Dear, Mr. Blocker:

On May 7, 2019, Lee County entered into an Agreement with Blackburn Controls, Inc. dba BCI Technologies to provide installation services for the replacement of Motorola Remote Supervisory Control and Data Acquisition System (SCADA) panels with new remote Schneider SCADA pack panels USPS 13060. As of the date of this letter, all required panels have been installed and no further work is needed under the Agreement.

Pursuant to Section XII. However, commencing upon the date of receipt of this Notice, the County is mandating a suspension of any remaining work under the Agreement.

Sincerely,
