 1. a corporate resolution by the Board of Directors; or
 2. an extract of minutes; or

 If the company's articles of incorporation identify additional positions that have the power to bind the corporation, we will accept the articles of incorporation with verification from the president that a certain individual serves in that role (e.g., the president confirms that John Doe is the CEO, and the articles of incorporation provide that the CEO has the power to bind the company).
 With respect to an LLC, the authority to bind a limited liability company is controlled by Florida Statutes. Managers or managing members have inherent authority to bind an LLC.
