- 2.2. "Emergency" deliveries shall be within 24 hours from the time when the County places an order. An emergency delivery is defined as a delivery which is necessary in order to prevent the County from running out of chemicals listed in the scope in less than 24 hours. The County will endeavor to minimize the number of "emergency" deliveries.
- 2.3. The County reserves the right to refuse delivery if that delivery is not in the proper timeframe; the Vendor has improper equipment to offload the delivery; the Vendor is taking improper safety precautions; and/or the Vendor has malfunctioning equipment.
- 2.4. In the event a delivery ticket is not provided during the time the Vendor is on site, the delivery may be rejected.
- 2.5. The Product Name, Unit Price bid by the Vendor, Unit of Measure, and Quantity delivered shall be clearly denoted on delivery documentation and invoicing to ensure efficient and effective product and price verification. Failure to clearly indicate such details on delivery and invoice documentation may result in payment delays or non-payment.
- 2.6. The County reserves the right to add or delete delivery sites at its discretion at any time throughout the term of the Agreement.
- 2.7. The Vendor's delivery driver shall present a photo I.D. upon delivery. The I.D. shall show that the driver is an employee of either the trucking company or the Vendor. All personnel making deliveries shall wear the appropriate personal protective equipment (PPE) as required by the Safety Data Sheet. Any order delivery is subject to inspection prior to acceptance by an authorized member of the County.
- 2.8. The Vendor shall be responsible for any spills from the failure of its or its subcontractor's delivery equipment or from failure of attendant delivery personnel in the proper performance of their duties.
- 2.9. Proper performance shall require attendant delivery personnel(s) constant inspection and observation of unloading operations and knowledgeable response to problems or emergencies, which would most commonly be expected to occur. The County reserves the right to refuse any and all deliveries made with equipment that is poorly maintained.
- 2.10. The tanks or trailers shall be clean and free of residue that may contaminate the Vendor's product or impede the unloading process. The Vendor shall verify the cleanliness of the transporting equipment before loading.
- 2.11. If the spill is not cleaned up, the County will hire a certified hazardous material handling company to clean up the spill, and the cost of such service shall be charged to the Vendor and deducted from the amount due to the Vendor for materials.
