EVR™ CARTS - OPTIONS PRICE LIST
City of Tucson/National IPA
RFP #171717 - Proposal Pricing
November 1, 2022 through January 31, 2023

OPTION DESCRIPTION	OFFERED PRICE
EVR Green - The industry's first-ever 100% recycled cart body: Rotational molding of Toter cart bodies optimizes EVR-Green's superior impact strength and performance, allowing the use of 100% recycled cart bodies. Carts must be Toter's #200 Black body and lid, minimum 50 carts per order (all carts same model, #200 Black, same markings and features). Additional lead time may apply. EVR Green is subject to material availability in the quality Toter requires, especially for orders over 1,500 carts).	\$2.00
Standard Solid Colors: (#940) Green, (#705) Blue, (#125) Gray, (#270 Brown), (#200) Black.	No Charge!
Standard Granite Colors: Upscale Granite Bodies with (#200) Black Lids. Available Colors are (#968) Greenstone Granite, (#929) Toter Green Granite, (#760) Navy Blue Granite, (#709) Bluestone Granite, (#149) Dark Gray Granite, (#129) Graystone Granite, (#279) Brownstone Granite, (#249) Sandstone Granite, (#209) Blackstone Granite.	\$1.00
Non-Standard Colors: Additional non-standard colors are available and can be quoted as required. Toter's non-standard colors are: (145) Midnight Gray, (240) Tan, (390) Yellow, (715) Hawaiian Blue, (718) Waste Blue, (760) Navy Blue, (925) Waste Green, (930) Dark Green. Minimum quantity of 500 units required for non-standard colors. Pricing varies depending on color and quantity.	Contact Toter for Pricing
Specialty and Custom Colors: Specialty and Custom Colors are available and can be quoted as required. Minimum quantity of 500 required for specialty or custom colors. Pricing varies depending on color and quantity.	Contact Toter for Pricing
Color Change Fee for Specialty and Custom Colors - Bodies: Fee per order for any Specialty or Custom Body Colors.	\$300.00
Color Change Fee for Specialty and Custom Colors - Lids: Fee per order for any Specialty or Custom Lid Colors.	\$2,500.00
Snap-On Sunburst Wheels: 10" x 1.75" (nominal) with knobby treads and made from high density polyethylene. Minimum RMA load rating of 200 pounds per wheel. Wheels are retained by means of a center aligned axle journal claw which snaps into a groove that is a full weight bearing surface.	\$0.50
Quiet Cap Wheels: 10" x 1.75" (nominal) - high density polyethylene injection hub with a rubber "Quiet Cap" tread. The quiet cap deadens noise and provides improved slip resistance on smooth services. Minimum RMA load rating of 200 pounds per wheel. Wheels are retained with galvanized steel drive on pal nuts.	\$2.52
Quiet Cap Snap-On Wheels: 10" x 1.75" (nominal) - high density polyethylene hub with a rubber "Quiet Cap" tread. The quiet cap deadens noise and provides improved slip resistance on smooth services. Minimum RMA load rating of 200 pounds per wheel. Wheels are retained by means of a zinc plated steel pin with stainless steel spring which snaps onto a retaining ring on the axle.	\$3.69
Cotter Pin and Washer Wheel Attachment: Wheels retained with galvanized washers and galvanized 1/8" cotter pins.	\$0.70
Aluminum Drive Rivet for EVR I Stop Bar	\$0.20

**CART MAINTENANCE SERVICE FOR A FLEET OF MIXED CART BRANDS
AND/OR EXISTING TOTER CARTS**

City of Tucson/National IPA

RFP #171717 - Proposal Pricing

November 1, 2022 through January 31, 2023

This service is intended to provide high productivity cart maintenance and cart delivery/retrieval service at a predictable cost while insuring uninterrupted collection service to all city or county residents

1. Toter will provide Cart Maintenance Service (as defined below) up to the specified maximum number of work orders per calendar month for the fee indicated. Unused work orders do not carry forward at the end of the month. Work orders are defined as city or county (hereafter "the City") requests for cart repair, replacement, washing, and/or delivery of carts and retrieval of carts no longer needed for service ("Cart Maintenance Service"). Cart washing service at homes and/or on the street is not included in Cart Maintenance Services.
2. Toter will bill the City the stated fee for each work order in excess of the maximum number of orders in a calendar month.
3. Should the buyer consistently experience a level of work orders well above the purchased level of service the buyer and Toter may mutually agree on permanently changing to a higher level of service from those offered below. Toter will inform the buyer of the time period necessary to implement the higher service level.
4. Toter will use its best efforts to complete all work orders within three (3) to four (4) business days after receipt of the City's work order. In cases where the resident does not leave the cart accessible for service, Toter will log that exception and will attempt a second service call within two (2) business days.
5. Toter will use City provided hardware and software if it is an integral part of delivering service to the residents. The City will provide both at no cost to Toter and will train Toter staff on its usage. Should the City's system fail to function or not function properly Toter will document work order completion in another format for reporting to the City until the system is operating satisfactorily.
6. The City will provide, at no cost to Toter, a fenced in or otherwise secured work site with access to a bathroom for Toter's Cart Maintenance Service operation. The site will include a station for the washing of returned carts that complies with federal, state and local environmental protection and wastewater laws and regulations as well as to a continuous supply of water for such washing. The site shall be of sufficient size for the parking of trucks and trailers as well as parts inventory. A small office with electricity, heat and air conditioning and potable water shall also be made available to Toter at no charge.
7. Toter will supply, at no charge to the City, replacement parts for Toter carts that are within the stated Toter warranty period and fail under the Toter warranty's stated coverage. All other parts for Toter and other cart brands will be supplied by the City to Toter at no cost to Toter. The City will maintain the necessary parts inventory to insure work orders can be carried out within the specified time period.
8. Should City parts inventory not be available to repair damaged carts Toter will remove damaged cart from the residence and replace it with a new Toter cart from the City's inventory of new, purchased carts. The damaged cart will be stripped of usable parts which will be delivered to the City's inventory for use on future work orders. Toter will also redeploy cleaned, used carts if so directed by the City.
9. The City will provide Toter with a written list of the types of damage, by brand of cart, that are not to be repaired. Instead, a new Toter cart from the City's purchased cart inventory will be delivered and the damaged cart removed.
10. Used carts that are still serviceable will, at the City's direction, be retrieved, washed and returned to the City's cart inventory for future redeployment. Carts damaged by graffiti will not be redeployed. Unrepairable/unusable carts will be prepared for recycling of the plastic components. Toter will arrange for the recycling of the unusable plastic and any revenue form that recycling will be shared equally by the City and Toter. Toter and the City will cooperate in locating a local recycler to accept steel components. The City will arrange for and provide, at no cost to Toter, a disposal container and the collection/disposal service for wheels and other waste materials that cannot be recycled.
11. The City will grant permission to Toter for its employees and authorized agents to service City owned carts left at the curb regardless of whether the cart is in a public right of way or on private property near the curb. Toter employees and its authorized agents will not enter garages, car ports, back yards, fenced or other non-public areas to retrieve carts for service without authorization.
12. Toter will submit periodic reports as required by the City to monitor the performance of the program.
13. The contract will extend for a mutually agreed upon period of from one (1) to ten (10) years and may be extended annually by mutual agreement, with the City paying Toter in arrears on the 10th day of the month following the delivery of service.
14. Either party may terminate the contract with six (6) months advance written notice.

Pricing: Service price for the stated MAXIMUM number of work orders per month.

This service is not available for fewer than a maximum of 700 monthly work orders.

FULL SERVICE CART MAINTENANCE
City of Tucson/National IPA
RFP #171717 - Proposal Pricing
November 1, 2022 through January 31, 2023

This service is intended to ensure that all City-owned Toter Carts remain in complete working order and that the City can accurately budget its annual cart program cost.

1. Toter must provide field repair or replacement of all City-owned Toter Carts requiring maintenance service and deliver new carts to new residences within five (5) business days of receiving an electronic written work order from the City.
2. Toter is responsible for all repair or replacement cost, regardless of the cause of the maintenance problem (except fire, loss, theft or vandalism), including the cost of parts and City approved replacement carts.
3. Should the City choose to allow a resident to request "swap" of the cart size at his residence, Toter will retrieve the old cart and deliver a new or approved used cart provided by the City. The cost for each cart swap will be billed to the City at the end of each month.
4. Toter will base its maintenance decisions on the following: 1) specifically excluded items under Toter's Limited Warranty; 2) expired warranty; or 3) fire/ vandalism/ lost/ stolen. Maintenance will be provided to the City using City provided parts/carts. Toter's decisions as they relate to maintenance regarding these items shall be final.
5. The City and Toter will coordinate the submittal of periodic reports as required by the City to monitor the performance of the service program. The City will, at no cost to Toter, make space available on its yard and one small office space for Toter to operate this service from.
6. The contract shall extend for a period of from 1 to 10 years, at the City's discretion, with the City paying the contractor, in arrears on the first day of each month, a fee for each cart in service. Maintenance service on an additional cart delivered after the first day of a new month will be billed to the City, beginning on the first day of the month following the delivery to a resident. The contract shall be renewable in one year increments by mutual agreement of the City and Toter.

PRICING:

Service price, per cart, per month in service at a City residence.
 Service is not available for fewer than 50,000 carts
