**LEE COUNTY, FLORIDA
DETAILED SPECIFICATIONS
FOR
ANNUAL CONTRACT FOR THE PURCHASE OF
POLYPHOSPHATE CORROSION INHIBITOR**

SCOPE

The purpose of this bid is to solicit prospective bidders to furnish and deliver Polyphosphate Corrosion Inhibitor on an annual basis for use at Lee County Utilities. Lee County Utilities' goal is to have a 0.8ppm to 1.0ppm PO₄ residual leaving the Corkscrew and Olga Water Treatment Plants.

BASIS OF AWARD

The basis of award for this bid will be, at Lee County's sole discretion, cost per pound low bidder, meeting specifications. Award shall include firm delivered prices within the minimum/maximum quantity ranges F.O.B., Lee County, Florida to the delivery locations as specified.

Lee County reserves the right, at the Procurement Director's discretion, not to award certain items on the Bid/Proposal Form.

Lee County reserves the right to reject unbalanced bids (a bid where a normally low cost item is priced well out of the normal range).

Due to the difference in PO₄ content, the bid will not be awarded by lowest price alone and will be based off of the lowest cost per lb. of PO₄.

Confirmed by the following formula: 126,000 gallons x PO₄% x Price per gallon = Total Price

Lee County reserves the right to award this quote which best serves the interest of Lee County; i.e.: to a single vendor, to multiple vendors, or by a primary/secondary vendor basis, at Lee County's sole discretion.

SUBMITTALS

Vendor should submit written proof of conformance as required in technical specifications.

NATIONAL RESPONSE CENTER

The bidder shall provide a detailed listing of all accidents, incidents, releases, spills, and National Response Center notifications ("safety incidents") for all chemicals it delivers or manufacturers for the past five (5) years.

The bidder shall also provide the names of any customers where its contract was terminated early (e.g., debarred) for safety, quality, or service issues for any product it supplies over the past five years. Failure to disclose references, terminations, or safety incidents will result in Bidder being disqualified from bidding on this product.

For purposes of this Bid, the term "Bidder" shall be defined as the vendor submitting the proposal and shall include all subsidiaries, affiliates, and subcontractors. As such, terms and conditions shall apply to all subsidiaries and affiliated companies as well as any subcontractors. The awarded vendor shall be the responsible party for the awarded contract.

MINIMUM ORDER QUANTITIES

If Lee County requires less than the minimum order quantity stated on the Bid/Proposal Form, Lee County will contact the awarded vendor to receive that product at the same price or obtain alternate firm delivered pricing for that product. Lee County reserves the right to accept that price or go elsewhere.

QUANTITY PRICE BREAKS

If your firm can offer quantity price breaks to Lee County on any items listed, specify item(s), quantity breaks and pricing on company letterhead. The prices offered on the Bid/Proposal Form will form the basis of award.

PRICE ESCALATION/DE-ESCALATION

Bids are submitted with the understanding that no price increases will be authorized for 365 calendar days after the effective date of the contract. Upward price adjustments may be permitted only at the end of this period and only where verified to the satisfaction of Procurement Management as provided herein. **However, "across the board" price decreases are subject to implementation at any time and shall be immediately conveyed to the County.**

The awarded vendor(s) shall not give less than 30 days advance written notice of a price increase to Procurement Management. Any approved price change will be effective only at the beginning of the calendar month following the end of the full 30-day notification period. The vendor shall document the amount and proposed effective date of the change in price. The price change must affect all accounts serviced by the vendor. Documentation shall be supplied with vendor's request for increase which will: (1) verify that the requested price increase is general in scope and not applicable just to the County; and (2) verify the amount or percentage of increase which is being passed on to the vendor by others not under the control of the vendor. Failure by the vendor to supply the aforementioned verification with the request for price increase will result in delay of the effective date of such increase.

Procurement Management may make such verification as deemed adequate. However, an increase, which Procurement Management determines is excessive, regardless of any documentation supplied by the vendor, may be cause for cancellation of the contract by Procurement Management. Procurement Management will notify using agencies and vendor in writing of the effective date of any increase, which is approved. However, the Vendor shall fill all purchase orders received prior to the effective date of the price adjustment at the old contract prices. The Vendor is further advised that price decreases that affect the cost of materials, labor, and transportation are required to be passed on to the County immediately. Failure to do so will result in action to recoup such amounts.

TRAINING SESSIONS

Awarded supplier (s) shall be required to provide, at no additional cost to the County, two 4-hour training sessions each year, that meet the federal and state safety and right to know training requirements. The education and instruction of the County's operations personnel shall be by a qualified instructor familiar with the safe handling practices associated with the chemical being discussed.
