In the early 70's the center was home of the first Alva Fire House and community gathering place. The building was completed by the efforts of volunteers and concerned citizens. This building was completely renovated in 2004. It has one large meeting room and two small rooms and a kitchen.

# Club Rec

At Lee County Parks & Recreation, we encourage kids to be kids. Club Rec is an Open Access Program that provides an opportunity for children to choose their activities. We encourage them to learn, get involved in physical activity and explore their creativity. The Club Rec program is open on Lee County School days that are non county-holidays.

Lee County Parks and Recreation would like to make clear the following concerning the Club Rec program:

- Club Rec is not an afterschool child care program. Club Rec does not assume responsibility for supervision of children.
- Children are allowed to enter and leave the program at any time without permission, prior arrangements, or supervision.
- Club Rec will not exceed four hours a day in length during Lee County School District academic calendar year. The program hours may be extended during school breaks within the academic calendar year. Please check with on site staff for more details.
- Club Rec will not provide transportation to or from its facilities and will not serve or prepare any meals for children.
- Activities available for children will vary based upon Recreation Center/Park amenities per location. Please check with on site staff for more details.

Please Note: Since this program is in high request, children that regularly miss more than two unapproved days per week will be removed from Club Rec in order to open a spot for another child.

Come join the fun at your local recreation center! Don't miss the opportunity for your child to take part in games, sports, crafts and homework time at your area Club Rec program.
