About your plan

Aetna MedicareSM Plan (PPO ESA)

The Aetna Medicare Advantage PPO Extended Service Area (ESA) plan stands out from other health care plans. You have access to in-network providers such as doctors, hospitals and labs. And you also have access to out-of-network providers — at no added cost — if the provider is:

- Eligible to receive payment under Medicare, and
- Agrees to bill and accept payment from Aetna®

Does your provider accept our plan? They most likely will. That's because more than **1.1 million network providers and specialists** and over **4,200 network hospitals** accept the Aetna Medicare plan.

With this plan, you'll have the option to choose a primary care provider (PCP). It's not required, but when we know who your provider is, we can better support your care.

To find out if your provider accepts the plan, just call us. We're available at **1-800-307-4830 (TTY:711)**.

8 a.m. to 9 p.m. EST, Monday through Friday.

We'll contact your provider to confirm. We can also help you find other nearby providers and hospitals who accept the plan.

For more information about Aetna plans, go to [AetnaRetireePlans.com](https://www.aetna.com/retireeplans) or call Member Services toll-free at 1-888-267-2637 (TTY: 711). Hours are 8 a.m. to 9 p.m. EST, Monday through Friday.

Medical Disclaimers

The provider network may change at any time. You will receive notice when necessary.

Participating physicians, hospitals and other health care providers are independent contractors and are neither agents nor employees of Aetna. The availability of any particular provider cannot be guaranteed, and provider network composition is subject to change.

In case of emergency, you should call 911 or the local emergency hotline. Or you should go directly to an emergency care facility.

The complete list of services can be found in the Evidence of Coverage (EOC). You can request a copy of the EOC by contacting Member Services at 1-888-267-2637 (TTY: 711). Hours are 8 a.m. to 9 p.m. EST, Monday through Friday.

The following is a partial list of what isn't covered or limits to coverage under this plan:

- Services that are not medically necessary unless the service is covered by Original Medicare or otherwise noted in your Evidence of Coverage
- Plastic or cosmetic surgery unless it is covered by Original Medicare
- Custodial care
- Experimental procedures or treatments that Original Medicare doesn't cover
- Outpatient prescription drugs unless covered under Original Medicare Part B

You may pay more for out-of-network services. Prior approval from Aetna is required for some network services. For services from a non-network provider, prior approval from Aetna is recommended. Providers must be licensed and eligible to receive payment under the federal Medicare program and willing to accept the plan.

Out-of-network/non-contracted providers are under no obligation to treat Aetna members, except in emergency situations. Please call our Customer Service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.

Aetna will pay any non contracted provider (that is eligible for Medicare payment and is willing to accept the Aetna Medicare Plan) the same as they would receive under Original Medicare for Medicare covered services under the plan.

Pharmacy Disclaimers

Aetna's retiree pharmacy coverage is an enhanced Part D Employer Group Waiver Plan that is offered as a single integrated product. The enhanced Part D plan consists of two components: basic Medicare Part D benefits and supplemental benefits. Basic Medicare Part D benefits are offered by Aetna based on our contract with CMS. We receive monthly payments from CMS to pay for basic Part D benefits. Supplemental benefits are non-Medicare benefits that provide enhanced coverage beyond basic Part D. Supplemental benefits are paid for by plan sponsors or members and may include benefits for non-Part D drugs. Aetna reports claim information to CMS according to the source of applicable payment (Medicare Part D, plan sponsor or member).

The formulary and/or pharmacy network may change at any time. You will receive notice when necessary.

You must use network pharmacies to receive plan benefits except in limited, non-routine circumstances as defined in the EOC. In these situations, you are limited to a 30 day supply.

Pharmacy clinical programs such as precertification, step therapy and quantity limits may apply to your prescription drug coverage.

Specialty pharmacies fill high-cost specialty drugs that require special handling. Although specialty pharmacies may deliver covered medicines through the mail, they are not considered “mail-order pharmacies.” Therefore, most specialty drugs are not available at the mail-order cost share.

The typical number of business days after the mail order pharmacy receives an order to receive your shipment is up to 10 days. Enrollees have the option to sign up for automated mail order delivery. If your mail order drugs do not arrive within the estimated time frame, please contact us toll-free at 1-866-241-0357, 24 hours a day, 7 days a week. TTY users call 711.

There are three general rules about drugs that Medicare drug plans will not cover under Part D. This plan cannot:

- Cover a drug that would be covered under Medicare Part A or Part B.
- Cover a drug purchased outside the United States and its territories.
- Generally cover drugs prescribed for “off label” use, (any use of the drug other than indicated on a drug's label as approved by the Food and Drug Administration) unless supported by criteria included in certain reference books like the American Hospital Formulary Service Drug Information, the DRUGDEX Information System and the USPDI or its successor.

Additionally, by law, the following categories of drugs are not normally covered by a Medicare prescription drug plan unless we offer enhanced drug coverage for which additional premium may be charged. These drugs are not considered Part D drugs and may be referred to as “exclusions” or “non-Part D drugs”. These drugs include:

- Drugs used for the treatment of weight loss, weight gain or anorexia
- Drugs used for cosmetic purposes or to promote hair growth
- Prescription vitamins and mineral products, except prenatal vitamins and fluoride preparations
- Outpatient drugs that the manufacturer seeks to require that associated tests or monitoring services be purchased exclusively from the manufacturer as a condition of sale
- Drugs used to promote fertility
- Drugs used to relieve the symptoms of cough and colds
- Non-prescription drugs, also called over-the-counter (OTC) drugs
- Drugs when used for the treatment of sexual or erectile dysfunction

Here's how Star Ratings work

The Centers for Medicare & Medicaid Services (CMS) uses information from member satisfaction surveys, plans and health care providers to rate Medicare plans and prescription drug plans (Part D).

Medicare plan ratings are based on factors that include:

- Feedback from members about the plan's service and care
- The number of members who left or stayed with the plan
- The number of complaints Medicare got about the plan
- Data from providers and hospitals that work with the plan

Each plan receives a rating from one star (lowest) to five stars (highest). Star Ratings are calculated each year and may change from one year to the next.

How to find your plan's Star Rating

- 1 Find the state you live in within the chart on the following page.
- 2 Note the contract number next to the name of your state.
- 3 Flip to the page in this section with the same contract number in the upper-left corner.
- 4 Review the overall rating for your plan.

Turn the page to see how highly our plans rate.

If you have an Aetna® Medicare plan **without** drug coverage, review just the health plan rating. You can ignore the plan's drug rating.

Important information about your enrollment in a Medicare plan

As an Aetna Medicare member, you agree to the following:

Aetna Medicare is a Medicare plan and has a contract with the Federal government. I will need to keep my Medicare Parts A and B and continue to pay my Part B premium. I can only be in one Medicare plan at a time and I understand that my enrollment in this plan will automatically end my enrollment in another Medicare health plan. It is my responsibility to inform Aetna of any prescription drug coverage that I have or may get in the future.

I understand that if I don't have Medicare prescription drug coverage or creditable prescription drug coverage (as good as Medicare's), I may have to pay a late enrollment penalty if I enroll in Medicare prescription drug coverage in the future.

Enrollment in this plan is generally for the (entire) year. Once I enroll, I may leave this plan or make changes only at certain times of the year when an enrollment period is available (for example, during the Annual Enrollment Period, which is October 15 through December 7 of every year), or under certain special circumstances.

The Aetna Medicare plan serves a specific service area. If I move out of the area that the Aetna Medicare plan serves, I need to notify the plan and my former employer/union/trust so I can disenroll and find a new plan in my new area. Once I am a member of the Aetna Medicare plan, I have the right to appeal plan decisions about payment or services if I disagree. I will read the Evidence of Coverage document from the Aetna Medicare plan when I get it to know which rules I must follow to get coverage with this Medicare plan. I understand that people with Medicare aren't usually covered under Medicare while out of the country except for limited coverage near the U.S. border.

HMO plans: I understand that beginning on the date Aetna Medicare plan coverage begins, I must get all my health care from the Aetna Medicare plan, except for emergency or urgently needed services or out of area dialysis services.

Services authorized by the Aetna Medicare plan and other services contained in my Evidence of Coverage document (also known as a member contract or subscriber agreement) will be covered. Without authorization, **NEITHER MEDICARE NOR THE AETNA MEDICARE PLAN WILL PAY FOR THE SERVICES.**

PPO plans: I understand that beginning on the date Aetna Medicare plan coverage begins, using services in network can cost less than using services out of network, except for emergency or urgently needed services or out-of-area dialysis services. I understand I can go to doctors, specialists or hospitals in or out of network. I understand that providers must be licensed and eligible to receive payment under the federal Medicare program and agree to accept the PPO plan. I also understand I may have to pay more for services I receive out of network. Services authorized by the Aetna Medicare plan and other services contained in my Aetna Medicare plan Evidence of Coverage document (also known as a member contract or subscriber agreement) will be covered. Without authorization when required by the plan, **NEITHER MEDICARE NOR THE AETNA MEDICARE PLAN WILL PAY FOR THE SERVICES.**

I understand that if I am getting assistance from a sales agent, broker or other individual employed by or contracted with the Aetna Medicare plan, he/she may be paid based on my enrollment in the Aetna Medicare plan.

Release of information

By joining this Medicare health plan, I acknowledge that the Aetna Medicare plan will release my information to Medicare and other plans as is necessary for treatment, payment and health care operations. I also acknowledge that the Aetna Medicare plan will release my information, including my prescription drug event data to Medicare, who may release it for research and other purposes which follow all applicable Federal statutes and regulations. The information on this enrollment form is correct to the best of my knowledge. I understand that if I intentionally provide false information, I will be disenrolled from the plan.

GOOD TO KNOW

Avoid late enrollment fees

It's important to sign up for Medicare coverage during your **Initial Enrollment Period**. If you don't, the federal government may charge you an extra amount (late enrollment penalty).

These penalties aren't just a one-time late fee. They're added to your monthly premium for as long as you have coverage.

For details about how to avoid late fees, be sure to visit:

[Medicare.gov/basics/costs/medicare-costs/avoid-penalties](https://www.medicare.gov/basics/costs/medicare-costs/avoid-penalties)
