RE: FMB Deep Injection Well #2, CIP#0617
LDO2020-00536-A01
Amendment

Dear DANIEL SCHMIDT:

Your plans for the above-referenced project have been reviewed and approved for an Amended Development Order with stipulation(s). The Amended Development Order is granted for the following:

A01 - This project is Phase 2 of LDO2020-00536 and includes replacement of belt filter presses, feed pumps, polymer activation units, bridge crane, and associated sludge feed modifications.

This approval does not relieve the development from the responsibility to obtain all other necessary Federal, State and local permits.

If you have any questions concerning this matter, please contact this office.

Sincerely,

DEPARTMENT OF COMMUNITY DEVELOPMENT
Development Services Section
Electronically signed on 8/21/2023 by
Ohdet Kleinmann, Interim Development Services
Manager
Lee County Development Services

Approval is subject to the following stipulation(s) and/or comment(s):

Development Services Comments:

All previous conditions of approval and unresolved stipulations remain in full force and effect and are repeated for your use.

STIPULATION: Not less than forty-eight (48) hours prior to the start of construction, provide to Development Services Division copy of the Notice of Intent with evidence that it has been filed with FDEP. (lsimmons@leegov.com).

34-1748(2) Access for emergency vehicles must be provided.

STIPULATION: If the security gate is not manned 24 hours per day it must be equipped with an override mechanism acceptable to the local emergency services agencies or an override switch installed in a glass-covered box for the use of emergency vehicles.

Environmental

STIPULATION: Prior to any site work, a vegetation removal permit must be obtained. At the time of the vegetation removal permit, the 2 trees being protected but be barricaded from construction activities throughout the construction process.

Please contact Ohdet H Kleinmann at OKleinmann@leegov.com or by calling 239-533-8894 with any questions regarding the above review comments.
