Park Perks Program

Dear Valued Volunteer,

We would like to thank you for the many volunteer hours you have reported making Lee County a better place to visit, learn, and play. The hours that you record are used in various reports to obtain grant matching, track cost savings, strategic planning, accreditation, justify facilities and staff, and much more. You can use your hours to “purchase” the items in this catalogue. This is just a small gesture to show you how much we truly appreciate you.

Park Perks Program items can be ordered at any time by completing the order form and submitting it to Volunteerservices@leegov.com.

Parking Stickers can be picked up at the four main recreation centers: Estero Recreation Center, Wa-Ke Hatchee Recreation Center, North Fort Myers Recreation Center, or Veteran’s Recreation Center. Additionally, the stickers can be picked up at our Administration Office at Terry Park.

- All hours earned are “Roll Over” hours. They can be rolled over from one year to the next.
- All hours must be reported online or through VicTouch.
- You can combine hours with another volunteer.
- A parking pass is 40 reported hours but does not count against your spending hours.
- You may order a total of two parking passes (80 hours) annually.

If you have any questions or concerns about your reported hours or the Parks Perks Program, please feel free to communicate them to Volunteer Services. Have a great day and know that you are appreciated.

Thank You!
