Parents and Caregivers,

Let us take this opportunity to welcome you and your camper to the Lee County Parks & Recreation 2022 Special Needs Summer Camp Program.

Our summer program will allow campers to connect with old friends, make new friends, play games, enjoy arts and crafts, participate in guest speakers, go on community-based field trips, and so much more.

In addition, we will be offering lunch and afternoon snack for every child for the 7 weeks of summer camp. Menus will be available onsite.

We believe communication between parents and staff is essential to have the best camp possible. At any time, you have any questions or concerns, feel free to contact and share them with us; this ensures that everyone will have a successful experience.
