#### 2. BACKGROUND

2.1. Chapter 406, Florida Statutes, requires that each county, through their Board of County Commissioners, assume financial responsibility for the disposition of unclaimed or indigent bodies that die within the confines of their county. The Lee County Board of County Commissioners has delegated administration of this function to HVS, and, in February 2004, formalized the policy of the program in Lee County Administrative Code 15-7.

Hospices and local police may also use this contract. Burial plots, if required, shall be handled by the County under a separate contract.

#### 3. AWARD

- 3.1. The basis of award for this Solicitation shall be the low Bidder meeting specifications either by individual sections or overall (Grand Total Sections I & II), whichever is in the best interest of Lee County. The evaluation will be based on the extended cost of the estimated annual usage.

- 5.2 The funeral home service shall consist of preparing the deceased for burial, including embalming, if required. Any burials required shall be direct burials (no viewing, no service).
- 5.3 A "flat-top" casket (pressed wood), meeting the minimum requirements set by area cemeteries, shall be used for all deceased persons processed under this Solicitation.
