## Lee County Parks & Recreation

# PARKS PERKS PROGRAM

Dear Valued Volunteer,

We want to extend our heartfelt thanks for the countless volunteer hours you've dedicated to making Lee County a better place to visit, learn, and play.

The hours you record are instrumental in various reports that help secure grant matching, track cost savings, support strategic planning, achieve accreditation, justify facilities and staffing, and much more.

You can use your recorded hours to "purchase" items from this catalog. This is a small token of our appreciation for all that you do.

Park Perks Program items can be ordered at any time by completing the order form and submitting it to [Volunteerservices@leegov.com](mailto:Volunteerservices@leegov.com). Parking Passes are now digital and linked to your license plate, no sticker required. Once your parking pass has been approved, you will be notified via email.

To request an annual Lee County Parks and Recreation Parking Pass, volunteers must have logged 40 hours of volunteer service over the previous 12-month period. Volunteers may redeem for a maximum of two annual parking passes (80 hours) per volunteer each year.

If you have any questions or concerns about your reported hours or the Parks Perks Program, please feel free to reach out to Volunteer Services.

Have a great day and know that you are appreciated.

Thank You,  
 Lee County Parks & Recreation Volunteer Services
