of Corkscrew Road.
- Turn lanes are currently unavailable at Wild Blue Boulevard and Cypress Shadows Boulevard (The Preserve at Corkscrew).

Crews are installing curb, drainage, and sod, as well as performing earthwork, and relocating utilities. **MOTORISTS ARE REMINDED TO OBEY THE POSTED SPEED LIMIT.** Please use caution and watch for workers and construction vehicles entering and leaving the roadway. **Estimated completion is late 2023.** Project cost is approximately \$23 M. The contractor is Cougar Contracting, LLC. For further questions, please visit the project website at www.corkscrewroadwidening.com or contact Jennifer Dorning by email at Jennifer.Dorning@atkinsglobal.com or by phone at (239) 338-7723

Del Prado Boulevard & SE 47th Terrace, Cape Coral: Lee County DOT, along with their contractor American Infrastructure Services (AIS), will be installing a new traffic signal mast arm at Del Prado Boulevard and Southeast 47th Terrace. This project includes a new mast arm and removing two of the existing mast arms. Motorists and pedestrians are urged to use extra caution in this area. The project began **July 2021 and is estimated to be completed by June 2022.** For further information, please contact Ryan Kirsch at (239) 896-8074 or email LCDOTProjects@leegov.com

reFRESH Estero Boulevard/Waterlines – Albatross Street to the south end of the Island:

Contractors for Fort Myers Beach and Lee County are installing new water main, and sanitary sewer force main, storm drainage, sidewalk, and rebuilding roadway on Estero Boulevard from Albatross Street to the south end of the Island. Motorists may experience daytime and nighttime intermittent one-lane traffic on Estero Boulevard. Flaggers will alternate traffic frequently, but motorists should expect delays. Motorists may experience momentary delays while crews move materials for the construction activities. Crews are expected to work **Monday through Friday and most Saturdays.**

Albatross Street to the south end of the island. Motorists may experience daytime lane shifts on Estero Boulevard while crews complete punch list items. This schedule may be subject to change due to inclement weather. For further questions, please contact Cella Molnar & Associates at (239) 337-1071.

Sanibel Causeway Island “B” Shoreline Stabilization Project: Lee County’s contractor, Spectrum Contracting, Inc., is providing services to stabilize the shoreline on Island “B”. The project consists of clearing exotic vegetation along the shoreline, excavating some existing stone which will be reused,

placement of new beach sand, and construction of "T-Groins". Expect large vehicles entering and exiting the roadway. Drivers and pedestrians should use extra caution in this area. The project is expected to be complete in **Spring 2022**. For further information, please call Kris Cella, public information at (239) 337-1071

Caloosa Site Development Dollar General Store #23109 (ROW2022-00072) Caloosa Site Development, Inc. will be performing concrete sidewalk and other improvements beginning **Monday March 7, 2022 and continue through July 31, 2022**. The westbound lane of Palm Beach Boulevard (S.R. 80) at the corner of New York Drive will be affected. No lane closures are anticipated, although site work will be close to the outside travel lane. Motorist caution is advised when traveling through this area. For further information, please contact Dustin Tanner at Traffic Control Products of Florida at (239) 334-2525, who is providing maintenance of traffic services.

US 41/Cleveland Avenue from Winkler Avenue to SR 82/Dr. Martin Luther King Jr. Boulevard: Construction project: Crews will be installing and relocating utilities and constructing medians on US 41/Cleveland Avenue from Winkler Avenue to SR 82.

- **Expect Canal Street (both sides) closed at US 41/Cleveland Avenue.**
- **Motorists should expect side road closures from Winkler Avenue to Victoria Avenue throughout the duration of the project.**
- **Motorists should expect intermittent northbound and southbound lane closures and detours on US 41/Cleveland Avenue during daytime and nighttime/overnight hours Monday through Friday throughout the duration of the project.**

Additional work includes installing drainage structures, pedestrian signals, upgrading signals and lighting, and resurfacing existing highway. The project will be constructed in three segments. Each segment will have the majority of construction completed prior to moving to the next segment. Construction will begin on the first segment from Winkler Avenue to Carrell Road. Crews will work on the west side of the road initially and when that work is completed, they will shift to the east side of Cleveland Avenue/US 41. The expected project completion is spring 2023.

North Lee County Wellfield Expansion Phase IIIA Project – Fort Myers (ROW2022-00030):

- **Nalle Grade Road between Slater Road to Nalle Road - RPU is installing a Raw Water Main and Fiber Optics Conduit via directional drill from **February 28, 2022 through September 30,****

2022. Directional Drill will be performed along Nalle Grade Road from Slater Road heading east towards Nalle Road. Eastbound lane along Nalle Grade Road from Slater Road to Nalle Road will be subject to temporary daily lane closures or permanent lane closures. Traffic will be maintained with either temporary traffic signals or flagmen depending on which MOT is used. **Working Hours will be from 7am to 7pm.**

- **Nalle Road from Nalle Grade Road to Sedge field Road - RPU (R.P. Utility & Excavation Corp.)** is installing a Raw Water Main and Fiber Optics Conduit via directional drill from **May 16, 2022 through September 30, 2022.** Directional Drill will be performed along Nalle Road from Nalle Grade Road to Sedge field Road heading south. **Lane closures will be permanent and maintained with temporary traffic signals to maintain continuous traffic.** These temporary traffic signals will be adjusted as the work heads south.

For further information, please contact Victor G. Menocal or Yami Fernandez at (786) 577-6666 or LCUprojects@leegov.com.

Orange Grove Blvd - Lee County Department of Transportation will be conducting a sidewalk repair project starting on **March 11, 2022 and will continue through June 9, 2022.** Work will be conducted in daylight hours from **8:30 AM - 5:00 PM.** There will be intermittent lane closures throughout the day. Any questions or concerns with this project please contact Joey Wilson at (239) 533-9400.

Nuna Ave and Glenwood Ave from Ballard Rd to Glenwood Ave –Also Glenwood Ave from Nuna Ave to Marsh Ave – (ROW2021-01006) -FPL (Pike): Pike Electric will be working on the overhead power lines under permit CFM-FPL-22-01 and Lee County permit # ROW2021-01006. The projected start date is **Tuesday, April 12, 2022 and will continue through Saturday, June 25, 2022.** The said sections of road will be subject to a lane closure with flaggers between **9:00 AM and 4:30 PM,** and Area Wide Protective will be providing MOT services. For further information, please contact Brian Williams with Pike at (239) 225-8037 or bwilliams@pike.com. For further information on MOT related please contact Sam Bell at (239) 240-9410, sambell@awptraffic.com.

Sanibel Causeway Bridge Structure: Starting **April 18, 2022 and ending on November 24, 2022** from **9 AM to 4 PM,** Lee County will be making repairs to the Sanibel Causeway Bridge Structure span C,

over San Carlos Bay. All the work will be performed over the bridge on a snooper truck. Lee County will do several "Lane Shifts" with no lane closures.

Crystal Drive (Plantation Road to US 41) Water Main Improvements (ROW 2022-00020)

Beginning April 4, 2022, contractors for Lee County will install new water main beginning on the west side of Plantation Road just south of the roundabout with Crystal Drive. Then install the water main on the south side of Crystal Drive from Plantation Road to US 41 to tie into a connection point on the east side of US 41 just south of Crystal Drive. Crews will also install water main from a connection point on the east side of US 41 near 12499 Cleveland Avenue (PDQ). Then continue east to Austin Street and west under US 41 to the north side of Brantley Road and tie into a connection point between Pine Grove and Brantley Pines driveways. Crews are expected to work **7 AM to 7 PM**. This project is expected to be completed in **Summer 2023**. Drivers, pedestrians and bicyclists should use caution and be aware of construction equipment and vehicles entering/exiting streets in the project area.

Crystal Commerce Loop West closed at Crystal Drive

Beginning 7 AM through 5 PM, Monday, May 23, 2022 through Friday, May 27, 2022, crews will close Crystal Commerce Loop west at Crystal Drive for water main crossing.

- Crystal Commerce Loop west will re-open each night.
- Motorists will be directed to use Crystal Commerce Loop east for ingress and egress.
-

Crystal Commerce Loop East closed at Crystal Drive

Beginning 7 AM through 5 PM, Thursday, May 23, 2022 through Friday, May 27, 2022, crews will close Crystal Commerce Loop East at Crystal Drive for Asphalt restoration.

- Crystal Commerce Loop East will re-open each night.
- Motorists will be directed to use Crystal Commerce Loop West for ingress and egress.

Sidewalk closure at Crystal Drive and 12251 Metro Parkway - Approximately 40' of sidewalk closure.

This schedule may be subject to change due to inclement weather and unforeseen underground conditions. For more project information please contact the City's public information consultant, Cella Molnar & Associates, Inc. at 239-337-1071 or via e-mail to thayden@cella.cc.

Summerlin Force Main & Fiesta Village Reuse Main Improvements. (ROW 2022-00185)

Andrews Sitework LLC will be installing new underground utilities on either side of Summerlin Road from Bass Road to John Morris Road in various areas and on Pine Ridge Road from Frontage Road to

Safety Street. Also, as part of the project will be sidewalk replacement and landscaping and irrigation improvements.

- **WB Summerlin – Bass Road to Safety Street** - Periodic daytime right lane closures may occur between **9:00 AM & 4:00 PM** as crews work off the shoulder installing underground utilities beginning **April 18, 2022 and continuing through July 30, 2022**.
- **EB Summerlin – John Morris Rd. to Kelly Greens to Agua Lane** - Daily right lane closures will continue between **9:00 AM & 4:00 PM** starting **April 18, 2022 and continuing through August 30, 2022**. Work will be occurring between the roadway and multiuse trail. However, pedestrians and bicyclists may encounter diversions via temporary paths around the work area and existing pathway
- **Starting April 18, 2022 and continuing through August 15, 2022**, Frontage Road will be reduced to one lane while crews install underground utilities along the roadway from **Safety Street to the Walgreens near Pine Ridge & Summerlin**. As the work progresses west of Safety Street ultimately to Pine Ridge Road, the one lane operation will be extended all the way to Pine Ridge in phases.

Veterans Parkway at Country Club Lane in Cape Coral: Lee County DOT along with Ajax Paving (Contractor) will be performing median turn lane extensions starting, **April 18, 2022 and lasting through May 31, 2022**. Motorists should expect intermittent delays due to lane and/or shoulder closures between the hours of **9:00 AM and 4:00 PM**. **There will be nighttime paving with lane closures from 7:00 PM and 6:00 AM** starting on **Sunday, May 22, 2022 and ending on Wednesday, May 25, 2022**. Motorists should use caution and slow down as traffic patterns may be effected. Please be aware of advanced warning signs heading into Cape Coral from the bridge. For Further information, please call Ajax Paving at (239) 936-9444.

Fowler Street & First Street, City of Fort Myers: American Infrastructure Services will be installing video detection cameras, performing overhead traffic signal work, and replacing the traffic signal cabinet at the intersection of Fowler Street and First Street. On **Thursday, May 19, 2022 - Friday, May 27, 2022 from 9:00 AM to 4:00 PM**, there will be periodic lane closures as crews will be installing video detection cameras and performing overhead traffic signal work. Motorists and pedestrians are urged to use extra caution in this area. For further information, please contact Ryan Kirsch at (239) 896-8074 or email LCDOTProjects@leegov.com.

Fowler Street & Second Street, City of Fort Myers: American Infrastructure Services will be installing video detection cameras and performing overhead traffic signal work at the intersection of Fowler Street and Second Street. On **Thursday, May 19, 2022 - Friday, May 27, 2022 from 9:00 AM to 4:00**

PM, there will be periodic lane closures as crews will be installing video detection cameras and performing overhead traffic signal work. Motorists and pedestrians are urged to use extra caution in this area. For further information, please contact Ryan Kirsch at (239) 896-8074 or email LCDOTProjects@leegov.com

Park Avenue & First Street, City of Fort Myers: American Infrastructure Services will be installing video detection cameras and performing overhead traffic signal work at the intersection of Park Avenue and First Street. On **Thursday, May 19, 2022 - Friday, May 27, 2022 from 9:00 AM to 4:00 PM**, there will be periodic lane closures as crews will be installing video detection cameras and performing overhead traffic signal work. Motorists and pedestrians are urged to use extra caution in this area. For further information, please contact Ryan Kirsch at (239) 896-8074 or email LCDOTProjects@leegov.com.

Park Avenue & Second Street, City of Fort Myers: American Infrastructure Services will be installing video detection cameras and performing overhead traffic signal work at the intersection of Park Avenue and Second Street. On **Thursday, May 19, 2022 - Friday, May 27, 2022 from 9:00 AM to 4:00 PM**, there will be periodic lane closures as crews will be installing video detection cameras and performing overhead traffic signal work. Motorists and pedestrians are urged to use extra caution in this area. For further information, please contact Ryan Kirsch at (239) 896-8074 or email LCDOTProjects@leegov.com.

Summerlin Road Bridge over San Carlos Blvd: Lee County DOT and their contractor Villa-Fuerte Construction will perform maintenance activities on the Summerlin over San Carlos Overpass Bridge. This project includes minor concrete repairs, pressure washing, and recoating of the structure. During the project duration, sporadic lane closures will be necessary. Therefore, motorists and pedestrians are urged to use extra caution in this area. The activities will begin on **May 9, 2022, and is estimated to be completed by August 18, 2022**. For further information, please contact Avelino Cancel at (239) 533-9400 or email at acancel@leegov.com.

Brown Rd – N Fort Myers (ROW2021-00635): Coast Construction will be performing roadway and sidewalk improvements beginning **Tuesday, May 3, 2022 and continue through Friday, May 20, 2022**. Sidewalk removal and subgrade preparations beginning **Wednesday, April 20, 2022**; no lane closures on Brown Road are required for the sidewalk work, correct “sidewalk closed” signage will be placed prior to commencing work. Asphalt milling and overlay on Brown Road beginning **Tuesday, May 3, 2022 and ending Friday, May 13, 2022**; the southbound traffic on Brown Road will be subject

to periodic lane closures during the hours of **9 AM to 3:30 PM**. For further information, please contact Mark Larson at (813) 956-1729 or George Williams at (813) 580-6389. Traffic Control ACME will provide maintenance of traffic services.

Alico Road between Oriole Road & Aaron Warner Place – Fort Myers (ROW2021-00884): Clary's Site Development, Inc. & Tincher Concrete will be performing sidewalk improvements **beginning Monday, May 9, 2022 and continue through May 20, 2022**. Sidewalk improvements will be performed on the North side of Alico Road. The Northern most (Westbound) lane of traffic on Alico Road between the above intersections will be subject to lane closures. Periodic lane closures will occur between the hours of **9:00 AM and 3:30 PM** on weekdays. For further information, please contact Lance Haas at (239) 240-7632 or lance@clarysitework.com. Acme Barricades will provide maintenance of traffic services.

Barret Road Widening in North Fort Myers just south of Pine Island Road (ROW2021-00852): Lee Mar Building and Construction Corporation will be widening Barrett Road in North Fort Myers just south of Pine Island Road. This work also includes milling and resurfacing as well as an added sidewalk. Expect shoulder closures and travel lane closures beginning **Monday, May 2, 2022 through the middle of July 2022**. Closures may occur **Monday through Friday between 9:00 AM – 3:30 PM**. Travel lane closures as needed will include Flaggers directing traffic alternating direction flow. Drivers, bicyclists, and pedestrians are urged to use care and be alert while traveling through the work zone. For further information, please contact Lee Mar at (239) 481-2613.

6314 - Whiskey Creek Dr (ROW2021-00976): Pike Electric will be pulling out old utility poles for Florida Power & Light (FPL) and replacing them with new poles, wiring, and transformers. Work will begin on **Wednesday, May 11, 2022 and will continue through Friday, August 5, 2022**. There will be Flagging 603 lane closures from **9:00 AM to 3:30 PM**. Along with 602 Shoulder closures, which will take place on Whiskey Creek Dr., Presidential CT., and Corporate CT., Area Wide Protective will provide maintenance of traffic services. Flaggers will be on site to assist with traffic control. For further information, please contact Samuel Bell at (239) 240-9410, or sambell@awptraffic.com, or 1-800-343-2650 Area Wide Protective call center.

Laredo Ave from puente Ave to Benchmark Ave (ROW2022-00002): Pike Electric will be working on the overhead power lines. The projected start is **May 11, 2022 and will continue through May 30, 2022**. The said sections of road will be subject to a lane closure with flaggers between **9:00 AM and 4:30 PM**. Area Wide Protective will be providing MOT services. For further information, please contact Brian

Williams with Pike at 239-225-8037 bwilliams@pike.com. For further information on MOT related please contact Sam Bell at 239-240-9410, sambell@awptraff.com.

Fiesta Village WWTP RM Upgrade – Fort Myers (ROW2020-00175): Accurate Drilling Systems, Inc. will be performing a horizontal direction drill along the north R/W line of Summerlin Avenue from east of Bass Road to west of Winkler Road **beginning Monday, May 9, 2022 and continue through Friday, July 1, 2022.** Reclaimed water main installation will be performed. **No road, lane, sidewalk, bike lane, or shared path closures are expected.** For further information, please contact Adam Schmidt at (772) 200-6943 or civil.pe.schmidt@gmail.com. ACME will provide maintenance of traffic services (305) 796-3587.

Little Pine Island Bridge: Lee County DOT and their contractor Walker Contracting Group will perform maintenance activities on the Little Pine Island Bridge. This project includes concrete repairs, scour control countermeasures, and minor asphalt crack repairs. During the project duration, sporadic lane closures will be necessary. Therefore, motorists and pedestrians are urged to use extra caution in this area. The activities will begin on **May 16, 2022**, and are estimated to be completed by **August 15, 2022.** For further information, please contact Avelino Cancel at (239) 533-9400 or email at acancel@leegov.com.

Street Lighting Maintenance:

Lee County DOT-Traffic will be performing street lighting maintenance at the following locations below.

- **Business 41/North Tamiami Trail: On Monday, May 16, 2022 through Friday, May 20, 2022 from 9:00 AM to 4:00 PM,** there will intermittent lane closures on Business 41/North Tamiami Trail from the Edison Bridge to Littleton Road in both directions.
- **Lee Boulevard: On Monday, June 06, 2022 through Friday, June 10, 2022 from 9:00 AM to 4:00 PM,** there will be intermittent lane closures on Lee Boulevard from SR-82 to Olympia Point Boulevard in both directions.

Motorists and pedestrians are urged to use extra caution in this area. For further information, please contact Ryan Kirsch at (239) 896-8074 or email LCDOTProjects@leegov.com

Victoria Ave from McGregor Blvd to Broadway, and Euclid Ave from Victoria Ave to Marlyn Rd, (CFM-FPL-22-010 WR 10329249): Pike Electric will be working on the overhead power lines. The projected start is 5-23-22, the said sections of road will be subject to a lane closure with flaggers **between 9:00AM and 4:30 PM, with a projected end date of 7-29-22.** Area Wide Protective will be

providing MOT services. For further information, please contact Brian Williams with Pike at 239-225-8037 bwilliams@pike.com. For further information, MOT related please contact Sam Bell at 239-240-9410, sambell@awptraffic.com

Daniels Parkway and Gateway Boulevard/Paul J. Doherty Parkway: Lee County DOT-Traffic will be working on the overhead at Daniels Parkway and Gateway Boulevard/Paul J. Doherty Parkway. On **Wednesday, May 25, 2022, from 9:00 AM to 2:00 PM**, the traffic signal will be dark and Lee County Sheriff's Office will be directing traffic. Motorists and pedestrians are urged to use extra caution in this area. For further information, please contact John Dalton at (239) 898-7853.

FL-82/Dr Martin Luther King Jr Boulevard and Veronica S Shoemaker Boulevard: Lee County DOT-Traffic will be performing an overhead rebuild at FL-82/Dr Martin Luther King Jr Boulevard and Veronica S Shoemaker Boulevard. On **Wednesday, June 08, 2022, from 9:00 AM to 4:00 PM**, the traffic signal will be dark and Lee County Sheriff's Office will be directing traffic. Motorists and pedestrians are urged to use extra caution in this area. For further information, please contact John Dalton at (239) 898-7853.

Alico Road Median between Gator Road and Jean Street: Lee County DOT, along with their contractor Bonness INC., will be working on a new concrete separator in the median. The project will begin on **Wednesday, May 18, 2022 and will be complete by Friday, May 20, 2022**. During the hours of **9:00 AM and 3:30 PM**, a new concrete separator will replace the existing plastic devices. Motorists are urged to use extra caution in this area. Please contact Jessy Bryan, General Superintendent at (239) 253-4573 or email JBryan@bonnessinc.com, or Juan Godinez, Concrete Superintendent at (239) 253-4353 or email Jgodinez@bonnessinc.com.

Lane closure for sidewalk repair - Hancock Bridge Parkway: Lee County Department of Transportation will be doing sidewalk repair on Hancock Bridge Parkway from SE 17th Avenue to SE 20th Place. We will have MOT set up for the duration of this project. Flagging operations will be used. The dates for this project will be May 23, 2022 – May 27, 2022. Work will start around 9:00 AM and conclude by 4 PM. Any questions or concerns with this project please contact JD Geisler at 239-533-9400.

Lee County DOT along with Ajax Paving (Contractor) will be performing a milling and paving project on Buckingham Road between Neal Road and Orpheus Drive. Motorists should expect night time lane closures with flaggers. Construction will be between the hours of **7 PM to 6 AM on Wednesday, May**

25, 2022 and Thursday May 26, 2022, weather permitting. Motorists should use caution and slow down as traffic patterns will be effected and flaggers will be present. For Further information, please call Ajax Paving at 239-936-9444.

2. Bridge Maintenance

3. Landscaping – Tree Trimming

Veterans Pkwy.: Lee County DOT will be trimming trees on **Veterans Pkwy. between Chiquita Blvd. and Pine Island Rd.** Intermittent lane closures will occur between **9:00 AM and 4:00 PM**, motorists should use caution as workers, flagmen and equipment will be present. Work is scheduled for the week beginning **Monday May 23, 2022, and should be completed by Friday, 6/1/2022.** For further information, please call Bob DeBrock at (239) 533-9425.
