

Park Perks Program

You have reported hours! Now Reward Yourself!

For registered and active volunteer staff.

Lee County Parks & Recreation would like to THANK YOU for the many volunteer hours you have reported to making Lee County a better place to visit, learn and play. The hours that you record are used in various reports to obtain grant matching, track cost savings, justify facilities and staff, strategic planning, accreditation and much more. You can use your hours to “purchase” the items in this catalogue. This is just a small gesture to show you how much we truly appreciate you.

Park Perks Program items can be ordered at any time by completing the order form and submitting it to Volunteer Services. Parking Stickers can be picked up at Estero Rec Center, Terry Park, Wa-Ke Hatchee Rec Center, North Fort Myers Rec Center and Veteran’s Rec Center.

- All hours earned are “Roll Over” hours.
- All hours must be reported online or through VicTouch.
- You can combine hours with another volunteer.
- A parking pass is 40 reported hours but does count against you spending hours.
- You may order a total of 2 parking passes (80 reported hours) annually.
- New items added regularly.

All items are available as long as supplies are available.

If you have any questions or concerns about your reported hours or the Parks Perks Program, please feel free to communicate them to Volunteer Services. Have a great day and know that you are appreciated.
