

*****All Physician Prescribed Medication Including Emergency/Life Saving Medication*****

Lee County Parks & Recreation "Physician Prescribed" Medication Dispersal Release

This form is to be completed whenever a child is to receive any routine and/or emergency life saving **physician prescribed medication** during a Lee County Parks & Recreation Program.

Authorizing Physician(s): please complete this form whenever a child is to receive a "prescribed medication" on a routine or emergency/life saving basis. Examples: Prescription eye/ear drops, inhalers, Epinephrine Auto-Injector (Epi-pen, AUVI-Q, etc.).

Parent/guardian: please sign the form to indicate your permission for Lee County Parks & Recreation (LCPR) staff to follow the physician's instructions. Please return the completed form to LCPR staff. This form is valid for two months. If medication is to continue beyond that time, the authorizing physician and the parent/guardian will need to complete additional forms.
