

Lee County Transit Performance Measures

The purpose of this publication is to provide general information concerning system management, performance, productivity, cost distribution and safety of the Lee County Transit system. The data reported includes two modes of operations: Fixed Route (buses) and ADA Demand Response Service unless otherwise noted. These performance indicators are published annually pursuant to Florida Statute 341.071. For additional information on how these measures are collected and reported contact LeeTran at (239) 533-0233.
