

AETNA MEDICARE ADVANTAGE PLAN (MAP) – No Subsidy Premiums for Plan Year 2021

Lee County is very pleased to continue offering a Medicare Advantage Plan option for retirees for plan year 2021.

In order to enroll in the Medicare Advantage Plan, the person(s) must be Medicare Eligible and enrolled in **Medicare Part A and Part B** in order to participate in this plan.

The Part B premium is in addition to the premium amounts shown below for each family member enrolled. Medicare requires payment for the Medicare Part B premium.

All covered family members are enrolled individually in this plan.

Medicare Eligible retirees who wish to continue covering a spouse or dependent children who are NOT ELIGIBLE for Medicare may only do so by remaining in the Aetna POS2 or Aetna Select self-funded plan.

Enrollment in the Medicare Advantage Plan does not affect continued participation in the Life (limited amount), Dental and/or Vision plans. Each plan is elected separately and enrollment may continue until ***cancelled*** by the retiree.
