### **PREAMBLE**

#### **Section 1.1**

In accordance with [Chapter 447, Part II of the Florida Statutes](#), this Agreement is entered into by and between Lee County Board of County Commissioners (hereinafter “County” or “Emergency Medical Service”) and the Southwest Florida Professional Firefighters and Paramedics, Local 1826, International Association of Firefighters, Inc. (hereinafter, the “Union”).

#### **Section 1.2**

It is the intended purpose of this Agreement to achieve and maintain harmonious relations between the County and the Union. It is contemplated that this Agreement will serve the public interest by maximizing the efficiency and productivity of employees and providing fair treatment and compensation, and provide a procedure for the resolution of claims that this Agreement has been violated by either party.

#### **Section 1.3**

The Union further recognizes the responsibilities imposed upon it as the exclusive bargaining agent of the employees who are covered by this Agreement. The Union recognizes that in order for the County to provide maximum opportunities for the continuing employment and good working conditions, the County must be in a strong position, which means it must do business at the lowest possible cost consistent with fair labor standards, a safe work place and quality patient care. Therefore, the Union, through its bargaining position, assumes a joint responsibility in the attainment of the aforementioned goals and agrees it will cooperate with the County through its agents and designated stewards by supporting the County’s efforts to achieve a fair day’s work by the employees covered by this Agreement, to actively combat

absenteeism, slowness, and all other practices by employees which restrict or tend to restrict productivity.

**Section 1.4**

The use of the male gender in this Contract includes both males and females. The use of the term discretion in this Agreement means at the sole discretion of management.

### Section 3.1

The management of the Emergency Medical Service (“EMS”) and the direction of its work force, including but not limited to the exclusive rights to determine whether all or any part of the operations covered by this Agreement shall commence, cease, continue, reduce or increase; to remove the operation or any part thereof to any location; to establish new jobs; to abolish or change existing jobs; to increase or decrease the number of jobs or employees; to change materials, processes, products, service, equipment, work schedules and methods of operation; to introduce new materials, equipment, services or facilities; to assign work to be performed; to assign or reassign employees to shifts, increase or abolish shifts and rotate shifts; to require employees to work overtime; to establish and change hiring procedures; to set the work schedules; to transfer employees from job to job or shift to shift, either on a permanent or temporary basis; to evaluate and direct the work of the employees covered by this Agreement; to maintain, enforce, rescind or change EMS policies, procedures, rules of conduct, orders, practices, directives and other operational procedures, policies and guides not inconsistent with this Agreement; to establish the standards of conduct and work of employees; to establish or change operational standards; to determine the services to be provided by EMS; to discipline or discharge employees for just cause; to lay off employees from duty for lack of work or for other operational reasons; to establish requirements for employment; to promote and demote employees and to have complete authority to exercise those rights and powers incidental thereto, including the right to alter or vary past practices as the County may determine to be necessary for the orderly and efficient operation of EMS, shall be vested exclusively in EMS,

subject only to such restrictions governing the exercise of these rights as are expressly and specifically provided in this Agreement.

EMS's failure to exercise any right hereby reserved to it or its exercising any right in a particular way shall not be deemed a waiver of its right to exercise such right nor preclude EMS from exercising the same right in some other way not in conflict with the express provisions of this Agreement.

### **Section 3.2**

There shall be complete regard for the right, responsibilities and prerogative of County management under this Agreement. This Agreement shall be so construed that there shall be no diminution or interference with such rights, responsibilities and prerogatives, except as expressly modified or limited by this Agreement.

### **Section 3.3**

If, in the sole discretion of the County Manager or designee, it is determined that a civil emergency condition exists, including but not limited to riots, civil disorders, hurricane conditions or other catastrophes, the provisions of this Agreement may be suspended by the County Manager during the time of the declared emergency. Wage rates, monetary fringe benefits and just cause provisions shall not be suspended. During these times, bargaining unit employees shall be paid in accordance with County Policy 504.

It is understood by the Parties that every incidental duty connected with the operations enumerated in job descriptions is not always specifically described and employees, at the discretion of management, may be required to perform other job related duties not specifically contained in their job description.

### **Section 3.5**

Delivery of EMS services in the most efficient, effective, professional and courteous manner is of paramount importance. Accordingly, the Union agrees that it will instruct its members to work diligently in order that the services performed meet the above standards.

### **Section 3.6**

Those inherent managerial functions, prerogatives and policy-making rights which EMS has not expressly modified or restricted by a specific provision of this Agreement are not in any way subject to the grievance and/or arbitration procedure contained herein.

### **Section 3.7**

In the spirit of continued harmonious relations between the employees and EMS, EMS agrees to provide notice to the Union's President and District Vice President, in writing, of any change in EMS policies or rules of general application prior to implementation, which would affect members of the bargaining unit. If the changes affect wages, hours, terms or conditions of employment, absent exigent circumstances, written notice will be provided ten (10) business days before the change.

### **Section 3.8**

Nothing contained in this Management Rights Article shall be interpreted as a waiver of the Union's rights to bargain pursuant to [Chapter 447, Part II, Florida Statutes](#), and interpretive cases. The request to bargain under this Section must be made within ten (10) business days of the notice under Section 3.7 or, if no notice is given, within ten (10) business days of the date the Union became aware of a proposed change that is subject to impact bargaining.

## ARTICLE 9

# GRIEVANCE AND ARBITRATION PROCEDURE

---

### Section 9.1

In a mutual effort to provide a harmonious working relationship between the Parties to this Agreement, it is agreed to and understood by both Parties that there shall be a procedure for the resolution of grievances between the Parties arising from any alleged violation of a specific term of this Agreement.

### Section 9.2

*Definition.* For the purpose of this Agreement, a grievance is defined as a dispute, claim or complaint that any employee or group of employees may have as to the interpretation, application, and/or alleged violation of some express provision of this Agreement which is subject to the Grievance Procedure.

### Section 9.3

Nothing in this Agreement shall be construed to prevent any employee from presenting, at any time, his/her own grievance in person or by a representative to EMS and having such grievances adjusted without the intervention of the bargaining agent; provided the adjustment is not inconsistent with the terms of this Agreement. If the grieved employee requests Union representation, the grievant will notify EMS. It is the responsibility of the County to notify the Union of any meeting called for the resolution of such grievances.

### Section 9.4

- A. Every effort will be made by the Parties to settle all grievances as soon as possible. The time limits set forth shall be strictly complied with, and can only be extended by mutual agreement of the parties in writing. Any grievance shall

be considered settled at the last level considered if the grievant fails to timely process his/her grievance.

- B. The Union will not be required to process grievances for employees who are not members of the Union, but may be present at any meeting where the grievance may be settled. The County shall notify the union of any such meeting.

### **Section 9.5**

All grievances, as outlined above, must be in writing and must contain the following information:

- A. Article and Section of the Agreement alleged to have been violated;
- B. A full statement of the grievance, giving facts, dates and times of events, and specific violations with the remedy or adjustment desired;
- C. Signature of aggrieved employee and date signed; and
- D. Signature of the Union representative (Principal Officer, District Vice President or Assistant DVP) if the grievant requests Union representation.
- E. Any grievance not containing the information set forth above may be processed through the grievance procedure, but shall not be subject to arbitration absent the mutual consent of the parties.

### **Section 9.6**

Grievances shall be processed in accordance with the following procedures:

- STEP 1: The grievant shall present in writing his/her grievance to the Deputy Chief or their designee, within ten (10) business days of the occurrence of the action, or when the employee or the Union became aware giving rise to the grievance. Discussions will be informal for the purpose of settling differences in the simplest and most effective manner. The

Deputy Chief or designee shall reach a decision and communicate in writing to the grievant in five (5) business days.

STEP 2: If the grievance is not settled at the first step, the grievant, within five (5) business days of the answer in STEP 1, may present it to the Chief or designee. The Chief or designee shall investigate the alleged grievance and may, within five (5) business days of receipt of the written grievance, conduct a meeting between himself/herself, his/her representative as needed, and the grievant. The Chief or designee shall notify the aggrieved employee and Union of his/her decision in writing no later than ten (10) business days following the submission of the grievance. Failure of the Chief or designee to timely respond shall be considered a denial of the grievance and shall entitle the grievant to appeal to STEP 3.

### **“Class Action Grievances”**

“Class Action” grievances shall be filed directly to the Director of Public Safety, or designee within ten (10) business days of the event causing the grievance or within ten (10) business days of when the Union Principal Officers become aware or reasonably should have become aware of such event. The Director of Public Safety or designee shall render a decision in writing within ten (10) business days from the date the grievance was presented.

“Class Action” grievances will be signed by a Principal Officer or elected DVP and will be accepted by the County.

“Class Action” grievances may only be filed on a matter that directly affects the entire bargaining unit. Otherwise, a grievance shall not be

filed as a class action and the County shall have no obligation to process such grievances.

STEP 3: If the grievant does not settle his/her grievance in STEP 2, the grievant, within five (5) business days, may present it to the Director of Public Safety, or designee. The Director or designee shall investigate the alleged grievance and may, within five (5) business days of receipt of the written grievance, conduct a hearing or meeting between the Director, the Director's representative(s) as needed, the grievant, and up to two Union representatives. The Director or designee shall notify the aggrieved employee and Union in writing of his/her decision not later than ten (10) business days following the submission of the grievance to STEP 3. Failure of the Director to timely respond shall be considered a denial of the grievance.

STEP 4: If a grievance, as defined in this Article, has not been satisfactorily resolved within the grievance procedures, only the Union may submit the grievance to arbitration for binding disposition, within five (5) business days after the response is received at STEP 3 of the Grievance Procedure, request a panel of seven (7) Arbitrators from the Federal Mediation and Conciliation Service. A copy of the written request will be provided to the Director or designee.

### **Section 9.7**

Upon receipt of the list, an Arbitrator shall be selected from such panel by alternately striking names from this list (the Union shall strike first) until the last name is reached.

### **Section 9.8**

The following general rules are applicable to this Article:

- A. Any grievance involving suspension or termination must be filed within ten (10) business days of the suspension or termination with the Director or designee at STEP 3.
- B. The Union or employee may abandon or settle a grievance. Grievances settled under this Article shall be non-precedent setting and cannot be offered as evidence or precedent in any subsequent arbitration case unless the Union and the County mutually agree in writing that the grievance is precedent setting.
- C. A grievance may be amended or supplemented once after the initial management response at STEP 1 (STEP 3 if it involves a suspension or termination) without the written consent of the Director or designee.
- D. The Arbitrator shall not have the power to add to, subtract from, modify, or alter the terms of this Agreement.
- E. The Arbitrator shall have no power to establish wage scales, rates of pay for new jobs, or to change any wage, except if he is specifically empowered to do so by both Parties.
- F. The Arbitrator shall have only the power to rule on grievances arising under this Agreement, as defined under Section 9.2 and which comply with the requirements of Section 9.4 (A), Section 9.5 and the time limits established by this Article.
- G. The Arbitrator shall determine each dispute in accordance with the terms of this Agreement and in accord with a Submission Agreement, if one can be agreed to. If there is no Submission Agreement, then the Arbitrator will rely on the grievance under STEP 1 of Section 9.6 (STEP 3 if the grievance involves a suspension or discharge).

- H. The Arbitrator shall deduct any unemployment compensation received by the grievant from back wages in a suspension or discharge case.
- I. The Arbitrator's sole authority with regard to monetary awards is to make the employee whole for all lost wages and other lost benefits of a monetary value.  
No other damages of any type whatsoever may be awarded.

**Section 9.9**

There shall be no appeal from the Arbitrator's decision; it shall be final and binding on the Union and on all bargaining unit employees and on the County; provided, however, that the Arbitrator's decision is not outside or beyond the scope of the Arbitrator's jurisdiction and authority as set forth in this Agreement.

**Section 9.10**

The costs for the Arbitrator's services shall be borne by the losing party. Expenses for witnesses, attorneys and requested transcripts shall be borne solely by the party requesting and/or utilizing them.

## ARTICLE 10

# PERSONNEL REDUCTION

---

### **Section 10.1**

In the event of a reduction in force, probationary employees will be the first laid off. The County will then consider a number of relevant factors in determining selections for remaining layoffs, with the public interest to be of prime importance. Factors to be considered include:

- A. Conduct/disciplinary record for the last five (5) years;
- B. Seniority; and
- C. Veteran's Preference.

As between two (2) employees, if the County determines factors A and B are relatively equal at the time of layoff, then C and D shall prevail.

### **Section 10.2**

Recall will be in reverse order of layoffs. No new bargaining unit employees will be hired by the County until all members of the bargaining unit who were laid off in the prior twelve (12) months are offered recall.

### **Section 10.3**

For purposes of this Article, layoff and recall will be by classification. The County will declare a surplus in a classification and the provisions of Section 10.1 and 10.2 will then apply. For purposes of this Article, Emergency Medical Technician and Paramedic are considered separate classifications.

## ARTICLE 11

# OUTSIDE ACTIVITIES

---

### **Section 11.1**

Employees shall at all times bear in mind that they are seen by the general public as personnel of the County and shall at all times conduct themselves in a manner so as to bring no discredit or unfavorable publicity to the County. The primary focus of this Section is employee conduct. It is not intended to address an employee's engaging in political activity nor protected First Amendment free speech rights.

### **Section 11.2**

Employees accepting employment with any other employer while employed by the County shall do so only so long as the employment is not a conflict of interest, and shall follow County Policy 206 and County Policy 307. In such instances, the employee's primary obligation shall continue to be to the County and he/she shall arrange his/her affairs accordingly. An employee must give a written notification to the Director or designee within two (2) weeks of accepting employment but not later than commencement of outside employment. Outside employment must not prevent the employee from being mentally and physically able to work when the employee reports for duty with the County.

### **Section 11.3**

No outside employment shall create a conflict of interest or appearance of a conflict of interest in accordance with [Section 112.313, Florida Statutes](#), or County Policy 206 and County Policy 307.

**ARTICLE 12**

**LEAVES OF ABSENCE**

---

**Section 12.1**

**Section 12.2**

Family & Medical Leave shall be governed by Lee County Policy 405 and 405A as adopted by BOCC. Employees who exhaust Family and Medical Leave but have a reasonable expectation to return to work may request a leave of absence in accordance with County Policy 404. Administrative leave without pay may also be used at the County's discretion should additional time be necessary.

Employees who are unable to make benefit payments during a period of leave may contact the Human Resources Benefits Office to coordinate a repayment plan. Employees who do not return to regular, full-time employment will be responsible for any applicable costs.

### Section 13.3

For employees who were employed by the County prior to October 8, 1998, upon separation of employment with the County, employees will be paid for all available sick leave accrued prior to October 8, 1998, according to the following schedule:

- A. For employees with greater than six (6) years, the payment will be calculated at the rate of fifty percent (50%) of the current hourly base rate for the employee times the number of hours sold.
- B. For employees with less than six (6) years, the payment will be calculated at the rate of twenty-five percent (25%) of the current hourly base rate for the employee times the number of hours sold.

#### **Section 13.4**

Paid sick leave is not to be taken prior to the time of its accrual. Sick leave may only be utilized for employee sickness, sickness in the employee's immediate family (spouse, child or parent living in the immediate household or where the employee's presence is required to attend to a child under parental custodial care outside the immediate household), necessary medical appointments, injury, disability, pregnancy, including post-birth for the female to the extent considered medically necessary by her doctor, or for quarantine by health authorities or a physician and as permitted for an employee's own serious illness by Article 13, Section 13.5. Employees may be required to supply proof of sickness, injury or disability, including the employee's spouse, child or parent and the appropriate proof that the employee's presence is required, by submitting, within five (5) business days of a written request, at their own expense, a treating physician's statement or prescription receipt:

- A. After four (4) non-consecutive sick days in a calendar year,
- B. When there is a pattern or practice of sick leave usage; or
- C. When there is a basis to form a reasonable suspicion that sick leave is being abused.

Employees may be sent to a physician of the County's choosing for such purpose, in which event the Employee Health Services will pay the expenses thereof. Any employee sent to a physician selected by the County must agree to permit Employees Health Services to talk to the physician in reference only to the reason an employee was sent to a physician of the County's choosing and obtain only information regarding the reason an employee was sent by the County and if the employee's illness/injury is a danger to fellow employees or the public and about work limitations, and expected date of return to work.

### **Section 13.5**

To receive full sick leave pay on a day of absence that qualifies for sick leave, the employee must notify the supervisor on duty by phone at least one (1) hour prior to his/her starting time of the inability to report to work. Failure to provide the minimum of one (1)-hour notification shall result in one (1) hour loss of sick pay for each quarter hour increment of no call-in prior to starting time. An employee who is absent and fails to notify the supervisor prior to the start of their shift, shall be docked two (2) hours of sick leave for every hour of unreported absence during the shift in addition to the four (4) hours charged for failure to call in one (1) hour prior to the beginning of the employee's shift. Absence due to doctors' appointments or other foreseeable causes must be approved prior to the use of sick leave; provided, however, absent an emergency, employees working any schedule other than day time Monday through Friday must schedule medical appointments during non-work hours. Nothing in this Section will prohibit the County from taking normal disciplinary action.

### **Section 13.6**

Bargaining unit employees may participate in the County-wide sick leave pool (Lee County Policies and Procedures Manual 401:2) (See Attachment 1).

### **Section 13.7**

Employees who are sick but have exhausted accrued available sick leave hours must first utilize accrued vacation hours to cover their absence.

---

### **Section 14.1 Bereavement**

A regular employee shall be granted, upon request, up to seventy-two (72) hours of bereavement leave with pay, due to the death of his/her spouse, child, or parent. For the employee's sibling, grandparent, grandchild, step parent, stepchild, stepbrother or stepsister; the employee's spouse's child, foster child, parent, guardian, sibling, grandparent, grandchild or for any person for whom the employee is the legal guardian, bereavement leave with pay shall be granted, upon request, up to forty-eight (48) hours. Such request must be submitted to the shift commander prior to the leave.

An employee requesting bereavement leave shall provide a statement in writing to his/her immediate supervisor giving the name of the deceased and his/her relationship to the employee, as well as the location (city and state) of the memorial. This information shall be attached to the leave request form kept in the official personnel record for the employee located in the Department of Human Resources. Additional bereavement leave may be provided by the County upon request by the employee. Each situation will be evaluated on its own merit and shall set no precedent on other requests.

### **Section 14.2 Jury Duty**

When a regular employee is required to serve on jury duty, the employee shall be relieved of responsibility for his or her regular work shift and the County shall pay the employee the amount that would have been received had the employee worked his/her regular work shift. All employees who are required to serve on jury duty shall report to their supervisor that they have been subpoenaed for jury duty within twenty-four (24) hours of receiving such notice,

when possible, but in no event later than the beginning of the next work shift. When an employee is released or is excused from jury duty for the remainder of a work day or permanently, the employee shall, as soon as possible, notify the on-duty supervisor of availability for work. Payments received by the employee for jury duty, except for meals, travel and lodging expenses, shall be endorsed to the County.

### **Section 14.3 Witness Duty**

Employees who are required or requested to attend any legal proceeding on duty as the result of the work they perform for the County, or are subpoenaed to any legal proceeding involving or concerning their work with the County, shall be paid their regular hourly rate of pay and be relieved from normal work responsibilities until they are released from said legal proceeding, provided their personal interests are not adverse to the County. In the case of an off duty obligation to attend a legal proceeding arising out of work performed for the County where the employee's personal interests are not adverse to the County, the employee shall be paid his/her regular hourly rate of pay for all hours spent attending the legal obligation with a two (2) hour minimum. It shall be the employee's responsibility to notify his/her scheduling supervisor and provide a copy of the legal documentation. For any court appearance, it shall be the employee's responsibility to document the following: time arrived, time released, and a signature from the party requiring their attendance. The County will provide the form for this documentation. Payments received by the employee for witness duty, except for meals, travel and lodging expenses, shall be endorsed to the County. All employees who are representing the County in any legal proceeding will wear their EMS issued daytime uniform.

### **Section 14.4 Military Leave**

Military Leave shall be in accordance with federal and state law as may be amended from time to time.

## ARTICLE 15

# DISCIPLINE

---

### Section 15.1

Disciplinary actions of the County shall be subject to arbitration.

### Section 15.2

The County retains the right to discipline any employee with just cause. The County will follow a progressive discipline approach when assigning disciplinary actions and may include verbal warnings, written warnings, suspensions without pay and discharge. Discipline must be proposed within ten (10) business days of the time the County completes the investigation. An investigation shall not take longer than thirty (30) business days except in extenuating circumstances, which as example include unavailability of witnesses due to FMLA or military leave, in which case the Union will be notified of the anticipated completion date. The Union will be notified upon commencement and completion of the investigation.

### Section 15.3

In determining the appropriateness of discipline, the County shall consider the seriousness of offenses; the employee's work performance; conduct and disciplinary record; and any other factor relevant to fair and appropriate discipline. It is the intention of the County to use progressive discipline in an effort to rehabilitate employees. However, where circumstances warrant, immediate termination with just cause may be utilized.

### Section 15.4

Except in exceptional circumstances (i.e., when the employee's presence or continued presence on the County property may create a danger to County employees or the public), an employee shall have the right to an informal hearing prior to the issuance of discipline of suspension without pay, disciplinary demotion or termination.

At least thirty-six (36) hours prior to any hearing the employee and the Union will receive written notice of the time and the place of the hearing. The notice will include:

- A. The reasons for the proposal of disciplinary action under consideration; and
- B. The general facts which form the basis of the proposed disciplinary action.

Union representation consisting of up to two representatives may be present during any such hearing.

If no disciplinary action is warranted, no record of the alleged charge(s) will be placed in the employee's personnel files.

# WORK WEEK AND OVERTIME

---

### Section 16.1

Employees in the classifications Emergency Medical Technician (EMT) and Paramedic shall work one of the following regular schedules:

- A. Twenty-four (24) hours on duty followed by forty-eight (48) hours off duty in a repeating rotating schedule.
- B. Twelve (12) hours on duty followed by twelve (12) hours off duty with the number of days as scheduled by EMS Operations. This schedule will result in the employee being regularly assigned to work thirty-six (36) and forty-eight (48) hour weeks, twelve (12)-hours on duty followed by twelve (12) hours off duty in a 3/2/2 rotating schedule.
- C. If any other shifts are started other than as set forth above, the County will advise the Union immediately upon management's decision.

### Section 16.2

For purposes of this Agreement, work includes regularly scheduled duty shifts as outlined in Section 16.1, as well as continuation and non-continuation overtime.

### Section 16.3

Regardless of shift assignment, employees who work in excess of forty (40) hours in any week, shall be paid time and one-half (1-1/2) their regular hourly rate of pay for every hour actually worked in excess of forty (40) hours. Leave time, whether paid or unpaid, will not be counted as time worked for overtime purposes where an employee works outside of, or above and beyond, his or her regularly scheduled work hours. An employee shall be paid at an

overtime rate for regularly scheduled work hours in excess of forty (40) hours in a week even if he or she utilizes vacation leave in the same week.

#### **Section 16.4**

The work week will begin at 07:00 hours Thursday and end one hundred sixty-eight (168) hours later.

#### **Section 16.5**

The Union agrees to allow the County to implement the seven (7) minute rounding rule associated with an employee's scheduled start and end times. Time subject to this rounding rule will not be subject to the requirements in Sections 16.6 or 16.7.

#### **Section 16.6**

Employees who report to work late will receive no pay for the time missed, rounded to the nearest minute. Employees stopping to assist an emergency incident that can be verified will not be penalized and will report to work as soon as situation permits. Such delays will require the employee to notify Shift Command and/or designee prior to the start time of their individual shift.

#### **Section 16.7**

Employees who are held over beyond their normal work shift shall accumulate hours worked in one minute increments rounded to the nearest one (1) minute. Employees called in to work earlier than normally scheduled in conjunction with a scheduled work day, shall be paid in one (1) minute increments.

#### **Section 16.8**

Employees who have actually left their assigned duty station after completing a shift and who are notified after leaving that they must return to work in order to work another shift shall receive a minimum of two (2) hours pay at the appropriate rate. This does not apply if the employee has failed to complete their work at the time they leave or return, for example, to

return keys to an ambulance taken by mistake. The employees called in for an overtime shift from off-duty and are sent home due to scheduling error, as well as employees who have overtime cancelled less than one hour before the designated start time, shall be paid two (2) hours pay at the appropriate rate. Employees called in to a required meeting (quality assurance review, investigation, EVOC practical sessions, etc.) shall be paid a minimum of two (2) hours at the appropriate rate.

### **Section 16.9**

Continuation overtime is defined as a holdover at the end of a regularly assigned shift until such time as another employee reports to duty. Absent reasons acceptable to management, continuation overtime will normally be assigned to the employee performing the function during his/her regular shift. Continuation overtime greater than ninety (90) minutes will be considered and paid as mandatory overtime. Employees working a 48-hour shift may not exceed a one (1) hour continuation maximum.

### **Section 16.10**

Non-continuation overtime will be offered and then assigned in a fair and equitable manner such that each qualified employee is given an equal opportunity to work all overtime.

On-call employees are not eligible for mandatory overtime pay as described in the balance of this section.

The County reserves the right to offer mandatory overtime pay for voluntary overtime assignments. The failure to offer mandatory overtime pay for a voluntary overtime assignment does not prevent the use of the rest of this section. Employees who volunteer to work these assignments shall be paid double their regular hourly rate of pay for all hours worked on this voluntary assignment.

The County reserves the right to assign mandatory overtime in a rotating basis starting with the least senior employee in the classification where overtime is required on a rotation

basis only if no qualified employee in any bargaining unit job classification can be found to work the overtime. A running list of this rotation will be maintained to prepare an employee for impending overtime. Employees forced to work mandatory overtime shall be paid double their regular hourly rate of pay for all hours worked on mandatory overtime.

If an employee is forced to work mandatory overtime at a different duty station following their assigned shift, the employee shall receive no lapse of pay during transfer to their next assigned duty station. Employees who feel that they have lost pay and/or related benefits due to unfair, inequitable or an incorrect overtime offer/assignment may address the issue through the Grievance and Arbitration Article outlined elsewhere in this Agreement.

Employees shall not be permitted (outside the conditions outlined in Article 3, Section 3.3 or as a result of continuation overtime) to work more than forty-eight (48) hours in any rolling seventy-two (72) hour period as the result of non-continuation overtime or shift exchange. It is a mutual responsibility of the employee and the supervisor to advise/determine the number of hours worked.

#### **Section 16.11**

Nothing in this Article shall be interpreted as a guarantee of any number of hours of work per day or per week.

#### **Section 16.12**

EMS employees assigned to twelve (12) or twenty-four (24) hour shifts, shall be permitted to rest or sleep between calls providing all regular shift duties, including training, have been completed for the shift.

#### **Section 16.13**

The County agrees to implement a compensatory time system by the first full pay period on or after October 1, 2022.

In accordance with the FLSA, an employee is not required to accept the offer of compensatory time off, in which case overtime compensation must be paid in accordance with article 16.3. Only hours actually worked in excess of normally scheduled hours for the employee's standard workweek will be counted in calculation of compensatory time. Sick leave will not be counted. No County employee may accrue more than 160 hours of actual overtime hours worked (accrued at time and one-half equal 240 total compensable hours). Any County employee who accrues 240 hours of compensatory time off for overtime hours worked shall thereafter be paid time and one-half his or her regular rate for all overtime hours worked until such time as his or her accrued compensatory time off falls below 240 hours. Employees must use all accrued compensatory time by the last day of November each year. Any unused time at the end of November will be paid to the employee in December. Any employee who has accrued compensatory time off at the time of his or her separation of employment with the County, or who has accrued time at the end of each November, will be paid for the unused compensatory time at their current regular rate of compensation. Employees who have requested the use of their compensatory time off shall be permitted to use such time in accordance with Article 18 of this agreement.

Accrued Comp time may not be used during the annual vacation bid process. An employee shall be paid at an overtime rate for regularly scheduled work hours in excess of forty (40) hours in a week even if he or she utilizes comp time in the same week.

- B. All exchanges must be requested electronically.
- C. Employees are prohibited from paying another employee to work any portion of their shift. Only exchanges of time will be permitted.
- D. Shift exchanges shall be unlimited with the following exceptions: No employee may be off duty for more than seven (7) consecutive twenty-four (24) hour shifts or 14 consecutive twelve (12) hour shift exchanges except for educational purposes and in regular swaps arranged during months when both parties are scheduled to work in Boca, Alva, CFR, St. James City, Sanibel, future assignments on fire department ALS engines.
- E. Employees will be responsible for all record keeping of proper exchanges as permitted by the Fair Labor Standards Act.
- F. Shift exchanges for employees reporting late for work will not be permitted.
- G. It shall be the sole responsibility of an employee working for another employee as the result of a swap to make contact with any other employee who may be affected by their arriving late at the next shift as the result of a swap. This contact shall be made in each and every case and shall be made as early in the shift prior as possible. If the employee they are relieving is unable to stay over

and cover for the employee involved in the swap, that employee shall bear the sole responsibility to contact another employee to come in early for them so as to allow them to make their second shift on time. Under no circumstances shall employees be paid overtime for holding over for another employee who is late to arrive at their station due to a shift exchange. Employees who develop a pattern of causing their fellow employees problems related to their failure to arrange hold-over coverage, may, at the discretion of the County, have their ability to enter into shift exchanges suspended for a period as determined by Management.

- H. Shift exchange for shift exchanges are not permitted except in situations where the employee is unable to cover the swapped shift due to situations as outlined in (17.5). In such situations, the employee who is scheduled to cover the shift must get approval from the on-duty Captain prior to arranging the shift exchange for shift exchange.
- I. If an employee is working a swap and has reached the end of the hours outlined in the swap then the employee will be paid overtime in accordance with this Contract.

### **Section 17.2**

An employee scheduled to work a shift exchange is not eligible for any type of paid leave.

### **Section 17.3**

In the event an employee scheduled to work for another does not report to work, the employee who agrees to cover the hours as provided in Section 17.2 will be charged vacation leave at a rate of one point five (1.5) hours for each hour that the employee failed to work (eighteen (18) hours for failure to report on a twelve (12)-hour shift and thirty-six (36) hours

for failure to report on a twenty-four (24)-hour shift). If mandatory call-in is required to cover the vacancy, the employee will be charged double time against their vacation hours. If vacation leave is exhausted, it will be deducted from “first earned” hours of future accrual. The County policy relating to tardiness, call-ins and absenteeism under Article 13 will be applicable. Employees on bereavement are exempt from their exchange obligation. They will be charged normal bereavement time at the rate of hour for hour and will not be charged vacation time or bank time. If an employee is out due to illness or injury and can provide proof of the same by a primary health care physician, clinic, ER visit or admission to the hospital then the swap time will be covered as sick time for the employee when they are scheduled for that swap.

**Section 17.4**

The County will not be responsible for any monetary loss incurred by any employee due to the failure of an employee to pay back shift exchange time for any reason. Employees owed shift exchanges must get exchanges paid back within one (1) month of the promotion of either employee involved in the shift exchange or forfeit the return exchange, provided that any return exchange after promotion will not require the County to incur any overtime nor will the County be required to change any schedule in order to accommodate a return exchange.

The EMS Shift Captain or designee can approve vacation leave up to 12-hours prior to the shift based on current operational needs, and as long as the maximum number of people off on vacation has not been met and the employee has vacation time available.

**Section 18.8**

Employees who are changed to another shift to fill an open position and have been approved for vacation leave prior to the change of shift, shall be granted the same time frame of vacation leave on their new shift. Vacation leave will be honored even if granting the leave causes more employees to be off for that time period than would otherwise be permitted.

**Section 18.9**

Employees who submit requests for vacation outside the provisions of Section 18.2 shall be granted vacation on a first-come, first-served basis if time is available as outlined in 18.5. Employees will be paid according to the same schedule as all other County employees.

**Section 20.2**

Employees on each pay day will receive, in addition to their check, a statement showing gross pay, deductions and net pay. Federal and Social Security taxes will be deducted automatically. For each successive fiscal year for the term of the agreement, employees will move to the next step in the plan, based on a meets expectation or exceeds rating on the employee's annual evaluation, conducted in the 12 months preceding September 1 of the year the step increase is due. Any changes to the performance evaluation process will be noticed to the Union at least thirty (30) days in advance of the change.

agreement. These adders, in addition to the employee's base pay, may exceed the maximum of the range.

- F. Employees covered by this agreement will receive only the compensation and increases, if any, set forth in this Agreement. No employee shall receive a merit, cost of living increase, general wage increase, or any other compensation provided to non-bargaining unit employees.

### **Section 35.5**

The above equipment and services as set forth in Sections 35.3 and 35.4 may be supplied either directly by the County or provided by the organization owning the building housing the EMS unit. The County, in cooperation with personnel assigned to the twenty-four (24)-hour stations or the twelve (12)-hour stations will work together to ensure that the equipment owned by the County listed in Sections 35.3 and 35.4 is maintained in good working condition.

### **Section 35.6**

Employees may be assigned a daily/weekly cleaning schedule by EMS management at any station or primary posting location. The cleaning assignment may also be accomplished under the direction of fire department/hospital supervisors for employees housed in stations located in fire stations or hospitals.

### **Section 35.7**

The County will establish an EMS Station Employee Engagement Team (EET) to plan, review and improve new and existing stations according to the current strategic plan. The EET will conduct station inspections and make recommendations on new and existing stations to Management.

### **Section 35.8**

The County will do a station review every twelve (12) months to assure cleanliness and to keep a maintenance log on all EMS stations. After each review EMS management will repair or replace items identified. Employees will only be responsible for routine maintenance as identified in the applicable SOP, and preventative maintenance will be done by appropriate departments or services. The County will provide a SOP to identify and correct maintenance items. The Union will be afforded the opportunity to accompany the County during annual station inspections.

# STAFFING

---

### Section 36.1

During the month of August each year, the County and the Union will evaluate and reconfigure the sectors as needed based on call volume and geographical location. Personnel assigned to these sectors will work the twenty-four/forty-eight (24/48) schedule.

Stand-by assignments will be tracked via the CAD and be counted towards workload on corresponding ambulance.

The County will establish a starting time of no earlier than 0630 hours and no later than 0730 hours for all twenty-four (24)-hour shifts. Once established, the starting time will not be permanently changed unless a minimum of fifteen (15) business days advance notice is given to those affected by the change.

Employees assigned to a Sector will rotate through each station monthly on a continual basis. Relief personnel may be required to work on either a twenty-four (24)- or twelve (12)-hour unit, depending on operational needs. On-duty twenty-four (24)-hour personnel will not be assigned as relief to a twelve (12)-hour night shift.

A. Twelve (12)-hour Shifts.

Each twelve (12)-hour shift crew will be assigned a posting location. Subject to the above, the crews will initially work one of the following shift schedules:

1. 09:30 to 21:30
2. 10:00 to 22:00
3. 19:00 to 07:00
4. 08:00 to 20:00
5. 07:00 to 19:00
6. 09:00 to 21:00
7. 06:00 to 18:00

The County reserves the right to add additional twelve (12)-hour units during the term of the contract. Employees permanently assigned to the twelve (12)-hour shifts will not rotate among the regularly scheduled starting times. Such starting times may be temporarily changed due to unforeseen operational requirements. If a twelve (12)-hour shift starting time is permanently changed, a minimum of fifteen (15) business days notice of the change will be given to those affected.

Employees permanently assigned to the twelve (12)-hour shifts will receive a five percent (5%) differential added to their regular straight time while so assigned. The differential will be included in the base rate for overtime purposes and may cause the employee's pay to exceed the maximum of the range.

- B. All employees will pick their Sector or twelve (12)-hour shifts by seniority, subject to the following restrictions:
1. Two (2) Paramedics will not be assigned to work together as a crew on a shift within a Sector, or twelve (12)-hour shifts until each of the crews has a Paramedic assigned.
  2. Assuming sufficient personnel is available, each twenty-four (24)-hour shift will have a minimum of nine (9) Paramedics assigned to relief.
  3. Assuming sufficient personnel is available, each twelve (12)-hour shift will have a minimum of five (5) employees assigned to relief, including 3 paramedics and 2 EMTs.
  4. As vacancies occur after the annual bid/ assignment, the County reserves the right to transfer personnel as necessary based on the County's demonstrated operational needs. If a Paramedic or EMT is required, the County will offer the position to those relief personnel on that shift in

order of seniority beginning with the most senior employee. Employees who vacate a sector assignment must remain on relief for a minimum of six (6) months, or until the next sector bids. If no employee selects the open sector position, then the employee within the classification with the least seniority shall be transferred to that open sector position. If the Paramedic or EMT vacancy is on a twelve (12)-hour shift, the vacancy will be filled by the least senior Paramedic / EMT from a Sector that has more than the minimum required number of Paramedics / EMTs. Nothing in this paragraph will preclude the County from selecting volunteers.

5. In the interest of preventing untoward consequences, employees who are married, engaged, living together, or dating are prohibited from working together on an ambulance or special detail without prior authorization. For special events, it is permissible to schedule both employees to work if they will be paired with other employees.

### **Section 36.2**

Between October 1 and October 15 of each year, all Paramedics and EMTs will bid for a sector, relief, or twelve (12)-hour schedule, including starting time. The County is responsible to notify each employee one (1) week in advance of the bid via the County's e-mail system. Requests for sector assignments must be received electronically by the prescribed deadline. The Union and County agree to meet within three (3) business days following the end of the bid process and make assignments. Once announced, employees have three (3) business days to bring any issues to the attention of the County before the sector assignments are considered locked. It is the goal of the Union and the County to finalize the sector bids before the start of

vacation bids. Any associated shift or sector assignments will take place at the beginning of the first full pay period in January of each year.

- A. If an employee fails to submit their request by the established due date, he/she will be assigned to relief.
- B. If the employee is on FMLA, Bereavement or Military Leave, and they are unable to submit a bid, the Sector Bid Committee will make every attempt to contact the employee and honor their request via the phone. If unable to make contact, the employee will be placed on relief on the shift they were previously assigned.

**Section 36.3**

The Parties recognize that the implementation of the Contract and continued implementation of twelve (12)- and twenty-four (24)-hour units may result in unforeseen issues. Therefore both Parties, as part of a mutual effort to provide the citizens of Lee County with the best EMS service available, will meet as necessary to resolve issues which may be created; provided that there will be no change in contract language without the mutual agreement of the Parties.

# **SERVICE STANDARDS**

### **Section 40.1**

Both the Union and the County recognize the importance of maintaining the best possible response times to calls for service in Lee County. As such, the bargaining unit employees agree to work diligently and safely to insure the best possible response times. In addition, the County recognizes that the EMS system design and staffing must continue to meet the increasing demands for service.

### **Section 40.2**

Lee County EMS response times will be reviewed on an on-going basis. The County and Union agree to use as benchmarks, the criteria defined within Lee County Ordinance No. 08-16 as amended hereafter. In addition to these benchmarks, the County will consider 2,400 responses per ground ambulance on average, as a workload indicator.

### **Section 40.3**

In the instance that benchmarks go unmet, the County will complete an analysis to determine the method most beneficial in addressing the unmet benchmark. The method employed will be an operational analysis to determine the cause and corrective action to be taken. The provisions of this Article apply specifically to those employees assigned to the helicopter, unless specifically stated otherwise. All other Articles and Sections of this Collective Bargaining Agreement will pertain to employees assigned to the helicopter, unless modified by this Article.

### Section 41.2

All employees assigned to the helicopter will be paid in accordance with Article 20 and Article 16 of this Agreement, plus an additional five (5%) percent adder and any other applicable 12-hour shift differential.

### Section 41.3

Flight Medic will be considered an assignment. Paramedic employees will be assigned to the helicopter at the sole discretion of the County. Assignments to the position of flight medic will be filled by selection upon vacancy, and not in atypical sector bid process. Flight Medics unassigned from the helicopter will assume a relief position until the annual sector bid or as described in Article 36.

### Section 41.4

Employees assigned to the Flight Medic position will normally work a twelve hour (12) schedule as prescribed in Article 16, Section 16.1.

Flight Medics will work two (2) weeks of days from 0700-1900 hours, followed by two (2) weeks of nights from 1900-0700 hours, followed by two (2) weeks working in a relief position from 0700-1900 hours, at the sole discretion of the County Flight Medics shall comply with all rules and regulations set by the helicopter vendor at all times.

**Section 41.5**

When the aircraft is out of service for any reason, the Flight Medic will remain at the hangar to facilitate an immediate return to service. Such down time should be utilized to complete on-going clinical and professional development programs. In the event the aircraft is out of service for more than twelve (12) hours, nothing in this section will prevent the County from reassigning the Flight Medic to ground operations.

**Section 41.6**

Flight Medics must meet standards established by the vendor at all times during their selection for and assignment to the aircraft, including crew rest, training, and physical requirements. Specific limitations on air crew rest will not be applicable to the Flight Medic while in a ground assignment, except when such an assignment will conflict with scheduled Flight Medic assignments.

**Section 41.7**

In the event air medical services are suspended or otherwise interrupted, all staff assigned to the air medical operations will remain on a 12-hour schedule, unless the employee requests reassignment. Following any interruption or suspension of services, employees who were displaced and meet all requirements of the vendor will be considered first for reassignment, based on seniority.

**Section 41.8**
