Lee County makes guest Wi-Fi available outside Bonita Springs Public Library

Fort Myers, FL, Oct. 6, 2022 – Residents of Bonita Springs who want to file insurance claims or to request FEMA assistance online may go to the courtyard area outside the Bonita Springs Public Library, 10560 Reynolds St, Bonita Springs, and log on to the Lee County Guest Wi-Fi.

No password is required. Users simply need to agree to the terms of service to log on. Service may be intermittent at times.

Residents previously had reported that a reliable connection was difficult to find. Comcast/Xfinity is also working to establish Wi-Fi hotspots in the area.
