## Aetna Flexible Spending Account (FSA)

Enjoy the FSA  
streamline feature  
today

### Send claims automatically

Say hello to ease. That's what you'll get with the FSA *streamline* feature from Aetna. Streamlining automatically moves an eligible medical, dental or pharmacy claim to Aetna's FSA system so you don't need to submit a separate FSA claim form.\*

### Streamlining claims is convenient, but you *should not* elect it if you or your dependent(s) are:

- Covered under another plan with coordination of benefits
- If you are covering a domestic partner who is not your covered dependent for federal income tax purposes

If you would like to change your streamline election, it's easy. Simply do it online:

1. Log on to **Aetna Navigator®**
2. Select *Details* under **Flexible Spending Account Health Care**
3. Select the *Streamline Claims* under **Take Action**
4. Enroll or cancel your streamline

\*If you have an Aetna medical, dental or pharmacy plan. Certain services will not streamline such as amounts over reasonable and customary and over-the-counter items. You'll have to file paper claims for these other eligible expenses.

\*\*If direct deposit is offered by your plan.
