Notes:

1. **PRICING**

1.1. Vendor shall provide pricing as follows:

1.1.1. **Locate Services** – Pricing shall be provided and contracted as a fixed monthly fee to be charged to the County. Fee shall cover all service calls received/issued. There shall be no minimum or maximum to locate service calls. This fee shall cover the services as described herein and inclusive of all Vendor expenses to perform such services.

1.1.2. **Emergency Response Restoration Services** – Pricing shall be provided and contracted as a fixed and fully loaded hourly rate that shall include all Vendor expenses to perform such services such as labor, material, equipment, heavy equipment, permitting where required, bonding where required, overhead, etc. Hourly rate shall cover the respective services as described herein for Vendor to respond to any repair call at any time 365 days a year. Vendor invoicing shall clearly indicate the area of repair, services provided, hours needed to complete repair and fixed hourly rate.

1.1.2.1. Fixed and fully loaded hourly rate shall encompass all crews, material, and equipment utilized regardless of repair and shall **not** be billed on a per individual basis. It shall be the sole responsibility of the Vendor to recognize and call upon the necessary quantity of labor and type of equipment and material needed to complete the service call.

1.1.2.2. All work shall be completed to the satisfaction of the County authorized representative requesting work. Any repair completed that is deemed unsatisfactory to the County authorized representative, in his/her sole discretion, shall be corrected by Vendor at no additional costs to County.

1.1.2.3. For singular repair projects exceeding \$200,000, or statutory limits as increased, Vendor shall furnish to the County a recorded Performance and Payment Bond for 100% of the project costs. Bonding shall meet the minimum County requirements as stated herein.
