Lee County Parks & Recreation

Estero Traditional Camp

Week 1: June 13 - June 17

Greetings Campers and Parents/Guardians!

I'm so glad you're here. My name is Katie Mansell and I am your Summer Camp Director this year. Please review this calendar as it has important information pertaining to this week and may answer some of your questions.

My goals for this summer are to make sure each camper has a safe, fun, and rewarding time while attending camp. We have planned an array of activities in order to reach the needs of all participants.

We will be doing various activities here on site: both inside the recreation center and outside in the park. Please make sure your camper is prepared for the day's activities with proper footwear, clothing, water, and other materials as needed.

This week's theme is "Color Wars." Campers will get to know one another through different activities and hopefully form friendships that will last all summer. Take note of your group color so you can show your pride on Tuesday, June 14th. Another event we are having weekly throughout the summer is our Penny Wars Challenge! The group with the most collected pennies by the end of the summer will receive an award during the last week of camp. Campers will also have the opportunity to earn their group a STAR for good behavior, good sportsmanship, having a positive attitude, and exceptional participation. The group with the most STARS at the end of the summer will win a special prize.

On pages 2-3, you will find our calendar for this session. Page 4 offers important information for a successful week. Please take some time together to review the activities for the week. If you have any questions, please don't hesitate to ask one of the Traditional Camp Staff.

Sign-in begins at 7:30 a.m. and campers must be picked up by 6 p.m. If you notice your camper's name is highlighted on the sign-in sheet, please speak with one of the Traditional Camp Staff.

Looking forward to a fantastic week at camp,
Katie Mansell
